ARTICULATION AGREEMENT BETWEEN
STEPHEN F. AUSTIN STATE UNIVERSITY
AND DEL MAR COLLEGE

This Agreement is made and entered into on this _____ day of ____________, 200__,
by and between STEPHEN F. AUSTIN STATE UNIVERSITY, an entity of the State of
Texas, hereinafter referred to as “SFA” and DEL MAR COLLEGE, a local
government entity, hereinafter referred to as “DMC.”

1. Purpose of Agreement:

The purpose of this Agreement is to enable students that earn an Associate of Applied
Science degree in Child Development at DMC to apply specific credit hours to the Child
and Family Development degree at SFA. DMC will deliver agreed-upon lower level
classes, while SFA will deliver all upper level courses, including at least 6 hours of the
minor in Human Sciences. SFA will deliver a minimum of 42 total hours, of which 36 of
those hours must be advanced level. Student must meet SFA Admission requirements,
tuition and fees, or other policies; therefore, it is important that the program be reviewed
annually, not later than the 15th day of February. Both SFA and DMC acknowledge the
value of a seamless educational degree program between the institutions.

2. Terms of Agreement:

A. Responsibilities of SFA:

SFA hereby agrees as follows:

1. To admit and enroll those DMC students who have completed an
   Associate of Applied Science degree in Child Development in this
   specific, seamless degree program who are determined by SFA to
   be fit and qualified for admission to SFA and the Bachelor of
Science in Human Sciences program.

2. To provide courses to be taught at SFA and/or through distance education on a rotation schedule.

3. To assist DMC students with desired course placement and advising online or via telephone as needed.

4. To maintain on-going collaboration and monitoring of the program through the Director of the SFA School of Human Sciences.

5. To arrange and coordinate academic accommodations for qualified disabled students enrolled in SFA courses through the SFA Office of Disability Services.

6. To bill and collect from students participating in this program applicable SFA tuition and fees as adopted by the SFA Board of Regents.

7. To remind students involved in the program that SFA academic requirements, policies, procedures, tuition and fees are subject to change. Location of changed information can be found on the SFA website, bulletins, or other locations.

8. SFA cannot guarantee this program in perpetuity; therefore, it is important that the parties and students participating in this program understand that this agreement will not constitute a binding contract regarding the on-going or future offerings of the academic program outlined herein.

9. SFA is an equal opportunity institution, and shall not discriminate unlawfully against any DMC student, applicant, or employee, nor
shall it deny the benefits provided its own degree-seeking student to any person on the basis of race, color, national origin, ancestry, disability, martial status, age or gender.

B. **Responsibilities of DMC:**

DMC hereby agrees as follows:

1. To admit and enroll DMC students enrolled in lower division courses taught by DMC as part of this seamless degree program.

2. To include a web link to SFA course listings from this program on the DMC home page or departmental home page and to assist in advising SFA/DMC students in this program through a designated DMC academic advisor.

3. To communicate to students completing the Associate of Applied Sciences degree in Child Development and enrolling in SFA that SFA academic requirements, policies, procedures, tuition and fees will apply and may be subject to change, and that SFA cannot guarantee the program in perpetuity, so future offerings cannot be guaranteed.

4. To maintain on-going collaboration and monitoring of the program through the Department of Human Sciences and Education.

5. DMC is an equal opportunity institution, and shall not discriminate unlawfully against any SFA student, applicant, or employee, nor shall it deny the benefits provided its own degree-seeking students to any person on the basis of race, color, national origin, ancestry, disability, marital status, age, or gender.
C. Responsibilities of Both Institutions:

    Annual program review not later than the 15\textsuperscript{th} day of February each year.

3. **Term of Agreement:**

This Agreement shall operate from year to year with annual review. It may only be modified by a written agreement signed by legally authorized officials of both institutions. The Agreement will operate as a commitment of no more than one year at a time.

4. **Termination:**

This Agreement is subject to termination by either party upon sixty (60) days written notice of a material breach to the breaching party. Alternatively, this Agreement can be terminated at any time without cause by mutual consent of the parties, or by either institution with notice by May 1\textsuperscript{st} that the program will not be offered for the next academic year.

5. **Dispute Resolution:**

The laws of the State of Texas (U.S.A.) shall govern the interpretation and application of this Agreement. Any dispute arising out of this Agreement or its operation, performance or non-performance shall be resolved solely and exclusively by the courts located in Nacogdoches or Nueces County, Texas, U.S.A.

IN WITNESS WHEREOF, the above signed parties hereto have set their hands by and through their duly authorized officers on the date and year first recited above.
