Getting Started Guide

Welcome to the Fourth Annual Kick Axe Wellness Challenge. This five week Challenge (January 22 – February 25) is focused on SFA’s Seven Dimensions of Wellness to promote a healthier life. Teams of four will compete in a little friendly competition and earn points by completing weekly tasks.

How to Register
Teams of four can consist of any faculty, staff, and students. Each team must have a team captain whose responsibility is to encourage fellow members to submit their weekly scorecards and who will serve as the point of contact during the Challenge. Registration opens January 8th and runs through January 19th. Sign up using the Registration Form.

Keeping Score with Scorecards
Score keeping begins January 22 until the challenge ends on February 25. Scorecards will be emailed to the team captain by the Challenge Coordinator. Each team captain is responsible to disseminate the scorecard to their team members. Each team member is responsible for completing and submitting their weekly scorecard to their team captain. Team captains are responsible for submitting the team summary scorecard by noon (12:00 p.m.) every Wednesday to the Challenge Coordinator. Scorecards submitted on time with full team’s scores will earn an extra 20 points.
