Charter Parents, Guardians, Faculty and Staff,

We are fortunate to have an active PTO that benefits every student by providing numerous educational and social activities. These activities would not take place without the help of the dedicated members who work behind the scenes planning each event. There are many ways to be involved. Your support helps us make the Charter School a better place for our kids.

Please check the box by all of the committees that interest you. Circle the "C" if you would consider serving as a committee chair. Chairs are appointed by the presiding PTO President.
