WELCH SCHOLARSHIP APPLICATION
Summer Research Experience (SRE) for Junior College Students
SFA Department of Chemistry & Biochemistry

Name ______________________________ Date _______________
Current Institution ___________ Major __________ Minor __________
Name of professor providing letter of recommendation __________________________

Overall GPA _____ Total Hours _____
Chemistry GPA _____ Chemistry Hours _____

In which fields of Chemistry are you interested in doing research? Please rank your top three choices.

___ Analytical
___ Biochemical
___ Environmental
___ Inorganic
___ Organic
___ Physical

Name of SFA professor you are interested in working for (if known). ______________________

Students accepted into the program will be notified during March 2015. Once the student accepts the award, he/she must apply to SFA. The student will enroll in CHE 275 for one credit hour for Summer I, 2015.

Email this application, a letter of application stating your interest in the program and your career goals, and a current copy of your transcript (an unofficial transcript is acceptable) to Dr. Michele Harris. Please have a chemistry instructor email a letter of recommendation directly to Dr. Harris.

Thank you for your interest in SFA and the Welch Research Scholarship. If you have any questions, please contact Dr. Michele Harris (mharris@sfasu.edu) or 936-468-2485.

Deadline for submission to Dr. Harris is February 6, 2015.
