

Colleagues,

The Perkins College of Education is transitioning to the use of ePortfolios when tenure-track and tenured faculty are applying for critical events—tenure, promotion, post-tenure review. In an attempt to clarify this transition, please see the following schedule:

pre-tenure review	ePortfolio or traditional portfolio	ePortfolio	ePortfolio
pre-promotion review	ePortfolio or traditional portfolio	ePortfolio	ePortfolio

promotion-- professor	ePortfolio	ePortfolio	ePortfolio
post-tenure review	ePortfolio	ePortfolio	ePortfolio

As we make this transition, eportfolio training will be offered multiple times. There will be two types of training: eportfolio creation and reviewer of eportfolios. The eportfolio creation training is for those interested in creating an eportfolio. The reviewer of eportfolio training will be offered for those that will be reviewing eportfolios. You will find the session dates below. If you would like to attend one of the following trainings, please email Stacy Hendricks at hendricks1@sfasu.edu the date that you would like to attend. Since we will be working in a computer lab, there will be a limit of attendees for each session.
