Outside Employment

Original Implementation: April 21, 1981
Last Revision: July 16, 2013

Outside employment, for purposes of university policy, is engagement in any activity other than for Stephen F. Austin State University for a fee, salary, or profit. If one establishes or joins a firm, private business, or engages in the private practice of some professional skill, it is considered outside employment if it requires, on the average, more than ten hours per month, including weekends. Such employment must be approved annually in writing and in advance by the appropriate academic dean, director or vice president. This policy applies to all exempt, full-time employees of Stephen F. Austin State University whose employment obligations are not limited to a standard eight-hour day, and to officers of the University Police Department.

University employees who propose to engage in outside employment must adhere to the following guidelines and any applicable laws.

1. Proper performance of the employee's university assignment is paramount and outside work will assume a position secondary to university duties.
2. The employee may not use any materials or facilities of Stephen F. Austin State University in the course of outside employment.
3. The employee will make a reasonable effort to assure that his/her outside employment is not identified with Stephen F. Austin State University.

An individual desiring permission to engage in outside employment must complete the "Request for Approval for Outside Employment" form and route it through administrative channels to the appropriate academic dean, director or vice president for approval, prior to beginning outside employment and annually at the beginning of the fiscal year. Each academic dean or director will provide a summary report of individuals approved for outside employment to the vice president by mid-term of the fall semester. Each vice president will provide the president with a summary report from each respective division.
