Course Objective: Advanced aural skills, chapters 13 and beyond in the assigned text

Attendance: Regular attendance is essential in this class. It is university policy to excuse students for reasons related to health, family emergencies, and participation in a university activity; students are responsible for providing documentation satisfactory to the instructor. Students who miss less than three classes may drop their lowest homework grade.

Evaluation procedures: your grade will consist of the following:

1. Performance tests (rhythm and sight-singing)
2. Dictation tests and one final that will count twice as music as a regular grade
3. Auralia assignments
4. Additional quizzes or assignments as necessary

Weights: Performance tests - 40%  Dictation tests, other assignments - 30%  Auralia - 30%

Homework assignments are due the next class period unless otherwise indicated; NO LATE WORK WILL BE ACCEPTED, with the exception of assignments due on a date for which you have an excused absence.

Online gradebook: You are encouraged to monitor your grades by logging on to Desire2Learn using your MySFA login information: https://d2l.sfasu.edu/

Tutoring: The university sanctions tutors whose services are free to you. Bonus points may be awarded to students who attend and have the tutor sign and date their homework or notes. The tutors are: Theory - Lauren Kylberg - lekylberg@gmail.com
Aural Skills - Roberto Palomino - robertopalominotapia@gmail.com
Students with disabilities: To obtain disability related accommodations, altered formats, and/or auxiliary aids, students with disabilities must contact the Office of Disability Services (ODS, Human Services Building, Room 325; 936-468-3004 / 936-468-1004 (TDD)) as early as possible in the semester. Once verified, ODS will notify the course instructor and outline the accommodations and auxiliary aids to be provided. Failure to request services in a timely manner may delay your accommodation. For additional information, go to http://www.sfasu.edu/disabilityservices.

Minimum grades and sequencing of music theory courses: The SFASU School of Music handbook states, “Courses required to be taken concurrently (MTC 151 & 161; MTC 152 & 162; MTC 251 & 261; MTC 252 & 262) must both be passed with the minimum grade of ‘C’ before moving on to the next two courses.” Thus, students who meet the minimum requirements in only one of the two courses may not move on to the next level until the deficiency is rectified.

Withheld grades semester grades policy (A54): Ordinarily, at the discretion of the instructor of record and with the approval of the academic chair/director, a grade of WH will be assigned only if the student cannot complete the course work because of unavoidable circumstances. Students must complete the work within one calendar year from the end of the semester in which they receive a WH or the grade will automatically become an “F”. If students register for the same course in future terms, the WH will automatically become an “F” and will be counted as a repeated course for the purpose of computing the point average.

Academic Integrity: (A-9-1): Academic integrity is a responsibility of all university faculty and students. Faculty members promote academic integrity in multiple ways including instruction on the components of academic honesty, as well as abiding by university policy on penalties for cheating and plagiarism.

Academic Dishonesty: Academic dishonesty includes both cheating and plagiarism. Cheating includes but is not limited to (1) using or attempting to use unauthorized materials to aid in achieving a better grade on a component of a class; (2) the falsification of invention of any information, including citations, on an assigned exercise; and/or (3) helping or attempting to help in an act of cheating or plagiarism. Plagiarism is presenting the words or ideas of another as if they were your own. Examples of plagiarism are (1) submitting an assignment as if it were one’s own work when, in fact, it is at least partly the work of another; (2) submitting a work that has been purchased or otherwise obtained from an internet source or other source; and (3) incorporating the words or ideas of another into one’s paper without giving the author due credit. Please read the complete policy at http://www.sfasu.edu/policies/academic_integrity.asp. Any work found to be in violation of the Academic Dishonesty Policies will not be accepted.
