Choral Union/Women’s Chorus MUP 133, 333, 533
2016 Spring Syllabus

- MUP 133, 333, 533-University Choirs
- The objective of all SFA Choral Ensembles is to provide a worthwhile and meaningful choral experience for all singers. Every effort will be made by the conductor to offer quality art music allowing for the musical, vocal, and educational development of each singer. Students will demonstrate comprehensive capabilities in rehearsing and preparing a high level performance in ensembles.

- **Grading**
  Like most music ensembles and applied lessons, grading is subjective on participation and regular attendance in rehearsals. In particular, attendance at concerts is mandatory.
  - Attendance: You will be allowed 3 unexcused absences with no affect to your grade. If you get to 4 absences, your grade will drop to a C, 5 -D, 6 or more F.

- **Missing a dress rehearsal for anything short of dire illness and the death of a family member will result in you missing the concert, and thus, receiving a failing grade for the semester. Unexcused absences for the December 7 & 8 rehearsals will result in the lowering of your grade by one letter.**

- **EMAIL-Information is oftentimes sent by email. Please check your email regularly and if the address should change please notify me. If you use an account other than Titan be sure to forward the Titan account to your preferred account.**

- **Rehearsals**
  Begins promptly at the designated time. If an illness or emergency keeps you from attending, please notify Dr. Fish **ahead** of time. If you attend other classes do not ask for permission to miss choir, I expect you to be in attendance and to participate with your maximum efficiency.

- **Number your music.**

- **Section Rehearsals**
  Section rehearsals are important. They are our best “note chasing” rehearsals. Please work with your section leader.

Academic Integrity
Definition of Academic Dishonesty
Academic dishonesty includes both cheating and plagiarism. Cheating includes but is not limited to (1) using or attempting to use unauthorized materials to aid in achieving a better grade on a component of a class; (2) the falsification or invention of any information, including citations, on an assigned exercise; and/or (3) helping or attempting to help another in an act of cheating or plagiarism. Plagiarism is presenting the words or ideas of another person as if they were your own. Examples of plagiarism are (1) submitting an assignment as if it were one's own work when, in fact, it is at least partly the work of another; (2) submitting a work that has been purchased or otherwise
obtained from an Internet source or another source; and (3) incorporating the words or ideas of an author into one's paper without giving the author due credit. Please read the complete policy at http://www.sfasu.edu/policies/academic_integrity.asp

Withheld Semester Grades
Ordinarily, at the discretion of the instructor of record and with the approval of the academic chair/director, a grade of WH will be assigned only if the student cannot complete the course work because of unavoidable circumstances. Students must complete the work within one calendar year from the end of the semester in which they receive a WH, or the grade automatically becomes an F. If students register for the same course in future terms the WH will automatically become an F and will be counted as a repeated course for the purpose of computing the grade point average.
