General Education Core Curriculum

This course has been selected to be part of Stephen F. Austin State University’s core curriculum. The Texas Higher Education Coordinating Board has identifies six objectives for all core courses: Critical Thinking Skills, Communication Skills, Empirical and Quantitative Skills, Teamwork, Personal Responsibility, and Social Responsibility. SFA is committed to the
improvement of its general education core curriculum by regular assessment of student performance on these six objectives. Assessment of these objectives at SFA will be based on student work from all core curriculum courses. This student work will be collected in D2L through LiveText, the assessment management system selected by SFA to collect student work for core assessment. LiveText accounts will be provided to all students enrolled in core courses through the university technology fee. You will be required to register your LiveText account, and you will be notified how to register your account through your SFA e-mail account. If you forward your SFA e-mail to another account and do not receive an e-mail concerning LiveText registration, please be sure to check your junk mail folder and your spam filter for these e-mails. If you have questions about LiveText call Ext. 1267 or e-mail SFALiveText@sfasu.edu.

The chart below indicates the core objectives addressed by this course, the assignment(s) that will be used to assess the objectives in this course and uploaded to LiveText. Not every assignment will be collected for assessment every semester. Your instructor will notify you which assignment(s) must be submitted for assessment in LiveText this semester.

Student Learning Outcomes:

- Students will be exposed to and actively engage in discussions regarding songs, comics,
videos, news and internet materials, and readings from text that relate to the culture of Spanish speaking countries.

- Students will use vocabulary dealing with the following themes in their writing and speaking: greetings and leave-taking, expressions of courtesy, academic life, numbers, the calendar, time, interrogative words, weather, seasons, the family and physical traits and personality, the city and locations, pastimes and sports, colors, and clothing and shopping practices.

- Students will be able to correctly utilize the following grammatical structures: articles, gender and number of nouns, present tense, the implied future tense, adjective placement and agreement, ser and estar, -ar, -er and -ir verb conjugations, irregular present tense verb conjugations, direct and indirect object pronouns, the verb gustar and saber and conocer, and some of the preterite tense.

- Students will be able to communicate in oral and written form about what one normally does, where one lives, what one likes to do, vacations, shopping, and one’s family.

- Students will investigate very simple topics on the Internet in Spanish and record their findings.

**Assessment Assignment:** To measure the success of student acquisition of these mandated skills, one assignment during the semester will require written and oral critical analysis of a film in the target language and selected readings, which will require that students think critically about the film and the historical background, examine how individual choices and decisions influenced the story, and consider the challenges faced by Latin Americans assimilating into U.S. culture.

Completion of this assignment is required by the university and is an important component in the successful completion of this course. Further instructions will be provided at the appropriate time.

**Organization:** This course will cover lessons 1-6 in Vistas and includes enrolling in a lab session. Students will be assigned readings, activities, and grammatical exercises to be completed before each class in order to practice the necessary skills in the target language during class time.

**Attendance and Participation:** Attendance is mandatory. Using Spanish to interact with your instructor and other students in the class is an important aspect of learning the language and cannot be measured by written exams. Therefore a portion of the final grade will depend on class participation. Your participation grade is based on attendance, your attempts to communicate in Spanish whenever possible, regular preparation of all daily assignments, participation in paired and group activities, and arriving to class with all materials. All students are expected to participate actively speaking in Spanish during the class period. Since this class meets three times a week, you must study an adequate amount of time outside of class every day. Classroom attendance accompanied by 30 to 60 minutes of additional study time per day is recommended. Speaking English in class or disrupting the class in any way will result in a poor participation grade. Unexcused absences and tardies will also adversely affect participation averages.

**Late Work:** No late work will be accepted without approval from your instructor and/or proper documentation is submitted from a university sponsor, physician, etc. For documented excused
absences, you may make up quizzes and exams for classes missed. You are encouraged to discuss any missed assignments with your instructor. For these matters, make an appointment before or after class or during office hours.

**Class Conduct:** All pagers and cellular devices should be silenced during class. **They must be put away at all times!** University policy forbids bringing food or drink into the classroom so please refrain from doing so. Courteous behavior is expected at all times and includes being attentive and respectful to other students during class. Please do not leave class after completing a quiz. You may, however, leave quietly after completing an exam.

**Lab:** The language lab is available to you to complete assignments for your class and to use as a resource center.

**Grading Criteria:**
- Exams: 40%
- Tests / Oral Q-A /Compositions: 25%
- * Quizzes / Homework / Participation: 20%
- Lesson assessments
- Final Exam 15%

\[A = 89.5 - 100 \ B = 79.5 - 89.4 \ C = 69.5 - 79.4 \ D = 59.5 - 69.4\]

*Your lowest quiz and/or homework grade will be dropped.

*Students must pass Spanish 131 with a 70 or higher to enroll in Spanish 132.*

**Withheld Grades:** Ordinarily, at the discretion of the instructor of record and with the approval of the academic chair/director, a grade of WH will be assigned only if the student cannot complete the course work because of unavoidable circumstances. Students must complete the work within one calendar year from the end of the semester in which they receive a WH, or the grade automatically becomes an F. If students register for the same course in future terms the WH will automatically become an F and will be counted as a repeated course for the purpose of computing the grade point average.

**Academic Honesty:** Academic dishonesty, cheating and plagiarism will not be tolerated. All students in this class are expected to comply with university policies regarding academic honesty. Any student caught cheating will receive a grade of zero on the assignment and will be reported to the dean of his or her school. All homework should be done on your own. Students are not allowed to use translation programs, native speakers, LRC workers or other students to assist them with assignments. Doing so constitutes academic dishonesty and will be dealt with according to university policy. Academic integrity is the responsibility of all university faculty and students. Faculty members promote academic integrity in multiple ways including instruction on the components of academic honesty, as well as abiding by university policy on penalties for cheating and plagiarism.

**Definition of Academic Dishonesty:** Academic dishonesty includes both cheating and plagiarism. Cheating includes but is not limited to (1) using or attempting to use unauthorized materials to aid in achieving a better grade on a component of a class; (2) the falsification or invention of any
information, including citation, on an assigned exercise; and/or (3) helping or attempting to help another in an act of cheating or plagiarism. Plagiarism is presenting the works or ideas of another person as if they were your own. Examples of plagiarism are (1) submitting an assignment as if it were one's own work when, in fact, it is at least partly the work of another; (2) submitting a work that has been purchased or otherwise obtained from an Internet source or another source; and (3) incorporating the works or ideas of an author into one's paper without giving the author due credit.

**Students with Disabilities**: To obtain disability related accommodations, alternate formats and/or auxiliary aids, students with disabilities must contact the Office of Disability Services, (ODS), Human Services Building, and Room 325, 468-1004 (TDD) / 468-3004 as early as possible in the semester. Once verified, ODS will notify the course instructor and outline the accommodation and/or auxiliary aids to be provided. Failure to request services in a timely manner may delay your accommodations.
