Stephen F. Austin State University  
College of Education  
Department of Human Services  
Communication Sciences & Disorders Program  
Introduction to Speech Language Pathology  
SPH 130.001  
Spring 2016

Instructor: Jodi Jordan, M.S., CCC/SLP  
Office: Human Services 205E  
Office Phone: 936-468-1337  
Email: jordanjg@sfasu.edu  
Credits: 3 hours

Prerequisites: None

I. COURSE DESCRIPTION:  
This course provides an overview of the field of speech-language pathology with specific discussions concerning normal anatomy, normal speech and language development, and the various communication disorders. Information about educational and professional issues is included. The student obtains five hours of observation of therapy and/or evaluation in the Speech and Hearing Clinic.

II. Intended Learning Outcomes/Goals/Objectives: (Program/ Student Learning Outcomes)

A. This course reflects the following core values of the College of Education

- Academic excellence through critical, reflective, and creative thinking
- Life-long learning
- Collaboration and shared decision-making
- Openness to new ideas, to culturally diverse people, and to innovation and change
- Integrity, responsibility, diligence, and ethical behavior
- Service that enriches the community

B. This course also supports the objectives of the Department of Human Services:

Objectives of the DHS include:

The Department of Human Services prepares undergraduates and graduate student for leadership and service roles in East Texas and the global community. The department is committed to incorporation of community-based, service-learning experiences within its educational programs to maximize the advancement of student’s personal and professional development.

C. This course also supports the mission of the Speech-Language Pathology Program:

The mission of the Speech-Language Pathology Program is to prepare knowledgeable professionals committed to enhancing the quality of life of persons with communication disorders. To meet this mission, the Program emphasizes the importance of scientific study, critical thinking skills, interdisciplinary collaboration, ethical principles, the responsibility to educate the public about communicative disorders, and the importance of continued professional development throughout one’s career.

D. SACS Objectives: This course supports the Speech-Language Pathology and Audiology Program Learning Outcomes (PLOs) I, II, III, IV, V, and VI. These competencies are measured by
successful completion of all course requirements, including examinations, group discussion and activities, written assignments, and quizzes:

1. **PROGRAM LEARNING OUTCOME**: The student will acquire and demonstrate knowledge of major anatomical structures and physiological processes underlying speech, hearing and swallowing.

2. **PROGRAM LEARNING OUTCOME**: The students will acquire and demonstrate knowledge of normal speech acquisition and speech disorders (articulation, fluency, and voice) including the fundamentals of prevention, assessment and intervention in preparation for graduate studies.

3. **PROGRAM LEARNING OUTCOME**: The students will acquire and demonstrate knowledge of normal language acquisition and language disorders including the fundamentals of prevention, assessment and intervention in preparation for graduate studies.

4. **PROGRAM LEARNING OUTCOME**: The students will communicate effectively both orally and in professional writing in preparation for graduate studies.

5. **PROGRAM LEARNING OUTCOME**: The students will acquire and demonstrate knowledge of culturally and linguistically diverse populations as it relates to identification and intervention of communication disorder in preparation for graduate studies.

6. **PROGRAM LEARNING OUTCOME**: The students will acquire and demonstrate basic knowledge of the fundamentals of EBP in preparation for graduate studies.

**E. This course addresses the following standards of the Council for Clinical Certification of the American Speech-Language Hearing Association:**

**Standard III-B**: The applicant must demonstrate knowledge of basic human communication and swallowing processes, including their biological, neurological, acoustic, psychological, developmental and linguistic and cultural bases.

**F. STUDENT LEARNING OBJECTIVES FOR THIS COURSE**: At the end of this course, students will demonstrate, by performance on examinations, group discussions, and activities, written assignments, and quizzes, an understanding of the following:

1. The student will describe the responsibilities of speech-language pathologists and audiologists and their career paths by obtaining a minimum of 70% accuracy on exams and quizzes.
2. The student will identify and describe the basic anatomy and physiology for respiration, phonation, articulation, and hearing as evidenced by obtaining a minimum of 70% accuracy on exams and quizzes.
3. The student will identify developmental milestones for communication as evidenced by obtaining a minimum of 70% accuracy on exams and quizzes.
4. The student will describe communication disorders in the areas of child language, adult language, fluency, articulation, phonology, voice, cleft palate, neurogenic disorders, swallowing, and audiology as evidenced by obtaining a minimum of 70% accuracy on exams and quizzes.
5. The student will identify conditions that may cause communication disorders as evidenced by obtaining a minimum of 70% accuracy on exams and quizzes.

**III. Course Assignments, Activities, Instructional Strategies, & use of Technology:**

**OBSERVATION HOURS**: You will need to obtain five (5) hours of observation in speech and language therapy under the supervision of the University supervisors. You will maintain professional conduct in the clinic **AT ALL TIMES**. An observation form will be given to you to record your observations. These forms must be completed as instructed with age and ethnicity. You will sign up for observations on the Clinic bulletin board at the end of Room 205. The new schedule for the following week will be posted every Friday by 8:30 a.m. There will be ONLY TWO observers per window. You MAY NOT take someone’s name off of the schedule and replace it with your own.
You will write in pen and remove your name ONLY with correction fluid (White-out). Be sure that you are able to attend during the times that you choose. **If you sign up and fail to attend for more than two separate sessions, you will not be allowed to sign up for any more sessions.** A file of your hours will be kept in the clinic office, but it is imperative that you make a COPY OF EVERY FORM you submit and maintain your own record of these hours as proof that you have met this requirement. The last day of all clinic therapy session is on Thursday April 28th, 2016. Please note, the clinic will only be open MINIMAL days during the entire month of March due to University holidays and the faculty participation in the TSHA convention. Therefore, it is within your best interest to complete observation hours at your earliest convenience and not wait until the end of the semester. **If you do not complete the required five (5) hours of observation by 5:00 p.m. on Thursday, April 28th your final grade will be dropped by one letter grade.**

All observation forms MUST be submitted to the program office (Rm. 205) by 11:00 a.m. on Friday, April 29th. Late submissions will not be accepted and will be considered incomplete resulting in your final grade being dropped one letter grade.

**EXTRA CREDIT: STUDENTS MAY NOT EARN MORE THAN 25 BONUS POINTS FOR THIS COURSE.**

These are the ONLY opportunities to supplement your grade in this course. All bonus points will be added to the total number of points earned BEFORE the grade is averaged. Please choose up to 25 points from the following opportunities:

1. If you have PERFECT attendance for the semester you will receive 5 BONUS points.
2. You may earn 5 BONUS points for writing 1 one-page, single-spaced summary of a peer reviewed journal article about any interest in the field of speech-language pathology. These articles can be located in journals located in the Program Office, Room 205 or at the SFA Library. These article reports are **due in class on March 31, 2016.**
3. You may select one of two options for 10 BONUS points. **OPTION ONE** is to interview a speech-language pathologist (SLP) or an audiologist. Write a summary of what you learned in the interview. Include the following information from the interview in your paper:
   1. What were the events that led to the individual entering the profession?
   2. What are the best and worst aspects of being an SLP or Audiologist?
   3. What types of job responsibilities does the person have in their current position?
   4. What are the best and worst aspects of the person’s present position?

   **You should ask other questions but you must address the ones above.**

   OR

   **OPTION TWO** would be to interview a parent of a child or an adult who has received or is receiving services from an SLP or audiologist.

   **For this assignment:**

   1. Discuss in detail the types of services being received or were received in the past.
   2. What impressions do the parents or the adult have about the services received?
   3. What was the outcome of the therapy (if treatment is completed)?

   **Other questions can and should be asked as well.**

   **Regardless of which interview you do, be sure to state what you got out of the interview that impacted your perception of the profession. Due in class by March 31, 2016.**

4. You may earn 5 BONUS points for participating in departmental research projects with Dr. Aguerrerevere. A total of 2 research points (R-Points) must be completed to earn bonus points. For every 30 minutes of research participation, students earn 1 R-Point. You must sign up for R-Points through the Department of Human Services Sona Systems Software.

5. If you complete an online Course Evaluation BEFORE the University Deadline, you will earn 5 BONUS points.
IV. Evaluation and Assessment (Grading):

**EXAMINATIONS:** There will be 4 exams: 3 regular exams and 1 final exam. The final examination WILL NOT be comprehensive. Each examination will be counted as one grade and will be averaged for your final grade in this course. All examinations are comprised of true/false and multiple-choice questions. You will need to bring a Scantron form and pencil to every examination. Make-up exams are not permitted except in the case of an extreme illness or emergency. **If you miss an exam, you are responsible for notifying the instructor via email within 24 hours and for providing written documentation for the absence.** Make-up exams will be rescheduled at the convenience of the instructor.

**QUIZZES:** Four (4) quizzes will be given throughout the course of the semester. These quizzes will reflect knowledge you have gained from your readings and lectures. Quizzes will be given during the first 15 minutes of the scheduled class. If you arrive late, you WILL NOT be allowed to take the quiz until after class and 5 POINTS WILL AUTOMATICALLY BE DEDUCTED from your grade. Make-up quizzes are not permitted except in the case of an extreme illness or emergency. **If you miss a quiz, you are responsible for notifying the instructor via email within 24 hours and for providing written documentation for the absence.** Make-up quizzes will be rescheduled at the convenience of the instructor.

### VI. Readings:

**Required:**

Introduction to Communicative Disorders, 4th edition by M.N. Hegde

**Suggested:**

VII. Course Evaluations:
Near the conclusion of each semester, students in the College of Education Electronically evaluate courses taken within the COE. Evaluation data is used for a variety of important purposes including: 1. Course and program improvement, planning and accreditation; 2. Instruction evaluation purposes; and 3. making decisions on faculty tenure, promotion, pay, and retention. As you evaluate this course, please be thoughtful, thorough, and accurate in completing the evaluation. Please know that the COE faculty is committed to excellence in teaching and continued improvement. Therefore your response is critical!

In the College of Education, the course evaluation process has been simplified and is completed electronically through MySFA. Although the instructor will be able to view the names of students who complete the survey, all rating and comments are confidential and anonymous, and will not be available to the instructor until after final grades are posted. 5 EXTRA CREDIT points will be added to your total points before your grade is averaged if you complete a course evaluation BEFORE the university deadline.

VIII. Student Ethics and Other Policy Information:

Attendance: Policy 6.7:
Regular, punctual attendance, documented participation, and, if indicated in the syllabus, submission of completed assignments are expected at all classes, laboratories, and other activities for which the student is registered. Based on university policy, failure of students to adhere to these requirements shall influence the course grade, financial assistance, and/or enrollment status. The instructor shall maintain an accurate record of each student’s attendance and participation as well as note this information in required reports and in determining final grades. Students may be excused from attendance for reasons such as health, family emergencies, or student participation in approved university-sponsored events. However, students are responsible for notifying their instructors in advance, when possible, for excusable absences. Whether absences are excused or unexcused, a student is still responsible for all course content and assignments. Students with accepted excuses may be permitted to make up work for up to three weeks of absences during a semester or one week of a summer term, depending on the nature of the missed work. Make-up work must be completed as soon as possible after returning from an absence.

For this course, in-class attendance and participation is required. The instructor will take roll at the beginning of each scheduled class. If you are not present during roll you will be considered absent for that day. If you miss a class, it is your responsibility to obtain handouts and class notes from your peers. Absence is not an excuse for missing information, handouts, class notes, etc. If you miss class during an exam or other assignment that a grade was given, you are responsible for providing written documentation (illness, hospitalization, death in the family) so that you may make up that grade. You are responsible for scheduling a make-up exam within one week of the missed class. Your final grade will be lowered by 5 points for every three unexcused absences. Excused absences must have documentation (i.e. documented illness from a physician, etc.) which must be submitted within one week of the absence.

Students with Disabilities: Policy 6.1 and 6.6:
To obtain disability related accommodations, alternate formats and/or auxiliary aids, students with disabilities must contact the Office of Disability Services (ODS), Human Services Building, and Room 325, 468-3004/468-1004 (TDD) as early as possible in the semester. Once verified, ODS will notify the course instructor and outline the accommodation and/or auxiliary aids to be provided.
For additional information, go to http://www.sfasu.edu/disabilityservices/ . Location: Human Services Building, room 325. Phone: (936) 468-3004.

Student Academic Dishonesty: Policy 4.1
Abiding by university policy on academic integrity is a responsibility of all university faculty and students.
**Definition of Academic Dishonesty**
Academic Dishonesty includes both cheating and plagiarism. Cheating includes but is not limited to (1) using or attempting to use unauthorized materials to aid in achieving a better grade on a component of a class; (2) the falsification of invention of any information, including citations, on an assigned exercise; and or (3) helping or attempting to help another in an act of cheating or plagiarism. Plagiarism is presenting the words or ideas of another person as if they were your own. Examples of plagiarism are (1) submitting an assignment as if it were one’s own work that has been purchased or otherwise obtained from an Internet source or another source; and (3) incorporating the words or ideas of an author into one’s paper without giving the author due credit.

Please read the complete policy at [http://www.sfasu.edu/policies/academic_integrity.asp](http://www.sfasu.edu/policies/academic_integrity.asp)

**Penalties for Academic Dishonesty**
Penalties may include, but are not limited to reprimand, no credit for the assignment or exam, re-submission of the work, make-up exam, failure of the course, or expulsion from the university.

**Student Appeals**
A student who wishes to appeal decisions related to academic dishonesty should follow procedures outlined in Academic Appeals by Students (6.3).

**Withheld Grades Semester Grades: Policy 5.5**
At the discretion of the instructor of record and with the approval of the academic unit head, a grade of WH will be assigned only if the student cannot complete the course work because of unavoidable circumstances. Students must complete the work within one calendar year from the end of the semester in which they receive a WH, or the grade automatically becomes an F, except as allowed through policy [i.e., Active Military Service (6.14)]. If students register for the same course in future semesters, the WH will automatically become an F and will be counted as a repeated course for the purpose of computing the grade point average.

**Student Code of Conduct: Policy 10.4 Acceptable Student Behavior:**
Classroom behavior should not interfere with the instructor’s ability to conduct the class or the ability of other students to learn from the instructional program. **Unacceptable or disruptive behavior will not be tolerated.** Students who disrupt the learning environment **may be asked to leave class** and may be subject to judicial, academic or other penalties. This policy applies to all instructional forums, including electronic, classroom, labs, discussion groups, field trips, etc. The instructor shall have full discretion over what behavior is appropriate/inappropriate in the classroom. Students who do not attend class regularly or who perform poorly on class projects/exams may be referred to the iCare: Early Alert Program at SFA. Information regarding the iCare program is found at [https://www.sfasu.edu/judicial/earlyalert.asp](https://www.sfasu.edu/judicial/earlyalert.asp) or call the office at 936-468-2703.

**To complete Certification/Licensing Requirements in Texas related to public education and other professional settings, you will be required to:**

1. Undergo criminal background checks for field or clinical experiences on public school campuses; the public school campuses are responsible for the criminal background check; YOU are responsible for completing the information form requesting the criminal background check. If you have a history of criminal activity, you may not be allowed to complete field or clinical experiences on public school campuses. At that point, you may want to reconsider your major while at SFASU.

2. Provide one of the following primary ID documents: passport, driver’s license, state or providence ID cards, a national ID card, or military ID card to take the TExES exams (additional information available at
YOU must provide legal documentation to be allowed to take these mandated examinations that are related to certification/licensing requirements in Texas. If you do not have legal documentation, you may want to reconsider your major while at SFASU.

3. Successfully complete state mandated a fingerprint background check. If you have a history of criminal activity, you may want to reconsider your major while at SFASU.

For further information concerning this matter, contact Katie Snyder 936-468-1740 or snyderke1@sfasu.edu.

**LiveText**

LiveText is the data management system used by the Perkins College of Education (PCOE) for program improvement and to assess and monitor compliance to national accreditation standards. All Perkins College of Education majors and Secondary Education students are required to purchase a LiveText account, either through the University Bookstore or at [www.livetext.com](http://www.livetext.com). This is a ONE-TIME purchase, and the account will be used throughout your undergraduate, graduate, or doctoral program of study. Required program assignments, designated by instructors and program coordinators, must be submitted within your LiveText account. Successful completion of this course and your degree requirements are dependent on the submission of all required LiveText assignments.

**IX. Other Relevant Course Information:**

Communication for this course will be done in class and through D2L. Please check your D2L often to get announcements, print out handouts, check your grades, etc.

If you have difficulty accessing D2L, contact Student Support by phone at (936) 468-1919 or by email at d2l@sfasu.edu

Prepare for classes by reading chapters assigned and reviewing materials/assessments to be discussed. Lack of preparation will be apparent to the instructor.
