BOND REDEMPTION, REFINANCING, AND ISSUANCE RESOLUTION

WHEREAS, the board members considered the following: At the October 21, 2013 meeting, the regents adopted a bond resolution that authorized the university to refinance and redeem certain outstanding bond issues. In order to be prepared for future favorable refinancing market conditions, the administration presents a bond resolution in Appendix 3 that provides for a one year period whereby the university is authorized to issue one or more series of bonds to refinance outstanding bonds or issue bonds as presented in the resolution. For refinancing purposes, the resolution requires a minimum 3% savings threshold and delegates issuance responsibility to a designated financial officer.

SIEMENS INDUSTRY, INC. ENERGY SAVINGS PERFORMANCE CONTRACT BUDGET

The regents further authorized the university to enter into an energy performance contract with Siemens Industry, Inc. if the audit revealed energy savings that were sufficient to pay the debt service on the contract. The Siemens Industry, Inc. energy audit identified an $11,311,450 project that contained guaranteed energy savings to pay the project’s debt service cost.

THEREFORE, it was ordered that the phase three energy savings performance contract project budget be approved at $11,311,450, plus any associated financing costs.
FINANCING APPROVAL FOR THE PHASE THREE ENERGY PERFORMANCE CONTRACT

WHEREAS, the board members considered the following: At the April 15, 2014 meeting, the regents authorized the vice president of finance and administration to secure financing for the third phase of the energy performance contract with Siemens Industry, Inc. The university issued requests for proposal (RFP) to numerous lending institutions in order to examine financing options for the energy project. The administration pursued two financing options.

The first is a lease/purchase contract that is authorized by Texas Education Code (TEC) 51.927. Pursuant to TEC 51.927, an energy savings performance contract may be financed under a lease/purchase contract that has a term not to exceed 20 years from the final date of installation and meets federal tax requirements for tax-free municipal leasing. An RFP for a municipal tax exempt lease was issued to lending institutions in accordance with TEC 51.927. Responses were returned, evaluated, and the best bid/response was selected.

The second financing option for the energy savings performance contract is a private bond placement issue. TEC 51.927 allows an energy savings performance contract to be funded with proceeds from a bond issuance. A separate bond RFP was issued to lending institutions. Responses were returned, evaluated, and the best bid/response was selected.

The university compared the lender responses of the municipal tax-exempt lease RFP with those of the bond RFP. A determination of the best value to the university was made.

THEREFORE, it was ordered that the third phase of the energy performance project with Siemens Industry, Inc. be financed through a tax exempt lease purchase agreement with Banc of America Public Capital Corporation. A provision authorizing the lease purchase agreement option is contained in Section 41 of the refinancing resolution in Appendix 3. It was further ordered that the president be authorized to sign associated contracts, financing agreements, or purchase orders.

WHEREAS, the board members considered the following: At the July 29, 2014 meeting the regents approved the 2014-15 capital plan that included the replacement of the air handlers in the Liberal Arts North Building at a cost of $275,000, residence life facilities’ cooling towers for $225,000, and water and air handler equipment at the Johnson Coliseum for $90,000. The energy audit conducted by Siemens Industry, Inc. also identified those utility infrastructure items as equipment that needed to be replaced. The items are contained in the Siemens Industry, Inc. third phase energy performance project. The total of the three items is $590,000.

THEREFORE, it was ordered that the three capital item projects above be incorporated in the phase three Siemens Industry, Inc. energy performance project and that up to $590,000 be utilized to pay down the total project cost. The funding sources for the payment(s) will be the Higher Education Fund (HEF) for the Liberal Arts North air handler replacement, auxiliary fund balance

It helps the university accomplish its objectives by bringing a systematic, disciplined approach to evaluate and improve the effectiveness of risk management, control and governance processes.

The purpose of the Department of Audit Services is to provide the Board of Regents and the President an independent appraisal of the adequacy and the effectiveness of the University’s system of internal administrative and accounting controls and the quality of performance when compared with established standards. The primary objective is to assist the Board of Regents, the President and University management in the effective discharge of their responsibilities.

Authority

The Department of Audit Services is an integral part of Stephen F. Austin State University and functions within established policies. The Director of Audit Services reports functionally to the Board of Regents and administratively to the President.

AUTHORIZING INSTRUMENTS AND PROCEDURES
RELATING THERETO

ADOPTED OCTOBER 27, 2014
RESOLUTION AUTHORIZING THE ISSUANCE, SALE AND DELIVERY OF BOARD OF REGENTS OF STEPHEN F. AUSTIN STATE UNIVERSITY REVENUE FINANCING SYSTEM REVENUE BONDS; AND APPROVING AND AUTHORIZING INSTRUMENTS AND PROCEDURES RELATING THERETO

WHEREAS, in order to reduce costs, increase borrowing capacity, provide additional security to the credit markets, and provide the Board of Regents (the "Board") of Stephen F. Austin State University (the "University") with greater financial flexibility, the Board deemed it necessary and desirable to establish a revenue financing program for revenue supported indebtedness to provide funds to acquire, purchase, construct, improve, renovate, enlarge or equip property, buildings, structures, facilities, roads, or related infrastructure at the University, as well as any institution, branch or entity hereafter placed under the control and governance of the Board, to the extent permitted by Chapter 55, Texas Education Code, including specifically, but not by way of limitation, Section 55.02 thereof; and

WHEREAS, pursuant to the terms of resolutions adopted by the Board (the "Prior Resolutions"), the Board has outstanding certain Previously Issued Parity Obligations (as defined herein) that are secured by a lien on and pledge of the "Pledged Revenues" (as defined herein), which lien and pledge is subject to the lien on and pledge of the "Prior Encumbered Revenues" (as defined herein); and

WHEREAS, thePrior Resolutions established and confirmed the Stephen F. Austin State University Revenue Financing System for the purpose of providing a financing structure for revenue supported indebtedness at the University; and

WHEREAS, the Prior Resolutions permit the Board, to issue "Parity Obligations" secured by a lien on and pledge of the Pledged Revenues on a parity with the Previously Issued Parity Obligations; and

WHEREAS, the Board has determined that it is in the best interest of the University to authorize the issuance of bonds in one or more series to refinance all or a portion of the Potential Refunded Bonds (as defined herein) and to finance the costs of facilities and improvements for the University; and

WHEREAS, the bonds authorized to be issued in one or more series by this Resolution are to be issued and delivered pursuant to laws of the State of Texas, including Chapters 54 and 55 of the Texas Education Code, Chapter 1371, Texas Government Code, as amended, and other applicable laws, including Chapter 1207, Texas Government Code, as amended, insofar as it may be required in connection with the objectives of this Resolution and the refunding of any of the Potential Refunded Bonds, and constitute as Parity Obligations in accordance with the Prior Resolutions; and

WHEREAS, the Board finds it necessary and advisable to adopt this Resolution, and further acknowledges that by adopting this Resolution it will be bound by and agrees to follow the covenants set forth in this Resolution; and
WHEREAS, the terms used in this Resolution and not otherwise defined shall have the meaning given in Exhibit "A" to this Resolution attached hereto and made a part hereof;

NOW THEREFORE, BE IT RESOLVED BY THE BOARD OF REGENTS OF STEPHEN F. AUSTIN STATE UNIVERSITY:

Section 1. REVENUE FINANCING SYSTEM AND ISSUANCE OF PARITY OBLIGATIONS. In the Prior Resolutions, the Stephen F. Austin State University Revenue Financing System (the "Financing System") has been established and confirmed, for the purpose of providing a financing structure for revenue supported indebtedness to provide funds to acquire, purchase, construct, improve, renovate, enlarge or equip property, buildings, structures, facilities, roads or related infrastructure at the University, as well as at any institution, branch or entity hereafter placed under the control and governance of the Board, under authority of the pertinent provisions of the Texas Education Code.

Section 2. SECURITY AND PLEDGE. (a) Pledge. Subject to the provisions of the resolutions authorizing Prior Encumbered Obligations, Parity Obligations shall be secured by and payable from a lien on the Pledged Revenues, and the Board hereby assigns and pledges the Pledged Revenues to the payment of the principal of, premium, if any, and interest on Parity Obligations, and the Pledged Revenues are further pledged to the establishment and maintenance of any funds which may be provided to secure the repayment of Parity Obligations in accordance with this Resolution. The Board may execute and deliver one or more Credit Agreements to additionally secure Parity Obligations. Credit Agreements may also be secured by a pledge of Pledged Revenues on a parity with or subordinate to Parity Obligations.

(b) Additional Participants. As provided in Section 7 of this Resolution, institutions which may hereafter come under the control and governance of the Board may become Participants in the Financing System and such institutions may, at such time, have outstanding obligations secured by the Prior Encumbered Revenues and that, therefore, the lien on and pledge of the Pledged Revenues established pursuant to this Resolution and effective when such institutions become Participants in the Financing System will be subject and subordinate only to such institutions' outstanding Prior Encumbered Obligations.

(c) Restriction on Issuance of Additional Debt on a Parity with Prior Encumbered Obligations. Except as provided in Section 4(g) and for so long as any Parity Obligations are Outstanding, no additional bonds, notes, or other obligations may be issued or incurred by the Board on a parity with any Prior Encumbered Obligations.

(d) Parity Obligations are Special Obligations. All Parity Obligations and the premium, if any, and the interest thereon shall constitute special obligations of the Board payable from the Pledged Revenues, and the owners thereof shall never have the right to demand payment out of funds raised or to be raised by taxation, or from any source other than the source specified in this Resolution. The obligation of the Board to pay or cause to be paid the amounts payable under this Resolution out of the Pledged Revenues shall be absolute, irrevocable,
complete, and unconditional, and the amount, manner, and time of payment of such amounts shall not be decreased, abated, rebated, set-off, reduced, abrogated, waived, diminished, or otherwise modified in any manner or to any extent whatsoever, regardless of any right of setoff, recoupment, or counterclaim that the Board might otherwise have against any owner or any other party and regardless of any contingency, force majeure, event, or cause whatsoever and notwithstanding any circumstance or occurrence that may arise or take place before, during, or after the issuance of Parity Obligations while any Parity Obligations are Outstanding.

Section 3. COVENANTS RELATING TO PLEDGED REVENUES. (a) Rate Covenant. In each Fiscal Year, the Board shall establish, charge, and use its reasonable efforts to collect at each Participant the Pledged Revenues which, if collected, would be sufficient to meet all financial obligations of the Board for such Fiscal Year relating to the Financing System including all deposits or payments due on or with respect to (i) the Prior Encumbered Obligations and (ii) all Outstanding Parity Obligations.

(b) Tuition. Subject to the provisions of the resolutions authorizing Prior Encumbered Obligations and to the other provisions of this Resolution, the Board covenants and agrees to fix, levy, charge and collect at each Participant student tuition charges required or authorized by law to be imposed on students enrolled at each Participant (excepting, with respect to each series or issue of Parity Obligations, any student in a category which, at the time of adoption of a resolution relating to such Parity Obligations, is exempt by law or by the Board from paying such tuition charges). Each student (excluding those exempt from payment as provided above), enrolled at each Participant, respectively, at each regular fall and spring semester and at each term of each summer session, shall pay tuition charges in such amounts, without any limitation whatsoever, as will be sufficient at all times, together with other legally available funds, including other Pledged Revenues, to provide the money to make or pay the principal of, interest on, and other payments or deposits with respect to Outstanding Parity Obligations when and as required. All changes in the tuition charged students at each Participant shall be made by resolution of the Board, but such procedure shall not constitute or be regarded as an amendment of this Resolution, but merely the carrying out of the provisions and requirements hereof.

(c) Student Center Fees. Subject to the provisions of the resolution authorizing the Series 2004 Bonds, the Board covenants and agrees to fix, levy, charge and collect student center fees required or authorized by law to be imposed on students pursuant to Section 54.520 of the Texas Education Code for the purpose of paying debt service on the Series 2004 Bonds; provided however, that such student center fees shall be used only for the purpose of acquiring, constructing, renovating, operating, maintaining, improving, equipping and financing a university center or additions to the center. All references to Series 2004 Bonds in this subsection shall include any applicable Parity Obligations issued to refund such Series 2004 Bonds.

(d) Student Recreational Sport Fees. Subject to the provisions of the resolution authorizing the Series 2005A Bonds, the Board covenants and agrees to fix, levy, charge and collect student recreational sport fees required or authorized by law to be imposed on students pursuant to Section 54.5201 of the Texas Education Code for the purpose of paying debt service
on the Series 2005A Bonds; provided however, that such student recreational sport fees shall be used only to purchase equipment for and to construct, operate and maintain recreational sports facilities and programs. All references to Series 2005A Bonds in this subsection shall include any applicable Parity Obligations issued to refund such Series 2005A Bonds.

(e) **Anticipated Deficit.** If the Board determines, for any reason whatsoever, that there are not anticipated to be legally available funds, including Pledged Revenues, sufficient to meet all financial obligations of the Board relating to the Financing System including the deposits and payments due on or with respect to Outstanding Parity Obligations as the same mature or come due, or that any Participant in the Financing System will be unable to pay its Annual Direct Obligation in full, then the Board shall fix, levy, charge, and collect such rentals, rates, fees, tuition, or other charges at each Participant in the Financing System with enrolled students, effective at the next succeeding regular semester or semesters or summer term or terms, in such amounts, without any limitation whatsoever (other than as provided in subsection (f) below), as will be at least sufficient to provide, together with other legally available funds, including Pledged Revenues, the money for making when due all financial obligations of the Board relating to the Financing System including all payments and deposits due on or with respect to Outstanding Parity Obligations when and as required by this Resolution.

(f) **Economic Effect of Adjustments.** Any adjustments in the rate or manner of charging for any rentals, rates, fees, tuition, or other charges included in Pledged Revenues at any Participant in the Financing System resulting from an event described in subsection (e) above will be based upon a certificate and recommendation of the Designated Financial Officer, delivered to the Board, as to the rates and anticipated collection of the Pledged Revenues at each Participant in the Financing System (after taking into account the anticipated effect the proposed adjustments in such rentals, rates, fees, tuition, or other charges would have on enrollment and the receipt of Pledged Revenues and other funds at each Participant in the Financing System) which will be anticipated to result in (i) Pledged Revenues attributable to each Participant being sufficient (to the extent possible) to satisfy the Annual Obligation of such Participant and (ii) Pledged Revenues being sufficient, together with other legally available funds, to meet all financial obligations of the Board relating to the Financing System including all payments and deposits due on or with respect to (A) the Prior Encumbered Obligations and (B) all Outstanding Parity Obligations, when and as required by this Resolution.

(g) **Annual Obligation.** If, in the judgment of the Board, any Participant in the Financing System has been or will be unable to satisfy its Annual Obligation, the Board shall fix, levy, charge, and collect rentals, rates, fees, and charges for goods and services furnished by such Participant and, with respect to Participants with enrolled students, tuition, effective at the next succeeding regular semester or semesters or summer term or terms, in amounts sufficient, without limit (subject to the provisions of (c) and (d) above, respectively), together with other legally available funds, including other Pledged Revenues attributable thereto, to enable it to make its Annual Obligation payments.

(h) **Additional Participants.** The Board hereby agrees to apply the covenants hereinabove made to any institution, branch or entity hereinafter placed under the control and
governance of the Board and added as a Participant in the Financing System in accordance with
the provisions of Section 7 hereof.

Section 4. GENERAL COVENANTS. The Board further represents, covenants, and agrees that while any Parity Obligations or interest thereon is Outstanding:

(a) Payment of Parity Obligations. On or before each payment date it shall make available to the Paying Agent for such Parity Obligations or to such other party as required by the resolution authorizing the sale of such Parity Obligations, money sufficient to pay the interest on, principal of, and premium, if any, on the Parity Obligations as will accrue or otherwise come due or mature, or be subject to mandatory redemption prior to maturity, on such date and the fees and expenses related to the Parity Obligations, including the fees and expenses of the Paying Agent and any Registrar, trustee, remarketing agent, tender agent, or Credit Provider.

(b) Performance. It will faithfully perform at all times any and all covenants, undertakings, stipulations, and provisions contained in this Resolution, and in each and every Parity Obligation or evidence thereof.

(c) Redemption. It will duly cause to be called for redemption prior to maturity, and will cause to be redeemed prior to maturity, all Parity Obligations which by their terms are mandatorily required to be redeemed prior to maturity, when and as so required.

(d) Lawful Title. It lawfully owns, has title to, or is lawfully possessed of the lands, buildings, and facilities now constituting the University, and it will defend said title and title to any lands, buildings, and facilities which may hereafter become part of the Financing System, for the benefit of the owners of Parity Obligations against the claims and demands of all persons whomsoever.

(e) Lawful Authority. It is lawfully qualified to pledge the Pledged Revenues herein pledged in the manner prescribed herein and has lawfully exercised such right.

(f) Preservation of Lien. Subject to the conditions set forth in Sections 5, 6, and 7 of this Resolution, it will not do or suffer any act or thing whereby the Financing System might or could be impaired, and that it will at all times maintain, preserve, and keep the real and tangible property of the Financing System and every part thereof in good condition, repair, and working order and operate, maintain, preserve, and keep the facilities, buildings, structures, and equipment pertaining thereto in good condition, repair, and working order.

(g) No Additional Encumbrance. It shall not incur additional Debt secured by the Pledged Revenues in any manner, except as permitted by this Resolution in connection with Parity Obligations, unless said Debt is made junior and subordinate in all respects to the liens, pledges, covenants, and agreements of this Resolution. Notwithstanding anything to the contrary contained herein, and in addition to the right hereunder to refund the Prior Encumbered Obligations with Parity Obligations, the Board reserves the right to issue obligations to refund any Prior Encumbered Obligations and to secure the refunding obligations with the same source
or sources securing the Prior Encumbered Obligations being refunded. Upon the defeasance of the refunded Prior Encumbered Obligations, the refunding obligations will be Prior Encumbered Obligations (unless the refunding obligations are made Parity Obligations in accordance with the terms of this Resolution and the resolution authorizing their issuance) under this Resolution for all purposes.

(h) **Investments and Security.** It will invest and secure money in all accounts and funds established pursuant to this Resolution in the manner prescribed by law for such funds, including, but not by way of limitation, the Public Funds Investment Act (Chapter 2256, Texas Government Code), Chapter 163, Texas Property Code, and Section 51.0031, Texas Education Code, and in accordance with written policies adopted by the Board.

(i) **Records.** It will keep proper books of record and account in which full, true, and correct entries will be made of all dealings, activities, and transactions relating to the University. Each year while Parity Obligations are Outstanding, the Board will cause to be prepared from such books of record and account an annual financial report of the University and shall furnish such report to the principal municipal bond rating agencies and to any owner of Parity Obligations who shall request same. In addition, the Board shall submit such financial report and other information required by law for examination in connection with financial compliance and other audits required to be conducted by the office of the Auditor of the State of Texas.

(j) **Inspection of Books.** It will permit any owner or owners of twenty-five percent (25%) or more of the then Outstanding Principal Amount at all reasonable times to inspect all records, accounts, and data of the Board relating to the University and the Financing System.

(k) **Annual and Direct Obligations.** In establishing the annual budget for each Participant in the Financing System, it shall provide for the satisfaction by each Participant in the Financing System of its Annual Obligation. The Direct Obligation shall represent the financial responsibility of each Participant in the Financing System with respect to Outstanding Parity Obligations. Each such Participant's Direct Obligation and Annual Obligation shall be evidenced by a financing agreement between the Board and each Participant.

(l) **Determination of Outstanding Parity Obligations.** For all purposes of this Resolution, the judgment of the chief financial officer of the University, presently the Vice President for Finance and Administration, shall be deemed final in the determination of which obligations of the Board constitute Parity Obligations; provided, however, such judgment is subject to confirmation by the Auditor of the State of Texas in connection with the annual audit of the records of the University.

(m) **Execution of Credit Agreements.** (i) Should the Board determine that it is in the best interests of the University to obtain a Credit Agreement to enhance the security for or provide for the payment, redemption or remarketing of Parity Obligations, the Board, upon approval of the Attorney General, may from time to time and at any time execute and deliver a Credit Agreement to which the Pledged Revenues are to be pledged. Prior to the Board adopting any resolution authorizing the execution and delivery of any such Credit Agreement, it shall
receive from the University an Officer's Certificate to the effect that (i) the Board has determined that the Participant for whom the Credit Agreement is to be executed and delivered possesses the financial capability to satisfy its Direct Obligation after taking into account the payment obligations under the proposed Credit Agreement, and (ii) to the best of his or her knowledge, the Board is in compliance with all covenants contained in this Resolution and any resolution adopted authorizing the issuance of Parity Obligations, and is not in default in the performance and observance of any of the terms, provisions, and conditions hereof or thereof.

(ii) The lien on and pledge of Pledged Revenues to pay the cost of any such credit agreement may be on a parity with, but not superior to, the lien on and pledge of the Pledged Revenues securing the Parity Obligations.

Section 5. ISSUANCE OF ADDITIONAL OBLIGATIONS. (a) Parity Obligations. The Board reserves and shall have the right and power to issue or incur, Parity Obligations for any purpose authorized by law pursuant to the provisions of this Resolution and the applicable laws of the State of Texas governing the issuance of bonds for the benefit of each Participant (currently the University) in the Financing System. The Board may incur, assume, guarantee, or otherwise become liable in respect of any Parity Obligations if the Board shall have determined that it will have sufficient funds to meet the financial obligations of each Participant (currently the University) in the Financing System, including sufficient Pledged Revenues to satisfy the Annual Debt Service Requirements of the Financing System and to meet all financial obligations of the Board relating to the Financing System. In addition, the Board shall not issue or incur Parity Obligations unless (i) the Board shall determine that the Participant for whom the Parity Obligations are being issued or incurred possesses the financial capability to satisfy its Direct Obligation after taking into account the then proposed Parity Obligations, and (ii) a Designated Financial Officer shall deliver to the Board a certificate stating that, to the best of his or her knowledge, the Board is in compliance with all covenants contained in this Resolution and any resolution adopted authorizing the issuance of Parity Obligations, and is not in default in the performance and observance of any of the terms, provisions, and conditions hereof or thereof.

(b) Non-Recourse Debt and Subordinated Debt. Non-Recourse Debt and Subordinated Debt may be incurred by the Board without limitation, subject to the applicable laws of the State of Texas.

Section 6. DISPOSITION OF ASSETS ATTRIBUTABLE TO FINANCING SYSTEM PARTICIPANTS. The Board may convey, sell, or otherwise dispose of any properties of each Participant (currently the University) in the Financing System provided:

(a) Ordinary Course. Such conveyance, sale, or disposition shall be in the ordinary course of business of such Participant which uses, operates, owns, or is otherwise responsible for such properties; or

(b) Disposition Upon Board Determination. The Board shall determine that after the conveyance, sale, or other disposition of such properties, the Board shall have sufficient funds during each Fiscal Year during which Parity Obligations are to be Outstanding to meet the
financial obligations of each Participant in the Financing System, including sufficient Pledged Revenues to satisfy the Annual Debt Service Requirements of the Financing System and to meet all financial obligations of the Board relating to the Financing System.

Section 7. COMBINATION, DIVISION, RELEASE AND ADMISSION OF NEW INSTITUTIONS UNDER THE FINANCING SYSTEM. (a) Combination and Division. Notwithstanding anything to the contrary contained herein, it is recognized that certain institutions which may become Participants in the Financing System may be combined or divided and that so long as such combined or divided institutions continue to be governed by the Board such action shall not be in violation of the provisions of this Resolution or require any amendments of the provisions hereof.

(b) Release. Subject to the conditions set forth below, any Participant in the Financing System or portion thereof may be closed and abandoned by law or may be removed from the Financing System (thus deleting the revenues, income, funds and balances attributable to said Participant or portion thereof from Pledged Revenues) without violating the terms of this Resolution provided:

(1) the Board approves and delivers an Officers' Certificate to the effect that, to the knowledge thereof, after the release of such Participant or portion thereof, the Board will have sufficient funds during each Fiscal Year in which Parity Obligations shall thereafter be Outstanding to meet the financial obligations of the Board, including sufficient Pledged Revenues to satisfy the Annual Debt Service Requirements of the Financing System and to meet all financial obligations of the Board relating to the Financing System; and

(2) the Board receives an Opinion of Counsel which shall state that such release will not affect the status for federal income tax purposes of interest on any Outstanding Parity Obligations and that all conditions precedent provided in this Resolution or any resolution hereafter adopted governing the issuance of Parity Obligations relating to such release have been complied with; and

(3) (A) if the Participant or portion thereof to be released from the Financing System is to remain under the governance and control of the Board, the Board must either (i) provide, from lawfully available funds, including Pledged Revenues attributable to said withdrawing Participant, for the payment or discharge of said Participant's Direct Obligation or (ii) pledge to the payment of Parity Obligation, additional resources not then pledged in an amount sufficient to satisfy such withdrawing Participant's Direct Obligation; or

(B) if the Participant or portion thereof to be released from the Financing System is to no longer be under the governance and control of the Board and remains in operation independent of the Board, the Board must enter into a binding obligation with the new governing body of the withdrawing institution or the portion thereof being withdrawn, obligating said governing body to make payments to the Board at the times
and in the amounts equal to said Participant's Annual Obligation or to pay or discharge said Participant's Direct Obligation, or, in the case of a portion of a Participant being withdrawn, the proportion of the Participant's Annual Obligation or Direct Obligation, as the case may be, attributable to the withdrawing portion of the Participant.

(c) If, after the date of the adoption of this Resolution, the Board desires for an institution or agency governed by the Board to become a Participant of the Financing System, or if the Board is required by law to assume the governance of an institution or agency, it may include said institution or agency in the Financing System with the effect set forth in this Resolution by the adoption of a resolution amending this Resolution.

Section 8. WAIVER OF CERTAIN COVENANTS. The Board may omit in any particular instance to comply with any covenant or condition set forth in Sections 3 through 7 hereof if before or after the time for such compliance the Owners of the same percentage in principal amount of all Parity Obligations then Outstanding, the consent of which would be required to amend the provisions hereof to permit such noncompliance, shall either waive such compliance in such instance or generally waive compliance with such covenant or condition, but no such waiver shall extend to or affect such covenant or condition except to the extent so expressly waived and, until such waiver shall become effective, the obligations of the Board and the duties of the Board in respect to any such covenant or condition shall remain in full force and effect. For purposes of this Section, if a municipal bond insurance policy has been issued insuring the payment of any Outstanding Parity Obligations, the term Owner shall mean the company that has issued any such insurance policy or policies.

Section 9. AMOUNT, PURPOSE, AND DESIGNATION OF THE BONDS. (a) Amount and Designation. The Board's bonds each entitled "BOARD OF REGENTS OF STEPHEN F. AUSTIN STATE UNIVERSITY REVENUE FINANCING SYSTEM REVENUE BOND," are hereby authorized to be issued in one or more series and delivered in an aggregate maximum principal amount (determined without regard to premium or discount affecting the sale price) of $65,000,000. The title of the Bonds shall be designated by the year in which each Series is awarded pursuant to Section 10 below and in the event that another series of bonds is issued by the Board within a calendar year each Series within that year shall have a letter designation following the year. Any Series of Bonds which is issued for the purpose of refunding all or a portion of the Potential Refunded Bonds may include the refunding designation in the title as set forth in the applicable Award Certificate. The authority of the Designated Financial Officer to execute and deliver an Award Certificate for each Series shall expire at 5:00 p.m. on October 27, 2015, such date being one year from the date of adoption of this Resolution. Bonds priced on or before October 27, 2015 may close after such date.

(b) Purpose. The Bonds of each Series are to be issued for the following purposes: (i) REFUNDING ALL OR A PORTION OF THE POTENTIAL REFUNDED BONDS, (ii) ACQUIRING, PURCHASING, CONSTRUCTING, IMPROVING, RENOVATING, ENLARGING, OR EQUIPPING UNIVERSITY PROPERTY, BUILDINGS, STRUCTURES, FACILITIES, ROADS, OR RELATED INFRASTRUCTURE AND (iii) PAYING THE COSTS OF ISSUANCE OF THE BONDS.
Section 10. DATE, DENOMINATIONS, NUMBERS, MATURITIES AND TERMS OF BONDS. (a) Terms of Each Series of Bonds. The Bonds of each Series shall initially be issued, sold, and delivered hereunder as fully registered bonds, without interest coupons, numbered consecutively from R-1 upward (except the initial Bond of each Series delivered to the Attorney General of the State of Texas which shall be numbered T-1), payable to the respective initial registered owners thereof, or to the registered assignee or assignees of said bonds or any portion or portions thereof (in each case, the "Registered Owner"), in the denomination of $5,000 or any integral multiple thereof (an "Authorized Denomination"), each Series maturing not later than October 15, 2045, serially or otherwise on the dates, in the years and in the principal amounts, respectively, dated and be either Taxable Bonds, Tax-Exempt or QECB Bonds as provided in Section 11, all as set forth in each Award Certificate of the Designated Financial Officer.

(b) Award Certificate. As authorized by Chapters 1371 and 1207 in the case of series of refunding bonds as determined by the Designated Financial Officer, Government Code, as amended, the Designated Financial Officer is hereby authorized, appointed, and designated to act on behalf of the Board in selling and delivering the Bonds of each Series and carrying out the other procedures specified in this Resolution, including determining and fixing the date of each Series of the Bonds, any additional or different designation or title by which each Series of the Bonds shall be known, the price at which each Series of the Bonds will be sold, the years in which each Series of the Bonds will mature, the principal amount to mature in each of such years, the aggregate principal amount of each Series of the Bonds, whether the Bonds are designated as Tax-Exempt Bonds, Taxable Bonds or QECB Bonds, the rate or rates of interest to be borne by each maturity, the interest payment periods, the dates, price, and terms upon and at which the Bonds shall be subject to redemption prior to maturity at the option of the Board, as well as any mandatory sinking fund redemption provisions, the amount of capitalized interest, if any, for each Series of Bonds, establishing a reserve fund for the Bonds, if any, and all other matters relating to the issuance, sale, and delivery of the Bonds, all of which shall be specified in a certificate of the Designated Financial Officer delivered to the Secretary of the Board (the "Award Certificate"); provided that (i) the price to be paid for each Series of the Bonds shall not be less than 90% of the aggregate original principal amount thereof plus accrued interest, if any, thereon from its date to its delivery, (ii) Bonds shall be issued to refund all or a portion of the Potential Refunded Bonds only if such refunding, assuming that each Series sold and delivered at the same time constitutes one Series, results in a present value savings on the Annual Debt Service Requirements not less than an amount equal to 3% of the principal amount of such Refunded Bonds being refunded, and (iii) each Series of the Bonds shall not bear interest at a rate in excess of the maximum rate allowed by law.

In establishing the aggregate principal amount of a Series of Bonds to be issued to refund Refunded Bonds, the Designated Financial Officer shall establish an amount, not to exceed the amount authorized in Section 9, sufficient to provide for the refunding of the Refunded Bonds that will result in a reduction in the Annual Debt Service Requirements that otherwise would be payable from the Pledged Revenues with respect to the Refunded Bonds, on a present value basis of at least 3%. The amount of savings to be realized from the refunding shall be shown in each
Award Certificate. The Award Certificate of each Series that is issued to refund Refunded Bonds shall also identify the Refunded Bonds being refunded by that Series.

It is further provided, however, that, notwithstanding the foregoing provisions, the Bonds shall not be delivered unless prior to delivery of each Series (i) the Award Certificate has been executed and delivered as required by this Resolution and (ii) the particular Series of the Bonds have been rated by a nationally recognized rating agency for municipal securities in one of the four highest rating categories for long term obligations, as required by Chapter 1371, Government Code, as amended.

Each Award Certificate is hereby incorporated in and made a part of this Resolution.

(c) Sale of Each Series of Bonds. To achieve advantageous borrowing costs for each Participant (currently the University) in the Financing System, each Series of the Bonds shall be sold on a negotiated, placement or competitive basis as determined by the Designated Financial Officer in the Award Certificate. In determining whether to sell each Series of the Bonds by negotiated, placement or competitive sale, the Designated Financial Officer shall take into account the financial condition of the State, the University and the Financing System, any material disclosure issues which might exist at the time, the market conditions expected at the time of the sale, the achievement of the HUB goals of the Board, and any other matters which, in the judgment of the Designated Financial Officer, might affect the net borrowing costs on each Series of the Bonds.

If the Designated Financial Officer determines that a Series of the Bonds should be sold at a competitive sale, the Designated Financial Officer shall cause to be prepared a notice of sale and official statement in such manner as the Designated Financial Officer deems appropriate, to make the notice of sale and official statement available to those institutions and firms wishing to submit a bid for the Bonds, to receive such bids, and to award the sale of the Bonds to the bidder submitting the best bid in accordance with the provisions of the notice of sale.

If the Designated Financial Officer determines that a Series of the Bonds should be sold by a negotiated sale or placement, the Designated Financial Officer shall designate the placement purchaser or the senior managing underwriter for the Bonds and such additional investment banking firms as the Designated Financial Officer deems appropriate to assure that the Bonds are sold on the most advantageous terms to the Financing System. The Designated Financial Officer, acting for and on behalf of the Board, is authorized to enter into and carry out a Bond Purchase Contract or other agreement for the Bonds to be sold by negotiated sale or placement, with the Underwriter or placement purchaser at such price, with and subject to such terms as determined by the Designated Financial Officer pursuant to Section 10(b) above. Each Bond Purchase Contract or other agreement shall be substantially in the form and substance previously approved by the Board in connection with the authorization of Previously Issued Parity Obligations with such changes as are acceptable to the Designated Financial Officer, including those covered by Section 24 or Section 33 and any provisions determined to be necessary by the Designated Financial Officer and Bond Counsel in the event that such Series of Bonds is being sold in a forward delivery transaction.
(d) **In General.** Each Series of the Bonds (i) may and shall be redeemed prior to the respective scheduled maturity dates, (ii) may be assigned and transferred, (iii) may be exchanged for other Bonds, (iv) shall have the characteristics, (v) shall be Tax-Exempt Bonds, Taxable Bonds or QECB Bonds and (vi) shall be signed and sealed, and the principal of and interest on the Bonds shall be payable, all as provided, and in the manner required or indicated, in the FORM OF BOND set forth in Exhibit "B" to this Resolution and as determined by the Designated Financial Officer as provided herein, with such changes and additions as are required to be consistent with the terms and provisions shown in the Award Certificate.

**Section 11. INTEREST.** Each Series of the Bonds shall bear interest, calculated on the basis of a 360-day year composed of twelve 30-day months, from their date, until maturity or redemption, at the rates set forth in the Award Certificate. Each Series of Bonds shall be designated as Tax–Exempt Bonds, Taxable Bonds or QECB Bonds as set forth in the Award Certificate. Interest shall be payable to the registered owner of any such Bond in the manner provided and on the dates stated in the FORM OF BOND set forth in this Resolution and the Award Certificate.

**Section 12. REGISTRATION, TRANSFER, AND EXCHANGE; AUTHENTICATION; BOOK-ENTRY-ONLY SYSTEM.** (a) **Paying Agent/Registrar.** The Designated Financial Officer is authorized to select a Paying Agent/Registrar for the Bonds. The Designated Financial Officer is also authorized to enter into and carry out a Paying Agent/Registrar Agreement with the Paying Agent/Registrar with respect to the Bonds in substantially the form previously approved by the Board in connection with the authorization of Previously Issued Parity Obligations with such changes as are acceptable to the Designated Financial Officer.

(b) **Registration Books.** The Board shall keep or cause to be kept at the corporate trust office of the Paying Agent/Registrar designated in the Paying Agent/Registrar Agreement (the "Designated Trust Office") books or records for the registration of the transfer, exchange, and replacement of the Bonds (the "Registration Books"), and the Paying Agent/Registrar is hereby appointed to serve as registrar and transfer agent to keep such books or records and make such registrations of transfers, exchanges, and replacements under such reasonable regulations as the Board and Paying Agent/Registrar may prescribe; and the Paying Agent/Registrar shall make such registrations, transfers, exchanges, and replacements as herein provided. The Paying Agent/Registrar shall obtain and record in the Registration Books the address of the registered owner of each Bond to which payments with respect to the Bonds shall be mailed, as herein provided; but it shall be the duty of each registered owner to notify the Paying Agent/Registrar in writing of the address to which payments shall be mailed, and such interest payments shall not be mailed unless such notice has been given. The Board shall have the right to inspect the Registration Books at the Designated Trust Office of the Paying Agent/Registrar during regular business hours, but otherwise the Paying Agent/Registrar shall keep the Registration Books confidential and, unless otherwise required by law, shall not permit their inspection by any other entity.
(c) **Ownership of Bonds.** The entity in whose name any Bond shall be registered in the Registration Books at any time shall be deemed and treated as the absolute owner thereof for all purposes of this Resolution, whether such Bond shall be overdue, and, to the extent permitted by law, the Board and the Paying Agent/Registrar shall not be affected by any notice to the contrary; and payment of, or on account of, the principal of, premium, if any, and interest on any such Bond shall be made only to such registered owner. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid.

(d) **Payment of Bonds and Interest.** The Paying Agent/Registrar shall further act as the paying agent for paying the principal of, premium, if any, and interest on the Bonds, all as provided in this Resolution. The Paying Agent/Registrar shall keep proper records of all payments made by the University and the Paying Agent/Registrar with respect to the Bonds.

(e) **Authentication.** The Bonds initially issued and delivered pursuant to this Resolution shall be authenticated by the Paying Agent/Registrar by execution of the Paying Agent/Registrar's Authentication Certificate unless they have been approved by the Attorney General of the State of Texas and registered by the Comptroller of Public Accounts of the State of Texas, and on each substitute Bond issued in exchange for any Bond or Bonds issued under this Resolution the Paying Agent/Registrar shall execute the PAYING AGENT/REGISTRAR'S AUTHENTICATION CERTIFICATE (the "Authentication Certificate"). The Authentication Certificate shall be in the form set forth in the FORM OF BONDS.

(f) **Transfer, Exchange, or Replacement.** Each Bond issued and delivered pursuant to this Resolution, to the extent of the unpaid or unredeemed principal amount thereof, may, upon surrender of such Bond at the Designated Trust Office of the Paying Agent/Registrar, together with a written request therefor duly executed by the registered owner or the assignee or assignees thereof, or its or their duly authorized attorneys or representatives, with guarantee of signatures satisfactory to the Paying Agent/Registrar, may, at the option of the registered owner or such assignee or assignees, as appropriate, be exchanged for fully registered bonds, without interest coupons, in the appropriate form prescribed in the FORM OF BONDS set forth in this Resolution, in any Authorized Denomination (subject to the requirement hereinafter stated that each substitute Bond shall be of the same series and have a single stated maturity date), as requested in writing by such registered owner or such assignee or assignees, in an aggregate principal amount equal to the unpaid or unredeemed principal amount of any Bond or Bonds so surrendered, and payable to the appropriate registered owner, assignee, or assignees, as the case may be. If a portion of any Bond shall be redeemed prior to its scheduled maturity as provided herein, a substitute Bond or Bonds having the same series designation and maturity date, bearing interest at the same rate, and payable in the same manner, in Authorized Denominations at the request of the registered owner, and in an aggregate principal amount equal to the unredeemed portion thereof, will be issued to the registered owner upon surrender thereof for cancellation. If any Bond or portion thereof is assigned and transferred, each Bond issued in exchange therefor shall have the same series designation and maturity date and bear interest at the same rate and payable in the same manner as the Bond for which it is being exchanged. Each substitute Bond shall bear a letter and/or number to distinguish it from each other Bond. The Paying
Agent/Registrar shall exchange or replace Bonds as provided herein, and each fully registered bond delivered in exchange for or replacement of any Bond or portion thereof as permitted or required by any provision of this Resolution shall constitute one of the Bonds for all purposes of this Resolution, and may again be exchanged or replaced. On each substitute Bond issued in exchange for or replacement of any Bond or Bonds issued under this Resolution there shall be printed an Authentication Certificate, in the form set forth in the FORM OF BONDS set forth in Exhibit "B" to this Resolution. An authorized representative of the Paying Agent/Registrar shall, before the delivery of any such Bond, date and manually sign the Authentication Certificate, and, except as provided in subsection (e) above, no such Bond shall be deemed to be issued or outstanding unless the Authentication Certificate is so executed. The Paying Agent/Registrar promptly shall cancel all Bonds surrendered for transfer, exchange, or replacement. No additional orders or resolutions need be passed or adopted by the Board or any other body or person so as to accomplish the foregoing transfer, exchange, or replacement of any Bond or portion thereof, and the Paying Agent/Registrar shall provide for the printing, execution, and delivery of the substitute Bonds in the manner prescribed herein, and said Bonds shall be in typed or printed form as determined by the Designated Financial Officer. Pursuant to Chapter 1206, Texas Government Code, the duty of transfer, exchange, or replacement of Bonds as aforesaid is hereby imposed upon the Paying Agent/Registrar, and, upon the execution of the Authentication Certificate, the exchanged or replaced Bond shall be valid, incontestable, and enforceable in the same manner and with the same effect as the Bonds which were originally issued pursuant to this Resolution. The Board shall pay the Paying Agent/Registrar's standard or customary fees and charges, if any, for transferring, and exchanging any Bond or any portion thereof, but the one requesting any such transfer and exchange shall pay any taxes or governmental charges required to be paid with respect thereto as a condition precedent to the exercise of such privilege. The Paying Agent/Registrar shall not be required to make any such transfer, exchange, or replacement of Bonds or any portion thereof (i) during the period commencing with the close of business on any Record Date and ending with the opening of business on the next following interest payment date, or, (ii) with respect to any Bond or portion thereof called for redemption prior to maturity, within 45 days prior to its redemption date. To the extent possible, any new Bond issued in an exchange, replacement, or transfer of a Bond will be delivered to the registered owner or assignee of the registered owner not more than three business days after the receipt of the Bonds to be cancelled and the written request as described above.

(g) **Substitute Paying Agent/Registrar.** The Board covenants with the registered owners of the Bonds that at all times while the Bonds are outstanding the Board will provide a competent and legally qualified bank, trust company, financial institution, or other agency to act as and perform the services of Paying Agent/Registrar for the Bonds under this Resolution, and that the Paying Agent/Registrar will be one entity. The Board reserves the right to, and may, at its option, change the Paying Agent/Registrar upon not less than 120 days written notice to the Paying Agent/Registrar, to be effective not later than 60 days prior to the next principal or interest payment date after such notice. In the event that the entity at any time acting as Paying Agent/Registrar (or its successor by merger, acquisition, or other method) should resign or otherwise cease to act as such, the Board covenants that promptly it will appoint a competent and legally qualified bank, trust company, financial institution, or other agency to act as Paying...
Agent/Registrar under this Resolution. Upon any change in the Paying Agent/Registrar, the
previous Paying Agent/Registrar promptly shall transfer and deliver the Registration Books (or a
copy thereof), along with all other pertinent books and records relating to the Bonds, to the new
Paying Agent/Registrar designated and appointed by the Board. Upon any change in the Paying
Agent/Registrar, the Board promptly will cause a written notice thereof to be sent by the new
Paying Agent/Registrar to each registered owner of the Bonds, by United States mail, first-class
postage prepaid, which notice also shall give the address of the new Paying Agent/Registrar. By
accepting the position and performing as such, each Paying Agent/Registrar shall be deemed to
have agreed to the provisions of this Resolution, and a certified copy of this Resolution shall be
delivered to each Paying Agent/Registrar.

(h)  **Book-Entry-Only System.** The Bonds issued in exchange for the Bonds initially
issued and delivered to the Purchaser shall be issued in the form of a separate single fully
registered Bond for each of the maturities thereof registered in the name of Cede & Co., as
nominee of DTC, and except as provided in subsection (i) hereof, all of the Outstanding Bonds
shall be registered in the name of Cede & Co., as nominee of DTC. The Designated Financial
Officer is authorized to take all actions necessary to obtain, complete and execute a "DTC
Blanket Letter of Representations" in connection with utilizing the DTC Book-Entry-Only
System.

With respect to Bonds registered in the name of Cede & Co., as nominee of DTC, the
Board and the Paying Agent/Registrar shall have no responsibility or obligation to any DTC
Participant or to any person on behalf of whom such a DTC Participant holds an interest in the
Bonds. Without limiting the immediately preceding sentence, the Board and the Paying
Agent/Registrar shall have no responsibility or obligation with respect to (i) the accuracy of the
records of DTC, Cede & Co. or any DTC Participant with respect to any ownership interest in
the Bonds, (ii) the delivery to any DTC Participant or any other person, other than a Bondholder,
as shown on the Registration Books, of any notice with respect to the Bonds, including any
notice of redemption, or (iii) the payment to any DTC Participant or any other person, other than
a Bondholder, as shown in the Registration Books of any amount with respect to principal of,
premium, if any, or interest on the Bonds. Notwithstanding any other provision of this
Resolution to the contrary but to the extent permitted by law, the Board and the Paying
Agent/Registrar shall be entitled to treat and consider the person in whose name each Bond is
registered in the Registration Books as the absolute owner of such Bond for the purpose of
payment of principal, premium, if any, and interest, with respect to such Bond, for the purposes
of registering transfers with respect to such Bond, and for all other purposes of registering
transfers with respect to such Bonds, and for all other purposes whatsoever. The Paying
Agent/Registrar shall pay all principal of, premium, if any, and interest on the Bonds only to or
upon the order of the respective owners, as shown in the Registration Books as provided in this
Resolution, or their respective attorneys duly authorized in writing, and all such payments shall
be valid and effective to fully satisfy and discharge the Board's obligations with respect to
payment of principal of, premium, if any, and interest on the Bonds to the extent of the sum or
sums so paid. No person other than an owner, as shown in the Registration Books, shall receive
a Bond certificate evidencing the obligation of the Board to make payments of principal,
premium, if any, and interest pursuant to this Resolution. Upon delivery by DTC to the Paying
Agent/Registrar of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., and subject to the provisions in this Resolution with respect to interest checks being mailed to the registered owner at the close of business on the Record Date, the word "Cede & Co." in this Resolution shall refer to such new nominee of DTC.

(i) Successor Securities Depository; Transfers Outside Book-Entry-Only System. In the event that the Board or the Paying Agent/Registrar determines that DTC is incapable of discharging its responsibilities described herein and in the representation letter of the Board to DTC (as referred in subsection (h) above) or DTC determines to discontinue providing its services with respect to the Bonds, the Board shall (i) appoint a successor securities depository, qualified to act as such under Section 17(a) of the Securities and Exchange Act of 1934, as amended, notify DTC and DTC Participants of the appointment of such successor securities depository and transfer one or more separate Bonds to such successor securities depository or (ii) notify DTC and DTC Participants of the availability through DTC of Bonds and transfer one or more separate Bonds to DTC Participants having Bonds credited to their DTC accounts. In such event, the Bonds shall no longer be restricted to being registered in the Registration Books in the name of Cede & Co., as nominee of DTC, but may be registered in the name of the successor securities depository, or its nominee, or in whatever name or names Bondholders transferring or exchanging Bonds shall designate, in accordance with the provisions of this Resolution.

(j) Payments to Cede & Co. Notwithstanding any other provision of this Resolution to the contrary, so long as any Bond is registered in the name of Cede & Co., as nominee of DTC, all payments with respect to principal of, premium, if any, and interest on such Bond and all notices with respect to such Bond shall be made and given, respectively, in the manner provided in the representation letter of the Board to DTC.

(k) Notice of Redemption. In addition to the method of providing a notice of redemption set forth in the FORM OF BONDS, the Paying Agent/Registrar shall give notice of redemption of Bonds by United States mail, first-class postage prepaid, at least thirty (30) days prior to a redemption date to each registered securities depository and to any national information service that disseminates redemption notices. In addition, in the event of a redemption caused by an advance refunding of the Bonds, the Paying Agent/Registrar shall send a second notice of redemption to the persons specified in the immediately preceding sentence at least thirty (30) days but not more than ninety (90) days prior to the actual redemption date. Any notice sent to the registered securities depositories or such national information services shall be sent so that they are received at least two (2) days prior to the general mailing or publication date of such notice. The Paying Agent/Registrar shall also send a notice of prepayment or redemption to the registered owner of any Bond who has not sent the Bonds in for redemption sixty (60) days after the redemption date.

Each notice of redemption, whether required in the FORM OF BONDS or in this Section, shall contain a description of the Bonds to be redeemed including the complete name of the Bonds, the Series, the date of issue, the interest rate, the maturity date, the CUSIP number, a reference to the principal amounts of each maturity called for redemption, the publication and mailing date for the notice, the date of redemption, the redemption price, the name of the Paying
Agent/Registrar and the address at which the Bonds may be redeemed, including a contact person and telephone number.

All redemption payments made by the Paying Agent/Registrar to the registered owners of the Bonds shall include a CUSIP number relating to each amount paid to such registered owner.

**Section 13. FORM OF BONDS.** The forms of the Bonds, including the form of the Authentication Certificate, the form of Assignment, the form of any statement of insurance with respect to the Bonds provided by a Bond Insurer, and the form of Registration Certificate of the Comptroller of Public Accounts of the State of Texas, with respect to the Bonds initially issued and delivered to the Purchaser pursuant to this Resolution, shall be, respectively, substantially as set forth in **Exhibit "B"**, with such appropriate variations, omissions, or insertions as are permitted or required by this Resolution.

**Section 14. INDIVIDUALS NOT LIABLE.** All covenants, stipulations, obligations, and agreements of the Board contained in this Resolution shall be deemed to be covenants, stipulations, obligations, and agreements of the Financing System and the Board to the full extent authorized or permitted by the Constitution and laws of the State of Texas. No covenant, stipulation, obligation, or agreement herein contained shall be deemed to be a covenant, stipulation, obligation, or agreement of any member of the Board or agent or employee of the Board in the individual capacity thereof and neither the respective members of the Board, nor any officer thereof or of any participant shall be liable personally on Parity Obligations when issued, or be subject to any personal liability or accountability by reason of the issuance thereof.

**Section 15. SECURITY FOR THE BONDS.** The Bonds are special obligations of the Board payable from and secured solely by the Pledged Revenues pursuant to this Resolution. The Pledged Revenues are hereby pledged, subject to the liens securing the Prior Encumbered Obligations, to the payment of the principal of, premium, if any, and interest on the Bonds as the same shall become due and payable. The Board agrees to pay the principal of, premium, if any, and the interest on the Bonds when due, whether by reason of maturity or redemption.

**Section 16. PAYMENTS.** (a) **Accrued Interest.** Immediately after the delivery of the Bonds, the Board shall deposit any accrued interest received from the sale and delivery of the Bonds to the credit of a special account to be held to pay interest on such Bonds on the first interest payment date or any QECB Bond Interest and Sinking Subaccount within the Interest and Sinking Fund with respect to any QECB Bonds, to be held to pay interest on such Bonds.

(b) **Debt Service Payments.** Semiannually on or before each principal or interest payment date while any of the Bonds are outstanding and unpaid, commencing on the first interest payment date for the Bonds as specified in the Award Certificate, the Board shall make available to the Paying Agent/Registrar, money sufficient to pay such interest on and such principal of the Bonds as will accrue or mature, or be subject to mandatory redemption prior to maturity, on such principal, redemption, or interest payment date. The Paying Agent/Registrar shall cancel all paid Bonds and shall furnish the Board with an appropriate certificate of cancellation.
(c) **Subsidy Payments.** If any Series of Bonds are issued as QECB Bonds, the Commission shall create a QECB Bonds Interest and Sinking Subaccount within the Interest and Sinking Fund and shall, subject to any required State appropriations, deposit into such subaccount when received any federal subsidy payments received on the QECB Bonds.

(d) **Proceeds Subaccount.** If any Series of Bonds are issued as QECB Bonds, the University shall create a QECB Bonds Proceeds Subaccount within the Proceeds Fund, as applicable, and shall deposit into such subaccount any proceeds of the QECB Bonds not otherwise deposited into the QECB Bonds Interest and Sinking Subaccount.

Section 17. **DAMAGED, MUTILATED, LOST, STOLEN, OR DESTROYED BONDS.** (a) **Replacement Bonds.** In the event any outstanding Bond is damaged, mutilated, lost, stolen, or destroyed, the Paying Agent/Registrar shall cause to be printed, executed, and delivered, a new bond of the same Series, principal amount, maturity, and interest rate, and in the same form, as the damaged, mutilated, lost, stolen, or destroyed Bond, in replacement for such Bond in the manner hereinafter provided.

(b) **Application for Replacement Bonds.** Application for replacement of damaged, mutilated, lost, stolen, or destroyed Bonds shall be made to the Paying Agent/Registrar. In every case of loss, theft, or destruction of a Bond, the applicant for a replacement bond shall furnish to the Board and the Paying Agent/Registrar such security or indemnity as may be required by them to save each of them harmless from any loss or damage with respect thereto. Also, in every case of loss, theft, or destruction of a Bond, the applicant shall furnish to the Board and the Paying Agent/Registrar evidence to their satisfaction of the loss, theft, or destruction of such Bond, as the case may be. In every case of damage or mutilation of a Bond, the applicant shall surrender to the Paying Agent/Registrar for cancellation the Bond so damaged or mutilated.

(c) **Payment in Lieu of Replacement.** Notwithstanding the foregoing provisions of this Section, in the event any such Bond shall have matured, and no default has occurred which is then continuing in the payment of the principal of, redemption premium, if any, or interest on the Bond, the Board, may authorize the payment of the same (without surrender thereof except in the case of a damaged or mutilated Bond) instead of issuing a replacement Bond, provided security or indemnity is furnished as above provided in this Section.

(d) **Charge for Issuing Replacement Bonds.** Prior to the issuance of any replacement bond, the Paying Agent/Registrar shall charge the owner of such Bond with all legal, printing, and other expenses in connection therewith. Every replacement bond issued pursuant to the provisions of this Section by virtue of the fact that any Bond is lost, stolen, or destroyed shall constitute a contractual obligation of the Board whether or not the lost, stolen, or destroyed Bond shall be found at any time, or be enforceable by anyone, and shall be entitled to all the benefits of this Resolution equally and proportionately with any and all other Bonds duly issued under this Resolution.
(e) **Authority for Issuing Replacement Bonds.** In accordance with Chapter 1206, Texas Government Code, this Section shall constitute authority for the issuance of any such replacement bond without the necessity of further action by the Board or any other body or person, and the duty of the replacement of such Bonds is hereby authorized and imposed upon the Paying Agent/Registrar, and the Paying Agent/Registrar shall authenticate and deliver such Bonds in the form and manner and with the effect, as provided in Section 12(f) of this Resolution for Bonds issued in exchange and replacement for other Bonds.

**Section 18.** REMEDIES. Any owner of Parity Obligations in the event of default in connection with any covenant contained herein or in any resolution adopted hereafter authorizing the issuance of Parity Obligations, or default in the payment of said obligations, or of any interest due thereon, or other costs and expenses related thereto, may require the Board, their respective officials and employees, and any appropriate official of the State of Texas, to carry out, respect, or enforce the covenants and obligations of this Resolution by all legal and equitable means, including specifically, but without limitation, the use and filing of mandamus proceedings in any court of competent jurisdiction against the Board, their respective officials and employees, or any appropriate official of the State of Texas.

**Section 19.** DEFEASANCE OF OBLIGATIONS. (a) Any Bond and the interest thereon shall be deemed to be paid, retired and no longer Outstanding (a "Defeased Bond") within the meaning of this Resolution, except to the extent provided in subsections (c) and (e) of this Section, when payment of the principal of such Bond, plus interest thereon to the due date or dates (whether such due date or dates be by reason of maturity, upon redemption, or otherwise) either (i) shall have been made or caused to be made in accordance with the terms thereof (including the giving of any required notice of redemption) or (ii) shall have been provided for on or before such due date by irrevocably depositing with or making available to the Paying Agent/Registrar or any other eligible bank or trust company then authorized by State law for such payment, (2) Defeasance Securities, certified by an independent public accounting firm of national reputation to mature as to principal and interest in such amounts and at such times as will ensure the availability, without reinvestment, of sufficient money to provide for such payment and when proper arrangements have been made by the Board with the Paying Agent/Registrar for the payment of its services until all Defeased Bonds shall have become due and payable or (3) any combination of (1) and (2). At such time as a Bond shall be deemed to be a Defeased Bond hereunder, as aforesaid, such Bond and the interest thereon shall no longer be secured by, payable from, or entitled to the benefits of, the revenues herein pledged as provided in this Resolution, and such principal and interest shall be payable solely from such money or Defeasance Securities.

(b) The deposit under clause (ii) of subsection (a) shall be deemed a payment of a Bond as aforesaid when proper notice of redemption of such Bonds shall have been given, in accordance with this Resolution. Any money so deposited with the Paying Agent/Registrar or other eligible institution as provided in this Section may at the written discretion of the Board also be invested in Defeasance Securities, maturing in the amounts and at the times as hereinbefore set forth, and all income from all Defeasance Securities in possession of the Paying
Agent/Registrar or other eligible institution pursuant to this Section which is not required for the payment of such Bond and premium, if any, and interest thereon with respect to which such money has been so deposited, shall be turned over to the Board.

(c) Notwithstanding any provision of any other Section of this Resolution which may be contrary to the provisions of this Section, all money or Defeasance Securities set aside and held in trust pursuant to the provisions of this Section for the payment of principal of the Bonds and premium, if any, and interest thereon, shall be applied to and used solely for the payment of the particular Bonds and premium, if any, and interest thereon, with respect to which such money or Defeasance Securities have been so set aside in trust. Until all Defeased Bonds shall have become due and payable, the Paying Agent/Registrar shall perform the services of Paying Agent/Registrar for such Defeased Bonds the same as if they had not been defeased, and the Board shall make proper arrangements to provide and pay for such services as required by this Resolution.

(d) Notwithstanding anything elsewhere in this Resolution, if money or Defeasance Securities have been deposited or set aside with the Paying Agent/Registrar or other eligible institution pursuant to this Section for the payment of Bonds and such Bonds shall not have in fact been actually paid in full, no amendment of the provisions of this Section shall be made without the consent of the registered owner of each Bond affected thereby.

(e) Notwithstanding the provisions of subsection (a) immediately above, to the extent that, upon the defeasance of any Defeased Bond to be paid at its maturity, the Board retains the right under Texas law to later call that Defeased Bond for redemption in accordance with the provisions of this Resolution, the Board may call such Defeased Bond for redemption upon complying with the provisions of Texas law and upon the satisfaction of the provisions of subsection (a) immediately above with respect to such Defeased Bond as though it was being defeased at the time of the exercise of the option to redeem the Defeased Bond and the effect of the redemption is taken into account in determining the sufficiency of the provisions made for the payment of the Defeased Bond.

(f) In the event that the Board elects to defease less than all of the principal amount of Bonds of a maturity, the Paying Agent/Registrar shall select, or cause to be selected, such amount of Bonds by such random method as it deems fair and appropriate.

Section 20. AMENDMENT OF RESOLUTION. (a) Amendment Without Consent. This Resolution and the rights and obligations of the Board and of the owners of the Outstanding Parity Obligations may be modified or amended at any time without notice to or the consent of any owner of the Outstanding Parity Obligations, solely for any one or more of the following purposes:

(i) To add to the covenants and agreements of the Board contained in this Resolution, other covenants and agreements thereafter to be observed, or to surrender any right or power reserved to or conferred upon the Board in this Resolution;
(ii) To cure any ambiguity or inconsistency, or to cure or correct any defective provisions contained in this Resolution, upon receipt by the Board of an opinion of Bond Counsel, that the same is needed for such purpose, and will more clearly express the intent of this Resolution;

(iii) To supplement the security for the Parity Obligations, including, but not by way of limitation, to provide for the addition of new institutions and agencies to the Financing System or to clarify the provisions regarding the University as a Participant in the Financing System; provided, however, if the definition of Pledged Revenues is amended in any manner which results in the pledge of additional resources, the terms of such amendment may limit the amount of such additional pledge and the manner, extent, and duration of such additional pledge all as set forth in such amendment;

(iv) To make any changes or amendments requested by any bond rating agency then rating or requested to rate Parity Obligations, as a condition to the issuance or maintenance of a rating, which changes or amendments do not, in the judgment of the Board, materially adversely affect the interests of the owners of the Outstanding Parity Obligations;

(v) To make such changes, modifications or amendments as may be necessary or desirable, which shall not adversely affect the interests of the owners of the Outstanding Parity Obligations, in order, to the extent permitted by law, to facilitate the economic and practical utilization of Credit Agreements with respect to the Parity Obligations;

(vi) To make such other changes in the provisions hereof as the Board may deem necessary or desirable and which shall not, in the judgment of the Board, materially adversely affect the interests of the owners of Outstanding Parity Obligations; or

(vii) To make such changes or amendments as contemplated by Section 24(c) of this Resolution in order to comply with the Rule.

Notice of any such amendment may be published by the Board in the manner described in subsection (c) of this Section; provided, however, that the publication of such notice shall not constitute a condition precedent to the adoption of such amendatory resolution and the failure to publish such notice shall not adversely affect the implementation of such amendment as adopted pursuant to such amendatory resolution.

(b) **Amendments With Consent.** Subject to the other provisions of this Resolution, the owners of Outstanding Parity Obligations aggregating a majority in Outstanding Principal Amount shall have the right from time to time to approve any amendment to this Resolution, other than amendments described in subsection (a) of this Section, which may be deemed necessary or desirable by the Board; provided, however, that nothing herein contained shall permit or be construed to permit, without the approval of the owners of all of the Outstanding Parity Obligations, the amendment of the terms and conditions in this Resolution so as to:
(1) Grant to the owners of any Outstanding Parity Obligations a priority over the owners of any other Outstanding Parity Obligations;

(2) Materially adversely affect the rights of the owners of less than all Parity Obligations then Outstanding;

(3) Change the minimum percentage of the Outstanding Principal Amount necessary for consent to such amendment;

(4) Make any change in the maturity of the Outstanding Bonds;

(5) Reduce the rate of interest borne by Outstanding Bonds;

(6) Reduce the amount of the principal payable on Outstanding Bonds; or

(7) Modify the terms of payment of principal of or interest on the Outstanding Bonds, or impose any conditions with respect to such payment; or

(8) Adversely affect the tax exempt status of the interest on the Outstanding Bonds to the owners thereof.

(c) **Notice.** If at any time this Resolution is to be amended pursuant to the provisions of subsection (b) of this Section, the Board shall cause notice of the proposed amendment to be published in a financial newspaper or journal of general circulation in The City of New York, New York, once during each calendar week for at least two successive calendar weeks. Such notice shall briefly set forth the nature of the proposed amendment and shall state that a copy thereof is on file at the principal office of each Registrar for the Parity Obligations for inspection by all owners of Parity Obligations. Such publication is not required, however, if the Board gives or causes to be given such notice in writing, by certified mail, to each owner of Parity Obligations. Such publication is not required with respect to amendments to this Resolution effected pursuant to the provisions of subsection (a) of this Section.

(d) **Receipt of Consents.** Whenever at any time not less than thirty (30) days, and within one year, from the date of the first publication of said notice or other service of written notice of the proposed amendment the Board shall receive an instrument or instruments executed by all of the owners or the owners of at least a majority in Outstanding Principal Amount, as appropriate, which instrument or instruments shall refer to the proposed amendment described in said notice and which specifically consent to and approve such amendment in substantially the form of the copy thereof on file as aforesaid, the Board may adopt the amendatory resolution in substantially the same form.

(e) **Effect of Amendments.** Upon the adoption of any resolution to amend this Resolution pursuant to the provisions of this Section, this Resolution shall be deemed to be amended in accordance with the amendatory resolution, and the respective rights, duties, and
obligations of the Board and all the owners of then Outstanding Parity Obligations and all future Parity Obligations shall thereafter be determined, exercised, and enforced under this Resolution, as amended.

(f) *Consent Irrevocable.* Any consent given by any owner of Parity Obligations pursuant to the provisions of this Section shall be irrevocable for a period of six months from the date of the first publication or other service of the notice provided for in this Section, and shall be conclusive and binding upon all future owners of the same Parity Obligations during such period. Such consent may be revoked at any time after six months from the date of the first publication of such notice by the owner who gave such consent, or by a successor in title, by filing notice thereof with the Registrar for such Parity Obligations and the Board, but such revocation shall not be effective if the owners of a majority in Outstanding Principal Amount, prior to the attempted revocation, consented to and approved the amendment.

(g) *Ownership.* For the purpose of this Section, the ownership and other matters relating to all Parity Obligations shall be determined by the Registration Books maintained by the Registrar.

Section 21. **COVENANTS REGARDING TAX-EXEMPTION.** (a) **Covenants.** The Board covenants to take any action necessary to assure, or refrain from any action which would adversely affect, the treatment of the Tax–Exempt Bonds as obligations described in section 103 of the Internal Revenue Code of 1986, as amended (the "IRS Code"), the interest on which is not includable in the "gross income" of the holder for purposes of federal income taxation. In furtherance thereof, the Board covenants as follows:

1. to take any action to assure that no more than 10 percent of the proceeds of the Tax–Exempt Bonds or the projects financed or refinanced therewith (less amounts deposited to a reserve fund, if any) are used for any "private business use," as defined in section 141(b)(6) of the IRS Code or, if more than 10 percent of the proceeds of the Tax–Exempt Bonds or the projects financed or refinanced therewith are so used, such amounts, whether or not received by the Board, with respect to such private business use, do not, under the terms of this Resolution or any underlying arrangement, directly or indirectly, secure or provide for the payment of more than 10 percent of the debt service on the Tax–Exempt Bonds, in contravention of section 141(b)(2) of the IRS Code;

2. to take any action to assure that in the event that the "private business use" described in subsection (1) hereof exceeds 5 percent of the proceeds of the Tax–Exempt Bonds or the projects financed or refinanced therewith (less amounts deposited into a reserve fund, if any) then the amount in excess of 5 percent is used for a "private business use" which is "related" and not "disproportionate," within the meaning of section 141(b)(3) of the IRS Code, to the governmental use;
(3) to take any action to assure that no amount which is greater than the lesser of $5,000,000, or 5 percent of the proceeds of the Tax–Exempt Bonds (less amounts deposited into a reserve fund, if any) is directly or indirectly used to finance loans to persons, other than state or local governmental units, in contravention of section 141(c) of the IRS Code;

(4) to refrain from taking any action which would otherwise result in the Tax–Exempt Bonds being treated as "private activity bonds" within the meaning of section 141(b) of the IRS Code;

(5) to refrain from taking any action that would result in the Tax–Exempt Bonds being "federally guaranteed" within the meaning of section 149(b) of the IRS Code;

(6) to refrain from using any portion of the proceeds of the Tax–Exempt Bonds, directly or indirectly, to acquire or to replace funds which were used, directly or indirectly, to acquire investment property (as defined in section 148(b)(2) of the IRS Code) which produces a materially higher yield over the term of the Tax–Exempt Bonds, other than investment property acquired with:

(A) proceeds of the Tax–Exempt Bonds invested for a reasonable temporary period of 3 years or less or, in the case of a refunding bond, for a period of 30 days or less until such proceeds are needed for the purpose for which the Tax–Exempt Bonds are issued,

(B) amounts invested in a bona fide debt service fund, within the meaning of section 1.148 1(b) of the Treasury Regulations, and

(C) amounts deposited in any reasonably required reserve or replacement fund to the extent such amounts do not exceed 10 percent of the proceeds of the Tax–Exempt Bonds;

(7) to otherwise restrict the use of the proceeds of the Tax–Exempt Bonds or amounts treated as proceeds of the Tax–Exempt Bonds, as may be necessary, so that the Tax–Exempt Bonds do not otherwise contravene the requirements of section 148 of the IRS Code (relating to arbitrage) and, to the extent applicable, section 149(d) of the IRS Code (relating to advance refundings); and

(8) to pay to the United States of America at least once during each five-year period (beginning on the date of delivery of the Bonds) an amount that is at least equal to 90 percent of the "Excess Earnings," within the meaning of section 148(f) of the IRS Code and to pay to the United States of America, not later than 60 days after the Tax–Exempt Bonds have been paid in full, 100 percent of the amount then
required to be paid as a result of Excess Earnings under section 148(f) of the IRS Code.

(b) **Rebate Fund.** With respect to the Tax–Exempt Bonds, in order to facilitate compliance with the above covenant (8), a "Rebate Fund" is hereby established by the Board for the sole benefit of the United States of America, and such fund shall not be subject to the claim of any other person, including without limitation the bondholders. The Rebate Fund is established for the additional purpose of compliance with section 148 of the IRS Code.

(c) **Proceeds.** With respect to the Tax–Exempt Bonds, the Board understands that the term "proceeds" includes "disposition proceeds" as defined in the Treasury Regulations and, in the case of refunding bonds, transferred proceeds (if any) and proceeds of the refunded bonds not expended prior to the date of issuance of the Tax-Exempt Bonds. It is the understanding of the Board that the covenants contained herein are intended to assure compliance with the IRS Code and any regulations or rulings promulgated by the U.S. Department of the Treasury pursuant thereto. In the event that regulations or rulings are hereafter promulgated which modify or expand provisions of the IRS Code, as applicable to the Tax–Exempt Bonds, the Board will not be required to comply with any covenant contained herein to the extent that such failure to comply, in the opinion of nationally recognized bond counsel, will not adversely affect the exemption from federal income taxation of interest on the Tax–Exempt Bonds under section 103 of the IRS Code. In the event that regulations or rulings are hereafter promulgated which impose additional requirements which are applicable to the Tax–Exempt Bonds, the Board agrees to comply with the additional requirements to the extent necessary, in the opinion of nationally recognized bond counsel, to preserve the exemption from federal income taxation of interest on the Tax–Exempt Bonds under section 103 of the IRS Code. In furtherance of such intention, the Board hereby authorizes and directs the Designated Financial Officer to execute any documents, certificates or reports required by the IRS Code and to make such elections, on behalf of the Board, which may be permitted by the IRS Code as are consistent with the purpose for the issuance of the Tax–Exempt Bonds.

(d) **Disposition of Refunded Bonds Projects.** If the Bonds are issued as Tax–Exempt Bonds, the Board covenants that the projects financed by any Refunded Bonds will not be sold or otherwise disposed in a transaction resulting in the receipt by the Board of cash or other compensation, unless the Board obtains an opinion of nationally–recognized bond counsel that such sale or other disposition will not adversely affect the tax–exempt status of the Tax–Exempt Bonds. For purposes of this subsection, the portion of the property comprising personal property and disposed of in the ordinary course shall not be treated as a transaction resulting in the receipt of cash or other compensation. For purposes of this subsection, the Board shall not be obligated to comply with this covenant if it obtains an opinion of nationally–recognized bond counsel to the effect that such failure to comply will not adversely affect the excludability for federal income tax purposes from gross income of the interest.

**Section 24. CONTINUING DISCLOSURE UNDERTAKING.**

(a) **Annual Reports.** To the extent that such financial information and operating data is reasonably
obtainable under generally acceptable accounting principles applicable to the Board, as modified by the laws of the State of Texas and the rules and regulations of the Comptroller of Public Accounts of the State of Texas, the Board shall provide annually to the MSRB, in an electronic format as prescribed by the MSRB, within six months after the end of each Fiscal Year, financial information and operating data with respect to Board, as determined by the Designated Financial Officer at the time the Bonds are sold. The Award Certificate shall specify the financial information and operating data to be provided pursuant to this Section. In the event that financial information and operating data of such general type is not reasonably available, financial information and operating data will be provided as prescribed by the applicable accounting principles and the governing laws, rules, and regulations applicable to the Board. The undertaking of the Board contained in the preceding sentence may be modified by the Designated Financial Officer in the Award Certificate upon advice of counsel. Any financial statements so to be provided shall be (1) prepared in accordance with the accounting principles described in Exhibit C hereto, as may be modified in the Award Certificate, and (2) audited, if the Board commissions an audit of such statements and the audit is completed within the period during which they must be provided. If audited financial statements are not so provided within the required period, then the Board shall provide unaudited financial statements for the applicable Fiscal Year to the MSRB, in an electronic format as prescribed by the MSRB, and shall file audited financial statements when and if audited financial statements become available. If audited financial statements are not prepared for any Fiscal Year and audited financial statements are prepared with respect to the State of Texas for such Fiscal Year, the Board shall provide, or cause to be provided, the audited financial statements of the State of Texas for the applicable Fiscal Year to the MSRB, in an electronic format as prescribed by the MSRB, within six months after the end of said Fiscal Year or as soon thereafter as such audited financial statements become available from the State Auditor of the State of Texas. Any such audited financial statements of the State of Texas so provided shall be prepared in accordance with generally accepted accounting principles for state governments, as such principles may be changed from time to time to comply with state law.

If the Board changes the Fiscal Year, the Board will notify the MSRB of the change (and of the date of the new Fiscal Year end) prior to the next date by which the Board otherwise would be required to provide financial information and operating data pursuant to this Section.

The financial information and operating data to be provided pursuant to this subsection may be set forth in full in one or more documents or may be included by specific reference to any document that is available to the public on the MSRB's internet web site or filed with the SEC. All documents provided to the MSRB pursuant to this subsection shall be accompanied by identifying information as prescribed by the MSRB.

(b) **Event Notices.** The Board shall notify the MSRB, in an electronic format as prescribed by the MSRB, in a timely manner not in excess of ten business days after the occurrence of the event, of any of the following events with respect to the Bonds:

A. Principal and interest payment delinquencies;
B. Non-payment related defaults, if material within the meaning of the federal securities laws;

C. Unscheduled draws on debt service reserves reflecting financial difficulties;

D. Unscheduled draws on credit enhancements reflecting financial difficulties;

E. Substitution of credit or liquidity providers, or their failure to perform;

F. Adverse tax opinions, the issuance by the Internal Revenue Service of proposed or final determinations of taxability, Notices of Proposed Issue (IRS Form 5701-TEB) or other material notices or determinations with respect to the tax status of the Bonds, or other events affecting the tax status of the Bonds;

G. Modifications to rights of holders of the Bonds, if material within the meaning of the federal securities laws;

H. Bond calls, if material within the meaning of the federal securities laws and tender offers;

I. Defeasances;

J. Release, substitution, or sale of property securing repayment of the Bonds, if material within the meaning of the federal securities laws;

K. Rating changes;

L. Bankruptcy, insolvency, receivership or similar event of the Board;

M. The consummation of a merger, consolidation, or acquisition involving the Board or the sale of all or substantially all of the assets of the Board, other than in the ordinary course of business, the entry into a definitive agreement to undertake such an action or the termination of a definitive agreement relating to any such actions, other than pursuant to its terms, if material within the meaning of the federal securities laws; and

N. Appointment of a successor or additional trustee or the change of name of a trustee, if material within the meaning of the federal securities laws.

The Board shall notify the MSRB, in an electronic format as prescribed by the MSRB, in a timely manner, of any failure by the Board to provide financial information or operating data in accordance with this subsection by the time required. All documents provided to the MSRB
pursuant to this subsection shall be accompanied by identifying information as prescribed by the MSRB.

(c) **Limitations, Disclaimers, and Amendments.** The Board shall be obligated to observe and perform the covenants specified in this Section for so long as, but only for so long as, the Board remains an "obligated person" with respect to the Bonds within the meaning of the Rule, except that the Board in any event will give the notice required by this Resolution of any Bond calls and defeasance that cause the Bonds to be no longer outstanding.

The provisions of this Section are for the sole benefit of the holders and beneficial owners of the Bonds, and nothing in this Section, express or implied, shall give any benefit or any legal or equitable right, remedy, or claim hereunder to any other person. The Board undertakes to provide only the financial information, operating data, financial statements, and notices that it has expressly agreed to provide pursuant to this Section and does not hereby undertake to provide any other information that may be relevant or material to a complete presentation of the Board's financial results, condition, or prospects relating to the Financing System or hereby undertake to update any information provided in accordance with this Section or otherwise, except as expressly provided herein. The Board does not make any representation or warranty concerning such information or its usefulness to a decision to invest in or sell Bonds at any future date.

UNDER NO CIRCUMSTANCES SHALL THE BOARD BE LIABLE TO THE HOLDER OR BENEFICIAL OWNER OF ANY BOND OR ANY OTHER PERSON, IN CONTRACT OR TORT, FOR DAMAGES RESULTING IN WHOLE OR IN PART FROM ANY BREACH BY THE BOARD, WHETHER NEGLIGENT OR WITHOUT FAULT ON ITS PART, OF ANY COVENANT SPECIFIED IN THIS SECTION, BUT EVERY RIGHT AND REMEDY OF ANY SUCH PERSON, IN CONTRACT OR TORT, FOR OR ON ACCOUNT OF ANY SUCH BREACH SHALL BE LIMITED TO AN ACTION FOR MANDAMUS OR SPECIFIC PERFORMANCE.

No default by the Board in observing or performing its obligations under this Section shall constitute a breach of or default under this Resolution for purposes of any other provision of this Resolution.

Should the Rule be amended to obligate the Board to make filings with or provide notices to entities other than the MSRB, the Board hereby agrees to undertake such obligation with respect to the Bonds in accordance with the Rule as amended.

Nothing in this Section is intended or shall act to disclaim, waive, or otherwise limit the duties of the Board under federal and state securities laws.

The provisions of this Section may be amended by the Board from time to time to adapt to changed circumstances that arise from a change in legal requirements, a change in law, or a change in the identity, nature, status, or type of operations of the Board, but only if (1) the provisions of this Section, as so amended, would have permitted an underwriter to purchase or
sell Bonds in the primary offering of the Bonds in compliance with the Rule, taking into account any amendments or interpretations of the Rule to the date of such amendment, as well as such changed circumstances, and (2) either (A) the holders of a majority in aggregate principal amount (or any greater amount required by any other provision of this Resolution that authorizes such an amendment) of the outstanding Bonds consent to such amendment or (B) a person that is unaffiliated with the Board (such as nationally recognized bond counsel) determines that such amendment will not materially impair the interests of the holders and beneficial owners of the Bonds. If the Board so amends the provisions of this Section, it shall include with any amended financial information or operating data next provided in accordance with this Section an explanation, in narrative form, of the reasons for the amendment and of the impact of any change in the type of financial information or operating data so provided. The Board may also amend or repeal the provisions of this continuing disclosure requirement if the SEC amends or repeals the applicable provisions of the Rule or a court of final jurisdiction enters judgment that such provisions of the Rule are invalid, but only if and to the extent that the provisions of this sentence would not prevent an underwriter from lawfully purchasing or selling the Bonds in the primary offering of the Bonds.

Section 25. APPLICATION OF BOND PROCEEDS. (a) Proceeds. Proceeds from the sale of each Series of the Bonds shall, promptly upon receipt thereof, be applied by the Designated Financial Officer as follows:

(i) accrued interest, if any, for each Series of the Bonds shall be deposited as provided in Section 16;

(ii) an amount sufficient to accomplish the purposes of Section 9 shall be so applied; and

(iii) any proceeds from the sale of each Series of the Bonds remaining after the deposits provided for in clauses (i) and (ii) above, shall be applied to pay expenses arising in connection with the issuance of the Bonds.

Any sale proceeds of each Series of the Bonds remaining after making all deposits and payments provided for above shall be applied to the payment of interest on the Bonds.

(b) Funds. The Designated Financial Officer is hereby authorized to establish such funds, accounts and/or sub-accounts as necessary to administer any remaining proceeds of the Bonds after applying proceeds to the refunding of the refunded bonds, including for accrued interest and costs of issuance. Proceeds deposited into any such funds, accounts and/or sub-accounts shall remain therein until from time to time expended for the purposes described in this Resolution, and shall not be used for any other purposes whatsoever, except as otherwise provided below, and pending such expenditure, such moneys may be invested at the direction of the Designated Financial Officer or the designee thereof in eligible investments in accordance with the provisions of Section 4(h) of this Resolution. Interest earnings shall accrue to the respective funds, accounts and/or sub-accounts in which moneys are held and invested. The Board agrees that it shall pay costs of issuance incurred in connection with the issuance and
delivery of the Bonds as are consistent with the approval of the issuance of the Bonds by the Texas Bond Review Board. The Board shall cause moneys on deposit in any such funds, accounts and/or sub-accounts representing accrued interest to be used to pay debt service on the Bonds as the same shall become due and payable.

Section 26. REFUNDING OF REFUNDED BONDS: ESCROW AGREEMENT; REDEMPTION OF REFUNDED BONDS. Concurrently with the delivery of a Series of Bonds issued to refund Refunded Bonds, the Designated Financial Officer shall cause to be deposited with the Escrow Agent an amount, from the proceeds from the sale of each Series of the Bonds, sufficient, together with other legally available funds of the Board, to provide for the payment and retirement of the Refunded Bonds. In the event that it is deemed necessary, the Designated Financial Officer is authorized to enter into one or more escrow agreements in the form and substance previously approved by the Board in connection with the refunding of Debt with such changes as are acceptable to the Designated Financial Officer. In such event, the Designated Financial Officer is authorized hereby to take such steps as may be necessary to purchase Escrowed Securities, as defined in the Escrow Agreement, on behalf of the Board, and is authorized to create and fund the Escrow Fund contemplated by the Escrow Agreement through the use of the proceeds of each Series of the Bonds, the monies and investments held in the fund securing the Refunded Bonds and other lawfully available monies of the Board.

Subject to the execution of an Award Certificate by the Designated Financial Officer designating such Refunded Bonds, the Refunded Bonds are hereby called for redemption on the first optional redemption date following the delivery of each Series of the Bonds for which all of the notice requirements for redemption can be reasonably met, at a redemption price of par plus accrued interest, if any, to the date of redemption. The Designated Financial Officer shall take such actions as are necessary to cause the required notice of such redemption to be given. The Designated Financial Officer is authorized to select one or more escrow agents with respect to each Series of Bonds issued to refund the Refunded Bonds.

Section 27. DEFEASANCE AND REDEMPTION OF OUTSTANDING DEBT. The Board desires to authorize the use of certain lawfully available funds of the Board, as determined by the Designated Financial Officer, to defease and/or redeem, from time to time, certain outstanding Previously Issued Parity Obligations in accordance with the applicable defeasance and redemption provisions in the respective Prior Resolutions authorizing such debt. The Designated Financial Officer is hereby authorized to determine and retire, from time to time, the various portions of such outstanding Previously Issued Parity Obligations which are economically advantageous for Board to retire by the defeasance and/or redemption of such debt. The Designated Financial Officer is authorized to enter into one or more Escrow Agreements in substantially the standard form previously approved by the Board to accomplish such defeasances. In the event of such a defeasance, the Designated Financial Officer is authorized hereby to take such steps as may be necessary to purchase the escrowed securities identified in such Escrow Agreements on behalf of the Board and is authorized to create and fund the escrow funds contemplated by the Escrow Agreements through the use of the lawfully available funds of the Board. The Designated Financial Officer is authorized to call for redemption such Prior Encumbered Obligations and Previously Issued Parity Obligations to be redeemed pursuant to
this section and is hereby authorized to provide and complete an appropriate Notice of Redemption to the paying agent(s) for such Previously Issued Parity Obligations upon the deposit with the Escrow Agent of such available funds and compliance with the conditions set forth in the Escrow Agreements.

Except as provided in the following sentence, the Board hereby (i) expressly reserves the right to call for redemption any Previously Issued Parity Obligations defeased pursuant to this section in accordance with the applicable redemption provisions contained in the resolution authorizing such debt, (ii) requires that the Designated Financial Officer give notice of the reservation of such right to the owners of such debt immediately following the making of the firm banking and financial arrangements for such defeasance and (iii) directs that notice of such reservation also be included in any Notice of Redemption authorized pursuant to this section. Notwithstanding the foregoing sentence, the Designated Financial Officer, upon determining that doing so is in the best interest of the Board, may elect on behalf of the Board not to retain the right to call such Previously Issued Parity Obligations for redemption by choosing not to give the notices required in (ii) and (iii) of the foregoing sentence.

Section 28. RESOLUTION TO CONSTITUTE A CONTRACT; EQUAL SECURITY. Each such fund shall be designated in such manner as is necessary to identify the Parity Obligations it secures and to distinguish such fund from any other funds created for the benefit of any other Parity Obligations.

Section 38. **PERFECTION OF PLEDGE.** Chapter 1208, Government Code, applies to the issuance of the Bonds and the pledge of the Pledged Revenues granted under Section 2 of this Resolution, and such pledge is therefore valid, effective and perfected. If Texas law is amended at any time while the Bonds are outstanding and unpaid such that the pledge of the Pledged Revenues under Section 2 of this Resolution is to be subject to the filing requirements of Chapter 9, Business & Commerce Code, then in order to preserve to the registered owners of the Bonds the perfection of the security interest in said pledge, the Board agrees to take such measures as it determines are reasonable and necessary under Texas law to comply with the applicable provisions of Chapter 9, Business & Commerce Code and enable a filing to perfect the security interest in said pledge to occur.

The officers, employees and agents of the University, and each of them, shall be and each is expressly authorized, empowered and directed from time to time and at any time to do and perform all acts and things and to execute, acknowledge and deliver in the name and under the

EXHIBIT A
DEFINITIONS

As used in this Resolution the following terms and expressions shall have the meanings set forth below, unless the text hereof specifically indicates otherwise:

"Annual Debt Service Requirements" means, for any Fiscal Year, the principal of and interest on all Parity Obligations coming due at Maturity or Stated Maturity (or that could come due on demand of the owner thereof other than by acceleration or other demand conditioned upon default by the Board on such Debt, or be payable in respect of any required purchase of such Debt by the Board) in such Fiscal Year, and, for such purposes, any one or more of the following rules shall apply at the election of the Board:

(1)   *Committed Take Out*.  If the Board has entered into a Credit Agreement constituting a binding commitment within normal commercial practice to discharge any of its Funded Debt at its Stated Maturity (or, if due on demand, at any date on which demand may be made) or to purchase any of its Funded Debt at any date on which such Debt is subject to required purchase, all under arrangements whereby the obligation to repay the amounts advanced for such discharge or purchase constitutes Funded Debt, then the portion of the Funded Debt committed to be discharged or purchased shall be excluded from such calculation and the principal of and interest on the Funded Debt incurred for such discharging or purchase that would be due in the Fiscal Year for which the calculation is being made, if incurred at the Stated Maturity or purchase date of the Funded Debt to be discharged or purchased, shall be added;

(2)   *Balloon Debt*.  If the principal (including the accretion of interest resulting from original issue discount or compounding of interest) of any series or issue of Funded Debt due (or payable in respect of any required purchase of such Funded Debt by the Board) in any Fiscal Year either is equal to at least 25% of the total principal (including the accretion of interest resulting from original issue discount or compounding of interest) of such Funded Debt or exceeds by more than 50% the greatest amount of principal of such series or issue of Funded Debt due in any preceding or succeeding Fiscal Year (such principal due in such Fiscal Year for such series or issue of Funded Debt being referred to herein as "Balloon Debt"), the amount of principal of such Balloon Debt taken into account during any Fiscal Year shall be equal to the debt service calculated using the original principal amount of such Balloon Debt amortized over the Term of Issue on a level debt service basis at an assumed interest rate equal to the rate borne by such Balloon Debt on the date of calculation;

(3)   *Consent Sinking Fund*.  In the case of Balloon Debt (as defined in clause (2) above), if a Designated Financial Officer shall deliver to the Board an Officer's Certificate providing for the retirement of (and the instrument creating such Balloon Debt shall permit the retirement of), or for the accumulation of a sinking fund for (and the instrument creating such Balloon Debt shall permit the accumulation of a sinking fund
for), such Balloon Debt according to a fixed schedule stated in such Officer's Certificate ending on or before the Fiscal Year in which such principal (and premium, if any) is due, then the principal of (and, in the case of retirement, or to the extent provided for by the sinking fund accumulation, the premium, if any, and interest and other debt service charges on) such Balloon Debt shall be computed as if the same were due in accordance with such schedule, provided that this clause (3) shall apply only to Balloon Debt for which the installments previously scheduled have been paid or deposited to the sinking fund established with respect to such Debt on or before the times required by such schedule; and provided further that this clause (3) shall not apply where the Board has elected to apply the rule set forth in clause (2) above;

(4) **Prepaid Debt.** Principal of and interest on Parity Obligations, or portions thereof, shall not be included in the computation of the Annual Debt Service Requirements for any Fiscal Year for which such principal or interest are payable from funds on deposit or set aside in trust for the payment thereof at the time of such calculations (including without limitation capitalized interest and accrued interest so deposited or set aside in trust) with a financial institution acting as fiduciary with respect to the payment of such Debt;

(5) **Variable Rate.** As to any Parity Obligation that bears interest at a variable interest rate which cannot be ascertained at the time of calculation of the Annual Debt Service Requirement then, at the option of the Board, either (1) an interest rate equal to the average rate borne by such Parity Obligations (or by comparable debt in the event that such Parity Obligations has not been outstanding during the preceding 24 months) for any 24 month period ending within 30 days prior to the date of calculation, or (2) an interest rate equal to the 30−year Tax−Exempt Revenue Bond Index (as most recently published in *The Bond Buyer*), shall be presumed to apply for all future dates, unless such index is no longer published in *The Bond Buyer*, in which case an index of tax-exempt revenue bonds with maturities of at least 20 years which is published in a newspaper or journal with national circulation may be used for this purpose. If two Series of Parity Obligations which bear interest at variable interest rates, or one or more maturities within a Series, of equal par amounts, are issued simultaneously with inverse floating interest rates providing a composite fixed interest rate for such Parity Obligations taken as a whole, such composite fixed rate shall be used in determining the Annual Debt Service Requirement with respect to such Parity Obligations;

(6) **Guarantee.** In the case of any guarantee, as described in clause (2) of the definition of Debt, no obligation will be counted if the Board does not anticipate in its annual budget that it will make any payments on the guarantee. If, however, the Board is making payments on a guarantee or anticipates doing so in its annual budget, such obligation shall be treated as Parity Obligations and calculations of Annual Debt Service Requirements with respect to such guarantee shall be made assuming that the Board will make all additional payments due under the guaranteed obligation. If the entity whose obligation is guaranteed cures all defaults and the Board no longer anticipates making
payments under the guarantee, the guaranteed obligations shall not be included in the calculation of Annual Debt Service Requirements;

(7) Commercial Paper. With respect to any Parity Obligations issued in the form of commercial paper with maturities not exceeding 270 days, the interest on such Parity Obligations shall be calculated in the manner provided in clause (5) of this definition and the maturity schedule shall be calculated in the manner provided in clause (2) of this definition; and

(8) Credit Agreement Payments. If the Board has entered into a Credit Agreement in connection with an issue of Debt, payments due under the Credit Agreement (other than payments for fees and expenses), for either the Board or the Credit Provider, shall be included in such calculation, except to the extent that the payments are already taken into account under (1) through (7) above and any payments otherwise included above under (1) through (7) which are to be replaced by payments under a Credit Agreement, from either the Board or the Credit Provider, shall be excluded from such calculation.

With respect to any calculation of historic data, only those payments actually made in the subject period shall be taken into account in making such calculation and, with respect to prospective calculations, only those payments reasonably expected to be made in the subject period shall be taken into account in making the calculation.

with the Paying Agent/Registrar for the payment of the required redemption price for the Bonds or portions for which such payment is made, all as provided above. If such written notice of redemption is effected and if due provision for such payment is made, all as provided above, the Bonds or portions thereof which are to be so redeemed thereby automatically shall be treated as redeemed prior to their scheduled maturities, and they shall not bear interest after the date fixed for redemption, and they shall not be regarded as being outstanding except for the right of the registered owner to receive the redemption price from the Paying Agent/Registrar out of the funds provided for such payment. If a portion of any Bond shall be redeemed, a substitute Bond or Bonds having the same maturity date, bearing interest at the same rate, in any authorized denomination or denominations in any integral multiple of $5,000, at the written request of the registered owner, and in aggregate principal amount equal to the unredeemed portion thereof, will be issued to the registered owner upon the surrender thereof for cancellation, at the expense of the Board, all as provided in the Bond Resolution.

WITH RESPECT TO any optional redemption of the Bonds, unless certain prerequisites to such redemption required by the Bond Resolution have been met and moneys sufficient to pay the principal of and premium, if any, and interest on the Bonds to be redeemed shall have been received by the Paying Agent/Registrar prior to the giving of such notice of redemption, such notice shall state that said redemption may, at the option of the Board, be conditional upon the satisfaction of such prerequisites and receipt of such moneys by the Paying Agent/Registrar on or prior to the date fixed for such redemption, or upon any prerequisite set forth in such notice of redemption. If a conditional notice of redemption is given and such prerequisites to the redemption and sufficient moneys are not received, such notice shall be of no force and effect, the Board shall not redeem such Bonds and the Paying Agent/Registrar shall give notice, in the manner in which the notice of redemption was given, to the effect that the Bonds have not been redeemed.

IF THE DATE for the payment of the principal of or interest on this Bond shall be a Saturday, Sunday, a legal holiday, or a day on which banking institutions in the city of New York, New York, or in the city where the Designated Trust Office of the Paying Agent/Registrar is located are authorized by law or executive order to close, then the date for such payment shall be the next succeeding day which is not such a Saturday, Sunday, legal holiday, or day on which banking institutions are authorized to close; and payment on such date shall have the same force and effect as if made on the original date payment was due.

THIS BOND OR ANY PORTION OR PORTIONS HEREOF IN ANY AUTHORIZED DENOMINATION may be assigned and shall be transferred only in the Registration Books kept by the Paying Agent/Registrar acting in the capacity of registrar for the Bonds, upon the terms and conditions set forth in the Bond Resolution. Among other requirements for such assignment and transfer, this Bond must be presented and surrendered to the Paying Agent/Registrar, together with proper instruments of assignment, in form and with guarantee of signatures satisfactory to the Paying Agent/Registrar, evidencing assignment of this Bond or any portion or portions hereof in any authorized denomination to the assignee or assignees in whose name or names this Bond or any such portion or portions hereof is or are to be transferred and registered. The form of Assignment printed or endorsed on this Bond shall be
executed by the registered owner or its duly authorized attorney or representative, to evidence the assignment hereof. A new Bond or Bonds payable to such assignee or assignees (which then will be the new registered owner or owners of such new Bond or Bonds), or to the previous registered owner in the case of the assignment and transfer of only a portion of this Bond, may be delivered by the Paying Agent/Registrar in exchange for this Bond, all in the form and manner as provided in the next paragraph hereof for the exchange of other Bonds. The Board shall pay the Paying Agent/Registrar's fees and charges, if any, for making such transfer or exchange as provided below, but the one requesting such transfer or exchange shall pay any taxes or other governmental charges required to be paid with respect thereto. The Paying Agent/Registrar shall not be required to make transfers of registration or exchange of this Bond or any portion hereof during the period commencing with the close of business on any Record Date and ending with the opening of business on the next following principal or interest payment date. The registered owner of this Bond shall be deemed and treated by the Board and the Paying Agent/Registrar as the absolute owner hereof for all purposes, including payment and discharge of liability upon this Bond to the extent of such payment, and, to the extent permitted by law, the Board and the Paying Agent/Registrar shall not be affected by any notice to the contrary.

AS PROVIDED IN THE BOND RESOLUTION, this Bond, or any unredeemed portion hereof, may, at the request of the registered owner or the assignee or assignees hereof, be exchanged for a like aggregate principal amount of fully registered bonds, without interest coupons, payable to the appropriate registered owner, assignee, or assignees, as the case may be, having the same maturity date, in the same form, and bearing interest at the same rate, in any Authorized Denomination as requested in writing by the appropriate registered owner, assignee, or assignees, as the case may be, upon surrender of this Bond to the Paying Agent/Registrar for cancellation, all in accordance with the form and procedures set forth in the Bond Resolution.

WHENEVER the beneficial ownership of this Bond is determined by a book entry at a securities depository for the Bonds, the foregoing requirements of holding, delivering, or transferring this Bond shall be modified to require the appropriate person or entity to meet the requirements of the securities depository as to registering or transferring the book entry to produce the same effect.

IN THE EVENT any Paying Agent/Registrar for the Bonds is changed by the Board, resigns, or otherwise ceases to act as such, the Board has covenanted in the Bond Resolution that it promptly will appoint a competent and legally qualified substitute therefor, and promptly will cause written notice thereof to be mailed to the registered owners of the Bonds.

IT IS HEREBY certified, recited, and covenanted that this Bond has been duly and validly authorized, issued, and delivered; that all acts, conditions, and things required or proper to be performed, exist, and be done precedent to or in the authorization, issuance, and delivery of this Bond have been performed, existed, and been done in accordance with law; that the Series of Bonds of which this Bond is one constitute Parity Obligations under the Bond Resolution; and that the interest on and principal of this Bond, together with the other Bonds of this Series and the other outstanding Parity Obligations are equally and ratably secured by and payable from a
lien on and pledge of the Pledged Revenues, subject only to the provisions of, and the lien on and pledge of certain Pledged Revenues to, the Prior Encumbered Obligations.

**THE BOARD** has reserved the right, subject to the restrictions referred to in the Bond Resolution, (i) to issue additional Parity Obligations which also may be secured by and made payable from a lien on and pledge of the aforesaid Pledged Revenues, in the same manner and to the same extent as this Bond, and (ii) to amend the provisions of the Bond Resolution under the conditions provided in the Bond Resolution.

**NEITHER THE** State of Texas, the Board, nor any other agency, political corporation, or political subdivision of the State of Texas is obligated to pay the principal of or interest on the Bonds, other than as provided herein and in the Bond Resolution. Neither the faith and credit nor the taxing power of the State of Texas, nor any agency, political corporation or political subdivision of the State of Texas is pledged to the payment of the principal of or interest on the Bonds.

**BY BECOMING** the registered owner of this Bond, the registered owner thereby acknowledges all of the terms and provisions of the Bond Resolution, agrees to be bound by such terms and provisions, acknowledges that the Bond Resolution is duly recorded and available for inspection in the official minutes and records of the Board, and agrees that the terms and provisions of this Bond and the Bond Resolution constitute a contract between each registered owner hereof and the Board.

**IN WITNESS WHEREOF,** in accordance with the terms of the Bond Resolution, this Bond has been signed with the manual or facsimile signature of the Chair of the Board and countersigned with the manual or facsimile signature of the Secretary of the Board, and the official seal of Stephen F. Austin State University has been duly impressed, or placed in facsimile, on this Bond.

WHEREAS, in order to reduce costs, increase borrowing capacity, provide additional security to the credit markets, and provide the Board of Regents (the "Board") of Stephen F. WHEREAS, the terms used in this Resolution and not otherwise defined shall have the meaning given in Exhibit "A" to this Resolution attached hereto and made a part hereof;
NOW THEREFORE, BE IT RESOLVED BY THE BOARD OF REGENTS OF
STEPHEN F. AUSTIN STATE UNIVERSITY:

Section 1. REVENUE FINANCING SYSTEM AND ISSUANCE OF PARITY
OBLIGATIONS. In the Prior Resolutions, the Stephen F. Austin State University Revenue
Financing System (the "Financing System") has been established and confirmed, for the purpose
of providing a financing structure for revenue supported indebtedness to provide funds to
acquire, purchase, construct, improve, renovate, enlarge or equip property, buildings, structures,
facilities, roads or related infrastructure at the University, as well as at any institution, branch or
entity hereafter placed under the control and governance of the Board, under authority of the
pertinent provisions of the Texas Education Code.

Section 2. SECURITY AND PLEDGE. (a) Pledge. Subject to the provisions of
the resolutions authorizing Prior Encumbered Obligations, Parity Obligations shall be secured by
and payable from a lien on the Pledged Revenues, and the Board hereby assigns and pledges the
Pledged Revenues to the payment of the principal of, premium, if any, and interest on Parity
Obligations, and the Pledged Revenues are further pledged to the establishment and maintenance
of any funds which may be provided to secure the repayment of Parity Obligations in accordance
with this Resolution. The Board may execute and deliver one or more Credit Agreements to
additionally secure Parity Obligations. Credit Agreements may also be secured by a pledge of
Pledged Revenues on a parity with or subordinate to Parity Obligations.

(b) Additional Participants. As provided in Section 7 of this Resolution, institutions
which may hereafter come under the control and governance of the Board may become
Participants in the Financing System and such institutions may, at such time, have outstanding
obligations secured by the Prior Encumbered Revenues and that, therefore, the lien on and
pledge of the Pledged Revenues established pursuant to this Resolution and effective when such
institutions become Participants in the Financing System will be subject and subordinate only to
such institutions' outstanding Prior Encumbered Obligations.

(c) Restriction on Issuance of Additional Debt on a Parity with Prior Encumbered
Obligations. Except as provided in Section 4(g) and for so long as any Parity Obligations are
Outstanding, no additional bonds, notes, or other obligations may be issued or incurred by the
Board on a parity with any Prior Encumbered Obligations.

(d) Parity Obligations are Special Obligations. All Parity Obligations and the
premium, if any, and the interest thereon shall constitute special obligations of the Board payable
from the Pledged Revenues, and the owners thereof shall never have the right to demand
payment out of funds raised or to be raised by taxation, or from any source other than the source
specified in this Resolution. The obligation of the Board to pay or cause to be paid the amounts
payable under this Resolution out of the Pledged Revenues shall be absolute, irrevocable,
complete, and unconditional, and the amount, manner, and time of payment of such amounts
shall not be decreased, abated, rebated, set-off, reduced, abrogated, waived, diminished, or
otherwise modified in any manner or to any extent whatsoever, regardless of any right of setoff,
recoupment, or counterclaim that the Board might otherwise have against any owner or any other
party and regardless of any contingency, *force majeure*, event, or cause whatsoever and notwithstanding any circumstance or occurrence that may arise or take place before, during, or after the issuance of Parity Obligations while any Parity Obligations are Outstanding.

**Section 3. COVENANTS RELATING TO PLEDGED REVENUES.** (a) *Rate Covenant.* In each Fiscal Year, the Board shall establish, charge, and use its reasonable efforts to collect at each Participant the Pledged Revenues which, if collected, would be sufficient to meet all financial obligations of the Board for such Fiscal Year relating to the Financing System including all deposits or payments due on or with respect to (i) the Prior Encumbered Obligations and (ii) all Outstanding Parity Obligations.

(b) *Tuition.* Subject to the provisions of the resolutions authorizing Prior Encumbered Obligations and to the other provisions of this Resolution, the Board covenants and agrees to fix, levy, charge and collect at each Participant student tuition charges required or authorized by law to be imposed on students enrolled at each Participant (excepting, with respect to each series or issue of Parity Obligations, any student in a category which, at the time of adoption of a resolution relating to such Parity Obligations, is exempt by law or by the Board from paying such tuition charges). Each student (excluding those exempt from payment as provided above), enrolled at each Participant, respectively, at each regular fall and spring semester and at each term of each summer session, shall pay tuition charges in such amounts, without any limitation whatsoever, as will be sufficient at all times, together with other legally available funds, including other Pledged Revenues, to provide the money to make or pay the principal of, interest on, and other payments or deposits with respect to Outstanding Parity Obligations when and as required. All changes in the tuition charged students at each Participant shall be made by resolution of the Board, but such procedure shall not constitute or be regarded as an amendment of this Resolution, but merely the carrying out of the provisions and requirements hereof.

(c) *Student Center Fees.* Subject to the provisions of the resolution authorizing the Series 2004 Bonds, the Board covenants and agrees to fix, levy, charge and collect student center fees required or authorized by law to be imposed on students pursuant to Section 54.520 of the Texas Education Code for the purpose of paying debt service on the Series 2004 Bonds; provided however, that such student center fees shall be used only for the purpose of acquiring, constructing, renovating, operating, maintaining, improving, equipping and financing a university center or additions to the center. All references to Series 2004 Bonds in this subsection shall include any applicable Parity Obligations issued to refund such Series 2004 Bonds.

(d) *Student Recreational Sport Fees.* Subject to the provisions of the resolution authorizing the Series 2005A Bonds, the Board covenants and agrees to fix, levy, charge and collect student recreational sport fees required or authorized by law to be imposed on students pursuant to Section 54.5201 of the Texas Education Code for the purpose of paying debt service on the Series 2005A Bonds; provided however, that such student recreational sport fees shall be used only to purchase equipment for and to construct, operate and maintain recreational sports facilities and programs. All references to Series 2005A Bonds in this subsection shall include any applicable Parity Obligations issued to refund such Series 2005A Bonds.
(e) **Anticipated Deficit.** If the Board determines, for any reason whatsoever, that there are not anticipated to be legally available funds, including Pledged Revenues, sufficient to meet all financial obligations of the Board relating to the Financing System including the deposits and payments due on or with respect to Outstanding Parity Obligations as the same mature or come due, or that any Participant in the Financing System will be unable to pay its Annual Direct Obligation in full, then the Board shall fix, levy, charge, and collect such rentals, rates, fees, tuition, or other charges at each Participant in the Financing System with enrolled students, effective at the next succeeding regular semester or semesters or summer term or terms, in such amounts, without any limitation whatsoever (other than as provided in subsection (f) below), as will be at least sufficient to provide, together with other legally available funds, including Pledged Revenues, the money for making when due all financial obligations of the Board relating to the Financing System including all payments and deposits due on or with respect to Outstanding Parity Obligations when and as required by this Resolution.

(f) **Economic Effect of Adjustments.** Any adjustments in the rate or manner of charging for any rentals, rates, fees, tuition, or other charges included in Pledged Revenues at any Participant in the Financing System resulting from an event described in subsection (e) above will be based upon a certificate and recommendation of the Designated Financial Officer, delivered to the Board, as to the rates and anticipated collection of the Pledged Revenues at each Participant in the Financing System (after taking into account the anticipated effect the proposed adjustments in such rentals, rates, fees, tuition, or other charges would have on enrollment and the receipt of Pledged Revenues and other funds at each Participant in the Financing System) which will be anticipated to result in (i) Pledged Revenues attributable to each Participant being sufficient (to the extent possible) to satisfy the Annual Obligation of such Participant and (ii) Pledged Revenues being sufficient, together with other legally available funds, to meet all financial obligations of the Board relating to the Financing System including all deposits and payments due on or with respect to (A) the Prior Encumbered Obligations and (B) all Outstanding Parity Obligations, when and as required by this Resolution.

(g) **Annual Obligation.** If, in the judgment of the Board, any Participant in the Financing System has been or will be unable to satisfy its Annual Obligation, the Board shall fix, levy, charge, and collect rentals, rates, fees, and charges for goods and services furnished by such Participant and, with respect to Participants with enrolled students, tuition, effective at the next succeeding regular semester or semesters or summer term or terms, in amounts sufficient, without limit (subject to the provisions of (c) and (d) above, respectively), together with other legally available funds, including other Pledged Revenues attributable thereto, to enable it to make its Annual Obligation payments.

(h) **Additional Participants.** The Board hereby agrees to apply the covenants hereinabove made to any institution, branch or entity hereinafter placed under the control and governance of the Board and added as a Participant in the Financing System in accordance with the provisions of Section 7 hereof.
Section 4. GENERAL COVENANTS. The Board further represents, covenants, and agrees that while any Parity Obligations or interest thereon is Outstanding:

(a) **Payment of Parity Obligations.** On or before each payment date it shall make available to the Paying Agent for such Parity Obligations or to such other party as required by the resolution authorizing the sale of such Parity Obligations, money sufficient to pay the interest on, principal of, and premium, if any, on the Parity Obligations as will accrue or otherwise come due or mature, or be subject to mandatory redemption prior to maturity, on such date and the fees and expenses related to the Parity Obligations, including the fees and expenses of the Paying Agent and any Registrar, trustee, remarketing agent, tender agent, or Credit Provider.

(b) **Performance.** It will faithfully perform at all times any and all covenants, undertakings, stipulations, and provisions contained in this Resolution, and in each and every Parity Obligation or evidence thereof.

(c) **Redemption.** It will duly cause to be called for redemption prior to maturity, and will cause to be redeemed prior to maturity, all Parity Obligations which by their terms are mandatorily required to be redeemed prior to maturity, when and as so required.

(d) **Lawful Title.** It lawfully owns, has title to, or is lawfully possessed of the lands, buildings, and facilities now constituting the University, and it will defend said title and title to any lands, buildings, and facilities which may hereafter become part of the Financing System, for the benefit of the owners of Parity Obligations against the claims and demands of all persons whomsoever.

(e) **Lawful Authority.** It is lawfully qualified to pledge the Pledged Revenues herein pledged in the manner prescribed herein and has lawfully exercised such right.

(f) **Preservation of Lien.** Subject to the conditions set forth in Sections 5, 6, and 7 of this Resolution, it will not do or suffer any act or thing whereby the Financing System might or could be impaired, and that it will at all times maintain, preserve, and keep the real and tangible property of the Financing System and every part thereof in good condition, repair, and working order and operate, maintain, preserve, and keep the facilities, buildings, structures, and equipment pertaining thereto in good condition, repair, and working order.

(g) **No Additional Encumbrance.** It shall not incur additional Debt secured by the Pledged Revenues in any manner, except as permitted by this Resolution in connection with Parity Obligations, unless said Debt is made junior and subordinate in all respects to the liens, pledges, covenants, and agreements of this Resolution. Notwithstanding anything to the contrary contained herein, and in addition to the right hereunder to refund the Prior Encumbered Obligations with Parity Obligations, the Board reserves the right to issue obligations to refund any Prior Encumbered Obligations and to secure the refunding obligations with the same source or sources securing the Prior Encumbered Obligations being refunded. Upon the defeasance of the refunded Prior Encumbered Obligations, the refunding obligations will be Prior Encumbered Obligations (unless the refunding obligations are made Parity Obligations in accordance with the
terms of this Resolution and the resolution authorizing their issuance) under this Resolution for all purposes.

(h) **Investments and Security.** It will invest and secure money in all accounts and funds established pursuant to this Resolution in the manner prescribed by law for such funds, including, but not by way of limitation, the Public Funds Investment Act (Chapter 2256, Texas Government Code), Chapter 163, Texas Property Code, and Section 51.0031, Texas Education Code, and in accordance with written policies adopted by the Board.

(i) **Records.** It will keep proper books of record and account in which full, true, and correct entries will be made of all dealings, activities, and transactions relating to the University. Each year while Parity Obligations are Outstanding, the Board will cause to be prepared from such books of record and account an annual financial report of the University and shall furnish such report to the principal municipal bond rating agencies and to any owner of Parity Obligations who shall request same. In addition, the Board shall submit such financial report and other information required by law for examination in connection with financial compliance and other audits required to be conducted by the office of the Auditor of the State of Texas.

(j) **Inspection of Books.** It will permit any owner or owners of twenty-five percent (25%) or more of the then Outstanding Principal Amount at all reasonable times to inspect all records, accounts, and data of the Board relating to the University and the Financing System.

(k) **Annual and Direct Obligations.** In establishing the annual budget for each Participant in the Financing System, it shall provide for the satisfaction by each Participant in the Financing System of its Annual Obligation. The Direct Obligation shall represent the financial responsibility of each Participant in the Financing System with respect to Outstanding Parity Obligations. Each such Participant's Direct Obligation and Annual Obligation shall be evidenced by a financing agreement between the Board and each Participant.

(l) **Determination of Outstanding Parity Obligations.** For all purposes of this Resolution, the judgment of the chief financial officer of the University, presently the Vice President for Finance and Administration, shall be deemed final in the determination of which obligations of the Board constitute Parity Obligations; provided, however, such judgment is subject to confirmation by the Auditor of the State of Texas in connection with the annual audit of the records of the University.

(m) **Execution of Credit Agreements.** (i) Should the Board determine that it is in the best interests of the University to obtain a Credit Agreement to enhance the security for or provide for the payment, redemption or remarketing of Parity Obligations, the Board, upon approval of the Attorney General, may from time to time and at any time execute and deliver a Credit Agreement to which the Pledged Revenues are to be pledged. Prior to the Board adopting any resolution authorizing the execution and delivery of any such Credit Agreement, it shall receive from the University an Officer's Certificate to the effect that (i) the Board has determined that the Participant for whom the Credit Agreement is to be executed and delivered possesses the financial capability to satisfy its Direct Obligation after taking into account the payment
obligations under the proposed Credit Agreement, and (ii) to the best of his or her knowledge, the Board is in compliance with all covenants contained in this Resolution and any resolution adopted authorizing the issuance of Parity Obligations, and is not in default in the performance and observance of any of the terms, provisions, and conditions hereof or thereof.

(ii) The lien on and pledge of Pledged Revenues to pay the cost of any such credit agreement may be on a parity with, but not superior to, the lien on and pledge of the Pledged Revenues securing the Parity Obligations.

Section 5. ISSUANCE OF ADDITIONAL OBLIGATIONS. (a) Parity Obligations. The Board reserves and shall have the right and power to issue or incur, Parity Obligations for any purpose authorized by law pursuant to the provisions of this Resolution and the applicable laws of the State of Texas governing the issuance of bonds for the benefit of each Participant (currently the University) in the Financing System. The Board may incur, assume, guarantee, or otherwise become liable in respect of any Parity Obligations if the Board shall have determined that it will have sufficient funds to meet the financial obligations of each Participant (currently the University) in the Financing System, including sufficient Pledged Revenues to satisfy the Annual Debt Service Requirements of the Financing System and to meet all financial obligations of the Board relating to the Financing System. In addition, the Board shall not issue or incur Parity Obligations unless (i) the Board shall determine that the Participant for whom the Parity Obligations are being issued or incurred possesses the financial capability to satisfy its Direct Obligation after taking into account the then proposed Parity Obligations, and (ii) a Designated Financial Officer shall deliver to the Board a certificate stating that, to the best of his or her knowledge, the Board is in compliance with all covenants contained in this Resolution and any resolution adopted authorizing the issuance of Parity Obligations, and is not in default in the performance and observance of any of the terms, provisions, and conditions hereof or thereof.

(b) Non-Recourse Debt and Subordinated Debt. Non-Recourse Debt and Subordinated Debt may be incurred by the Board without limitation, subject to the applicable laws of the State of Texas.

Section 6. DISPOSITION OF ASSETS ATTRIBUTABLE TO FINANCING SYSTEM PARTICIPANTS. The Board may convey, sell, or otherwise dispose of any properties of each Participant (currently the University) in the Financing System provided:

(a) Ordinary Course. Such conveyance, sale, or disposition shall be in the ordinary course of business of such Participant which uses, operates, owns, or is otherwise responsible for such properties; or

(b) Disposition Upon Board Determination. The Board shall determine that after the conveyance, sale, or other disposition of such properties, the Board shall have sufficient funds during each Fiscal Year during which Parity Obligations are to be Outstanding to meet the financial obligations of each Participant in the Financing System, including sufficient Pledged Revenues to satisfy the Annual Debt Service Requirements of the Financing System and to meet all financial obligations of the Board relating to the Financing System.
Section 7. COMBINATION, DIVISION, RELEASE AND ADMISSION OF NEW INSTITUTIONS UNDER THE FINANCING SYSTEM. (a) Combination and Division. Notwithstanding anything to the contrary contained herein, it is recognized that certain institutions which may become Participants in the Financing System may be combined or divided and that so long as such combined or divided institutions continue to be governed by the Board such action shall not be in violation of the provisions of this Resolution or require any amendments of the provisions hereof.

(b) Release. Subject to the conditions set forth below, any Participant in the Financing System or portion thereof may be closed and abandoned by law or may be removed from the Financing System (thus deleting the revenues, income, funds and balances attributable to said Participant or portion thereof from Pledged Revenues) without violating the terms of this Resolution provided:

1. the Board approves and delivers an Officers' Certificate to the effect that, to the knowledge thereof, after the release of such Participant or portion thereof, the Board will have sufficient funds during each Fiscal Year in which Parity Obligations shall thereafter be Outstanding to meet the financial obligations of the Board, including sufficient Pledged Revenues to satisfy the Annual Debt Service Requirements of the Financing System and to meet all financial obligations of the Board relating to the Financing System; and

2. the Board receives an Opinion of Counsel which shall state that such release will not affect the status for federal income tax purposes of interest on any Outstanding Parity Obligations and that all conditions precedent provided in this Resolution or any resolution hereafter adopted governing the issuance of Parity Obligations relating to such release have been complied with; and

3. (A) if the Participant or portion thereof to be released from the Financing System is to remain under the governance and control of the Board, the Board must either (i) provide, from lawfully available funds, including Pledged Revenues attributable to said withdrawing Participant, for the payment or discharge of said Participant's Direct Obligation or (ii) pledge to the payment of Parity Obligation, additional resources not then pledged in an amount sufficient to satisfy such withdrawing Participant's Direct Obligation; or

(B) if the Participant or portion thereof to be released from the Financing System is to no longer be under the governance and control of the Board and remains in operation independent of the Board, the Board must enter into a binding obligation with the new governing body of the withdrawing institution or the portion thereof being withdrawn, obligating said governing body to make payments to the Board at the times and in the amounts equal to said Participant's Annual Obligation or to pay or discharge said Participant's Direct Obligation, or, in the case of a portion of a Participant being
withdrawn, the proportion of the Participant's Annual Obligation or Direct Obligation, as the case may be, attributable to the withdrawing portion of the Participant.

(c) If, after the date of the adoption of this Resolution, the Board desires for an institution or agency governed by the Board to become a Participant of the Financing System, or if the Board is required by law to assume the governance of an institution or agency, it may include said institution or agency in the Financing System with the effect set forth in this Resolution by the adoption of a resolution amending this Resolution.

Section 8. WAIVER OF CERTAIN COVENANTS. The Board may omit in any particular instance to comply with any covenant or condition set forth in Sections 3 through 7 hereof if before or after the time for such compliance the Owners of the same percentage in principal amount of all Parity Obligations then Outstanding, the consent of which would be required to amend the provisions hereof to permit such noncompliance, shall either waive such compliance in such instance or generally waive compliance with such covenant or condition, but no such waiver shall extend to or affect such covenant or condition except to the extent so expressly waived and, until such waiver shall become effective, the obligations of the Board and the duties of the Board in respect to any such covenant or condition shall remain in full force and effect.

Section 9. AMOUNT, PURPOSE, AND DESIGNATION OF THE BONDS. (a) Amount and Designation. The Board's bonds each entitled "BOARD OF REGENTS OF STEPHEN F. AUSTIN STATE UNIVERSITY REVENUE FINANCING SYSTEM REVENUE BOND, SERIES 2014" are hereby authorized to be issued in one series and delivered in an aggregate principal amount of $12,000,000.

(b) Purpose. The Bond is to be issued for the following purposes: (i) ACQUIRING, PURCHASING, CONSTRUCTING, IMPROVING, RENOVATING, ENLARGING, OR EQUIPPING UNIVERSITY PROPERTY, BUILDINGS, STRUCTURES, FACILITIES, ROADS, OR RELATED INFRASTRUCTURE AND (ii) PAYING THE COSTS OF ISSUANCE OF THE BONDS.

Section 10. DATE, DENOMINATIONS, NUMBERS, MATURITY AND TERMS OF BOND. (a) Terms of the Bond. The Bond shall initially be issued, sold, and delivered hereunder as one fully registered bond, without interest coupons, numbered R-1, payable in annual installments to the respective initial registered owners thereof, or to the registered assignee or assignees of said bonds or any portion or portions thereof (in each case, the "Registered Owner"), in the denomination of $5,000 or any integral multiple thereof (an "Authorized Denomination"), maturing on the dates, in the years and in the principal amounts, respectively, as provided in Section 11, all as set forth herein.

(b) Sale of the Bond. The Bond is hereby officially sold and awarded to ____________________(the "Owner"), in accordance with the terms and provisions of that certain Letter of Investment relating to the Bond between the University and the Owner and dated the date of the passage of this Resolution. The form and content of such Letter of
Investment are hereby approved, and the Designated Financial Officer is hereby authorized and
directed to execute and deliver such Letter of Investment. It is hereby officially found,
determined and declared that the terms of this sale are the most advantageous reasonably
obtainable. The Bond shall initially be registered in the name of the Owner or its designee.

All officers of the University are authorized to take such actions and to execute such
documents, certificates and receipts as they may deem necessary and appropriate in order to
consummate the delivery of the Bond.

The obligation of the Owner to accept delivery of the Bond is subject to the Owner being
furnished with the final, approving opinion of McCall, Parkhurst & Horton L.L.P., Bond Counsel
for the University, which opinion shall be dated as of and delivered on the Closing Date.

(c) **In General.** The Bond (i) may and shall be redeemed prior to the respective
scheduled maturity date, (ii) may be assigned and transferred, (iii) may be exchanged for other
Bonds, (iv) shall have the characteristics, (v) shall be Tax-Exempt Bonds, and (vi) shall be
signed and sealed, and the principal of and interest on the Bond shall be payable, all as provided,
and in the manner required or indicated, in the FORM OF BOND set forth in Exhibit "B" to this
Resolution as provided herein.

**Section 11. INTEREST.** The Bond shall bear interest, calculated on the basis of a
360-day year composed of twelve 30-day months, from their date, until maturity or redemption,
at the rate of ____%. Interest shall be payable to the registered owner of the Bond in the
manner provided and on the dates stated in the FORM OF BOND set forth in this Resolution.

**Section 12. REGISTRATION, TRANSFER, AND EXCHANGE; AUTHENTICATION; BOOK-ENTRY-ONLY SYSTEM.** (a) **Paying Agent/Registrar.** So
long as the Bond remains outstanding, the University shall cause the Paying Agent/Registrar to
keep at the Designated Payment/Transfer Office a register (the “Register”) in which, subject to
such reasonable regulations as it may prescribe, the Paying Agent/Registrar shall provide for the
registration and transfer of Bonds in accordance with this Order. The Paying Agent/Registrar is
__________________.

(b) **Registration Books.** The Board shall keep or cause to be kept at the corporate
trust office of the Paying Agent/Registrar designated in the Paying Agent/Registrar Agreement
(the "Designated Trust Office") books or records for the registration of the transfer, exchange,
and replacement of the Bonds (the "Registration Books"), and the Paying Agent/Registrar is
hereby appointed to serve as registrar and transfer agent to keep such books or records and make
such registrations of transfers, exchanges, and replacements under such reasonable regulations as
the Board and Paying Agent/Registrar may prescribe; and the Paying Agent/Registrar shall make
such registrations, transfers, exchanges, and replacements as herein provided. The Paying
Agent/Registrar shall obtain and record in the Registration Books the address of the registered
owner of each Bond to which payments with respect to the Bonds shall be mailed, as herein
provided; but it shall be the duty of each registered owner to notify the Paying Agent/Registrar in
writing of the address to which payments shall be mailed, and such interest payments shall not be
mailed unless such notice has been given. The Board shall have the right to inspect the Registration Books at the Designated Trust Office of the Paying Agent/Registrar during regular business hours, but otherwise the Paying Agent/Registrar shall keep the Registration Books confidential and, unless otherwise required by law, shall not permit their inspection by any other entity.

(c) **Ownership of Bonds.** The entity in whose name the Bond shall be registered in the Registration Books at any time shall be deemed and treated as the absolute owner thereof for all purposes of this Resolution, whether such Bond shall be overdue, and, to the extent permitted by law, the Board and the Paying Agent/Registrar shall not be affected by any notice to the contrary; and payment of, or on account of, the principal of, premium, if any, and interest on any such Bond shall be made only to such registered owner. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid.

(d) **Payment of Bonds and Interest.** The Paying Agent/Registrar shall further act as the paying agent for paying the principal of, premium, if any, and interest on the Bond, all as provided in this Resolution. The Paying Agent/Registrar shall keep proper records of all payments made by the University and the Paying Agent/Registrar with respect to the Bond.

(e) **Authentication.** The Bond initially issued and delivered pursuant to this Resolution shall be authenticated by the Paying Agent/Registrar by execution of the Paying Agent/Registrar's Authentication Certificate unless they have been approved by the Attorney General of the State of Texas and registered by the Comptroller of Public Accounts of the State of Texas, and on each substitute Bond issued in exchange for any Bond or Bonds issued under this Resolution the Paying Agent/Registrar shall execute the PAYING AGENT/REGISTRAR'S AUTHENTICATION CERTIFICATE (the "Authentication Certificate"). The Authentication Certificate shall be in the form set forth in the FORM OF BONDS.

(f) **Transfer, Exchange, or Replacement.** Each Bond issued and delivered pursuant to this Resolution, to the extent of the unpaid or unredeemed principal amount thereof, may, upon surrender of such Bond at the Designated Trust Office of the Paying Agent/Registrar, together with a written request therefor duly executed by the registered owner or the assignee or assignees thereof, or its or their duly authorized attorneys or representatives, with guarantee of signatures satisfactory to the Paying Agent/Registrar, may, at the option of the registered owner or such assignee or assignees, as appropriate, be exchanged for fully registered bonds, without interest coupons, in the appropriate form prescribed in the FORM OF BOND set forth in this Resolution, in any Authorized Denomination (subject to the requirement hereinafter stated that each substitute Bond shall be of the same series and have a single stated maturity date), as requested in writing by such registered owner or such assignee or assignees, in an aggregate principal amount equal to the unpaid or unredeemed principal amount of any Bond or Bonds so surrendered, and payable to the appropriate registered owner, assignee, or assignees, as the case may be. If a portion of any Bond shall be redeemed prior to its scheduled maturity as provided herein, a substitute Bond or Bonds having the same series designation and maturity date, bearing interest at the same rate, and payable in the same manner, in Authorized Denominations at the
request of the registered owner, and in an aggregate principal amount equal to the unredeemed portion thereof, will be issued to the registered owner upon surrender thereof for cancellation. If any Bond or portion thereof is assigned and transferred, each Bond issued in exchange therefor shall have the same series designation and maturity date and bear interest at the same rate and payable in the same manner as the Bond for which it is being exchanged. Each substitute Bond shall bear a letter and/or number to distinguish it from each other Bond. The Paying Agent/Registrar shall exchange or replace Bonds as provided herein, and each fully registered bond delivered in exchange for or replacement of any Bond or portion thereof as permitted or required by any provision of this Resolution shall constitute one of the Bonds for all purposes of this Resolution, and may again be exchanged or replaced. On each substitute Bond issued in exchange for or replacement of any Bond or Bonds issued under this Resolution there shall be printed an Authentication Certificate, in the form set forth in the FORM OF BONDS set forth in Exhibit "B" to this Resolution. An authorized representative of the Paying Agent/Registrar shall, before the delivery of any such Bond, date and manually sign the Authentication Certificate, and, except as provided in subsection (e) above, no such Bond shall be deemed to be issued or outstanding unless the Authentication Certificate is so executed. The Paying Agent/Registrar promptly shall cancel all Bonds surrendered for transfer, exchange, or replacement. No additional orders or resolutions need be passed or adopted by the Board or any other body or person so as to accomplish the foregoing transfer, exchange, or replacement of any Bond or portion thereof, and the Paying Agent/Registrar shall provide for the printing, execution, and delivery of the substitute Bonds in the manner prescribed herein, and said Bonds shall be in typed or printed form as determined by the Designated Financial Officer. Pursuant to Chapter 1206, Texas Government Code, the duty of transfer, exchange, or replacement of Bonds as aforesaid is hereby imposed upon the Paying Agent/Registrar, and, upon the execution of the Authentication Certificate, the exchanged or replaced Bond shall be valid, incontestable, and enforceable in the same manner and with the same effect as the Bond which was originally issued pursuant to this Resolution. The Board shall pay the Paying Agent/Registrar's standard or customary fees and charges, if any, for transferring, and exchanging any Bond or any portion thereof, but the one requesting any such transfer and exchange shall pay any taxes or governmental charges required to be paid with respect thereto as a condition precedent to the exercise of such privilege. The Paying Agent/Registrar shall not be required to make any such transfer, exchange, or replacement of Bonds or any portion thereof (i) during the period commencing with the close of business on any Record Date and ending with the opening of business on the next following interest payment date, or, (ii) with respect to any Bond or portion thereof called for redemption prior to maturity, within 45 days prior to its redemption date. To the extent possible, any new Bond issued in an exchange, replacement, or transfer of a Bond will be delivered to the registered owner or assignee of the registered owner not more than three business days after the receipt of the Bond to be cancelled and the written request as described above.

(g) **Substitute Paying Agent/Registrar.** The Board covenants with the registered owner of the Bond that at all times while the Bond is outstanding the Board will provide a competent and legally qualified bank, trust company, financial institution, or other agency to act as and perform the services of Paying Agent/Registrar for the Bond under this Resolution, and that the Paying Agent/Registrar will be one entity. The Board reserves the right to, and may, at
its option, change the Paying Agent/Registrar upon not less than 120 days written notice to the Paying Agent/Registrar, to be effective not later than 60 days prior to the next principal or interest payment date after such notice. In the event that the entity at any time acting as Paying Agent/Registrar (or its successor by merger, acquisition, or other method) should resign or otherwise cease to act as such, the Board covenants that promptly it will appoint a competent and legally qualified bank, trust company, financial institution, or other agency to act as Paying Agent/Registrar under this Resolution. Upon any change in the Paying Agent/Registrar, the previous Paying Agent/Registrar promptly shall transfer and deliver the Registration Books (or a copy thereof), along with all other pertinent books and records relating to the Bond, to the new Paying Agent/Registrar designated and appointed by the Board. Upon any change in the Paying Agent/Registrar, the Board promptly will cause a written notice thereof to be sent by the new Paying Agent/Registrar to each registered owner of the Bond, by United States mail, first-class postage prepaid, which notice also shall give the address of the new Paying Agent/Registrar. By accepting the position and performing as such, each Paying Agent/Registrar shall be deemed to have agreed to the provisions of this Resolution, and a certified copy of this Resolution shall be delivered to each Paying Agent/Registrar.

(h) Notice of Redemption. In addition to the method of providing a notice of redemption set forth in the FORM OF BOND, the Paying Agent/Registrar shall give notice of redemption of the Bond by United States mail, first-class postage prepaid, at least thirty (30) days prior to a redemption date to each registered securities depository and to any national information service that disseminates redemption notices. In addition, in the event of a redemption caused by an advance refunding of the Bond, the Paying Agent/Registrar shall send a second notice of redemption to the persons specified in the immediately preceding sentence at least thirty (30) days but not more than ninety (90) days prior to the actual redemption date. Any notice sent to the registered securities depositories or such national information services shall be sent so that they are received at least two (2) days prior to the general mailing or publication date of such notice. The Paying Agent/Registrar shall also send a notice of prepayment or redemption to the registered owner of any Bond who has not sent the Bond in for redemption sixty (60) days after the redemption date.

Each notice of redemption, whether required in the FORM OF BOND or in this Section, shall contain a description of the Bond to be redeemed including the complete name of the Bond, the Series, the date of issue, the interest rate, the maturity date, a reference to the principal amounts of each annual installment called for redemption, the publication and mailing date for the notice, the date of redemption, the redemption price, the name of the Paying Agent/Registrar and the address at which the Bond may be redeemed, including a contact person and telephone number.

Section 13. FORM OF BOND. The form of the Bond, including the form of the Authentication Certificate, the form of Assignment, and the form of Registration Certificate of the Comptroller of Public Accounts of the State of Texas, with respect to the Bond initially issued and delivered to the Owner pursuant to this Resolution, shall be, respectively, substantially as set forth in Exhibit "B", with such appropriate variations, omissions, or insertions as are permitted or required by this Resolution.
Section 14.  INDIVIDUALS NOT LIABLE.  All covenants, stipulations, obligations, and agreements of the Board contained in this Resolution shall be deemed to be covenants, stipulations, obligations, and agreements of the Financing System and the Board to the full extent authorized or permitted by the Constitution and laws of the State of Texas.  No covenant, stipulation, obligation, or agreement herein contained shall be deemed to be a covenant, stipulation, obligation, or agreement of any member of the Board or agent or employee of the Board in the individual capacity thereof and neither the respective members of the Board, nor any officer thereof or of any participant shall be liable personally on Parity Obligations when issued, or be subject to any personal liability or accountability by reason of the issuance thereof.

Section 15.  SECURITY FOR THE BONDS.  The Bond is a special obligation of the Board payable from and secured solely by the Pledged Revenues pursuant to this Resolution.  The Pledged Revenues are hereby pledged, subject to the liens securing the Prior Encumbered Obligations, to the payment of the principal of, premium, if any, and interest on the Bond as the same shall become due and payable.  The Board agrees to pay the principal of, premium, if any, and the interest on the Bond when due, whether by reason of maturity or redemption.

Section 16.  PAYMENTS.  Immediately after the delivery of the Bond, the Board shall deposit any accrued interest received from the sale and delivery of the Bond to the credit of a special account to be held to pay interest on such Bond on the first interest payment date, to be held to pay interest on such Bond.

Section 17.  DAMAGED, MUTILATED, LOST, STOLEN, OR DESTROYED BONDS.  (a) Replacement Bonds.  In the event any outstanding Bond is damaged, mutilated, lost, stolen, or destroyed, the Paying Agent/Registrar shall cause to be printed, executed, and delivered, a new bond of the same Series, principal amount, maturity, and interest rate, and in the same form, as the damaged, mutilated, lost, stolen, or destroyed Bond, in replacement for such Bond in the manner hereinafter provided.

(b) Application for Replacement Bonds.  Application for replacement of damaged, mutilated, lost, stolen, or destroyed Bonds shall be made to the Paying Agent/Registrar.  In every case of loss, theft, or destruction of a Bond, the applicant for a replacement bond shall furnish to the Board and the Paying Agent/Registrar such security or indemnity as may be required by them to save each of them harmless from any loss or damage with respect thereto.  Also, in every case of loss, theft, or destruction of a Bond, the applicant shall furnish to the Board and the Paying Agent/Registrar evidence to their satisfaction of the loss, theft, or destruction of such Bond, as the case may be.  In every case of damage or mutilation of a Bond, the applicant shall surrender to the Paying Agent/Registrar for cancellation the Bond so damaged or mutilated.

(c) Payment in Lieu of Replacement.  Notwithstanding the foregoing provisions of this Section, in the event any such Bond shall have matured, and no default has occurred which is then continuing in the payment of the principal of, redemption premium, if any, or interest on the Bond, the Board, may authorize the payment of the same (without surrender thereof except in
the case of a damaged or mutilated Bond) instead of issuing a replacement Bond, provided security or indemnity is furnished as above provided in this Section.

(d) **Charge for Issuing Replacement Bonds.** Prior to the issuance of any replacement bond, the Paying Agent/Registrar shall charge the owner of such Bond with all legal, printing, and other expenses in connection therewith. Every replacement bond issued pursuant to the provisions of this Section by virtue of the fact that any Bond is lost, stolen, or destroyed shall constitute a contractual obligation of the Board whether or not the lost, stolen, or destroyed Bond shall be found at any time, or be enforceable by anyone, and shall be entitled to all the benefits of this Resolution equally and proportionately with any and all other Bonds duly issued under this Resolution.

(e) **Authority for Issuing Replacement Bonds.** In accordance with Chapter 1206, Texas Government Code, this Section shall constitute authority for the issuance of any such replacement bond without the necessity of further action by the Board or any other body or person, and the duty of the replacement of such Bonds is hereby authorized and imposed upon the Paying Agent/Registrar, and the Paying Agent/Registrar shall authenticate and deliver such Bonds in the form and manner and with the effect, as provided in Section 12(f) of this Resolution for Bonds issued in exchange and replacement for other Bonds.

Section 18. **REMEDIES.** Any owner of Parity Obligations in the event of default in connection with any covenant contained herein or in any resolution adopted hereafter authorizing the issuance of Parity Obligations, or default in the payment of said obligations, or of any interest due thereon, or other costs and expenses related thereto, may require the Board, their respective officials and employees, and any appropriate official of the State of Texas, to carry out, respect, or enforce the covenants and obligations of this Resolution by all legal and equitable means, including specifically, but without limitation, the use and filing of mandamus proceedings in any court of competent jurisdiction against the Board, their respective officials and employees, or any appropriate official of the State of Texas.

Section 19. **DEFEASANCE OF OBLIGATIONS.** (a) Any Bond and the interest thereon shall be deemed to be paid, retired and no longer Outstanding (a "Defeased Bond") within the meaning of this Resolution, except to the extent provided in subsections (c) and (e) of this Section, when payment of the principal of such Bond, plus interest thereon to the due date or dates (whether such due date or dates be by reason of maturity, upon redemption, or otherwise) either (i) shall have been made or caused to be made in accordance with the terms thereof (including the giving of any required notice of redemption) or (ii) shall have been provided for on or before such due date by irrevocably depositing with or making available to the Paying Agent/Registrar or any other eligible bank or trust company then authorized by State law for such payment (1) lawful money of the United States of America sufficient to make such payment, (2) Defeasance Securities, certified by an independent public accounting firm of national reputation to mature as to principal and interest in such amounts and at such times as will ensure the availability, without reinvestment, of sufficient money to provide for such payment and when proper arrangements have been made by the Board with the Paying Agent/Registrar for the payment of its services until all Defeased Bonds shall have become due.
and payable or (3) any combination of (1) and (2). At such time as a Bond shall be deemed to be a Defeased Bond hereunder, as aforesaid, such Bond and the interest thereon shall no longer be secured by, payable from, or entitled to the benefits of, the revenues herein pledged as provided in this Resolution, and such principal and interest shall be payable solely from such money or Defeasance Securities.

(b) The deposit under clause (ii) of subsection (a) shall be deemed a payment of a Bond as aforesaid when proper notice of redemption of such Bonds shall have been given, in accordance with this Resolution. Any money so deposited with the Paying Agent/Registrar or other eligible institution as provided in this Section may at the written discretion of the Board also be invested in Defeasance Securities, maturing in the amounts and at the times as hereinbefore set forth, and all income from all Defeasance Securities in possession of the Paying Agent/Registrar or other eligible institution pursuant to this Section which is not required for the payment of such Bond and premium, if any, and interest thereon with respect to which such money has been so deposited, shall be turned over to the Board.

(c) Notwithstanding any provision of any other Section of this Resolution which may be contrary to the provisions of this Section, all money or Defeasance Securities set aside and held in trust pursuant to the provisions of this Section for the payment of principal of the Bond and premium, if any, and interest thereon, shall be applied to and used solely for the payment of the particular Bond and premium, if any, and interest thereon, with respect to which such money or Defeasance Securities have been so set aside in trust. Until all Defeased Bonds shall have become due and payable, the Paying Agent/Registrar shall perform the services of Paying Agent/Registrar for such Defeased Bonds the same as if they had not been defeased, and the Board shall make proper arrangements to provide and pay for such services as required by this Resolution.

(d) Notwithstanding anything elsewhere in this Resolution, if money or Defeasance Securities have been deposited or set aside with the Paying Agent/Registrar or other eligible institution pursuant to this Section for the payment of the Bond and such Bond shall not have in fact been actually paid in full, no amendment of the provisions of this Section shall be made without the consent of the registered owner of each Bond affected thereby.

(e) Notwithstanding the provisions of subsection (a) immediately above, to the extent that, upon the defeasance of any Defeased Bond to be paid at its maturity, the Board retains the right under Texas law to later call that Defeased Bond for redemption in accordance with the provisions of this Resolution, the Board may call such Defeased Bond for redemption upon complying with the provisions of Texas law and upon the satisfaction of the provisions of subsection (a) immediately above with respect to such Defeased Bond as though it was being defeased at the time of the exercise of the option to redeem the Defeased Bond and the effect of the redemption is taken into account in determining the sufficiency of the provisions made for the payment of the Defeased Bond.
In the event that the Board elects to defease less than all of the principal amount of the Bond of an annual installment, the Paying Agent/Registrar shall select, or cause to be selected, such amount of Bonds by such random method as it deems fair and appropriate.

Section 20. AMENDMENT OF RESOLUTION. (a) Amendment Without Consent. This Resolution and the rights and obligations of the Board and of the owners of the Outstanding Parity Obligations may be modified or amended at any time without notice to or the consent of any owner of the Outstanding Parity Obligations, solely for any one or more of the following purposes:

(i) To add to the covenants and agreements of the Board contained in this Resolution, other covenants and agreements thereafter to be observed, or to surrender any right or power reserved to or conferred upon the Board in this Resolution;

(ii) To cure any ambiguity or inconsistency, or to cure or correct any defective provisions contained in this Resolution, upon receipt by the Board of an opinion of Bond Counsel, that the same is needed for such purpose, and will more clearly express the intent of this Resolution;

(iii) To supplement the security for the Parity Obligations, including, but not by way of limitation, to provide for the addition of new institutions and agencies to the Financing System or to clarify the provisions regarding the University as a Participant in the Financing System; provided, however, if the definition of Pledged Revenues is amended in any manner which results in the pledge of additional resources, the terms of such amendment may limit the amount of such additional pledge and the manner, extent, and duration of such additional pledge all as set forth in such amendment;

(iv) To make any changes or amendments requested by any bond rating agency then rating or requested to rate Parity Obligations, as a condition to the issuance or maintenance of a rating, which changes or amendments do not, in the judgment of the Board, materially adversely affect the interests of the owners of the Outstanding Parity Obligations;

(v) To make such changes, modifications or amendments as may be necessary or desirable, which shall not adversely affect the interests of the owners of the Outstanding Parity Obligations, in order, to the extent permitted by law, to facilitate the economic and practical utilization of Credit Agreements with respect to the Parity Obligations;

(vi) To make such other changes in the provisions hereof as the Board may deem necessary or desirable and which shall not, in the judgment of the Board, materially adversely affect the interests of the owners of Outstanding Parity Obligations; or

(vii) To make such changes or amendments as contemplated by Section 24(c) of this Resolution in order to comply with the Rule.
Notice of any such amendment may be published by the Board in the manner described in subsection (c) of this Section; provided, however, that the publication of such notice shall not constitute a condition precedent to the adoption of such amendatory resolution and the failure to publish such notice shall not adversely affect the implementation of such amendment as adopted pursuant to such amendatory resolution.

(b) Amendments With Consent. Subject to the other provisions of this Resolution, the owners of Outstanding Parity Obligations aggregating a majority in Outstanding Principal Amount shall have the right from time to time to approve any amendment to this Resolution, other than amendments described in subsection (a) of this Section, which may be deemed necessary or desirable by the Board; provided, however, that nothing herein contained shall permit or be construed to permit, without the approval of the owners of all of the Outstanding Parity Obligations, the amendment of the terms and conditions in this Resolution so as to:

(1) Grant to the owners of any Outstanding Parity Obligations a priority over the owners of any other Outstanding Parity Obligations;

(2) Materially adversely affect the rights of the owners of less than all Parity Obligations then Outstanding;

(3) Change the minimum percentage of the Outstanding Principal Amount necessary for consent to such amendment;

(4) Make any change in the maturity of the Outstanding Bonds;

(5) Reduce the rate of interest borne by Outstanding Bonds;

(6) Reduce the amount of the principal payable on Outstanding Bonds; or

(7) Modify the terms of payment of principal of or interest on the Outstanding Bonds, or impose any conditions with respect to such payment; or

(8) Adversely affect the tax exempt status of the interest on the Outstanding Bonds to the owners thereof.

(c) Notice. If at any time this Resolution is to be amended pursuant to the provisions of subsection (b) of this Section, the Board shall cause notice of the proposed amendment to be published in a financial newspaper or journal of general circulation in The City of New York, New York, once during each calendar week for at least two successive calendar weeks. Such notice shall briefly set forth the nature of the proposed amendment and shall state that a copy thereof is on file at the principal office of each Registrar for the Parity Obligations for inspection by all owners of Parity Obligations. Such publication is not required, however, if the Board gives or causes to be given such notice in writing, by certified mail, to each owner of Parity Obligations.
Obligations. Such publication is not required with respect to amendments to this Resolution effected pursuant to the provisions of subsection (a) of this Section.

(d) **Receipt of Consents.** Whenever at any time not less than thirty (30) days, and within one year, from the date of the first publication of said notice or other service of written notice of the proposed amendment the Board shall receive an instrument or instruments executed by all of the owners or the owners of at least a majority in Outstanding Principal Amount, as appropriate, which instrument or instruments shall refer to the proposed amendment described in said notice and which specifically consent to and approve such amendment in substantially the form of the copy thereof on file as aforesaid, the Board may adopt the amendatory resolution in substantially the same form.

(e) **Effect of Amendments.** Upon the adoption of any resolution to amend this Resolution pursuant to the provisions of this Section, this Resolution shall be deemed to be amended in accordance with the amendatory resolution, and the respective rights, duties, and obligations of the Board and all the owners of then Outstanding Parity Obligations and all future Parity Obligations shall thereafter be determined, exercised, and enforced under this Resolution, as amended.

(f) **Consent Irrevocable.** Any consent given by any owner of Parity Obligations pursuant to the provisions of this Section shall be irrevocable for a period of six months from the date of the first publication or other service of the notice provided for in this Section, and shall be conclusive and binding upon all future owners of the same Parity Obligations during such period. Such consent may be revoked at any time after six months from the date of the first publication of such notice by the owner who gave such consent, or by a successor in title, by filing notice thereof with the Registrar for such Parity Obligations and the Board, but such revocation shall not be effective if the owners of a majority in Outstanding Principal Amount, prior to the attempted revocation, consented to and approved the amendment.

(g) **Ownership.** For the purpose of this Section, the ownership and other matters relating to all Parity Obligations shall be determined by the Registration Books maintained by the Registrar.

Section 21. **COVENANTS REGARDING TAX-EXEMPTION.** (a) **Covenants.** The Board covenants to take any action necessary to assure, or refrain from any action which would adversely affect, the treatment of the Bond as obligations described in section 103 of the Internal Revenue Code of 1986, as amended (the "IRS Code"), the interest on which is not includable in the "gross income" of the holder for purposes of federal income taxation. In furtherance thereof, the Board covenants as follows:

(1) to take any action to assure that no more than 10 percent of the proceeds of the Bond or the projects financed or refinanced therewith (less amounts deposited to a reserve fund, if any) are used for any "private business use," as defined in section 141(b)(6) of the IRS Code or, if more than 10 percent of the proceeds of the Bond or the projects financed or refinanced therewith are so used, such amounts,
whether or not received by the Board, with respect to such private business use, do not, under the terms of this Resolution or any underlying arrangement, directly or indirectly, secure or provide for the payment of more than 10 percent of the debt service on the Bond, in contravention of section 141(b)(2) of the IRS Code;

(2) to take any action to assure that in the event that the "private business use" described in subsection (1) hereof exceeds 5 percent of the proceeds of the Bond or the projects financed or refinanced therewith (less amounts deposited into a reserve fund, if any) then the amount in excess of 5 percent is used for a "private business use" which is "related" and not "disproportionate," within the meaning of section 141(b)(3) of the IRS Code, to the governmental use;

(3) to take any action to assure that no amount which is greater than the lesser of $5,000,000, or 5 percent of the proceeds of the Bond (less amounts deposited into a reserve fund, if any) is directly or indirectly used to finance loans to persons, other than state or local governmental units, in contravention of section 141(c) of the IRS Code;

(4) to refrain from taking any action which would otherwise result in the Bond being treated as "private activity bonds" within the meaning of section 141(b) of the IRS Code;

(5) to refrain from taking any action that would result in the Bond being "federally guaranteed" within the meaning of section 149(b) of the IRS Code;

(6) to refrain from using any portion of the proceeds of the Bond, directly or indirectly, to acquire or to replace funds which were used, directly or indirectly, to acquire investment property (as defined in section 148(b)(2) of the IRS Code) which produces a materially higher yield over the term of the Bond, other than investment property acquired with:

(A) proceeds of the Bond invested for a reasonable temporary period of 3 years or less or, in the case of a refunding bond, for a period of 30 days or less until such proceeds are needed for the purpose for which the Bond is issued,

(B) amounts invested in a bona fide debt service fund, within the meaning of section 1.148 1(b) of the Treasury Regulations, and

(C) amounts deposited in any reasonably required reserve or replacement fund to the extent such amounts do not exceed 10 percent of the proceeds of the Bond;

(7) to otherwise restrict the use of the proceeds of the Bond or amounts treated as proceeds of the Bond, as may be necessary, so that the Bond do not otherwise
contravene the requirements of section 148 of the IRS Code (relating to arbitrage) and, to the extent applicable, section 149(d) of the IRS Code (relating to advance refundings); and

(8) to pay to the United States of America at least once during each five-year period (beginning on the date of delivery of the Bond) an amount that is at least equal to 90 percent of the "Excess Earnings," within the meaning of section 148(f) of the IRS Code and to pay to the United States of America, not later than 60 days after the Bond has been paid in full, 100 percent of the amount then required to be paid as a result of Excess Earnings under section 148(f) of the IRS Code.

(b) Rebate Fund. In order to facilitate compliance with the above covenant (8), a "Rebate Fund" is hereby established by the Board for the sole benefit of the United States of America, and such fund shall not be subject to the claim of any other person, including without limitation the bondholders. The Rebate Fund is established for the additional purpose of compliance with section 148 of the IRS Code.

(c) Proceeds. The Board understands that the term "proceeds" includes "disposition proceeds" as defined in the Treasury Regulations and, in the case of refunding bonds, transferred proceeds (if any) and proceeds of the refunded bonds not expended prior to the date of issuance of the Bond. It is the understanding of the Board that the covenants contained herein are intended to assure compliance with the IRS Code and any regulations or rulings promulgated by the U.S. Department of the Treasury pursuant thereto. In the event that regulations or rulings are hereafter promulgated which modify or expand provisions of the IRS Code, as applicable to the Bond, the Board will not be required to comply with any covenant contained herein to the extent that such failure to comply, in the opinion of nationally recognized bond counsel, will not adversely affect the exemption from federal income taxation of interest on the Bond under section 103 of the IRS Code. In the event that regulations or rulings are hereafter promulgated which impose additional requirements which are applicable to the Bond, the Board agrees to comply with the additional requirements to the extent necessary, in the opinion of nationally recognized bond counsel, to preserve the exemption from federal income taxation of interest on the Bond under section 103 of the IRS Code. In furtherance of such intention, the Board hereby authorizes and directs the Designated Financial Officer to execute any documents, certificates or reports required by the IRS Code and to make such elections, on behalf of the Board, which may be permitted by the IRS Code as are consistent with the purpose for the issuance of the Bond.

Section 24. BOND PLACEMENT. (a) Placement Agent. The Board hereby approves ________________ as the Placement Agent for the Bonds.

(b) Financial Information and Operating Data of the University. While the Bond remains outstanding, unless waived by the Owner, the University shall provide the following to the Owner:

(i) Audited financial statements, to be provided within 270 days after the close of each University fiscal year ending on and after August 31, 2015.
(ii) Annual budget reports in a form reasonably acceptable to the Owner, to be provided within 120 days after approval by the Board; and

(iii) Such other financial information regarding the University as the Owner shall reasonably request.

Section 25. APPLICATION OF BOND PROCEEDS. (a) Proceeds. Proceeds from the sale of the Bond shall, promptly upon receipt thereof, be applied by the Designated Financial Officer as follows:

(i) accrued interest, if any, for the Bond shall be deposited as provided in Section 16;

(ii) an amount sufficient to accomplish the purposes of Section 9 shall be so applied; and

(iii) any proceeds from the sale of the Bond remaining after the deposits provided for in clauses (i) and (ii) above, shall be applied to pay expenses arising in connection with the issuance of the Bond.

Any sale proceeds of the Bond remaining after making all deposits and payments provided for above shall be applied to the payment of interest on the Bond.

(b) Funds. The Designated Financial Officer is hereby authorized to establish such funds, accounts and/or sub-accounts as necessary to administer any remaining proceeds of the Bond after applying proceeds for the purposes described in Section 9 hereof, including for accrued interest and costs of issuance. Proceeds deposited into any such funds, accounts and/or sub-accounts shall remain therein until from time to time expended for the purposes described in this Resolution, and shall not be used for any other purposes whatsoever, except as otherwise provided below, and pending such expenditure, such moneys may be invested at the direction of the Designated Financial Officer or the designee thereof in eligible investments in accordance with the provisions of Section 4(h) of this Resolution. Interest earnings shall accrue to the respective funds, accounts and/or sub-accounts in which moneys are held and invested. The Board shall cause moneys on deposit in any such funds, accounts and/or sub-accounts representing accrued interest to be used to pay debt service on the Bond as the same shall become due and payable.

Section 26. RESOLUTION TO CONSTITUTE A CONTRACT; EQUAL SECURITY. In consideration of the acceptance of the Bond, the issuance of which is authorized hereunder, by those who shall hold the same from time to time, this Resolution shall be deemed to be and shall constitute a contract between the Board and the Owner from time to time of the Bond and the pledge made in this Resolution by the Board and the covenants and agreements set forth in this Resolution to be performed by the Board shall be for the equal and proportionate benefit, security, and protection of all Owners, without preference, priority, or distinction as to security or otherwise of any of the Bonds authorized hereunder over any of the
others by reason of time of issuance, sale, or maturity thereof or otherwise for any cause whatsoever, except as expressly provided in or permitted by this Resolution.

Section 27. SEVERABILITY OF INVALID PROVISIONS. If any one or more of the covenants, agreements, or provisions herein contained shall be held contrary to any express provisions of law or contrary to the policy of express law, though not expressly prohibited, or against public policy, or shall for any reason whatsoever be held invalid, then such covenants, agreements, or provisions shall be null and void and shall be deemed separable from the remaining covenants, agreements, or provisions and shall in no way affect the validity of any of the other provisions hereof or of the Bonds issued hereunder.

Section 28. PAYMENT AND PERFORMANCE ON BUSINESS DAYS. Except as provided to the contrary in the FORM OF BOND, whenever under the terms of this Resolution or the Bonds, the performance date of any provision hereof or thereof, including the payment of principal of or interest on the Bond, shall occur on a day other than a Business Day, then the performance thereof, including the payment of principal of and interest on the Bond, need not be made on such day but may be performed or paid, as the case may be, on the next succeeding Business Day with the same force and effect as if made on the date of performance or payment.

Section 29. LIMITATION OF BENEFITS WITH RESPECT TO THE RESOLUTION. With the exception of the rights or benefits herein expressly conferred, nothing expressed or contained herein or implied from the provisions of this Resolution or the Bond is intended or should be construed to confer upon or give to any person other than the Board, the Owners, and the Paying Agent/Registrar, any legal or equitable right, remedy, or claim under or by reason of or in respect to this Resolution or any covenant, condition, stipulation, promise, agreement, or provision herein contained. This Resolution and all of the covenants, conditions, stipulations, promises, agreements, and provisions hereof are intended to be and shall be for and inure to the sole and exclusive benefit of the Board, the Owners, and the Paying Agent/Registrar as herein and therein provided.

Section 30. CUSTODY, APPROVAL, AND BOND COUNSEL’S OPINION. The Designated Financial Officer is hereby authorized to have control of the Bonds issued hereunder and all necessary records and proceedings pertaining to the Bonds pending their delivery and approval by the Attorney General of the State of Texas. The Designated Financial Officer is hereby authorized, to the extent deemed necessary or advisable thereby, in the discretion thereof, to request that the Attorney General approve the Bonds as permitted by Chapter 1202, in which case the Designated Financial Officer also is authorized to request the Comptroller of Public Accounts register the Bond, and to cause an appropriate legend reflecting such approval and registration to appear on the Bonds and the substitute Bonds. The approving legal opinion of Bond Counsel may be printed on the Bond and on any Bonds issued and delivered in exchange or replacement of any Bond, but it shall not have any legal effect, and shall be solely for the convenience and information of the registered owners of the Bond. The preamble to this Resolution is hereby adopted and made a part of this Resolution for all purposes.
Section 31.  RESERVE FUNDS. The Board may establish a reserve fund, and/or any other fund or funds pursuant to any resolution authorizing the issuance of Parity Obligations, for the purpose of paying or securing a particular issue or series of Parity Obligations or any specific group of issues or series of Parity Obligations and the amounts once deposited in said funds shall no longer constitute Pledged Revenues but shall be held solely for the benefit of the owners of the particular issue or series or group of issues or series of Parity Obligations for which such fund was established. Each such fund shall be designated in such manner as is necessary to identify the Parity Obligations it secures and to distinguish such fund from any other funds created for the benefit of any other Parity Obligations.

Section 32.  FURTHER PROCEDURES. The Chair of the Board, the Designated Financial Officer, and all other officers, employees, and agents of the University, and each of them, shall be and they are hereby expressly authorized, empowered, and directed from time to time and at any time to do and perform all such acts and things and to execute, acknowledge, and deliver in the name and under the corporate seal and on behalf of the Board, all such instruments, whether or not herein mentioned, as may be necessary or desirable in order to carry out the terms and provisions of this Resolution, the Bonds, the sale and delivery of the Bonds and fixing all details in connection therewith, and to approve any Official Statement, or supplements thereto, in connection with the Bonds including any necessary filings with the Attorney General of Texas, the Texas Bond Review Board an any other necessary parties.

Section 33.  PAYMENT OF ATTORNEY GENERAL FEE. The Board hereby authorizes the disbursement of a fee equal to the lesser of (i) one-tenth of one percent of the principal amount of the Bond or (ii) $9,500 per Series, provided that such fee shall not be less than $750, to the Attorney General of Texas Public Finance Division for payment of the examination fee charged by the State of Texas for the Attorney General's review and approval of public securities and credit agreements, as required by Section 1202.004 of the Texas Government Code. The Designated Financial Officer is hereby instructed to take the necessary measures to make this payment. The Board is also authorized to reimburse the appropriate funds for such payment from proceeds of the Bond.

Section 34.  REPEAL OF CONFLICTING RESOLUTIONS. All resolutions and all parts of any resolutions which are in conflict or inconsistent with this Resolution are hereby repealed and shall be of no further force or effect to the extent of such conflict or inconsistency.

Section 35.  PERFECTION OF PLEDGE. Chapter 1208, Government Code, applies to the issuance of the Bonds and the pledge of the Pledged Revenues granted under Section 2 of this Resolution, and such pledge is therefore valid, effective and perfected. If Texas law is amended at any time while the Bond is outstanding and unpaid such that the pledge of the Pledged Revenues under Section 2 of this Resolution is to be subject to the filing requirements of Chapter 9, Business & Commerce Code, then in order to preserve to the registered owners of the Bonds the perfection of the security interest in said pledge, the Board agrees to take such measures as it determines are reasonable and necessary under Texas law to comply with the applicable provisions of Chapter 9, Business & Commerce Code and enable a filing to perfect the security interest in said pledge to occur.
Section 36.  PUBLIC NOTICE. It is hereby found and determined that each of the officers and members of the Board was duly and sufficiently notified officially and personally, in advance, of the time, place, and purpose of their respective meetings at which this Resolution was adopted, and that this Resolution would be introduced and considered for adoption at said meetings; and that said meetings were open to the public, and public notice of the time, place, and purpose of said meetings was given, all as required by Chapter 551, Texas Government Code.

DEFINITIONS

As used in this Resolution the following terms and expressions shall have the meanings set forth below, unless the text hereof specifically indicates otherwise:

"Annual Debt Service Requirements" means, for any Fiscal Year, the principal of and interest on all Parity Obligations coming due at Maturity or Stated Maturity (or that could come due on demand of the owner thereof other than by acceleration or other demand conditioned upon default by the Board on such Debt, or be payable in respect of any required purchase of such Debt by the Board) in such Fiscal Year, and, for such purposes, any one or more of the following rules shall apply at the election of the Board:

(1) **Committed Take Out.** If the Board has entered into a Credit Agreement constituting a binding commitment within normal commercial practice to discharge any of its Funded Debt at its Stated Maturity (or, if due on demand, at any date on which demand may be made) or to purchase any of its Funded Debt at any date on which such Debt is subject to required purchase, all under arrangements whereby the obligation to repay the amounts advanced for such discharge or purchase constitutes Funded Debt, then the portion of the Funded Debt committed to be discharged or purchased shall be excluded from such calculation and the principal of and interest on the Funded Debt incurred for such discharging or purchase that would be due in the Fiscal Year for which the calculation is being made, if incurred at the Stated Maturity or purchase date of the Funded Debt to be discharged or purchased, shall be added;

(2) **Balloon Debt.** If the principal (including the accretion of interest resulting from original issue discount or compounding of interest) of any series or issue of Funded Debt due (or payable in respect of any required purchase of such Funded Debt by the Board) in any Fiscal Year either is equal to at least 25% of the total principal (including the accretion of interest resulting from original issue discount or compounding of interest) of such Funded Debt or exceeds by more than 50% the greatest amount of principal of such series or issue of Funded Debt due in any preceding or succeeding Fiscal Year (such principal due in such Fiscal Year for such series or issue of Funded Debt being referred to herein as "Balloon Debt"), the amount of principal of such Balloon Debt taken into account during any Fiscal Year shall be equal to the debt service calculated using the original principal amount of such Balloon Debt amortized over the Term of Issue on a level debt service basis at an assumed interest rate equal to the rate borne by such Balloon Debt on the date of calculation;

(3) **Consent Sinking Fund.** In the case of Balloon Debt (as defined in clause (2) above), if a Designated Financial Officer shall deliver to the Board an Officer's Certificate providing for the retirement of (and the instrument creating such Balloon Debt shall permit the retirement of), or for the accumulation of a sinking fund for (and the instrument creating such Balloon Debt shall permit the accumulation of a sinking fund
(4) **Prepaid Debt.** Principal of and interest on Parity Obligations, or portions thereof, shall not be included in the computation of the Annual Debt Service Requirements for any Fiscal Year for which such principal or interest are payable from funds on deposit or set aside in trust for the payment thereof at the time of such calculations (including without limitation capitalized interest and accrued interest so deposited or set aside in trust) with a financial institution acting as fiduciary with respect to the payment of such Debt;

(5) **Variable Rate.** As to any Parity Obligation that bears interest at a variable interest rate which cannot be ascertained at the time of calculation of the Annual Debt Service Requirement then, at the option of the Board, either (1) an interest rate equal to the average rate borne by such Parity Obligations (or by comparable debt in the event that such Parity Obligations has not been outstanding during the preceding 24 months) for any 24 month period ending within 30 days prior to the date of calculation, or (2) an interest rate equal to the 30-year Tax–Exempt Revenue Bond Index (as most recently published in *The Bond Buyer*), shall be presumed to apply for all future dates, unless such index is no longer published in *The Bond Buyer*, in which case an index of tax-exempt revenue bonds with maturities of at least 20 years which is published in a newspaper or journal with national circulation may be used for this purpose. If two Series of Parity Obligations which bear interest at variable interest rates, or one or more maturities within a Series, of equal par amounts, are issued simultaneously with inverse floating interest rates providing a composite fixed interest rate for such Parity Obligations taken as a whole, such composite fixed rate shall be used in determining the Annual Debt Service Requirement with respect to such Parity Obligations;

(6) **Guarantee.** In the case of any guarantee, as described in clause (2) of the definition of Debt, no obligation will be counted if the Board does not anticipate in its annual budget that it will make any payments on the guarantee. If, however, the Board is making payments on a guarantee or anticipates doing so in its annual budget, such obligation shall be treated as Parity Obligations and calculations of Annual Debt Service Requirements with respect to such guarantee shall be made assuming that the Board will make all additional payments due under the guaranteed obligation. If the entity whose obligation is guaranteed cures all defaults and the Board no longer anticipates making
payments under the guarantee, the guaranteed obligations shall not be included in the calculation of Annual Debt Service Requirements;

(7) **Commercial Paper.** With respect to any Parity Obligations issued in the form of commercial paper with maturities not exceeding 270 days, the interest on such Parity Obligations shall be calculated in the manner provided in clause (5) of this definition and the maturity schedule shall be calculated in the manner provided in clause (2) of this definition; and

(8) **Credit Agreement Payments.** If the Board has entered into a Credit Agreement in connection with an issue of Debt, payments due under the Credit Agreement (other than payments for fees and expenses), for either the Board or the Credit Provider, shall be included in such calculation, except to the extent that the payments are already taken into account under (1) through (7) above and any payments otherwise included above under (1) through (7) which are to be replaced by payments under a Credit Agreement, from either the Board or the Credit Provider, shall be excluded from such calculation.

THE PRINCIPAL OF AND INTEREST ON this Bond are payable in lawful money of the United States of America, without exchange or collection charges, solely from funds of the Board required by the resolution authorizing the issuance of the Bonds to be on deposit with the
Paying Agent/Registrar for such purpose as hereinafter provided. The principal of this Bond shall be paid to the registered owner hereof upon presentation and surrender of this Bond at maturity at the designated corporate trust office in _______, Texas (the "Designated Trust Office") of ____________, which is the initial "Paying Agent/Registrar" for this Bond. The payment of interest on this Bond shall be made by the Paying Agent/Registrar to the registered owner hereof on each interest payment date by check, dated as of such interest payment date, and such check shall be sent by the Paying Agent/Registrar by United States mail, first-class postage prepaid, on each such interest payment date, to the registered owner hereof, at the address of the registered owner, as it appeared on the last business day of the month next preceding each such date (the "Record Date") on the Registration Books kept by the Paying Agent/Registrar, as hereinafter described; provided, that upon the written request of any owner of not less than $1,000,000 in principal amount of Bonds provided to the Paying Agent/Registrar not later than the Record Date immediately preceding an interest payment date, interest due on such Bonds on such interest payment date shall be made by wire transfer to any designated account within the United States of America. In addition, interest may be paid by such other method acceptable to the Paying Agent/Registrar, requested by, and at the risk and expense of, the registered owner hereof. The Bond Resolution (hereinafter defined) contains covenants for the benefit of the registered owner of this Bond that on or before each principal payment date and interest payment date for this Bond, the amounts required to provide for the payment, when due, in immediately available funds, of all principal of and interest on the Bonds will be made available to the Paying Agent/Registrar. Notwithstanding the foregoing, during any period in which ownership of the Bonds is determined by a book entry at a securities depository for the Bonds, payments made to the securities depository, or its nominee, shall be made in accordance with arrangements between the Board and the securities depository. All Bonds of this Series are issuable solely as fully registered bonds, without interest coupons in the denomination of any integral multiple of $5,000 (an "Authorized Denomination"). Terms used herein and not otherwise defined have the meaning given in the Bond Resolution (hereinafter defined).

THIS BOND is dated as of ____________, 2014, authorized in accordance with the Constitution and laws of the State of Texas in the aggregate principal amount of $______________, issued pursuant to a resolution adopted by the Board on October 27, 2014, (the "Bond Resolution"), FOR THE PURPOSE OF (i) ACQUIRING, PURCHASING, CONSTRUCTING, IMPROVING, RENOVATING, ENLARGING, OR EQUIPPING UNIVERSITY PROPERTY, BUILDINGS, STRUCTURES, FACILITIES, ROADS, OR RELATED INFRASTRUCTURE AND (ii) PAYING THE COSTS OF ISSUANCE OF THE BONDS.

ON ____________, 20___, or on any date thereafter, the Bond may be redeemed prior to their scheduled maturities, by the Board, with funds derived from any available and lawful source, at a redemption price equal to the principal amount to be redeemed plus accrued interest to the date fixed for redemption as a whole, or from time to time in part, and, if in part, the particular annual installments of the Bond, or portions thereof, to be redeemed shall be selected and designated by the Board.
AT LEAST 30 calendar days prior to the date fixed for any redemption of the Bond or portions thereof prior to maturity a written notice of such redemption shall be sent by the Paying Agent/Registrar by United States mail, first-class postage prepaid, to (i) the registered owner of the Bond to be redeemed at its address as it appeared on the Registration Books on the 45th calendar day prior to such redemption date and (ii) major securities depositaries and bond information services. By the date fixed for any such redemption due provision shall be made with the Paying Agent/Registrar for the payment of the required redemption price for the Bond or portions for which such payment is made, all as provided above. If such written notice of redemption is effected and if due provision for such payment is made, all as provided above, the Bond or portions thereof which are to be so redeemed thereby automatically shall be treated as redeemed prior to their scheduled maturities, and they shall not bear interest after the date fixed for redemption, and they shall not be regarded as being outstanding except for the right of the registered owner to receive the redemption price from the Paying Agent/Registrar out of the funds provided for such payment. If a portion of any Bond shall be redeemed, a substitute Bond or Bonds having the same maturity date, bearing interest at the same rate, in any authorized denomination or denominations in any integral multiple of $5,000, at the written request of the registered owner, and in aggregate principal amount equal to the unredeemed portion thereof, will be issued to the registered owner upon the surrender thereof for cancellation, at the expense of the Board, all as provided in the Bond Resolution.

WITH RESPECT TO any optional redemption of the Bond, unless certain prerequisites to such redemption required by the Bond Resolution have been met and moneys sufficient to pay the principal of and premium, if any, and interest on the Bond to be redeemed shall have been received by the Paying Agent/Registrar prior to the giving of such notice of redemption, such notice shall state that said redemption may, at the option of the Board, be conditional upon the satisfaction of such prerequisites and receipt of such moneys by the Paying Agent/Registrar on or prior to the date fixed for such redemption, or upon any prerequisite set forth in such notice of redemption. If a conditional notice of redemption is given and such prerequisites to the redemption and sufficient moneys are not received, such notice shall be of no force and effect, the Board shall not redeem such Bond and the Paying Agent/Registrar shall give notice, in the manner in which the notice of redemption was given, to the effect that the Bond has not been redeemed.

IF THE DATE for the payment of the principal of or interest on this Bond shall be a Saturday, Sunday, a legal holiday, or a day on which banking institutions in the city of New York, New York, or in the city where the Designated Trust Office of the Paying Agent/Registrar is located are authorized by law or executive order to close, then the date for such payment shall be the next succeeding day which is not such a Saturday, Sunday, legal holiday, or day on which banking institutions are authorized to close; and payment on such date shall have the same force and effect as if made on the original date payment was due.

THIS BOND OR ANY PORTION OR PORTIONS HEREOF IN ANY AUTHORIZED DENOMINATION may be assigned and shall be transferred only in the Registration Books kept by the Paying Agent/Registrar acting in the capacity of registrar for the Bond, upon the terms and conditions set forth in the Bond Resolution. Among other
requirements for such assignment and transfer, this Bond must be presented and surrendered to the Paying Agent/Registrar, together with proper instruments of assignment, in form and with guarantee of signatures satisfactory to the Paying Agent/Registrar, evidencing assignment of this Bond or any portion or portions hereof in any authorized denomination to the assignee or assignees in whose name or names this Bond or any such portion or portions hereof is or are to be transferred and registered. The form of Assignment printed or endorsed on this Bond shall be executed by the registered owner or its duly authorized attorney or representative, to evidence the assignment hereof. A new Bond or Bonds payable to such assignee or assignees (which then will be the new registered owner or owners of such new Bond or Bonds), or to the previous registered owner in the case of the assignment and transfer of only a portion of this Bond, may be delivered by the Paying Agent/Registrar in exchange for this Bond, all in the form and manner as provided in the next paragraph hereof for the exchange of other Bonds. The Board shall pay the Paying Agent/Registrar's fees and charges, if any, for making such transfer or exchange as provided below, but the one requesting such transfer or exchange shall pay any taxes or other governmental charges required to be paid with respect thereto. The Paying Agent/Registrar shall not be required to make transfers of registration or exchange of this Bond or any portion hereof during the period commencing with the close of business on any Record Date and ending with the opening of business on the next following principal or interest payment date. The registered owner of this Bond shall be deemed and treated by the Board and the Paying Agent/Registrar as the absolute owner hereof for all purposes, including payment and discharge of liability upon this Bond to the extent of such payment, and, to the extent permitted by law, the Board and the Paying Agent/Registrar shall not be affected by any notice to the contrary.

AS PROVIDED IN THE BOND RESOLUTION, this Bond, or any unredeemed portion hereof, may, at the request of the registered owner or the assignee or assignees hereof, be exchanged for a like aggregate principal amount of fully registered bonds, without interest coupons, payable to the appropriate registered owner, assignee, or assignees, as the case may be, having the same maturity date, in the same form, and bearing interest at the same rate, in any Authorized Denomination as requested in writing by the appropriate registered owner, assignee, or assignees, as the case may be, upon surrender of this Bond to the Paying Agent/Registrar for cancellation, all in accordance with the form and procedures set forth in the Bond Resolution.

WHENEVER the beneficial ownership of this Bond is determined by a book entry at a securities depository for the Bonds, the foregoing requirements of holding, delivering, or transferring this Bond shall be modified to require the appropriate person or entity to meet the requirements of the securities depository as to registering or transferring the book entry to produce the same effect.

IN THE EVENT any Paying Agent/Registrar for the Bond is changed by the Board, resigns, or otherwise ceases to act as such, the Board has covenanted in the Bond Resolution that it promptly will appoint a competent and legally qualified substitute therefor, and promptly will cause written notice thereof to be mailed to the registered owners of the Bond.
IT IS HEREBY certified, recited, and covenanted that this Bond has been duly and validly authorized, issued, and delivered; that all acts, conditions, and things required or proper to be performed, exist, and be done precedent to or in the authorization, issuance, and delivery of this Bond have been performed, existed, and been done in accordance with law; that the Bond constitutes Parity Obligations under the Bond Resolution; and that the interest on and principal of this Bond, together with the other outstanding Parity Obligations are equally and ratably secured by and payable from a lien on and pledge of the Pledged Revenues, subject only to the provisions of, and the lien on and pledge of certain Pledged Revenues to, the Prior Encumbered Obligations.

THE BOARD has reserved the right, subject to the restrictions referred to in the Bond Resolution, (i) to issue additional Parity Obligations which also may be secured by and made payable from a lien on and pledge of the aforesaid Pledged Revenues, in the same manner and to the same extent as this Bond, and (ii) to amend the provisions of the Bond Resolution under the conditions provided in the Bond Resolution.

NEITHER THE State of Texas, the Board, nor any other agency, political corporation, or political subdivision of the State of Texas is obligated to pay the principal of or interest on the Bond, other than as provided herein and in the Bond Resolution. Neither the faith and credit nor the taxing power of the State of Texas, nor any agency, political corporation or political subdivision of the State of Texas is pledged to the payment of the principal of or interest on the Bond.

BY BECOMING the registered owner of this Bond, the registered owner thereby acknowledges all of the terms and provisions of the Bond Resolution, agrees to be bound by such terms and provisions, acknowledges that the Bond Resolution is duly recorded and available for inspection in the official minutes and records of the Board, and agrees that the terms and provisions of this Bond and the Bond Resolution constitute a contract between each registered owner hereof and the Board.

Investments - Endowment Funds

Original Implementation: Unpublished
Last Revision: January 28, 2014

GENERAL

This Investment Policy Statement (IPS) applies to all Stephen F. Austin State University (the "university") endowment Endowment funds. These represent private funds are given to the university by individuals and institutions to promote, encourage and advance education and to improve the degree and non-degree educational functions by establishing scholarships, fellowships, professorships, academic chairs and other academic endeavors at the university, as specified by donors. Quasi-endowment funds that are not considered to be public funds may be governed by this policy.

As provided in the Texas Education Code, each member of the Board of Regents (board) has the legal responsibilities of a fiduciary in the management of funds under the control of the university. The board recognizes its responsibility to insure that the assets of the endowment funds are managed for the exclusive benefit of the university in accordance with its donors’ intentions, effectively and prudently, in full compliance with all applicable laws.

Separate fund balance accounts are maintained for all funds. Funds may be restricted either by the donor or the board. Restricted funds are available primarily for specific purposes considered beneficial to the university.

The investment of the endowment funds is governed by Section 51.0031 of the Texas Education Code. This section states that the university "... with regard to donations, gifts and trusts, may establish endowment funds that operate as trusts and are managed under prudent person standards... As used in this section, ‘prudent person standard’ is the standard of care described in Article VII, Section 11b, of the Texas Constitution, and means that standard of judgment and care that prudent investors, exercising reasonable care, skill, and caution, would acquire or retain in light of the purposes, terms, distribution requirements, and other circumstances of the fund then prevailing, taking into consideration the investment of all the assets of the fund rather than a single investment.”

As provided in the Texas Education Code, each member of the Board of Regents (board) has the legal responsibilities of a fiduciary in the management of funds under the control of the university. The board recognizes its responsibility to ensure that the assets of the endowment funds are managed for the exclusive benefit of the university in accordance with its donors’ intentions, effectively and prudently, in full compliance with all applicable laws.

This Investment Policy Statement (IPS) applies to all Stephen F. In the management of the university endowment investments, consideration will be given to the need to balance a requirement for current income for present activities with a requirement for growth in principal to-
compensate for inflation. Consideration will be given to the need for safety of principal, liquidity, diversification, yield and quality.

The overall objective of the IPS is to assure that the university’s endowment funds are invested in a manner to achieve as high a level of return as can reasonably be expected to be achieved given the primary objective of safety and preservation of principal, including those that function as endowments, and are not considered to be public funds. The IPS states the boards' attitudes, goals and objectives in the investment of the endowment assets. As such, it is intended to provide guidance to the board, the finance committee, the university administration, and the investment consultant(s)/managers in the management of the endowment assets. The IPS clearly and concisely states the responsibilities of all parties involved with the endowment funds.

**INVESTMENT OBJECTIVES**

The overall objective of the IPS is to assure that the university's endowment funds are invested in a manner to achieve as high a level of return as can reasonably be expected to be achieved given the primary objective of safety and preservation of principal. In the management of the university endowment investments, consideration will be given to the need to balance a requirement for current income for present activities with a requirement for growth in principal to compensate for inflation.

**INVESTMENT RISK TOLERANCE**

The board believes that the endowment assets should be managed in a way that reflects the application of sound investment principles.

The board adheres to the traditional capital market theory that maintains that over the long term, the risk of owning equities should be rewarded with a somewhat greater return than available from fixed-income investments. This reward comes at the expense of higher volatility of returns and more exposure to market fluctuations than with fixed-income investments. Fixed-income investments provide a more predictable return and higher current income than do equities. Thus assets should be allocated between fixed-income investments, equities, and alternative investments in such a manner as to provide for current income while providing for maintenance of principal in real terms.

Avoiding large risks is essential. The university is willing to trade off some potential opportunities for gain from high-risk investments (with high loss potential) by assuming a moderate-risk posture in order to have a more stable positive return. This may result in sacrificing some potential opportunities for gain during rising markets in order to avoid large short term declines in market value during falling markets. Since the university is adverse to large downward fluctuations in the value of its investments resulting from volatile market value fluctuations, such year-to-year volatility should be minimized.
The IPS will assist the board, the finance/audit committee ("committee") and the university administration in effectively communicating with and monitoring the investment manager(s) and the investment firm(s) that will be engaged from time to time to facilitate.

**DEFINITIONS**

**True (or Permanent) Endowment Funds** are funds which a donor or other outside agencies have stipulated, as a condition of the gift instrument, that the principal is to be maintained in perpetuity and invested for the purposes of producing present and future income.

**Funds Functioning as Endowment Funds** are funds for which the university, rather than a donor, has determined that the corpus is to be retained and invested. Since these funds are internally designated rather than externally restricted, the management of the endowment assets of the university. The board may choose to use an investment consultant to select investment managers. The investment consultant may exercise discretion to hire investment managers. If an investment manager is hired through the investment consultant, the consultant is responsible for ensuring that investment managers comply with all applicable IPS guidelines.

Each investment manager selected or approved by the board is expected to manage the endowment’s assets in a manner consistent with the investment objectives, guidelines and constraints of this policy and in accordance with applicable laws. This obligation includes discharging responsibilities with respect to the endowment consistent with “Prudent Investor” standards, and all other applicable fiduciary regulations and requirements.

INVESTMENT POLICY

The board believes that the endowment assets should be managed in a way that reflects the application of sound investment principles.

The board adheres to the traditional capital market theory that maintains that over the long term, the risk of owning equities should be rewarded with a somewhat greater return than available from fixed-income investments. This reward comes at the expense of higher volatility of returns and more exposure to market fluctuations than with fixed-income investments. Fixed-income investments provide a more predictable return and higher current income than do equities. Thus assets should be allocated between fixed-income investments, equities, and alternative investments in such a manner as to provide for current income while providing for maintenance of principal in real terms.

Avoiding large risks is essential. **Interest Rate, Credit and Foreign Currency Risks**

Such securities may be held so long as the asset allocation ranges are maintained. The policy in this section can be overridden by a written directive from a donor.

The university will insure the safety of its invested funds by limiting interest rate, credit and foreign currency risks. Interest rate risk is the risk that changes in market interest rates will adversely affect the fair value of an investment. Generally, the longer the maturity of an investment the greater the sensitivity of its fair value to changes in market interest rates. The vice president may diversify investment maturity to limit interest rate risk. The average weighted duration of the portfolio should not vary from industry benchmarks by more than +/-20%.

Credit risk is the risk that an issuer or counterparty to the investment will not fulfill its obligations to the holder of the investment. This is measured by the assignment of a rating by a nationally recognized statistical rating organization. To limit credit risk, this policy requires investments in US dollar denominated bonds, debentures, or commercial paper and convertible all securities issued by corporations which use long-term credit ratings to be rated the equivalent of “BBBB” or better using long-term ratings and at least A-2, P-2, F-2 or equivalent using with the overall credit rating for the fixed income portfolio to be rated “A” or better. All short-term credit ratings must be rated at least A-2, P-2, F-2.
Foreign currency risk is the risk that changes in exchange rates will adversely affect the fair value of investment. In order to mitigate this risk, foreign equity investments are limited to a maximum of 30% of the equity portfolio.

USE GIFTS OF INVESTMENT FIRMS/INDIVIDUAL SECURITIES

The vice president or designee is responsible for the selection of brokers and dealers for the execution of security transactions and for the safekeeping of securities. Sales, purchases and exchanges will be transacted through well-capitalized, nationally recognized investment firms which are major participants in the equity and fixed-income markets. Firms should be selected to provide the maximum benefit to the university. The vice president may choose to use a request for proposals to select the firm or firms with which the university deals.

Selection of outside investment managers will follow these guidelines:

a. The vice president or designee, within statutory and other regulatory authority, may place selected funds of the university with investment managers outside the university for investment purposes. The investment of such funds will be subject to the provisions of this investment policy statement. The vice president or designee is authorized to negotiate with outside investment managers for the benefit of the university.

Outside investment manager(s) will receive a copy of the IPS and a Letter of Instruction outlining investment instructions and asset allocation parameters expressed in writing by the vice president or designee. The Letter of Instruction will state return objectives that are reasonable and achievable within the guidelines provided herein. These return objectives should be achieved over a reasonable time frame, thus it is not necessary for the outside manager(s) to exceed the return expectations each quarter. In addition, each outside investment manager must execute a written statement to the effect that the registered principal of the organization has received and thoroughly reviewed the investment policy of the university. The statement must also acknowledge that the organization has implemented reasonable procedures and controls in an effort to preclude imprudent investment activities.

b. Consistent with this investment policy statement and their Letter of Instruction, the outside investment manager(s) will be responsible for making decisions on a discretionary basis. This includes buy, hold, sell and timing decisions. Gifts of individual securities will be liquidated and invested in accordance with IPS guidelines and investment procedures. Exceptions to this policy are securities described by sections (a), (b) and (c) of the investment guidelines. Such securities may be held so long as the asset allocation ranges are maintained. The outside manager(s) must make responsible decisions in the selections of specific securities and the general timing of purchases and sales necessary to achieve a satisfactory overall return for the assets.

c. Outside manager(s) will invest only into the security class(es) for which they were retained to manage. The manager(s) have discretion to place funds into cash, however, their performance will be measured against an index which measures their security class without deducting the cash position.
FUNDS FUNCTIONING AS (QUASI) ENDOWMENTS

The board may establish a quasi-endowment using unrestricted gifts. Income from funds held in quasi-endowments is available for the purpose established by the board. The corpus of such funds will be held until such time as the board abolishes the quasi-endowment, at which time the corpus is available for such purpose(s) as may be designated by the board. Quasi-endowment funds that are not considered to be public funds may be governed by this policy.

The overall portfolio and the individual managers will be evaluated on a periodic basis using industry benchmarks.

The annualized Alpha should exceed both individual managers’ and total portfolio fees. Alpha measures the excess return for the amount of risk taken. Portfolio turnover will be monitored. If the performance results of the portfolio meet the objectives stated herein, the rate of turnover in the portfolio will not be an evaluative factor. However, a portfolio turnover higher than the average of similar fund managers is considered a negative. Files will be maintained on investment firms with which the university deals. The files will contain information that supports the financial stability of the firms. These files will be updated annually. A list of approved brokers and firms will be maintained and changes will be approved by the Board of Regents.

DISTRIBUTION POLICY

The spending policy should balance the long-term objective of maintaining the purchasing power to the endowment funds with the goal of providing a reasonable, predictable, stable, and sustainable level of income to support current needs. At the end of the investment year, in consultation with the investment manager, the investment officer will review the total return on the endowment accounts and recommend an annual distribution. The target distribution will be between 4% and 5%. The investment officer will recommend an amount up to 5.00% of the average invested balance for the purposes delineated in the endowment memorandum of understanding. If returns permit, an amount equal to the rate of inflation will be added back to each endowment principal balance. If there are positive total returns beyond the inflation rate, then the investment officer will recommend that this amount be added to a contingency reserve that may be distributed during years of poor investment performance as determined by the officer. When the contingency reserve has reached a balance in excess of two years of normal distributions, the investment officer may recommend that additional distributions be made from the contingency reserve. Vice president will review the total return on the endowment accounts and recommend an annual distribution.

PERFORMANCE EVALUATION

The vice president will submit quarterly reports to the board on the performance of the investment portfolio. The reports will disclose the book value and market value of the portfolio at the beginning and ending of the reporting period by the type of asset and fund type invested. The reports will disclose the realized and unrealized gains/losses and total return on the portfolio for the reporting period. Additions and changes in the market value of the portfolio...
during the period will be reported. The reports will show the pooled fund value as well as individual assets by fund type. The reports will state the maturity date of each asset that has a maturity date. The total return on the portfolio, on each asset class and for each manager will be reported.

The performance of the total portfolio, each asset class and each manager will be compared to appropriate benchmarks and included in the quarterly reports to the board. The report will contain sufficient information for the board to determine if actions should be taken to correct any deficiencies that may exist.

CONFLICTS OF INTEREST

Members of the board are frequently persons of wide-ranging business interests. Therefore, a prudent, independent investment decision process may result in investments in firms or organizations with which a member of the board is affiliated. Affiliation shall be interpreted within this section to mean an employee, officer, director, or owner of five percent or more of the voting stock of a firm or organization. The investment staff or an unaffiliated investment manager may invest in such securities. However, the following restrictions shall apply:

1. A member of the board shall not direct or participate in the decision to purchase or sell securities of a firm with which such member is affiliated; and
2. Investments in firms or organizations with which a member of the board is affiliated shall not be purchased from or sold to a member of the board.

Original Implementation: Unpublished
Last Revision: April 15, 2014 October 27, 2014

Stephen F. Austin State University recognizes the right of enrolled students to form voluntary organizations for purposes that are not forbidden by state or federal law.

Student organizations will be recognized with one of the following designations:

Temporary—designation given to proposed student organizations during their formation process. Temporary designations last no more than 90 days. Temporary organizations are not eligible for funding from the Student Organization Reserve Fund (SORF).

Probationary—newly formed student organizations are designated as probationary for a 12 month period. During this time, these groups may not use the name or registered marks of the university as a part of their name. Probationary organizations are not eligible for SORF Funding.

Recognized—organizations that have been in existence for at least 12 months and are in good standing with the Office of Student Engagement. Recognized organizations are eligible for SORF Funding.

Sponsored—organizations sponsored by a university department and designated as such by the Office of Student Engagement. Sponsored organizations are not eligible for SORF Funding.

In order to form a recognized student organization, a group must:

1. Have four (4) students (in good standing as defined by SFA General Bulletin) to act as incorporators who will be legally responsible for the formation of the organization. One of the four must be designated as the initial Registered Agent. The Registered Agent is the legal contact and spokesperson for the group. After an organization forms, the currently registered organizational president will be considered the organization’s Registered Agent.
2. Select an advisor from the faculty/administrative staff who is a benefits-eligible full-time university employee.
3. Complete required risk management training as administered by the Office of Student Engagement Programs with a minimum of four (4) officers participating.
4. Complete and submit all of the documents required in the Student Organization Formation Packet. This packet is available in the Office of Student Engagement Programs.
A group seeking recognition must not:

1. Be a commercial enterprise.
2. Be an unsolicited and/or unrecognized auxiliary of a larger organization.
3. Allow minors to become organizational members unless they are full-time enrolled students at Stephen F. Austin State University

Applications for recognition can be made at any time during the year. The Office of Student Engagement Programs may grant a group temporary recognition while they are finalizing their formation paperwork and securing an on-campus advisor. The length of temporary recognition shall be no more than 90 days.

The director of student engagement will review the application for recognition when it is complete and determine whether recognition is granted.

**REQUIREMENTS FOR MAINTAINING RECOGNITION**

The authority of an organization to function as a student organization may cease upon:

a. the removal or resignation of the advisor, unless a qualified replacement is registered within 90 days.
b. violation by the organization of any rules or regulations of the university, state or federal law.
c. failure by the organization, its officers or advisor(s) to adhere to the requirements set forth by the university.
d. the organization remaining in an inactive status for three or more long semesters.
e. failure to provide acceptable documentation of affiliation with any parent organization when requested.

Students selected, elected or appointed as a student organization officer (an officer is an individual in a leadership position as defined in the organization’s constitution) shall be in good standing with the university and:

For undergraduates, be enrolled for six (6) or more credit hours during their term of office.

For graduate students, be enrolled for four (4) or more credit hours during their term of office.

All meetings and activities of each student organization shall be subject to, and held under, all applicable university regulations and policies. Student organizations must abide by the policies and procedures set forth by the SFA Board of Regents including the Student Conduct Code.
Being recognized as a student organization is an awarded privilege, not a right, and requires responsibility on the part of the membership of the organization for meeting university requirements for student organizations.

All student organizations must register with the Office of Student Engagement Programs as often as is required. At the time of registration, all information requested on the registration documents must be supplied. A constitution that provides information on the structure, purpose, and operation of the organization must be provided and kept on file in the Office of Student Engagement Programs, reaffirmed by the organization on an annual basis and updated whenever the document is revised.

A minimum of four (4) officers must complete the annual risk management training administered by the Office of Student Engagement Programs.

RELATIONSHIP BETWEEN THE UNIVERSITY AND STUDENT ORGANIZATIONS

Aside from the supervision exercised by university departments over the Student Activities Association, Student Government Association, Residence Hall Association, and certain other social and cultural activities conducted on the campus of Stephen F. Austin State University, the university recognizes registered student organizations as independent entities and assumes no responsibility or liability for their programs or activities. Some organizations, if closely connected with the activities of academic departments of the institution may, in some cases, receive special help and supervision from those departments.

To protect the student-led nature of student organizations, university employees (excluding student employees) should not serve in any officer role within the organization other than advisor as officers within a student organization without the written approval of the dean of student affairs. No employee of the university has the authority to open a bank account in the name of, or for the benefit of, any student organization nor should any employee be included as an allowable signatory on any off-campus bank account of any student organization. Student employees are exempted from these prohibitions.

The name of the university (including abbreviations) may not be used within the name or description of any off-campus banking account established and/or maintained by any student organization.

Responsibility for any views expressed in a meeting or activity of a student organization is solely that of the individuals concerned and the university is not to be held to approve or disapprove such views, whatever their nature. The university is to be concerned exclusively with the discharge of its educational obligation and to facilitate free discussion of all points of view to the extent constitutionally guaranteed.

Tuition Rebate

Original Implementation: January 30, 2001
Last Revision: October 18, 2011
October 27, 2014

Section 54.0065 of the Texas Education Code authorizes a tuition rebate of up to $1,000 for certain undergraduates. The purpose of this program is to provide a financial incentive for students to complete their baccalaureate studies with as few courses outside the degree plan as possible. Minimizing the number of courses taken by students results in financial savings to students, parents, and the state.

To be eligible for a rebate under this program, a student must:

1. have enrolled for the first time in an institution of higher education in the fall 1997 semester or later;
2. request a rebate for coursework related to a first baccalaureate degree received from a general academic teaching institution;
3. have been a resident of Texas as set forth under rules established by the Texas Higher Education Coordinating Board and have been entitled to pay resident tuition at all times while pursuing the degree;
4. if enrolled for the first time in fall 2005 or later, graduate within four calendar years for a four-year degree program or within five calendar years for any program determined by the Texas Higher Education Coordinating Board to require more than four years to complete*; and
5. have attempted no more than three hours in excess of the minimum number of semester credit hours required to complete the degree under the catalog under which the student graduated.

In addition to hours completed at SFA, hours attempted include:

- transfer credits
- course credit earned exclusively by examination (except the first nine semester credit hours are excluded)
- courses dropped after the official census date
- for-credit developmental courses
- optional internship and cooperative education courses
- repeated courses
Hours attempted exclude:

- course credit that is earned to satisfy requirements for a Reserve Officers’ Training Corps (ROTC) program but that is not required to complete the degree program
- course credit, other than course credit earned exclusively by examination, that is earned before graduating from high school (i.e., dual credit hours earned in high school) (effective June 17, 2011)
- required teacher education courses to the extent that they are over and above the free electives allowed in the baccalaureate degree program (for students concurrently earning a baccalaureate degree and a Texas teaching certificate)
- courses dropped for reasons that are determined by the institution to be totally beyond the control of the student

* If enrolled for the first time in fall 2005 or later, a student may be eligible for a tuition rebate if the otherwise eligible student is awarded a baccalaureate degree but does not satisfy the time requirement solely as a result of a hardship or other good cause. Such student must follow the appeal procedures below to be considered for the rebate.

The amount of the tuition rebate is the lesser of $1,000 or the actual amount of undergraduate tuition paid by the student to Texas public institutions of higher education, Stephen F. Austin State University. If the amount paid to Stephen F. Austin State University is less than $1,000, the student may qualify for an increase in the amount of the rebate, not to exceed $1,000 by providing proof of tuition paid to other Texas institutions of higher education.

The rebate shall first be applied to any outstanding balance due to Stephen F. Austin State University, including outstanding charges on the student’s account, short term loans or book loans any loans or other amounts owed to the university. Then, if the student has an outstanding student loan owed to or guaranteed by the state of Texas, the university shall apply the rebate to the student loan, and then pay the student any excess amount. If a student has more than one outstanding student loan owed to or guaranteed by the state of Texas, the university shall apply the amount of the rebate to the loans as directed by the student. If the student fails to provide timely instructions on the application of the amount, the university shall apply the amount of the rebate to retire the loans with the highest interest rates first.

Students wishing to apply for tuition rebates must do so at the time they apply for baccalaureate degrees by completing the information on the back of the Graduation Application Form pertaining to the tuition rebate. Applications are available in the registrar's office.
The registrar's office will evaluate all applications and make a determination of rebate eligibility, based on number of hours attempted as posted on the student's academic record. The registrar's office will provide the controller's office with the names, addresses and social security numbers of all applicants eligible for tuition rebates. The controller's office will review the list and make a determination of rebate eligibility, based on amounts the student has paid the university for tuition. Within 60 days after graduation, the controller's office will remit rebates to eligible students and the registrar's office will mail denial notices to ineligible students. Each notice will include the reason for denial. A student may appeal a denial decision to the Fiscal Appeals Panel in accordance with Student Fiscal Appeals (6.19). Information on the appeal process is available in the registrar's office. All appeals must be filed within 60 days of the university's written notification of denial.
