**BOARD ORDER 09-08**

Whereas, the following was considered by the board of regents:

The SFA Board approved a resolution to issue Tuition Revenue Bonds for the ECRC on February 7, 2008 in the amount of $20,178,000. The ECRC is on schedule to open July 9, 2009, the building is dried in, and the administration anticipates needing additional funds by early spring. The administration testified before the Bond Review Board on Monday, November 10, 2008 at their planning
session regarding the HEF issuance for the ECRC, the nursing project and the deferred maintenance project.

The university now requests board approval of the attached RESOLUTION AUTHORIZING THE ISSUANCE OF STATE OF TEXAS CONSTITUTIONAL APPROPRIATIONS BONDS (STEPHEN F. AUSTIN STATE UNIVERSITY), SERIES 2008, AUTHORIZING THE VICE PRESIDENT OF FINANCE AND ADMINISTRATION TO ACCEPT BIDS WITH RESPECT TO THE SALE OF THE BONDS AND RESOLVING OTHER MATTERS RELATED THERETO.

The resolution limits the bonds to be sold at no lower than a 5% discount, and the net effective interest cost cannot exceed 6%. The resolution is presented to the board in order that SFA might find the best market opportunity to sell the bonds. The university has a very attractive issue, with only a 10 year term and full credit support of the State of Texas.

The 2008 calendar year window for the sale extends from December 2nd through December 19th.

Therefore, upon motion by Regent Ertz seconded by Regent White, with all members voting aye, the attached resolution was passed authorizing the acceptance of bids for the sale of bonds in an amount not to exceed $10,600,000 for the purpose of providing funds to construct an Early Childhood Research Center.

The meeting was adjourned at 10:14 a.m.

The Paying Agent/Registrar shall obtain and record in the Registration Books the address of the Registered Owner of each Bond to which payments with respect to the Bonds shall be mailed, as herein provided; but it shall be the duty of each registered owner to notify the Paying Agent/Registrar in writing of the address to which payments shall be mailed, and such interest payments shall not be mailed unless such notice has been given. The Board shall have the right to inspect the Registration Books during regular business hours of the Paying Agent/Registrar, but otherwise the Paying Agent/Registrar shall keep the Registration Books confidential and, unless otherwise required by law, shall not permit their inspection by any other entity. The Board shall pay the Paying Agent/Registrar's standard or customary fees and charges for making such registration, transfer, conversion, exchange and delivery of a substitute Bond or Bonds. Registration of assignments, transfers, conversions and exchanges of Bonds shall be made in the manner provided and with the effect stated in the FORM OF BOND. Each substitute Bond shall bear a letter and/or number to distinguish it from other Bonds.

Except as provided in Section 5(c) of this Resolution, an authorized representative of the Paying Agent/Registrar shall, before the delivery of any such Bond, date and manually sign said Bond, and no such Bond shall be deemed to be issued or outstanding unless such Bond is so executed. The Paying Agent/Registrar promptly shall cancel all paid Bonds and Bonds surrendered for conversion and exchange. No additional ordinances, orders or resolutions need be passed or adopted by the Board or any other body or person so as to accomplish the foregoing conversion and exchange of any Bond or portion thereof, and the Paying Agent/Registrar shall provide for the printing, execution and delivery of the substitute Bonds in the manner prescribed herein. Pursuant to Chapter 1206, Texas Government Code, the duty of conversion and exchange of Bonds as aforesaid is hereby imposed upon the Paying Agent/Registrar, and, upon the execution of the Bonds, the converted and exchanged Bonds shall be valid, incontestable and enforceable in the same manner and with the same effect as the Bonds which initially were issued and delivered pursuant to this Resolution, approved by the Attorney General, and registered by the Comptroller of Public Accounts.

(b) Payment of Bonds and Interest. The Board hereby further appoints the Paying Agent/Registrar to act as the paying agent for paying the principal of and interest on the Bonds, all as provided in this Resolution. The Paying Agent/Registrar shall keep proper records of all payments made by the Board and the Paying Agent/Registrar with respect to the Bonds.
(c) **In General.** The Bonds (i) shall be issued in fully registered form, without interest coupons, with the principal of and interest on such Bonds to be payable only to the Registered Owners thereof, (ii) may be redeemed prior to their scheduled maturities, (iii) may be transferred and assigned, (iv) may be converted and exchanged for other Bonds, (v) shall have the characteristics, (vi) shall be signed, sealed, executed and authenticated, (vii) the principal of and interest on the Bonds shall be payable, and (viii) shall be administered and the Paying Agent/Registrar and the Board shall have certain duties and responsibilities with respect to the Bonds, all as provided, and in the manner and to the effect as required or indicated, in the FORM OF BOND and the Pricing Certificate. The Bonds initially issued and delivered pursuant to this Resolution (upon which shall appear the Registration Certificate of the Comptroller) are not required to be, and shall not be, authenticated by the Paying Agent/Registrar, but on each substitute Bond issued in conversion of and exchange for any Bond or Bonds issued under this Resolution the Paying Agent/Registrar shall execute the PAYING AGENT/REGISTRAR'S AUTHENTICATION CERTIFICATE, in the form set forth in the FORM OF BOND.

(d) **Substitute Paying Agent/Registrar.** The Board covenants with the Registered Owners of the Bonds that at all times while the Bonds are outstanding the Board will provide a competent and legally qualified national or state banking institution to act as and perform the services of Paying Agent/Registrar for the Bonds under this Resolution, and that the Paying Agent/Registrar will be one entity. The Board reserves the right to, and may, at its option, change the Paying Agent/Registrar upon not less than 60 days written notice to the Paying Agent/Registrar. In the event that the entity at any time acting as Paying Agent/Registrar (or its successor by merger, acquisition or other method) should resign or otherwise cease to act as such, the Board covenants that promptly it will appoint a competent and legally qualified national or state banking institution with a capital and surplus of at least $10,000,000 to act as Paying Agent/Registrar under this Resolution. Upon any change in the Paying Agent/Registrar, the previous Paying Agent/Registrar promptly shall transfer and deliver the Registration Books (or a copy thereof), along with all other pertinent books and records relating to the Bonds, to the new Paying Agent/Registrar designated and appointed by the Board. Upon any change in the Paying Agent/Registrar, the Board promptly will cause a written notice thereof to be sent by the new Paying Agent/Registrar to each registered owner of the Bonds, by United States mail, first-class postage prepaid, which notice also shall give the address of the new Paying Agent/Registrar. By accepting the position and performing as such, each Paying Agent/Registrar shall be deemed to have agreed to the provisions of this Resolution, and a certified copy of this Resolution shall be delivered to each Paying Agent/Registrar.

(e) **Book-Entry Only System.** The Bonds issued in exchange for the Bonds initially issued and delivered to the Underwriter shall be issued in the form of a separate single fully registered Bond for each of the maturities thereof registered in the name of Cede & Co., as nominee of The Depository Trust Company, New York, New York ("DTC"), and except as provided in subsection (i) hereof, all of the outstanding Bonds shall be registered in the name of Cede & Co., as nominee of DTC.
With respect to Bonds registered in the name of Cede & Co., as nominee of DTC, the Board and the Paying Agent/Registrar shall have no responsibility or obligation to any DTC Participant or to any person on behalf of whom such a DTC Participant holds an interest on the Bonds. Without limiting the immediately preceding sentence, the Board and the Paying Agent/Registrar shall have no responsibility or obligation with respect to (i) the accuracy of the records of DTC, Cede & Co., or any DTC Participant with respect to any ownership interest in the Bonds, (ii) the delivery to any DTC Participant or any other person, other than a registered owner of Bonds, as shown on the Registration Books, of any notice with respect to the Bonds, including any notice of redemption, or (iii) the payment to any DTC Participant or any other person, other than a registered owner of Bonds, as shown in the Registration Books of any amount with respect to principal of, premium, if any, or interest on the Bonds. Notwithstanding any other provision of this Resolution to the contrary but to the extent permitted by law, the Board and the Paying Agent/Registrar shall be entitled to treat and consider the person in whose name each Bond is registered in the Registration Books as the absolute owner of such Bond for the purpose of payment of principal, premium, if any, and interest, with respect to such Bond, for the purpose of giving notices of redemption and other matters with respect to such Bond, for the purpose of registering transfers with respect to such Bond, and for all other purposes whatsoever. The Paying Agent/Registrar shall pay all principal of, premium, if any, and interest on the Bonds only to or upon the order of the respective owners, as shown in the Registration Books as provided in this Resolution, or their respective attorneys duly authorized in writing, and all such payments shall be valid and effective to fully satisfy and discharge the Board's obligations with respect to payment of principal of, premium, if any, and interest on the Bonds to the extent of the sum or sums so paid. No person other than an owner, as shown in the Registration Books, shall receive a Bond certificate evidencing the obligation of the Board to make payments of principal, premium, if any, and interest pursuant to this Resolution. Upon delivery by DTC to the paying Agent/Registrar of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., and subject to the provision in this Resolution with respect to interest checks being mailed to the registered owner at the close of business on the Record Date, the word "Cede & Co." in this Resolution shall refer to such new nominee of DTC.

(f) **Successor Securities Depository; Transfers Outside Book-Entry Only System.** In the event that the Board or the Paying Agent/Registrar determines that DTC is incapable of discharging its responsibilities described herein and in the representation letter of the Board to DTC (as described in Section 24 of this Resolution) or DTC determines to discontinue providing its services with respect to the Bonds, the Board shall (i) appoint a successor securities depository, qualified to act as such under Section 17(a) of the Securities and Exchange Act of 1934, as amended, notify DTC and DTC Participants of the appointment of such successor securities depository and transfer one or more separate Bonds to such successor securities depository or (ii) notify DTC and DTC Participants of the availability through DTC of Bonds and transfer one or more separate Bonds to DTC Participants having Bonds credited to their DTC accounts. In such event, the Bonds shall no longer be restricted to being registered in the Registration Books in the name of Cede & Co., as nominee of DTC, but may be registered in the name of the successor securities depository, or its nominee, or in whatever name or names the holders of the Bonds
transferring or exchanging Bonds shall designate, in accordance with the provisions of this Resolution.

(g) Payments to Cede & Co. Notwithstanding any other provision of this Resolution to the contrary, so long as any Bond is registered in the name of Cede & Co., as nominee of DTC, all payments with respect to principal of, premium, if any, and interest on such Bond and all notices with respect to such Bond shall be made and given, respectively, in the manner provided in the representation letter of the Board to DTC.

Section 6. FORM OF BONDS. The form of the Bonds, including the form of Paying Agent/Registrar's Authentication Certificate, the form of Assignment and the form of Registration Certificate of the Comptroller to be attached to the Bonds initially issued and delivered to the Purchasers pursuant to this Resolution, shall be, respectively, substantially in the form attached hereto as Exhibit "A", with such appropriate variations, omissions, or insertions as are permitted or required by this Resolution.

Should a municipal bond insurance policy be obtained by the Purchasers for the benefit of the Bonds, the Board hereby authorizes a statement of insurance provided by the issuer of such policy to be printed on the Bonds.

Section 7. PLEDGE. (a) Pledged Revenues. The principal of, premium, if any, and interest on the Bonds and any Additional Bonds are and shall be payable solely from the Pledged Revenues and from such other amounts, if any, as may be deposited to the Interest and Sinking Fund at the direction of the Board from time to time, in the manner described below. The Board hereby sets over, assigns and pledges to the Registered Owners any and all rights to the Pledged Revenues.

(b) Chapter 1208, Government Code. Chapter 1208, Texas Government Code, applies to the issuance of the Bonds and the pledge of the Pledged Revenues granted by the Board under Section 7(a) of this Resolution, and such pledge is therefore valid, effective, and perfected. If Texas law is amended at any time while the Bonds are outstanding and unpaid such that the pledge of the Pledged Revenues granted by the Board under Section 7(a) of this Resolution is to be subject to the filing requirements of Chapter 9, Texas Business & Commerce Code, then in order to preserve to the registered owners of the Bonds the perfection of the security interest in said pledge, the Board agrees to take such measures as it determines are reasonable and necessary under Texas law to comply with the applicable provisions of Chapter 9, Texas Business & Commerce Code and enable a filing to perfect the security interest in said pledge to occur.

Section 8. CONSTITUTIONAL APPROPRIATION. (a) Allocation of State Funds. The State Legislature has allocated funds as described in the Act, appropriated under authority of the Constitutional Provision, for use by the respective institutions, including the University, for the purposes specified in the Constitutional Provision and the Act.
(b) **State Funds Available for Debt Service.** As received in the State Treasury, up to 50% of the amount so allocated to the University by the Act, and held in accordance with the pledge contained in Section 7 hereof and paid out in accordance with the Section 10 hereof, will be deposited and credited to a separate account established for the benefit of the University. Such amount so deposited will be used by the University in such amounts as are necessary to pay debt service for the Fiscal Year on the Bonds and Additional Bonds then Outstanding.

(c) **Use of Surplus Funds.** After all payments required herein for the payment of principal and interest on the Bonds and Additional Bonds in any Fiscal Year have been made, any money allocated to the University and not required for making such payments during such Fiscal Year may be used by the Board for any purposes permitted by the Constitutional Provision and the Act, and the Board reserves the right to use money in excess thereof for such purposes.

Section 9. **PROCEDURE FOR REMITTING TO PAYING AGENT/REGISTRAR.**

(a) **Transfer of Funds.** As used in this Section, the term "warrant" shall include the use of the electronic funds transfer system established and operated by the Comptroller in accordance with the provisions of applicable law, including, without limitation, the provisions of Section 403.016, Texas Government Code.

(b) **University Submission for Payment.** The Act requires the Comptroller to distribute funds allocated under the Act upon presentation of claims to the Comptroller and the issuance of warrants in accordance with the provisions of the Texas Government Code and the Act. Not less than 24 hours prior to an Interest Payment Date, the University shall submit a purchase voucher, or other claim in the manner required by and in such form acceptable to the Comptroller, for money necessary to pay the principal of and interest on the Bonds as the same shall mature or become due on each such Interest Payment Date. While any of the Bonds is outstanding and unpaid, upon receipt of such purchase voucher or claim, the Comptroller will draw all necessary and proper warrants against moneys held for the University for such purpose, in order to carry out the purpose of this Resolution, to the end that money will be available at the Paying Agent/Registrar in ample time to pay the principal of and interest on the Bonds, as such principal and interest, respectively, matures or becomes due.

(c) **Delivery of Funds by Comptroller.** The Comptroller will promptly deliver prior to any Interest Payment Date the funds so requested by the University to the Paying Agent/Registrar, either (i) by means of electronic funds transfer, or (ii) if the University reasonably determines that the receipt of such funds by the Paying Agent/Registrar by means of electronic funds transfer would be impractical, by written warrant to be made payable to the order of the Paying Agent/Registrar, and delivered to the Paying Agent/Registrar by first-class mail, postage prepaid. Upon receipt of such warrant by the Paying Agent/Registrar, the Paying Agent/Registrar shall give telephonic notice to the Board (thereafter confirmed in writing by first-class mail, postage prepaid) that such warrant has been received.

(d) **Notice to Comptroller.** If the Board fails to receive such notice prior to any Interest Payment Date, it shall notify the Comptroller of such failure to receive such notice, and take such
measures as may be necessary to direct the Comptroller to make the required payments described in subsection (a) of this Section to the Paying Agent/Registrar.

(e) Limitation on Transfer of Funds. Anything to the contrary herein notwithstanding, in no event shall the Board submit or cause to be submitted to the Comptroller purchase vouchers in amounts in excess of the amounts permitted by law to be made available for the payment of debt service on the Bonds and any Additional Bonds secured by Pledged Revenues.

Section 10. BOARD’S PAYMENTS AND REDEMPTION. The Board obligates itself and agrees, in accordance with the procedures described in Section 9 hereof, to pay to the Paying Agent/Registrar, subject to the receipt by the University of the annual appropriations of money coming into the State Treasury not otherwise appropriated, as mandated by the Constitutional Provision and the Act, the Pledged Revenues with respect to the Bonds in immediately available funds on the dates and in the amounts set forth below:

(i) To the extent necessary, the Board shall cause the Paying Agent/Registrar to deposit from the Pledged Revenues into the Interest and Sinking Fund, an amount which is sufficient to pay on any Interest Payment Date the principal, premium, if any, and interest due on all Outstanding Bonds for the then current Fiscal Year;

(ii) On or before the date fixed for redemption of any Bond in accordance with this Resolution, an amount which, together with any other amounts then on deposit therein and available for such purpose will be sufficient to pay the applicable redemption prices, together with accrued interest; and

(iii) On or before the maturity date for any Bond, an amount which, together with any other amounts then on deposit therein and available for such purpose, will be sufficient to finally pay the principal of such Bonds, together with accrued interest thereon.

Section 11. INTEREST AND SINKING FUND. (a) Establishment. A separate and special fund called the “Stephen F. Austin State University Constitutional Appropriation Bonds - Interest and Sinking Fund” is hereby created and shall be established by the Board with the Paying Agent/Registrar, and the same shall be maintained and used only as provided in this Resolution as long as any Bond or Additional Bond is Outstanding.

(b) Deposits to Interest and Sinking Fund. The following amounts shall be deposited into the Interest and Sinking Fund:

(i) immediately after delivery of any series of Bonds or Additional Bonds, all accrued interest, if any, and premium, received from sale of such Bonds;

(ii) immediately upon receipt by the Paying Agent/Registrar, the payments made to the Board pursuant to subsection (a) of Section 10 hereof, and
(iii) immediately upon receipt by the Paying Agent/Registrar, all money and Governmental Obligations deposited in accordance with subsection (b) of Section 10 hereof.

(c) Payment of Debt Service. Except as otherwise specifically provided below, the Interest and Sinking Fund shall be used solely to pay the principal of, premium, if any, and interest on the Bonds and Additional Bonds when due, and the Paying Agent/Registrar shall make available to itself out of the Interest and Sinking Fund the amounts required to pay or redeem the principal of, premium, if any, and interest on the Bonds and Additional Bonds when due; provided, however, that any money and Defeasance Securities deposited by the Board with the Paying Agent/Registrar for the purpose of defeasing and terminating the Board's obligation to pay Pledged Revenues with respect to any Bonds or Additional Bonds pursuant to Section 16 hereof shall be used by the Paying Agent/Registrar, without investment of such money or reinvestment of such Defeasance Securities, solely to pay or redeem the principal of, premium, if any, and interest on such Bonds or Additional Bonds when due.

(d) Transfer of Excess Funds. Except for amounts deposited in accordance with Section 16 hereof and amounts retained to pay the principal of or premium, if any, on any Bonds or Additional Bonds, when no Bonds or Additional Bonds shall remain outstanding and the Paying Agent/Registrar's expenses shall have been paid, any amounts remaining in the Interest and Sinking Fund shall be paid to the Board.

Section 12. INVESTMENTS. Money in any Fund maintained pursuant to this Resolution may, at the option of the Board, be invested in accordance with the provisions of Section 51.0031, Texas Education Code and Chapter 2256, Texas Government Code, and in accordance with the written policies adopted by the Board. Such investments shall be valued in terms of current market value as of the last day of February and August of each year. Interest and income derived from such deposits and investments shall be credited to the Fund from which the deposit or investment was made. Such investments shall be sold promptly when necessary to prevent any default in connection with the Bonds or Additional Bonds.

Section 13. ADDITIONAL BONDS. (a) Right to Issue. The Board reserves the right to issue additional parity bonds in such amounts as are required for the purpose of financing any project permitted by the Constitutional Provision or refunding any Outstanding Bonds or Additional Bonds. Such Additional Bonds, when issued and delivered, shall be payable from, and secured by an assignment and pledge of the Board's rights to, the Pledged Revenues and secured by the Resolution, in the same manner and to the same extent as any of the Outstanding Bonds and Additional Bonds; and all of the Bonds shall in all respects be on a parity and of equal dignity;

(b) Conditions. No installment or series of Additional Bonds shall be issued unless:

(i) A certificate is executed by the Chair of the Board of Regents or the Vice President for Finance and Administration to the effect that no default exists in connection with any of the covenants or requirements of the resolution or resolutions authorizing the issuance of all then Outstanding Bonds and Additional Bonds;
(ii) A certificate of the Comptroller that money appropriated pursuant to the Constitutional Provision and the Act, or any amendment thereto, will provide sufficient money to pay the principal of and interest on the Additional Bonds;

(iii) The provisions for the issuance of such Additional Bonds will preserve the primary sources for the payment thereof and for the security thereof as set forth in the Constitutional Provision; and

(iv) Additional Bonds shall not be issued in principal amounts or bear interest at rates that shall cause the aggregate payments of the principal and interest on the Bonds in any Fiscal Year to exceed 50% of the money appropriated to the University by the Act.

Section 14. SPECIAL COVENANTS. The Board further covenants as follows:

(a) Other than the pledge of the Pledged Revenues for the payment of the Bonds, the Pledged Revenues have not in any manner been pledged or assigned for the payment of any debt or obligation of the Board;

(b) This Resolution shall constitute a contractual obligation of the Board and the Board may be required by, to the extent permitted by the Resolution, the Registered Owners to carry out its covenants and obligations hereunder by all legal and equitable means, including, but without limitation, the use and filing of mandamus proceedings, in any court of competent jurisdiction, against the Board, and its officials and employees;

(c) The Board shall authorize and do all things possible to assure that Pledged Revenues are paid to the Paying Agent/Registrar on behalf of the University in accordance with the requirements of Section 8 hereof; and

(d) It is the duty and obligation of the Board, its officers, employees and agents (who are hereby so authorized and directed) to cooperate with and aid the Comptroller in calculating the amounts to be deposited in, or transferred to the University and to ascertain the amounts to be remitted to the Paying Agent/Registrar to meet the requirements for the due and punctual payment of each installment of interest and each installment of principal as such interest and principal respectively mature on any Interest Payment Date.

Section 15. PUBLIC FUNDS COLLATERAL. That all money in all Funds created by the resolutions authorizing the Bonds, to the extent not invested, shall be secured in the manner prescribed by law, for securing funds of the University, in principal amounts at all times not less than the amounts of money credited to such Funds, respectively.

Section 16. DEFEASANCE OF BONDS. (a) Defeased Bonds. That any Bond and the interest thereon shall be deemed to be paid, retired and no longer outstanding (a "Defeased Bond") within the meaning of this Resolution, except to the extent provided in subsection (d) of this Section, when payment of the principal of such Bond, plus interest thereon to the due date (whether
such due date be by reason of maturity or otherwise) either (i) shall have been made or caused to be made in accordance with the terms thereof, or (ii) shall have been provided for on or before such due date by irrevocably depositing with or making available to the Paying Agent/Registrar in accordance with an escrow agreement or other instrument (the "Future Escrow Agreement") for such payment (1) lawful money of the United States of America sufficient to make such payment or (2) Defeasance Securities that mature as to principal and interest in such amounts and at such times as will insure the availability, without reinvestment, of sufficient money to provide for such payment, and when proper arrangements have been made by the Issuer with the Paying Agent/Registrar for the payment of its services until all Defeased Bonds shall have become due and payable. At such time as a Bond shall be deemed to be a Defeased Bond hereunder, as aforesaid, such Bond and the interest thereon shall no longer be secured by, payable from, or entitled to the benefits of, the revenues herein pledged as provided in this Resolution, and such principal and interest shall be payable solely from such money or Defeasance Securities. Notwithstanding any other provision of this Resolution to the contrary, it is hereby provided that any determination not to redeem Defeased Bonds that is made in conjunction with the payment arrangements specified in subsection (a)(i) or (ii) of this Section 16 shall not be irrevocable, provided that: (1) in the proceedings providing for such payment arrangements, the Issuer expressly reserves the right to call the Defeased Bonds for redemption; (2) gives notice of the reservation of that right to the owners of the Defeased Bonds immediately following the making of the payment arrangements; and (3) directs that notice of the reservation be included in any redemption notices that it authorizes.

(b) Investment in Defeasance Securities. Any moneys so deposited with the Paying Agent/Registrar may at the written direction of the Issuer be invested in Defeasance Securities, maturing in the amounts and times as hereinbefore set forth, and all income from such Defeasance Securities received by the Paying Agent/Registrar that is not required for the payment of the Bonds and interest thereon, with respect to which such money has been so deposited, shall be turned over to the Issuer, or deposited as directed in writing by the Issuer. Any Future Escrow Agreement pursuant to which the money and/or Defeasance Securities are held for the payment of Defeased Bonds may contain provisions permitting the investment or reinvestment of such moneys in Defeasance Securities or the substitution of other Defeasance Securities upon the satisfaction of the requirements specified in subsection (a)(i) or (ii) of this Section 16. All income from such Defeasance Securities received by the Paying Agent/Registrar which is not required for the payment of the Defeased Bonds, with respect to which such money has been so deposited, shall be remitted to the Issuer or deposited as directed in writing by the Issuer.

(c) Paying Agent/Registrar Services. Until all Defeased Bonds shall have become due and payable, the Paying Agent/Registrar shall perform the services of Paying Agent/Registrar for such Defeased Bonds the same as if they had not been defeased, and the Issuer shall make proper arrangements to provide and pay for such services as required by this Resolution.

(d) Selection of Bonds for Defeasance. In the event that the Issuer elects to defease less than all of the principal amount of Bonds of a maturity, the Paying Agent/Registrar shall select, or cause to be selected, such amount of Bonds by such random method as it deems fair and appropriate.
Section 17. DAMAGED, MUTILATED, LOST, STOLEN OR DESTROYED BONDS. (a) Replacement Bonds. In the event any outstanding Bond is damaged, mutilated, lost, stolen or destroyed, the Paying Agent/Registrar shall cause to be printed, executed and delivered, a new Bond of the same principal amount, maturity and interest rate, as the damaged, mutilated, lost, stolen or destroyed Bond, in replacement for such Bond in the manner hereinafter provided.

(b) Application for Replacement Bonds. Application for replacement of damaged, mutilated, lost, stolen or destroyed Bonds shall be made by the registered owner thereof to the Paying Agent/Registrar. In every case of loss, theft or destruction of a Bond, the registered owner applying for a replacement Bond shall furnish to the Board and to the Paying Agent/Registrar such security or indemnity as may be required by them to save each of them harmless from any loss or damage with respect thereto. Also, in every case of loss, theft or destruction of a Bond, the registered owner shall furnish to the Board and to the Paying Agent/Registrar evidence to their satisfaction of the loss, theft or destruction of such Bond, as the case may be. In every case of damage or mutilation of a Bond, the registered owner shall surrender to the Paying Agent/Registrar for cancellation the Bond so damaged or mutilated.

(c) No Default Occurred. Notwithstanding the foregoing provisions of this Section 17, in the event any such Bond shall have matured, and no default has occurred which is then continuing in the payment of the principal of or interest on such Bond, the Board may authorize the payment of the same (without surrender thereof except in the case of a damaged or mutilated Bond) instead of issuing a replacement Bond, provided security or indemnity is furnished as above provided in this Section 17.

(d) Charge for Issuing Replacement Bonds. Prior to the issuance of any replacement Bond, the Paying Agent/Registrar shall charge the registered owner of such Bond with all legal, printing and other expenses in connection therewith. Every replacement bond issued pursuant to the provisions of this Section 17 by virtue of the fact that any Bond is lost, stolen or destroyed shall constitute a contractual obligation of the Board whether or not the lost, stolen or destroyed Bond shall be found at any time, or be enforceable by anyone, and shall be entitled to all the benefits of this Resolution equally and proportionately with any and all other Bonds duly issued under this Resolution.

(e) Authority for Issuing Replacement Bonds. In accordance with Chapter 1206, Texas Government Code, this Section 17 shall constitute authority for the issuance of any such replacement bond without necessity of further action by the Board or any other body or person, and the duty of the replacement of such Bonds is hereby authorized and imposed upon the Paying Agent/Registrar, and the Paying Agent/Registrar shall authenticate and deliver such Bonds in the form and manner and with the effect, as provided in Section 5(a) of this Resolution for Bonds issued in conversion and exchange of other Bonds.

Section 18. COVENANTS REGARDING TAX EXEMPTION OF INTEREST ON THE BONDS. (a) Covenants. The Board covenants to take any action necessary to assure, or refrain from any action which would adversely affect, the treatment of the Bonds as obligations
described in section 103 of the Internal Revenue Code of 1986, as amended (the "Code"), the interest on which is not includable in the "gross income" of the holder for purposes of federal income taxation. In furtherance thereof, the Board covenants as follows:

(1) to take any action to assure that no more than 10 percent of the proceeds of the Bonds or the projects financed therewith (less amounts deposited to a reserve fund, if any) are used for any "private business use," as defined in section 141(b)(6) of the Code or, if more than 10 percent of the proceeds or the projects financed therewith are so used, such amounts, whether or not received by the Board, with respect to such private business use, do not, under the terms of this Resolution or any underlying arrangement, directly or indirectly, secure or provide for the payment of more than 10 percent of the debt service on the Bonds, in contravention of section 141(b)(2) of the Code;

(2) to take any action to assure that in the event that the "private business use" described in subsection (1) hereof exceeds 5 percent of the proceeds of the Bonds or the projects financed therewith (less amounts deposited into a reserve fund, if any) then the amount in excess of 5 percent is used for a "private business use" which is "related" and not "disproportionate," within the meaning of section 141(b)(3) of the Code, to the governmental use;

(3) to take any action to assure that no amount which is greater than the lesser of $5,000,000, or 5 percent of the proceeds of the Bonds (less amounts deposited into a reserve fund, if any) is directly or indirectly used to finance loans to persons, other than state or local governmental units, in contravention of section 141(c) of the Code;

(4) to refrain from taking any action which would otherwise result in the Bonds being treated as "private activity bonds" within the meaning of section 141(b) of the Code;

(5) to refrain from taking any action that would result in the Bonds being "federally guaranteed" within the meaning of section 149(b) of the Code;

(6) to refrain from using any portion of the proceeds of the Bonds, directly or indirectly, to acquire or to replace funds which were used, directly or indirectly, to acquire investment property (as defined in section 148(b)(2) of the Code) which produces a materially higher yield over the term of the Bonds, other than investment property acquired with —

(A) proceeds of the Bonds invested for a reasonable temporary period of 3 years or less or, in the case of a refunding bond, for a period of 30 days or less until such proceeds are needed for the purpose for which the Bonds are issued,

(B) amounts invested in a bona fide debt service fund, within the meaning of section 1.148-1(b) of the Treasury Regulations, and
(C) amounts deposited in any reasonably required reserve or replacement fund to the extent such amounts do not exceed 10 percent of the proceeds of the Bonds;

(7) to otherwise restrict the use of the proceeds of the Bonds or amounts treated as proceeds of the Bonds, as may be necessary, so that the Bonds do not otherwise contravene the requirements of section 148 of the Code (relating to arbitrage) and, to the extent applicable, section 149(d) of the Code (relating to advance refundings); and

(8) to pay to the United States of America at least once during each five-year period (beginning on the date of delivery of the Bonds) an amount that is at least equal to 90 percent of the "Excess Earnings," within the meaning of section 148(f) of the Code and to pay to the United States of America, not later than 60 days after the Bonds have been paid in full, 100 percent of the amount then required to be paid as a result of Excess Earnings under section 148(f) of the Code.

(b) Rebate Fund. In order to facilitate compliance with the above covenant (8), a "Rebate Fund" is hereby established by the Board for the sole benefit of the United States of America, and such fund shall not be subject to the claim of any other person, including without limitation the bondholders. The Rebate Fund is established for the additional purpose of compliance with section 148 of the Code.

(c) Proceeds. The Board understands that the term "proceeds" includes "disposition proceeds" as defined in the Treasury Regulations and, in the case of refunding bonds, transferred proceeds (if any) and proceeds of the refunded bonds expended prior to the date of issuance of the Bonds. It is the understanding of the Board that the covenants contained herein are intended to assure compliance with the Code and any regulations or rulings promulgated by the U.S. Department of the Treasury pursuant thereto. In the event that regulations or rulings are hereafter promulgated which modify or expand provisions of the Code, as applicable to the Bonds, the Board will not be required to comply with any covenant contained herein to the extent that such failure to comply, in the opinion of nationally recognized bond counsel, will not adversely affect the exemption from federal income taxation of interest on the Bonds under section 103 of the Code. In the event that regulations or rulings are hereafter promulgated which impose additional requirements which are applicable to the Bonds, the Board agrees to comply with the additional requirements to the extent necessary, in the opinion of nationally recognized bond counsel, to preserve the exemption from federal income taxation of interest on the Bonds under section 103 of the Code. In furtherance of such intention, the Board hereby authorizes and directs the Vice President for Finance and Administration to execute any documents, certificates or reports required by the Code and to make such elections, on behalf of the Board, which may be permitted by the Code as are consistent with the purpose for the issuance of the Bonds.

Section 19. ALLOCATION OF, AND LIMITATION ON, EXPENDITURES FOR THE PROJECT. The Board covenants to account for the expenditure of sale proceeds and investment earnings to be used for the purposes described in Section 2 of this Resolution (the
the "Project") on its books and records in accordance with the requirements of the Code. The Board recognizes that in order for the proceeds to be considered used for the reimbursement of costs, the proceeds must be allocated to expenditures within 18 months of the later of the date that (1) the expenditure is made, or (2) the Project is completed; but in no event later than three years after the date on which the original expenditure is paid. The foregoing notwithstanding, the Board recognizes that in order for proceeds to be expended under the Code, the sale proceeds or investment earnings must be expended no more than 60 days after the earlier of (1) the fifth anniversary of the delivery of the Bonds, or (2) the date the Bonds are retired. The Board agrees to obtain the advice of nationally-recognized bond counsel if such expenditure fails to comply with the foregoing to assure that such expenditure will not adversely affect the tax-exempt status of the Bonds. For purposes of this subsection, the Board shall not be obligated to comply with this covenant if it obtains an opinion of nationally-recognized bond counsel to the effect that such failure to comply will not adversely affect the excludability for federal income tax purposes from gross income of the interest.

Section 20. DISPOSITION OF PROJECT. The Board covenants that the property constituting the Project will not be sold or otherwise disposed in a transaction resulting in the receipt by the Board of cash or other compensation, unless the Board obtains an opinion of nationally-recognized bond counsel that such sale or other disposition will not adversely affect the tax-exempt status of the Bonds. For purposes of this subsection, the portion of the property comprising personal property and disposed of in the ordinary course shall not be treated as a transaction resulting in the receipt of cash or other compensation. For purposes of this subsection, the Board shall not be obligated to comply with this covenant if it obtains an opinion of nationally-recognized bond counsel to the effect that such failure to comply will not adversely affect the excludability for federal income tax purposes from gross income of the interest.

Section 21. COMPLIANCE WITH RULE 15c2-12. (a) Annual Reports. (i) The Board shall provide annually to each NRMSIR and any SID, within six months after the end of each fiscal year ending in or after 2008, financial information and operating data with respect to the Board of the general type included in the final Official Statement authorized by Section 23 of this Resolution, being the information described in Exhibit "B" hereto. Any financial statements so to be provided shall be (1) prepared in accordance with the accounting principles described in Exhibit "B" hereto, or such other accounting principles as the Board may be required to employ from time to time pursuant to state law or regulation, and (2) audited, if the Board commissions an audit of such statements and the audit is completed within the period during which they must be provided. If the audit of such financial statements is not complete within such period, then the Board shall provide audited financial statements for the applicable fiscal year to each NRMSIR and any SID, when and if the audit report on such statements become available.

(ii) If the Board changes its fiscal year, it will notify each NRMSIR and any SID of the change (and of the date of the new fiscal year end) prior to the next date by which the Board otherwise would be required to provide financial information and operating data pursuant to this Section. The financial information and operating data to be provided pursuant to this Section may be set forth in full in one or more documents or may be included by specific reference to any
document (including an official statement or other offering document, if it is available from the MSRB) that theretofore has been provided to each NRMSIR and any SID or filed with the SEC.

(b) **Material Event Notices.** The Board shall notify any SID and either each NRMSIR or the MSRB, in a timely manner, of any of the following events with respect to the Bonds, if such event is material within the meaning of the federal securities laws:

1. Principal and interest payment delinquencies;
2. Non-payment related defaults;
3. Unscheduled draws on debt service reserves reflecting financial difficulties;
4. Unscheduled draws on credit enhancements reflecting financial difficulties;
5. Substitution of credit or liquidity providers, or their failure to perform;
6. Adverse tax opinions or events affecting the tax-exempt status of the Bonds;
7. Modifications to rights of holders of the Bonds;
8. Bond calls;
9. defeasances;
10. Release, substitution, or sale of property securing repayment of the Bonds, and
11. Rating changes.

The Board shall notify any SID and either each NRMSIR or the MSRB, in a timely manner, of any failure by the Board to provide financial information or operating data in accordance with subsection (a) of this Section by the time required by such subsection.

(c) **Limitations, Disclaimers, and Amendments.** (i) The Board shall be obligated to observe and perform the covenants specified in this Section for so long as, but only for so long as, the Board remains an "obligated person" with respect to the Bonds within the meaning of the Rule, except that the Board in any event will give notice of any deposit made in accordance with this Resolution or applicable law that causes the Bonds no longer to be Outstanding.

(ii) The provisions of this Section are for the sole benefit of the registered owners and beneficial owners of the Bonds, and nothing in this Section, express or implied, shall give any benefit or any legal or equitable right, remedy, or claim hereunder to any other person. The Board undertakes to provide only the financial information, operating data, financial statements, and notices which it has expressly agreed to provide pursuant to this Section and does not hereby undertake to provide any other information that may be relevant or material to a complete presentation of the Board's financial results, condition, or prospects or hereby undertake to update any information provided in accordance with this Section or otherwise, except as expressly provided herein. The Board does not make any representation or warranty concerning such information or its usefulness to a decision to invest in or sell Bonds at any future date.

(iii) **UNDER NO CIRCUMSTANCES SHALL THE BOARD BE LIABLE TO THE REGISTERED OWNER OR BENEFICIAL OWNER OF ANY BOND OR ANY OTHER PERSON, IN CONTRACT OR TORT, FOR DAMAGES RESULTING IN WHOLE OR IN**
PART FROM ANY BREACH BY THE BOARD, WHETHER NEGLIGENT OR WITHOUT FAULT ON ITS PART, OF ANY COVENANT SPECIFIED IN THIS SECTION, BUT EVERY RIGHT AND REMEDY OF ANY SUCH PERSON, IN CONTRACT OR TORT, FOR OR ON ACCOUNT OF ANY SUCH BREACH SHALL BE LIMITED TO AN ACTION FOR MANDAMUS OR SPECIFIC PERFORMANCE.

(iv) No default by the Board in observing or performing its obligations under this Section shall comprise a breach of or default under the Resolution for purposes of any other provision of this Resolution. Nothing in this Section is intended or shall act to disclaim, waive, or otherwise limit the duties of the Board under federal and state securities laws.

(v) The provisions of this Section may be amended by the Board from time to time to adapt to changed circumstances that arise from a change in legal requirements, a change in law, or a change in the identity, nature, status, or type of operations of the Board, but only if (1) the provisions of this Section, as so amended, would have permitted an underwriter to purchase or sell Bonds in the primary offering of the Bonds in compliance with the Rule, taking into account any amendments or interpretations of the Rule since such offering as well as such changed circumstances and (2) either (a) the registered owners of a majority in aggregate principal amount (or any greater amount required by any other provision of this Resolution that authorizes such an amendment) of the Outstanding Bonds consent to such amendment or (b) a person that is unaffiliated with the Board (such as nationally recognized bond counsel) determined that such amendment will not materially impair the interest of the registered owners and beneficial owners of the Bonds. If the Board so amends the provisions of this Section, it shall include with any amended financial information or operating data next provided in accordance with subsection (a) of this Section an explanation, in narrative form, of the reason for the amendment and of the impact of any change in the type of financial information or operating data so provided. The Board may also amend or repeal the provisions of this continuing disclosure agreement if the SEC amends or repeals the applicable provision of the Rule or a court of final jurisdiction enters judgment that such provisions of the Rule are invalid, but only if and to the extent that the provisions of this sentence would not prevent an underwriter from lawfully purchasing or selling Bonds in the primary offering of the Bonds.

The filing of such continuing disclosure information with a central post office approved for such purposes by the SEC, such as Disclosure USA, for submission to the NRMSIRs and SID (without also separately submitting such filings to the NRMSIRs and SID by some other means) will satisfy the Board's obligation to file such information with the NRMSIRs and SID so long as such filing is acceptable to the SEC.

Section 22. CUSTODY, APPROVAL AND REGISTRATION OF BONDS; BOND COUNSEL'S OPINION. The Chair of the Board or the designee thereof is hereby authorized to have control of the Bonds initially issued and delivered hereunder and all necessary records and proceedings pertaining to the Bonds pending their delivery and their investigation, examination and approval by the Attorney General of the State of Texas, and their registration by the Comptroller. Upon registration of the Bonds the Comptroller shall manually sign the Comptroller's Registration
Certificate attached to such Bonds, and the seal of the Comptroller shall be impressed, or placed in facsimile, on such Certificate. The approving legal opinion of the Board's Bond Counsel may be printed on the Bonds issued and delivered under this Resolution, but it shall have no legal effect, and shall be solely for the convenience and information of the registered owners of the Bonds.

Section 23. OFFERING DOCUMENTS. On behalf of the Board, the Vice President for Finance and Administration is hereby authorized and directed to provide for and oversee the preparation of the Notice of Sale, the Official Bid Form and a preliminary and final official statement in connection with the issuance of the Bonds, and to approve such official statement and deem it final in compliance with the Rule and to provide it to the Purchasers of the Bonds in compliance with the Rule.

Section 24. DTC LETTER OF REPRESENTATION. The previous execution and delivery of the DTC Blanket Letter of Representations with respect to obligations of the Board is hereby ratified and confirmed; and the provisions thereof shall be fully applicable to the Bonds.

Section 25. FURTHER PROCEEDINGS. That the Chair and Secretary, the Vice President of Administration and Finance, and all other officers, employees and agents of the Board, and each of them, shall be and they are hereby expressly authorized, empowered and directed from time to time and at any time to do and perform all such acts and things and to execute, acknowledge and deliver in the name and under the corporate seal and on behalf of the Board all such instruments, whether herein mentioned, as may be necessary or desirable in order to carry out the terms and provisions of this Resolution and the Bonds, including, but not limited to, the printing of any statement relating to the insuring of the Bonds by a municipal bond insurance company.

Section 26. RULES OF CONSTRUCTION. For all purposes of this Resolution, unless the context requires otherwise, all references to designated Sections and other subdivisions are to the Sections and other subdivisions of this Resolution. The words "herein", "hereof" and "hereunder" and other words of similar import refer to this Resolution as a whole and not to any particular Section or other subdivision. Except where the context otherwise requires, terms defined in this Resolution to impart the singular number shall be considered to include the plural number and vice versa. References to any named person means that party and its successors and assigns. References to any constitutional, statutory or regulatory provision means such provision as it exists on the date this Resolution is adopted by the Board and any future amendments thereto or successor provisions thereof. Any reference to the payment of principal in this Resolution shall be deemed to include the payment of mandatory sinking fund redemption payments, if any. Any reference to FORM OF BOND shall refer to the form attached to this Resolution as Exhibit "A". The Board hereby incorporates the recitals set forth in the preamble hereto as if set forth in full at this place and further finds and determines that said recitals are true and correct.

Section 27. PUBLIC NOTICE. It is hereby found and determined that each of the officers and members of the Board was duly and sufficiently notified officially and personally, in advance, of the time, place, and purpose of the meeting at which this Resolution was adopted, and
that this Resolution would be introduced and considered for adoption at said meeting; and that said meeting was open to the public, and public notice of the time, place, and purpose of said meeting was given, all as required by Chapter 551, Texas Government Code.

Section 28. PAYMENT OF ATTORNEY GENERAL FEE. The Board hereby authorizes the disbursement of a fee equal to the lesser of (i) one-tenth of one percent of the principal amount of each Series of the Bonds or (ii) $9,500 per Series, provided that such fee shall not be less than $750, to the Attorney General of Texas Public Finance Division for payment of the examination fee charged by the State of Texas for the Attorney General's review and approval of public securities and credit agreements, as required by Section 1202.004 of the Texas Government Code. The System Representative is hereby instructed to take the necessary measures to make this payment. The Board is also authorized to reimburse the appropriate funds for such payment from proceeds of the Bonds.

Section 29. NO PERSONAL LIABILITY. No covenant or agreement contained in the Bonds, this Resolution or any corollary instrument shall be deemed to be the covenant or agreement of any member of the Board or any officer, agent, employee or representative of the Board in his individual capacity, and neither the directors, officers, agents, employees or representatives of the Board nor any person executing the Bonds shall be personally liable thereon or be subject to any personal liability for damages or otherwise or accountability by reason of the issuance thereof, or any actions taken or duties performed, whether by virtue of any constitution, statute or rule of law, or by the enforcement of any assessment or penalty, or otherwise, all such liability being expressly released and waived as a condition of and in consideration for the issuance of the Bonds.

If a conditional notice of redemption is given and such prerequisites to the redemption and sufficient moneys are not received, such notice shall be of no force and effect, the District shall not redeem such Bonds and the Paying Agent/Registrar shall give notice, in the manner in which the notice of redemption was given, to the effect that the Bonds have not been redeemed.

THIS BOND OR ANY PORTION or portions hereof in any authorized denomination may be assigned and shall be transferred only in the Registration Books of the Board kept by the Paying Agent/Registrar acting in the capacity of registrar for the Bonds, upon the terms and conditions set forth herein and in the Bond Resolution. This Bond may only be assigned and transferred upon presentation and surrender to the Paying Agent/Registrar for transfer of registration and cancellation, together with proper instruments of assignment, in form and with guarantee of signatures satisfactory to the Paying Agent/Registrar, evidencing assignment of this Bond or any portion or portions hereof to the assignee or assignees in whose name or names this Bond or any such portion or portions hereof is or are to be transferred and registered. The form of Assignment printed or endorsed on this Bond shall be executed by the registered owner, or its duly authorized attorney or representative, and shall conclusively evidence the assignment hereof. Upon surrender of this Bond or any portion or portions hereof for transfer of registration, an authorized representative of the Paying Agent/Registrar shall make such transfer in the Registration Books, and shall deliver a new Bond or Bonds payable to such assignee or assignees, or to the registered owner hereof in the case of the assignment and transfer of only a portion of this Bond, in exchange for this Bond, all in the form and manner as provided in the next paragraph hereof for the conversion and exchange of Bonds. The registered owner of this Bond shall be deemed and treated by the Board and the Paying Agent/Registrar as the absolute owner hereof for all purposes, including payment and discharge of liability upon this Bond to the extent of such payment, and the Board and the Paying Agent/Registrar shall not be affected by any notice to the contrary.

IN ACCORDANCE WITH the form and procedures set forth in the Bond Resolution, this Bond, or any unpaid portion hereof, may, at the written request of the registered owner or the
assignee or assignees hereof, or its or their duly authorized attorneys or representatives, with guarantee of signatures satisfactory to the Paying Agent/Registrar, be converted into and exchanged for a Bond or Bonds of like aggregate principal amount, payable to the appropriate registered owner, assignee or assignees, as the case may be, having the same maturity date, and bearing interest at the same rate, in any Authorized Denomination as requested, upon surrender of this Bond to the Paying Agent/Registrar at the Designated Trust Office for cancellation. The one requesting a transfer, conversion or exchange shall pay any taxes or governmental charges required to be paid with respect thereto as a condition precedent to the exercise of such privilege of transfer, conversion or exchange.

WHENEVER the beneficial ownership of this Bond is determined by a book entry at a securities depository for the Bonds, the foregoing requirements of holding, delivering or transferring this Bond shall be modified to require the appropriate person or entity to meet the requirements of the securities depository as to registering or transferring the book entry to produce the same effect.

IN THE EVENT any Paying Agent/Registrar for the Bonds is changed by the Board, resigns or otherwise ceases to act as such, the Board has covenanted in the Bond Resolution that it promptly will appoint a competent and legally qualified substitute therefor, and cause written notice thereof to be mailed to the registered owners of the Bonds.

IT IS HEREBY CERTIFIED, recited, and covenanted that this Bond has been duly and validly authorized, issued, and delivered; that all acts, conditions, and things required or proper to be performed, exist, and be done precedent to or in the authorization, issuance and delivery of this Bond have been performed, existed, and been done in accordance with the law; that this Bond is a special obligation of the Board payable from up to 50% of the money appropriated pursuant to Article VII, Section 17, Texas Constitution, and allocated annually to Stephen F. Austin State University in accordance with the provisions of Chapter 62, Texas Education Code, as amended, which are the "Pledged Revenues" as defined in the Bond Resolution, and that the principal of and interest on this Bond are payable from and secured by a first lien on and pledge of the Pledged Revenues.

THE BOARD has reserved the right, subject to the restrictions stated in the Bond Resolution authorizing this Series of Bonds, to issue additional parity revenue bonds which also may be made payable from, and secured by a first lien on and pledge of, the Pledged Revenues.

THE REGISTERED OWNER shall never have the right to demand payment of this obligation out of any funds raised or to be raised by taxation.

(iii) mature in the years and in the principal amounts as set forth in Exhibit "A", (iv) bear interest at the rates for each such maturity and such interest shall be payable on the dates set forth in Exhibit "A" and in the Bond Resolution, and (v) have the other terms and provisions, all as provided in Exhibit "A", the Bond Resolution, the winning bid, and the Official Statement. Each Series 2008 Bond shall reflect the terms set forth in Exhibit "A" and the provisions in the Form of Bond set forth in the Bond Resolution.
