*SFA GARDENS*
The Gardens

SFA Gardens includes six beautiful areas on the Stephen F. Austin State University campus. The Mast Arboretum is a diverse garden with more than 7,500 different plants and 20 theme gardens, including the Kingham Children’s Garden. The Ruby M. Mize Azalea Garden is the largest azalea garden in Texas with more than 520 azalea varieties, as well as camellias, hydrangeas and Japanese maples.

The Gayla Mize Garden features informal plantings of deciduous azaleas, understory trees and a variety of ornamental shrubs. The SFA Pineywoods Native Plant Center is a 40-acre living laboratory used by students from preschool through college, and it is a wonderful recreational resource for the community to enjoy with two miles of accessible trails. The newest addition, Hinds Park, features wildflowers, fruit and flowering trees and shrubs, kiwis, and one of the best collections of bald cypress trees in the nation.

SFA Gardens needs your support to reach its goals to provide outdoor educational programming for families and to continue successful afterschool programs for elementary and middle school students. Membership funds continue to support education and interpretation in all the gardens.

Membership Benefits

As a $50 or higher-level member of the SFA Gardens you will receive:

- membership to all gardens
- early notification of special events
- four issues of the SFA Gardens newsletter
- discounts to garden seminars
- affiliate garden discount at Lady Bird Johnson Wildflower Center in Austin and
- other special opportunities according to your membership level.

Membership benefits reflect the roots of our mission to bring you into the gardens to experience a diversity of plants and educational events. A special invitation to members joining at the Supporting, Friend, Sponsor or Patron levels gives you the option of attending an exclusive presale for the Fall Festival and Garden Gala plant sales.

In order to provide for our special members, as well as regular sale attendees, presale purchases must be limited to the quantities stated within membership levels. Presale purchases are subject to regular plant sale prices and will include tax.

Visit the SFA Gardens event webpage for information on presale purchasing and dates.

Celebrate 35 years of planning and planting by becoming a member of the gardens!
