

APPENDIX

Course Equivalencies for Texas Common Course Numbers

Common Course Identifiers

Each course is assigned an alphabetic prefix. The prefix specifies the department that offers the course. A four-digit number is also assigned to each course. The first of four digits identifies the academic level of the course. Freshman or first-year courses are designated by a “1”; sophomore or second-year courses by a “2.” The second digit specifies the number of semester credit hours awarded for the completion of the course. The third and fourth digits distinguish the course within a program area. For example, ENGL 1301 would be a three-semester credit English course normally taken during the freshman year.
