Q: WHAT DOES SFA STAND FOR?
A: Stephen Fuller Austin, the university’s namesake and Father of Texas. He’s most remembered for his colonization efforts in Texas in the early 1800s. Texas’ capital also is named in his honor.

STEPHEN F. AUSTIN FACTS
• Born Nov. 3, 1793, in Virginia; died Dec. 27, 1836
• Graduated from Transylvania University in Kentucky
• Created informal armed groups, which later became known as the Texas Rangers
• Appointed as the Republic of Texas’ first secretary of state in October 1836
• A 67-foot statue of Austin stands in Angleton, Texas.
• The National Statuary Hall Collection permits each state to select just two statues for display at the Capitol in Washington, D.C. Stephen F. Austin was selected as one of Texas’ statues.
• In 1959, Stephen F. Austin was posthumously inducted into the Hall of Great Westerners.

The live oak trees surrounding the Stone Fort Museum are offspring from Stephen F. Austin’s original burial site.
The first Lumberjack Day was Nov. 8, 1947. The Sylvans, a student forestry club, began participating in Lumberjack Day in 1969 and still host the annual event.

A campus ghost named Chester is said to occupy the Griffith Fine Arts Building. He first appeared in a photograph with the cast of “Tiny Alice” in 1967.

Q: WHY IS THE SFA MASCOT A LUMBERJACK?
A: Because the name Pine Cones was rejected. That’s right. In 1932, SFA students and faculty members met to decide on a mascot. Several names were considered, including Pine Cones. By vote, the assembly chose Lumberjacks (thank goodness)!

“Stay focused, don’t sweat the small stuff, and buy lots and lots of PURPLE!”

NACOGDOCHES IS DIFFICULT TO SPELL.
It’s a Caddo Indian word. Legend has it that a Caddo chief ordered his two grown sons to report to him precisely at sunrise. He told one son to walk east and the other west until sunset. The sons were to establish villages at the places they reached. The westward-bound son stopped in a grove of persimmon trees and named his village Nacogdoches, meaning persimmon. The eastbound son reached a grove of papaw trees and named his village Natchitoches, meaning papaw.

“Check the weather every day. Keep an umbrella in your purse, backpack and car, just in case.”

SFA’s main campus covers 422 acres.

BRIGHT-EYED AND BUSHY-TAILED
SFA is famous for the squirrels on its campus. They love and depend on trees – just like Lumberjacks.
“Find all your classes before the first day. Don’t be the student who is late the first day (or ever).”
Consistently ranked a Tier One regional university by U.S. News & World Report, SFA has the academics you need to succeed.

Within SFA’s six colleges:
- Nelson Rusche College of Business
- James I. Perkins College of Education
- College of Fine Arts
- Arthur Temple College of Forestry and Agriculture
- College of Liberal and Applied Arts
- College of Sciences and Mathematics

Lumberjacks choose from about 80 undergraduate majors and more than 120 areas of study (see Pages 10-11).

DID YOU KNOW?
- Class sizes at SFA are small (averaging 25 students), so you get lots of attention from faculty members who know your name and act as mentors (student-to-faculty ratio: 18:1).
- Approximately 90 percent of SFA’s professors hold the highest degree in their field.
- Lumberjack Landing, SFA’s newest four-story residence hall, is reserved for first-year students. Complete with wireless internet, study lounges on each floor, and the Ed and Gwen Cole Student Success Center (a tutoring facility), residents live and learn while making friends.

UNDECIDED ON A MAJOR?
You’re not alone! Many first-year college students have not yet selected a major. Don’t worry. Academic advising can help. Advisors in the Academic Advising Center, located on the second floor of Steen Library, will help you explore majors and select courses until you declare yours.

AT THE TOP OF YOUR CLASS?
SCHOOL OF HONORS – Student benefits include early registration, exclusive scholarships, financial support for undergraduate research, study abroad trips and a designated computer lab with free printing.

Honor students also have the opportunity to live in the Lumberjack Landing Honors Wing or Wisely Hall. Lumberjack Landing is an all-freshman hall with modern facilities that promote an academically focused atmosphere. Wisely Hall houses freshmen through seniors in a quiet, coed living environment that challenges academically talented students in a family atmosphere.

ACADEMIC TERMINOLOGY

Below are a few words, titles, descriptions and phrases commonly used in academia.

**Academic Advisor:** A professional staff or faculty member who helps students select courses and plan for the future.

**Academic Year:** Starts on the first day of fall classes and ends in mid-August after summer final exams.

**Class Hour:** One hour of time spent in class per week; most classes are three class hours, meaning they meet for approximately three hours per week.

**Core Curriculum:** The general educational requirements needed to obtain a degree; these are in addition to the courses required in the student’s field of study.

**Co-requisite:** A class that must be taken with another class.

**Dean:** A person with significant authority over a specific academic unit, area of concern or both.

**Dean’s List:** Students who earn a 3.5 GPA in a semester with at least 12 quality hours. Courses excluded from grade-point computation also are excluded from quality hours and may not be used to determine honor roll status.

**Degree Plan:** The document provided by academic departments and colleges that specifies which courses are required in order to earn a certain degree.

**Desire 2 Learn:** The D2L course management platform is SFA’s supported online course delivery software. It is an integrated set of web course tools used for delivery of online courses as well as providing enhanced online instruction and communication tools for traditional classroom-based courses.

**Development Course:** A foundation course designed to allow students to develop mastery of the necessary skills required for college success.

**Dropping Courses:** The process of removing one specific course from a semester schedule.

**Extended Probation, Academic:** Probation students whose semester GPA is 2.0 or higher but their cumulative GPA fails to meet the minimum standard 2.0.

**Full-time Students:** Students enrolled in 12 or more class hours for a fall or spring semester. Also, students enrolled in six or more class hours for a summer school term (undergraduate students).

**Grade-point Average:** This is determined by a student’s final grades at the end of each semester.

**Hold:** A block put on a student’s account that may prevent him/her from registering, receiving a transcript or graduating. A hold is placed on an account before the student has been to academic advising prior to class registration and if a student fails to pay parking tickets or library fines.
Independent Study: Individual work on a special topic that is supervised by a faculty member. The student’s academic department must approve the project in advance, and a faculty member must agree to oversee the work.

Internship: On-the-job field experience for which a student may receive academic credit. Some internships are paid, though most are not. The Center for Career and Professional Development can help students find internships in their chosen career field.

Lab: Laboratory work provides students with the opportunity to apply principles learned in lecture classes.

Lecture: A class where the primary method of instruction is lecturing. There may be relatively little interaction between the professor and students during class, which is why it is important for students to utilize the professor’s office hours.

Major: Upper-division study in an academic department. Approximately 30 to 36 class hours in a specific field of study.

Minor: Course concentration in a field outside a major; requires approximately 18 hours of specified coursework. Not all majors require a minor.

mySFA: Part of the SFA website where students can access their email, update their personal information, register for and drop classes, check their grades, view holds on accounts, and pay their tuition and fees.

Prerequisite: A course that must be satisfactorily completed in order to enroll in a subsequent course.

President’s Honor Roll: Students who earn a 4.0 GPA in a semester with at least 12 quality hours; courses excluded from grade-point computation also are excluded from quality hours and may not be used to determine honor roll status.

Probation, Academic: A student is placed on academic probation following the first regular semester in which the GPA fails to meet the minimum academic standard 2.0.

Registrar: The office where students’ records are maintained. The registrar’s office maintains student academic transcripts and coordinates course registration.

Repeating Courses: Students who make an F in a course can get credit only by repeating the course. Undergraduate students who want to repeat courses to improve their GPA at SFA must repeat those courses at SFA. For any course repeated at SFA, the grade earned during the most recent enrollment will be used to calculate the GPA. Credit hours for courses taken at other institutions to replace credit hours earned at SFA may be used to meet graduation credit-hour requirements but may not be used for GPA calculation.

Suspension, Academic: A student is placed on academic suspension after a regular semester that immediately follows a semester of probation if the student’s GPA falls below 2.0.

Syllabus: Course outline, usually distributed the first day of class, with a brief description of the course. The syllabus generally includes assignments, exam dates, grading system, attendance policy and the faculty member’s contact information.

Transcript: Official record of a student’s academic work. It is maintained and updated each semester.

Withdrawal from the University: Students who choose to withdraw from the university will have a W recorded on their transcript if the withdrawal is prior to five days after mid-semester or mid-session, as applicable. Students must initiate the withdrawal process in the Office of the Registrar.

SFA is one of only four Texas public independent institutions, meaning it’s not affiliated with one of the six university systems.

“When people ask, ‘what’s your major?’ it’s just a starting point for conversation. Don’t freak out if you’re undecided.”

There are 50 countries represented by international SFA students.
PAYING FOR COLLEGE
The financial aid office can provide you with the necessary information to apply for financial assistance — whether that be scholarships, grants and/or loans.

In order to be considered for financial assistance, you’ll be required to complete the FAFSA. Here’s what to do:

• Apply as early as possible by logging on to fafsa.ed.gov.
• You and/or your parent must electronically sign the FAFSA. Missing signatures will delay processing.
• Verify all responses for accuracy.
• Print yourself a copy.
• If selected for the “verification” process, be prepared to contact the IRS for a copy of your tax transcripts.

Remember — if you received a scholarship from your high school or other organization, a scholarship notification form must be completed to help determine an accurate financial aid award for you.

SFA SCHOLARSHIPS
SFA offers hundreds of scholarships each year to both new and returning students. To be considered, you must fill out the general scholarship application through mySFA, the university’s intranet web portal. Starting Sept. 1 each year, the application is available, and the deadline for submission is Feb. 1. Scholarships are offered on such criteria as academic major, co-curricular activities and talent. For more information on scholarships, log on to sfasu.edu/faid/scholarships.asp.

ADDITIONAL INFORMATION ABOUT FINANCIAL AID
SFA offers a number of services through its financial aid office, including short-term loans, summer aid and study abroad assistance. A net price calculator also is available and is intended to provide students with useful consumer information regarding college costs after financial aid is taken into consideration. For more information regarding financial aid and the services SFA provides, visit sfasu.edu/faid.

BUSINESS OFFICE
The Business Office, located on the second floor of the Austin Building, is where you’ll pay for tuition and post other payments to your account. Additionally, your student ID is validated here, and checks may be cashed up to $50. This also is the location to initiate refunds and cash advances through BankMobile®. If you have questions about an eBill or other payment-related inquiries, call the Business Office at (936) 468-6960.

“College is not like high school. There is more freedom. Going to class and working hard will get you an A, but it also is very easy to fail if you don’t put in the effort.”
FINANCIAL LITERACY
SFA has partnered with the National Endowment for Financial Education to provide students with the necessary knowledge and skills to make important decisions relating to personal finance matters. The Office of Student Affairs Programs has partnered with NEFE’s Cash Course to offer many useful tools for students. Visit sfasu.edu/studentaffairs/660.asp for more information.

The Student Financial Advisors are available to help you with your finances. Located in the McGee Business Building, Room 169, the advisors are a free resource dedicated to the promotion of financial literacy and smart money management.

COUNSELING SERVICES
Counseling services is staffed with licensed professional counselors and offers individual and group counseling to help students overcome personal and academic obstacles and help students make healthy and productive decisions.

CAMPUS TECHNOLOGY
More than 20 computer labs and approximately 800 workstations are available for student use. One of the technology tools you’ll use throughout your SFA career is mySFA. Through this intranet portal, you’ll manage your SFA email account, register for courses, view your grades and transcripts, and more.

iCARE EARLY ALERTS
The iCare Early Alert program is a unique, integrative approach to academic and behavior intervention on campus. The program, administered through the Office of Student Rights and Responsibilities, is a collaborative response between academics and student affairs to target resources to help improve students’ ability to succeed. The three early intervention tracks consist of behavioral/medical, attendance issues and academic performance. Faculty members can submit early alerts through the advising system that is linked to their classes.
DISABILITY SERVICES
The university is committed to providing equal opportunities in higher education to students with disabilities. Disability services works collaboratively with the student to facilitate specialized support services that meet individual disability-related needs.

EVERY INCOMING FRESHMAN SHOULD ENROLL IN SFA 101.
SFA 101, Freshman Success Seminar, is a specially designed course that is proven to raise your GPA and increase your chances of making it to graduation.
“SFA savvy” instructors teach you the ropes and discuss important topics, such as academic integrity, learning strategies, SFA history and other essential information.
Specialized sections are offered that concentrate on leadership and areas of study. This class gives you a headstart and explores the many resources SFA provides to help you inside and outside the classroom.

Lumberjacks participating in SFA 101 and the Academic Assistance and Resource Center have higher overall GPAs.

STEEN LIBRARY
All the information you need to make the grade can be found within SFA’s library. The four-story facility houses books, periodicals, maps, databases, computer labs and more. In addition, each of SFA’s six colleges has its own librarian who is especially knowledgeable in the college’s subject areas and is at your service.

The Lumberjack Marching Band has participated in the 2012 London New Year’s Day Parade, the 2015 Macy’s Thanksgiving Day Parade in New York and the 2018 St. Patrick’s Day Parade in Dublin, Ireland.

VETERANS RESOURCE CENTER
The VRC, located in the student center, is open to all veterans and their dependents and serves as a place to gather, socialize and form supportive relationships.
In addition, this facility is a hub for veterans’ programming efforts, including helping connect veterans and their dependents with university resources and outside agencies.
CENTER FOR CAREER AND PROFESSIONAL DEVELOPMENT

The Center for Career and Professional Development encourages students to be proactive in developing their professional brand to enhance employability.

Students achieve this through assistance with résumé writing, interview skills, a career closet, internship and job-search strategies, career coaching, workshops and presentations, and career fairs.

More information is available at sfasu.edu/ccpd, or you may visit the center on the third floor of the Rusk Building.

"Don't wait until your final semester to begin your job hunt. Start early by participating in mock interviews, and begin to prepare your résumé."

ACADEMIC ASSISTANCE AND RESOURCE CENTER

Peer tutoring at the AARC makes it easy for you to get the help you need through learning teams, on-call tutors at walk-in tables, supplemental instruction and an online writing lab.

"Keep calm! It's all very new and possibly scary, but if you keep calm, you'll do great in all your classes. And don't forget to use the AARC!"

ON GUARD
The Department of Public Safety patrols the campus 24/7 by automobile, foot and bicycle to protect and serve. Jack Alert, SFA’s emergency notification system, sends text message, voice, email, Facebook, Twitter and website alerts concerning emergencies that may affect the SFA community. Sign up for Jack Alert on mySFA. Additionally, emergency call stations are located throughout the campus – just look for the blue lights.

“Those parking signs are not a joke.”

PARKING TICKETS ARE NO FUN.
Everyone who brings a vehicle to campus must pay to park (even faculty and staff must purchase a parking permit). Depending on what type of student you are (on-campus resident or commuter) and what kind of vehicle you drive (automobile or motorcycle), the type of permit and cost will differ. The type of permit you purchase also will determine which parking lot(s) and garage(s) you may park. To view the parking and traffic rules and regulations, parking maps and the day/evening shuttle bus route, visit sfasu.edu/parking.

Your family just got a lot bigger! Along with approximately 13,000 other currently enrolled Lumberjacks, 1,650 SFA faculty and staff, and thousands of alumni, you now have the purple and white as part of your DNA, too!

If you don’t have your own automobile, no worries. You’ll still be able to easily move around campus. SFA operates the Jack Track shuttle service. It’s free for all currently enrolled SFA students. When classes are in session during the fall and spring semesters, shuttle buses travel around the campus and stop at high-traffic areas. Look for the bus stops!

Nacogdoches is the Garden Capital of Texas. On the university’s campus, there are several world-class landscapes that provide breathtaking opportunities to enjoy the seasons. SFA’s recreational trails include 68 acres of hiking and bicycle trails that wind through Texas’ oldest town.
**LUMBERJACKS’ CLUBS AND ORGANIZATIONS**

Getting involved also is proven to help raise your GPA and increase your chances of graduating on time.

**SFA’S CLUBS AND ORGANIZATIONS FOCUS ON THE FOLLOWING AREAS:**
- Academic/professional
- Cultural
- Greek

“You must study to make good grades, but you will never accomplish this if you don’t relax and have fun, too!”
STUDENT AFFAIRS PROGRAMS

SFA’s Office of Student Affairs Programs is dedicated to providing programs that enrich student involvement, leadership, engagement and fun. From leadership and volunteerism to the annual Homecoming bonfire and concert, there’s an avenue for every Lumberjack to enjoy. Some of the areas housed within student affairs programs include:

• Orientation Programs
• Multicultural Affairs
• Spirit Teams
• Student Engagement Programs
• Student Government Association
• Purple Haze Association (see Page 33)

For more information about student affairs and the programs offered, visit sfasu.edu/studentaffairs.

WEEKS OF WELCOME

Starting the first two weeks of the fall and spring semesters, Weeks of Welcome, one of Orientation Programs’ initiatives, is your opportunity to involve yourself on campus and meet other Lumberjacks. From the class photo to barbecues and pool parties, Weeks of Welcome is nothing but fun!

MULTICULTURAL AFFAIRS

The Office of Multicultural Affairs strives to create a welcoming and inclusive environment for all students. They assist many campus organizations in promoting social justice and cultural and racial diversity through lectures, special events and observances.

SPIRIT TEAMS - A WINNING TRADITION

The SFA cheerleading and dance teams work to increase the overall spirit of the campus community by performing and cheering at SFA sporting and other events and serving as ambassadors and role models. Together, the teams have won an amazing 28 national championships since 1993.

STUDENT GOVERNMENT ASSOCIATION

The SGA is the voice of the students and is administered entirely by SFA students. Its purpose is threefold: to be the voice of the student body, to serve as a model government (with its executive, legislative and judicial branches) and to foster leadership development.

The association introduces legislation on behalf of students, and while it does not pass legislation that is binding to university policy, it does have a significant influence.
Student engagement programs also are housed within the Office of Student Affairs Programs. Some of these offerings include:

- Freshman Leadership Academy
- Involvement Center
- Leadership and Service
- Greek Life
- Student Activities Association
- Traditions Council (see Page 31)
- Jack Camp (see Page 34)

**STUDENT ACTIVITIES ASSOCIATION**

SAA is your source for free on-campus entertainment. It provides a wide variety of weekly activities for students throughout the year. SAA hosts events like the movie series, concerts, comedians and game shows.

The association also coordinates SFA’s on-campus cinema program. Movies are shown in the student center theater on Thursdays, Fridays and Sundays. Students involved in SAA have the opportunity to learn about event planning and working with a team.

**FRESHMAN LEADERSHIP ACADEMY**

A special section of the SFA 101 freshman seminar course, the Freshman Leadership Academy helps prepare participants for success at SFA and to become future student leaders of the university. Four specialized sections are offered with service-learning opportunities.

**INVolvEMENT CENTER**

Get a complete overview of all the clubs and organizations SFA offers by visiting the Involvement Center, located in both the Baker Pattillo Student Center and the lobby of Steen Hall. Peer advisors are available to help you select the organizations that best fit your interests.

**LEADERSHIP AND SERVICE**

Leadership and Service offers students many opportunities to enhance leadership skills and give back to the local community and beyond. Leadership and Service offers alternative breaks, service day events and several offerings through Jacks Give Back.

**GREEK LIFE**

The SFA Greek community offers a diverse group of fraternities and sororities that provide a lifetime of opportunities for friendship, scholarship, leadership and service. Regardless of the fraternity or sorority students choose, membership in a Greek organization enhances their collegiate experience.

Every fraternity or sorority member strives to live The SFA Way.

“Enjoy the time you spend at SFA. It goes by so fast!”
Axe 'em, Jacks!

Recognizing a lag in school spirit, the 1979-80 SFA cheerleaders set out to establish a hand symbol like other universities in hopes of unifying the students and creating enthusiasm on campus. And so, “the axe” was born. The collaborative brainchild of several cheerleaders, the symbol initially started with two fingers forming an axe. The thumb was added to not only make the symbol more unique, but also to form an “L” and a “J” when held side by side. The symbol also has been interpreted as the shape of Texas with two fingers pointing to Nacogdoches, but most of the originators of the hand symbol say it’s simply an axe. The “Axe ‘em, Jacks” symbol was introduced at the first pep rally in the fall of 1979 and was instantly embraced by students. Since then, it has become the definitive symbol of SFA pride to generations of Lumberjacks.
TRADITIONALLY SPEAKING

TOP 10 SFA TRADITIONS:

- Battle for Chief Caddo
- Big Dip Ring Ceremony
- Decorating Axe Handles
- Homecoming Bonfire
- Jacks Charge
- Mr. and Miss SFA
- Battle of the Piney Woods
- Springfest
- Watermelon Bash
- Jack Camp

CHIEF CADDYO
This 7-foot 6-inch, 320-pound statue is the largest trophy passed between NCAA universities. Chief Caddo is awarded annually to the winner of the SFA vs. Northwestern State University football game.

SFA’s mascot, the Lumberjack, was named one of the Top 10 mascots in college basketball in 2014 by ESPN.

WHY IS MY HAND PURPLE?
You’ve just participated in the Big Dip Ring Ceremony. The tradition is one of the final steps to becoming an SFA graduate. Students get their hands dipped in purple dye before receiving their official SFA Ring.
THE AXE HANDLE
Every new student receives an axe handle at Holler @ Homer to personalize with his/her own Lumberjack spirit. Students can be seen (and heard) banging axe handles on the bleachers at SFA football games.

HOMECOMING IS COMING!
Usually held in October, Homecoming unites the Lumberjack community. From near and far, alumni come “home” to SFA to take part in the traditional bonfire, pep rally, duck dash, downtown parade, tailgating, football game and much more. The night of the bonfire, attendees are treated to a free live concert. Past entertainment has included Frankie Ballard, Chris Young and Yung Nation.

DO NOT WEAR ORANGE!
Well, you can wear orange, if you don’t mind being scoffed at. Orange is the main school color of one of SFA’s biggest rivals, Sam Houston State University. That color is a big no-no at SFA.

TRADITIONS COUNCIL
This spirited group of student leaders hosts activities throughout the year that educate Lumberjacks about the rich traditions and history of our university. The hard work and effort of Traditions Council members help connect students to important aspects of campus life and assist students in achieving the full Lumberjack experience.

SCHOOL SONG:
“ALL HAIL TO SFA”
Oh future bright ‘neath the Purple and White
All hail to SFA.
‘Mid Texas pines we have
Found peaceful shrines
Where ev’ry month is May.
Long live our Alma Mater,
Honor to thee for aye.
As years unfold, happy Mem’ries we’ll hold,
All hail to SFA.
THE STARS AT NIGHT ARE BIG AND ... PURPLE?

Well, the stars are actually lights, but they are purple. To help notify the SFA community of an athletic victory, purple lights have been installed on top of the Steen Hall towers and in the Baker Pattillo Student Center clock. If you’re unable to attend a game, just look to the sky, and when the lights are shining, you can rejoice! Axe ‘em!
PURPLE HAZE ASSOCIATION
Purple Haze Association, a student-led association dedicated to preserving Lumberjack spirit and pride, is loud and proud! Members attend sporting events and sit in a special reserved section wearing purple. They also are responsible for coordinating and leading Jacks Charge, “Holler @ Homer” and the Jackhammers.

BOOM!
When you attend SFA home football games, you had better bring your earplugs. Each time the Lumberjacks score, Ol’ Cotton, a World War II-era cannon named after Ret. Lt. Gen. Orren R. “Cotton” Whiddon, the most senior military officer ever to graduate from SFA, is fired by the Lumberjack Battalion’s cannon crew.

JACKS CHARGE
Bring your axe handle and lead the Lumberjack football team onto the field before home games. Wear your purple and white and meet at the SFA Spirit Rock (near Hall 20) 23 minutes (in honor of SFA opening its doors in 1923) before the game. Freshman students are highlighted in the first Jacks Charge of the season, while all enrolled SFA students may join in the tradition for the remainder of the season.

“Get involved. It’s the best way to meet new people! Attend games and support YOUR Jacks!”
WHAT'S BETTER THAN WATERMELON?
Nothing! As the temperatures rise, the Student Government Association hosts the annual Watermelon Bash. The event is free and is SGA’s oldest-standing tradition.

BATTLE OF THE PINEY WOODS
A major highlight of the football season, the Battle of the Piney Woods is a face-off between SFA (yay!) and our biggest rival, the Sam Houston State University Bearkats (boo!). It’s a battle so epic that it’s held at NRG Stadium, home to NFL’s Houston Texans. Students, faculty, staff and alumni from both schools come from all across the state to attend.

Do you want to attend the Battle of the Piney Woods? You can catch one of the student fan buses on campus and ride to Houston with your fellow Lumberjacks.

JACK CAMP
Jack Camp welcomes incoming students to SFA each summer by giving them an opportunity to meet fellow students, have fun and learn about life at SFA. Jack Camp is a three-day extended orientation program that takes place in Trinity, Texas, and helps students adjust to life at SFA.

SPRINGFEST
Closing out the year is the last campus party of the spring semester. Springfest is sponsored by the Student Activities Association and features music, games, free food, prizes and free “stuff.” Springfest is usually held at the end of April.

“My favorite tradition at SFA was painting the axe handles students receive during their first semester as a Lumberjack.”
WHAT IS SURFIN’ STEVE?

“Surfin’ Steve” is how Lumberjacks refer to the statue/fountain of our namesake, Stephen F. Austin. It is located in the center of the campus and depicts Austin standing on a star. It’s one of the campus’ most popular landmarks and meeting spots.

Look for the axe icon for suggestions and ideas to help your student adjust to college life.

Smile. When your student leaves for college, you should be his/her biggest cheerleader. College students moving away from home need a confident smile to reassure them that they are doing the right thing. Of course, you will miss them, but this is a very jubilant, yet apprehensive, moment in their lives.
A MESSAGE FROM
SFA PRESIDENT DR. BAKER PATTILLO

Welcome to SFA! It is an exciting time to be a Lumberjack, and we are so happy your student is considering joining our family. As a parent, you can rest assured your student will be supported by a family of Lumberjacks who truly care about his/her success.

As I am sure you are aware, the transition to college life can be a time of uncertainty for students and parents. At SFA, we strive to make this adjustment as easy as possible through programs like the Lumberjack Orientation you are now attending.

While visiting the campus, you will be provided with a wealth of information about how to help your son or daughter successfully transition to university life. A number of resources will be outlined to detail the many tools SFA students have at their fingertips to help them succeed both inside and outside the classroom.

One of those resources is the guide you are now reading. This Lumberjack Orientation publication includes information you will find invaluable during the coming months.

A recent article published by collegeamerica.edu estimates that in a world population of approximately seven billion, only about 7 percent of people hold a college degree. When you consider that during an adult’s working life, high school graduates can expect, on average, to earn about $1.2 million; those with bachelor’s degrees, $2.1 million; and people with a master’s degree, $2.5 million, a college degree is clearly a crucial asset.

While an SFA student, your son or daughter will have every opportunity to excel in academics, become involved in leadership and other activities, and enjoy being a college student.

With approximately 80 undergraduate degrees and more than 120 areas of study, there is a career path to suit every Lumberjack. Caring faculty members support students through small class sizes in state-of-the-art facilities, and an award-winning tutorial program provides assistance for students in core subjects.

There also are plenty of opportunities to relax, have fun and enjoy the many recreational amenities at SFA, including the Student Recreation Center, which provides thousands of square feet devoted to exercise and stress relief, and the Student Activities Association, which organizes concerts, a movie series and other weekly events.

Your support during the coming months will be imperative to your student’s success. I encourage you to stay involved, visit your son or daughter when possible and continue to emphasize the importance of college. Working together, I have every confidence that your student will have access to the environment and support needed to become a successful university graduate.

Sincerely,

Dr. Baker Pattillo
SFA President

If you are dropping your student off at school, leave a note or card somewhere in his/her new abode. (Maybe also tuck in $20!) After you have left, it will be a nice reminder of how much you care.
YOU’VE KNOWN THIS DAY WOULD COME.

Your student has grown up and is ready to enter college.

Although your student will be moving to Nacogdoches to live and learn at Stephen F. Austin State University, he or she will still have relatives close by because...

YOUR FAMILY JUST GOT BIGGER!

At SFA, we all share the same purple DNA!

You are not losing a son or daughter, but gaining an entire Lumberjack family that truly cares about your student’s success and well-being.

NACOGDOCHES – SO MUCH TO SEE AND DO!

When you visit your student in historic Nacogdoches, there’s plenty to keep you busy. In addition to the many events taking place on SFA’s campus, Nacogdoches is known for its quaint downtown lined with antique and specialty shops and distinctive restaurants.

Don’t miss the opportunity to explore Nacogdoches’ beautiful landscape. The Garden Capital of Texas, Nacogdoches is bursting with blooms along several trails, including the Azalea Trail, which is usually held during March. Be sure to stroll through the SFA Mast Arboretum, the Ruby Mize Azalea Garden, Gayla Mize Garden and the Pineywoods Native Plant Center, all located on SFA’s stunningly beautiful campus.

Mark your calendar for the following annual events held in Nacogdoches: Texas Blueberry Festival, Pineywoods Fair, Holiday in the Pines, Nine Flags Festival, Taste of Nacogdoches and more.

Check out visitnacogdoches.org for specific dates and more information on things to do and see in Texas’ oldest town.

HELPING YOUR STUDENT MAKE THE TRANSITION

The transition to college often is a life-changing and sometimes overwhelming experience. Support from parents, other family members and friends is crucial in helping your new college student make the adjustment.

During the months ahead, there will be highs and lows. Some of the things you should keep in mind during the upcoming academic year include:

AUGUST: Overall excitement, homesickness, roommate issues, abuse of freedom, multiple calls or visits home

SEPTEMBER: Exams usually begin, Parents Day hosted by the Residence Hall Association, opportunities to join a new student organization or sports club

OCTOBER: Midterm grades, consequences of bad study habits, struggles with personal decision-making regarding schoolwork, making friends, fitting in, etc.

NOVEMBER: Exams and papers are due, apprehension and excitement about going home for the holidays, course registration for the next semester begins

DECEMBER: Mixed feelings about going home for the winter break, studying for final exams, anticipation of final grades

JANUARY: Beginning of a new semester, consequences of fall semester performance may cause anxiety, students must make the necessary adjustments

FEBRUARY: Some homesickness isn’t unusual, anticipating spring break

MARCH: Spring break, making choices for the next academic year, changing majors and minors, midterms, summer employment and internship opportunities

APRIL: End of the semester is quickly approaching, final push to complete projects, finally adjusting to the college transition

MAY: Final exams, last-minute summer planning, deciding to remain for summer classes or head home, anticipation of missing college friends

The first few weeks or months of college may be a difficult time for your student. Transitioning from high school to college is a big change. Be supportive, and reassure him/her that it will get better.
TAKE NOTE

College is definitely different than high school. With more freedom comes more responsibility, and you as parents and family members will not be as easily accessible to help your student “make the grade.” Some differences between high school and college are detailed below:

WHAT IS THE BEST WAY TO GET LETTERS AND PACKAGES?

SFA has its own post office located in the Baker Pattillo Student Center. Post box information is included in the student Orientation folders, and box number and combination information can be accessed through mySFA. Contact the post office at (936) 468-2307 for more information. The post office at SFA is open 8 a.m. to 5 p.m. Monday through Friday.

To send letters, parcels or packages to your student, all mail should be addressed to the student’s post office box and should include the university street address (1936 North St.). This address will work for USPS, UPS and FedEx. For example:

Name: Jane Doe
Address Line 1: 1936 North St.
Address Line 2: SFA Station P.O. Box ####
City, State, Zip: Nacogdoches, TX 75962

Most college students know what time mail arrives and watch their mail slot closely each day. Even if it is just an old picture of them or a short note saying how proud you are of them, send something and put a smile on the face of the student you love.

PAYING FOR COLLEGE

The SFA Office of Student Financial Assistance can provide you and your student with the necessary information to apply for financial assistance, whether that be scholarships, grants and/or loans.

In order to be considered for financial assistance, your student will be required to complete the Free Application for Federal Student Aid. Here’s what to do:

- Apply as early as possible by logging on to fafsa.ed.gov.
- Student and/or parent must electronically sign the FAFSA. Missing signatures will delay processing.
- Verify all responses for accuracy.
- Print yourself a copy.
- If selected for the “verification” process, be prepared to contact the IRS for a copy of your tax transcripts.

Remember — if your student received a scholarship from his/her high school or other organization, a scholarship notification form must be completed to help determine an accurate financial aid award for your student.

SFA Scholarships

SFA offers hundreds of scholarships each year to both new and returning students. To be considered, students must fill out the general scholarship application through mySFA, the university’s intranet web portal. Starting Sept. 1 each year, the application is available, and the deadline for submission is Feb. 1. Scholarships are offered on such criteria as academic major, co-curricular activities and talent. For more information on scholarships, log on to sfasu.edu/faid/scholarships.asp.

Additional Information about Financial Aid

SFA offers a number of services through its financial aid office, including short-term loans, summer aid and study abroad assistance. A net price calculator also is available and is intended to provide students with useful consumer information regarding college costs after financial aid is taken into consideration. For more information regarding financial aid and the services SFA provides, visit sfasu.edu/faid.

Business Office

The Business Office, located on the second floor of the Austin Building, is where students pay their tuition and post other payments to student accounts. Additionally, student IDs are validated here, and checks may be cashed up to $50. This also is the location to initiate refunds and cash advances through BankMobile®. If you have questions about an eBill or other payment-related inquiries, call the Business Office at (936) 468-6960.

ACADEMIC SUPPORT PROGRAMS

Academic Advising Center for Undecided Majors

Don’t worry if your student hasn’t selected a major just yet. Many first-year students enter college still unsure of their area of study. Once your student has completed 45 hours of course credit, he/she will be required to declare a major. Advisors in the Academic Advising Center, located on the second floor of Steen Library, will work with your student to help him/her explore majors and select courses each semester while he/she is deciding.

Additionally, a General Bulletin that details all majors and areas of study offered at SFA and the courses required to complete each one is available online. It’s a great resource to help students become even more familiar with all the academic opportunities at SFA.

Tutoring Facilities

Many students need extra help with college-level courses. At SFA, special tutoring facilities provide access to tutors who can help your son or daughter.

- Academic Assistance and Resource Center: An award-winning program located in the library, SFA’s AARC offers free peer tutoring, an online writing lab and supplemental instruction in most lower-division, core-curriculum and high-risk courses. Weekly appointments and walk-in tables make it easy for your student to get the help he/she needs.
- Ed and Gwen Cole Student Success Center: Housed inside SFA’s newest residence hall, Lumberjack Landing, this facility is an extension of the AARC and is open to all SFA students. It offers tutoring and a computer lab.

Talk about financial responsibility with your student. Mutually understood budgets will help your student with spending and saving expectations.
Ralph W. Steen Library

One of the largest libraries in the state, the Steen Library is the facility to help your student make the grade. It houses books, periodicals, maps, databases, computer labs and more. In addition, each of SFA’s six colleges has its own librarian who is especially knowledgeable in the college’s subject areas.

SFA’s iCare Early Alerts

The iCare Early Alert program is a unique, integrative approach to academic and behavior intervention on campus. The program, administered through the Office of Student Rights and Responsibilities, is a collaborative response between academics and student affairs to target resources to help improve students’ ability to succeed. The three early intervention tracks consist of behavioral/medical, attendance issues and academic performance. Faculty members can submit early alerts through the advising system that is linked to their classes.

- **Behavioral Track**: If a student demonstrates a primarily behavioral issue that is sufficiently concerning, he/she is referred to the staff members in the Office of Student Rights and Responsibilities who may, at their discretion, refer the student to the behavioral intervention team. Issues that are more minor in nature can be referred to another appropriate resource, such as counseling and disability services, or handled through the student conduct process.

- **Attendance Track**: Attendance issues are referred to residence life and program volunteers such as the student’s academic advisor or a faculty member from the department of the student’s major. Because attendance issues may be part of a larger problem, students may be sent to either the behavioral or academic performance track advisors.

- **Academic Performance Track**: If SFA students are performing poorly in class, they are referred to the AARC and made aware of the numerous resources available to them. If poor academic performance may be related to a disability, the student may be referred to disability services. Academic advising and the Center for Career and Professional Development referrals may be made if students are considering (or should be) changing majors, or if they may benefit from career guidance.

SFA 101: Freshman Success Program

Students who take SFA 101 earn higher grades on average than those who don’t. SFA 101 is a specially designed semester-long program that teaches your student what he/she needs to know to be successful in college. Some of the topics include:

- academic integrity
- campus services and opportunities
- classroom learning strategies
- time-management skills
- working with professors
- how to get involved
- and more!

SFA-savvy instructors and student instructors who have already progressed to their junior or senior year teach the course and can provide valuable assistance. Encourage your student to take advantage of SFA 101.

School of Honors

The School of Honors provides exceptional intellectual challenge and stimulation for academically talented students. Members benefit from honors coursework, early registration, unique scholarship opportunities, field trips and designated computer labs. The Residence Life Department collaborates with the School of Honors to offer the Academic Excellence Center, a coed living environment that challenges academically talented students in a family atmosphere. Twenty-four quiet hours a day are enforced, so students can concentrate on their studies.

Encourage your student to become involved in at least one or two student organizations or activities. Studies show that students who are involved tend to have higher GPAs and remain in college.
CAMPUS SAFETY

SFA’s Department of Public Safety employs Texas commissioned peace officers who patrol the campus 24/7. Some of the services DPS provides are:

- **Emergency call boxes**: Located throughout campus, the boxes are bright yellow and labeled “Police.” Operation is easy, and the call goes directly to the DPS communication center.

- **Police escorts**: Between dusk and daylight, DPS provides police escorts to any member of the Lumberjack family between campus locations. Just use the call box to request one or call (936) 468-2608. An evening shuttle bus also operates from 5:30 p.m. to 1:30 a.m. Sunday through Thursday that runs a circular route through campus.

- **Vehicle assistance**: DPS can provide help to students having difficulty starting their vehicle or retrieving keys locked inside a vehicle.

- **Jack Alerts**: SFA provides a notification system whereby members of the campus community can receive timely notifications concerning emergencies that may affect them. Notifications are sent through text message, voice call, email, Facebook and Twitter. The system is in compliance with the Clery Act. Registration takes place through mySFA by clicking on “Sign Up for Campus Alerts.”

- **Training programs**: Personal safety training, including defense and alcohol and drug awareness, are offered through DPS. Contact them at (936) 468-2265, or visit sfasu.edu/dps for a complete list of programs and sign-up information.

- **Eyewitness text tip**: This service provides a way for the SFA community to report crimes anonymously. Just send a text to 67283. Begin the message with SFASUTIP.

- **Automated external defibrillators**: Located throughout campus, these devices provide instructions when opened.

Remind your student that in case of an emergency, dial 9-1-1 from any campus phone, or call DPS at (936) 468-2608. To view SFA’s Annual Security and Fire Safety Report, access sfasu.edu/dps. To receive the report by mail, call (936) 468-2252.

A note about crime prevention …

Students can help avoid becoming victims by following a few simple actions:

- Lock the residence even for short trips down the hall.
- Do not leave valuables in the open.
- Engrave valuables with a driver’s license number.
- Record the serial numbers and brand names of property (view information about property registration on mySFA).
- Require identification before admitting unfamiliar people into a residence.
- Remain on lighted walkways and/or use the police escort service at night.

PARKING AND TRAFFIC

Students, faculty and staff who park on campus must purchase a parking permit. The staff members in the parking and traffic office will help determine where your student should park on campus, depending on where he/she resides. Parking permits for cars and trucks are hangtags, and motorcycles use decals.

**Helpful information:**

- Parking permits can be purchased online through the parking portal in the student’s mySFA account.
- Parking rules are enforced 24 hours a day, even when classes are not in session.
- Students should only park in designated areas for their particular permit type and properly display the permit.
- Report lost/stolen permits immediately.
- If your student receives a citation, he/she should not ignore it. Student vehicles with three or more citations are boot eligible. Students who receive 10 or more citations in an academic year may lose their parking privilege for a year.
- There is a 10-day appeal period for citations.
- If a student drives a vehicle unassigned to his/her parking permit, he/she should move the hangtag permit to the vehicle he/she will be driving.
- Visitor parking spaces require a permit obtained at either the parking and traffic office or the information booth on Vista Drive.
- A person temporarily disabled due to illness or injury may obtain a temporary permit valid for up to one week. Contact the parking and traffic office for more information.

JACK TRACK SHUTTLE SERVICE

If your student doesn’t have access to an automobile, don’t worry. He or she will still be able to easily move around campus. SFA operates the Jack Track shuttle service. It’s free for all currently enrolled SFA students. During the fall and spring semesters when classes are in session, shuttle buses travel around the campus and stop at high-traffic areas. Jack Track is safe, convenient and reliable. Just tell your student to wait at one of the bus stops, and a bus will be by shortly. For schedules and routes, visit sfasu.edu/jacktrack.

Parents Day is Saturday, Sept. 22!

If a student is uninsured, there is no charge for basic office visits. If your student is covered by health insurance, please make sure he/she has a copy of the front and back of the insurance card.

COMMUNICATION CONNECTION

Topics to discuss with your student on the drive home from Lumberjack Orientation

CAMPUS INVOLVEMENT:
Students who become involved right away are more likely to feel a university connection and are more likely to graduate and spend their free time constructively.

ASK YOUR STUDENT: Which organizations or traditions did you learn about that you are interested in participating in?

ALCOHOL AND DRUGS:
Alcohol is involved in most sexual assaults and violent acts. SFA has a zero-tolerance policy regarding drugs. Any violation of this policy results in automatic suspension.

ASK YOUR STUDENT: What would you do if you were in a situation where there was alcohol? What actions should you take in order to stay safe?
SAFETY: SFA’s Jack Track shuttle service helps safely transport students around campus. University police officers provide escorts to safely walk your student to locations around campus after dark. Emergency call boxes are located throughout the campus, and by simply pressing a button, your student will be directly connected to the Department of Public Safety.

WELLNESS: There are many campus resources, including the Student Recreation Center, counseling services and the Student Health Clinic, to help your son/daughter stay mentally, emotionally and physically fit.

MAJOR: Try to give your student the freedom to select his/her major. Parents whose influence is too strong might find that their son/daughter is not as committed to the major and often is not successful in working toward it. There are many campus resources offered to help your student decide upon a major and future career.

COMMUNICATION EXPECTATIONS: The time spent communicating with your student will likely change as he/she makes adjustments to college life.

FINANCES: It is important that you and your student reach an understanding of who will be paying for what during college. Note that early in the semester many students receive what is called a “difference check,” which is the result of receiving more financial aid than the balance amount due. In most cases, the funds are credited to your student’s Higher One card. Discuss with your student who should retain this card. Often, students will spend these funds and not have enough to pay for spring tuition.

ASK YOUR STUDENT: After learning more about SFA’s majors and areas of study during Orientation, are you excited about the major you’ve selected? (If undecided, did you learn about majors and areas of study that might interest you?)

ASK YOUR STUDENT: What steps will you take to keep yourself and your belongings safe?

ASK YOUR STUDENT: What steps do you plan to take while at SFA to achieve/maintain your health and well-being?

DISCUSS with your student dates and times that you would like to set aside to communicate each week.

ASK YOUR STUDENT: Do you plan to open a credit card account? How do you plan to pay for your expenses?

Encourage your student to get to know a diverse group of people; not just in terms of ethnicity, but also in background, hometown, etc.
