## ELIGIBILITY FOR INTERNSHIP – HSC 480

1. You must be a senior (95+ hours) in order to apply for your internship. You must complete all other HSC course work or be currently enrolled in all the required HSC courses before enrolling in HSC 480. It is highly suggested that you have completed HSC 470 prior to enrolling in HSC 480. Must be a HSC or KIN major.
2. You must have a 2.0 GPA.
3. The internship must be conducted within the last two semesters prior to graduation.
4. The student is responsible for securing an internship site the semester **before** the internship is conducted.
5. The Intern Coordinator must approve the selected internship site.
6. A student may not carry more than 12 hours of course work during the fall or spring semester (this 12 hours includes the three hours from HSC 480). A student cannot enroll in HSC 470, 480, and 489 the same semester.
7. To conduct an internship in the summer the student may not carry more than six hours of coursework during the summer session (these 6 hours includes the three hours from HSC 480).
8. All paper work between SFA and the approved site must be signed the semester **before** the internship begins (see Student Responsibility Memo).
9. Failure to comply with these guidelines will result in the denial of a student's internship request and **MAY** cause a delay in graduation.
