

STATEMENT OF SUPPORT FOR THE SFA INTERNATIONAL ACADEMIC COMMUNITY

The past several weeks have been a tumultuous time for international students and scholars across the nation. As educators at Stephen F. Austin State University, we wish to let you, our international students and colleagues, know that we welcome you here and that we are committed to working with you and to supporting you. We greatly value you, our students and colleagues of all nationalities from all countries. Having you as a part of our community enriches our personal growth and development and encourages us to expand our worldview.

We would also like to remind you that SFA does offer Counseling Services free of charge to all SFA students (Rusk 332, 468-2401) and to the entire community for a nominal fee through the Counseling Clinic (HSTC 201, 468-1041).

In Solidarity,
The Stephen F. Austin State University Faculty Senate
