

STEPHEN F. AUSTIN STATE UNIVERSITY GRADUATE SCHOOL

REPORT OF COMPREHENSIVE FINAL EXAMINATION

The Major Professor and the Minor Professor (if an examination in minor is required) are requested to submit this form to the Graduate Dean's Office.

Name of Student: _____ SID# _____ Date: _____

Degree: _____ Thesis/NonThesis

The student is to be examined over his major field; a minor field examination is optional.

Student's major is: _____ # of semester hours: _____

The major professor may name any reasonable number of examiners he/she wishes for the major field and designate those who will have a vote. Those voting must be members of the graduate faculty. The same is true for the minor field by the minor professor. The student must have a majority of votes in order to be declared as having satisfactorily passed each part of the Comprehensive Final Examination. In the event of failure to pass, or serious questions on the part of the committee, the student may be required to do additional work in the major or minor or both to correct deficiencies and be re-examined.

This is to certify that the above named student has been given his/her Comprehensive final Examination in his/her Major as of the date indicated above and has performed satisfactorily or unsatisfactorily as indicated below. Note: Separate forms may be used by the Major Professor and the Minor Professor or they may agree on a joint committee, conduct the examination jointly and report on a single form.
