GEORGE LOUIS CROCKET: OUT OF THE ORDINARY

September 15, 2012 - May 18, 2013

Throughout the late nineteenth and early twentieth centuries, East Texas went through major transformations, including Reconstruction, the Gilded Age, World War I, and the Depression. The life of Reverend George Louis Crocket spans this complex time of change. Through his vocation and avocations as cleric, historian, mentor and artist, Crocket forged strong ties within both the Nacogdoches and San Augustine communities. Even while Crocket engaged in the ordinary stuff of daily life, he was building a record of the people, places and events that inform our understanding of early East Texas. Crocket's sermons, art, letters, and research are a legacy that reminds us to find the meaning of daily life out of the ordinary.
