How to use the R.O.A.D. Map:

Each section of the R.O.A.D. Map has a specific purpose and potential area of growth for our students. It is our hope that as you progress in your studies, you will have an increasingly diverse range of experiences that will help your resume stand apart in the job market. We want our students to begin with the end in mind and focus on how what you do now can help you in the future. Here is what each section of the Map represents:

| Get Informed About Your Degree Plan | Prepare for Life After Graduation | Network with Peers and Faculty | Think Globally |

There are a few acronyms on the Map that are explained below:

UCS – University Career Services
SA – Study abroad
SOHS - School of Human Sciences
COESS – College of Education Student Services
