Dear UIL Contestants and Special Guests,

Congratulations on your advancement to the 2014 Regional III-A University Interscholastic League Meet, and welcome to Stephen F. Austin State University! You are honored guests on our campus, and we are glad you are here.

Advancing to this level of competition requires a great deal of energy and ability, and you have every right to be proud of your accomplishment. Our contest directors in the athletic, academic and one-act play competitions have made a concerted effort to prepare for this regional-level competition. Our special thanks go to the Piney Woods Country Club for hosting the golf tournament. I believe you will find the competition exciting and all the facilities conducive to excellence in each event.

We hope you have time to check out Lumberjack Landing, our newest freshman residence hall, and our impressive Student Recreation Center. If you would like to sign up for a tour that includes these two facilities, please stop by the Admissions Office, located in the Rusk Building. Tours begin at 10 a.m. and 2 p.m. on Friday, and at 10:30 a.m. and noon on Saturday. Or, check with the Admissions Office to schedule a return visit and spend the day enjoying the beauty of the SFA campus and learning more about the high-quality programs offered here.

Please let us know if we can do anything to make your stay on campus even more enjoyable. We wish you all the best in the competition today and in your future endeavors!

Sincerely,

THE REGIONAL MEET

GENERAL INFORMATION

MEET HEADQUARTERS
Regional headquarters for all academic events will be located in the Ferguson Building, Room 273 (936-468-2803). The headquarters office will be open at 7:30 a.m. and will close at 5:00 p.m.

CONTEST RESULTS & AWARDS
Results of all academic and athletic contests will be posted on the State UIL web site. Medals, certificates, plaques, and trophies will be awarded according to the uniform Regional Academic Awards Chart displayed in the appendix of the 2013-2014 Spring Meet Manual. Academic awards will be presented at the contest site after official results are verified. Athletic awards will be presented at the site of competition. It is the responsibility of the contestants, their sponsors, coaches and/or administrators to obtain contest results. Please plan to be present for awards for your event or have someone from your school present. Regional Meet Directors are under no obligation to contact contestants, their coaches or administrators with results. However, in the event winners are unable to pick up awards and would like to have them mailed, please be prepared to provide a mailing label or write on an envelope provided by the Contest Director. With the exception of Lincoln-Douglas Debate and One-Act Play, winners’ packets will not be mailed to schools or handed out during the regional meet. Coaches and contestants must go to the UIL website (www.uiltexas.org) for tentative schedule, UT parking, UT campus map, and other vital State Meet information. Responsibility for knowing times, dates, and sites of State Meet events rests solely with coaches and contestants.

ENTRIES AND REGISTRATION
The eligibility of a student competing at the Regional Meet is the responsibility of the individual school. Contest Directors will submit all results to the regional sites via the online Spring Meet Entry System. Make certain that results are open for public review. It is not necessary to fax results to the Regional Meet or to the UIL State Office. The District Meet Results online entry will serve as the official entry form for Academic events registration. For One-Act Play and Athletic events, see sections following Academic contests in this handbook for registration information.

WILDCARD ELIGIBILITY AND REGISTRATION
The highest scoring second place district team in the following academic contests may advance to the Regional Meet as a wildcard team: Accounting, Calculator Applications, Computer Science, Current Issues & Events, Literary Criticism, Mathematics, Number Sense, Science, Social Studies, and Spelling and Vocabulary. In the event of a tie, correct tiebreaker rules must be applied. If the tie still stands after application of the tiebreaker, all teams involved in the tie will advance. District results must be certified online by the Regional Director no later than 5pm on the Monday following the final district Academic week. Failure to meet the deadline disqualifies the district teams from advancing as wild cards.

SUBSTITUTIONS
All substitutions should be submitted with the Substitute Eligibility Form (in the 2013-2014 Spring Meet Manual) by fax to 936-468-1471 or in person to the Contest Director before roll call the day of the contest.

WITHDRAWAL, LATE ARRIVAL, ABSENTEEISM
The school of a district winner who cannot attend the Regional Meet must notify the District Director. The District Director will subsequently notify the alternate and the Regional Director.
When a student is not present at the roll call for his/her event, that student may be replaced by an alternate. Once an alternate has replaced the student absent from roll call, a substitution will not be made. No late entries are allowed at the regional meet.

UIL “NO SHOW” POLICY
A list of absent contestants will be reported to the State UIL Office from each academic event. It is vitally important that you notify the Regional Director in advance if a contestant will be unable to attend the regional competition.

REGISTRATION
On the day of the Regional Contest there will be NO registration headquarters. Coaches and sponsors are expected to have students report to locations at the times listed in the Regional Meet Handbook for their individual or team event. Each Contest Director will have a list of those eligible for that event and will call roll at the starting time of the event.

Students with disabilities who will require accommodation under the terms of ADA/504 must file a request with the State UIL Office prior to the District Meet. The Regional Director’s Office must be notified at least five working days prior to the day of the event in which they are participating. The Regional Meet Handbook can be made available in alternate format upon request.

SPRING MEET CODE
Abiding by the general Spring Meet Code means to:

1. Participate in contests with a spirit of fairness and sportsmanship, observing all rules - both in letter and in spirit.
2. Sponsor and advise individuals and teams without resorting to unethical tactics, trickery (which attempts to skirt the rules), or any other unfair tactic which detracts from sound educational principles.
3. Accept decisions of officials and judges without protest and extend protection and courtesy to officials.
4. Regard opponents as guests or hosts while placing personal and/or team integrity above victory at any cost. Maintain grace and poise in victory or defeat. Conduct that berates, intimidates, or threatens competitors, based on gender or ethnic origin, has no place in interscholastic activities.
5. Provide information or evidence regarding eligibility of any contestant or school to local school administrators or to the appropriate judicial bodies upon request.
6. Understand and appreciate the educational values of competition and abstain from modifying or soliciting another teacher to modify grades for eligibility purposes; knowing that such behavior defeats the character-building purposes of extracurricular competition.
7. Abstain from any practice that makes a student feel pressured to participate in non-school activities.
8. At all times, ensure that competition is relative to a more important overall educational effort, using competition as a tool in the preparation of students for citizenship and successful adulthood.
9. Ensure that UIL Academic District, Regional and State Meets receive precedence over non-qualifying contests or meets.
10. (For school districts) Notify the Academic District or Regional Meet Director no later than the end of the second school day following academic district or regional competition if a student or a team will not compete at the next higher-level academic meet.
