Andrea Flores
SOPHOMORE SOCIAL WORK MAJOR
This month’s staff spotlight is Andrea Flores. In her first year as an Ambassador, she has started off strong by working to plan two events and expanding the reach of the office through social media. She is also involved in three other on-campus organizations, including the Lumberjack Cultural Association where she serves as the Community Service Chair. Give us a hand in thanking her for her hard work throughout September.

Jalon Berry
ASSISTANT DIRECTOR
Everyone please welcome Jalon Berry to SFA and to the OMA leadership team! He was most recently the Houston Regional Recruiter for Sam Houston State University. In December he will obtain a Master’s Degree in Student Affairs and Higher Education. He was heavily involved as an advisor of 2 organizations while working and attending school full time. We are excited to welcome him to the lumberjack family. If you have any extra purple gear or just want to show him some lumberjack pride feel free to welcome him to the University!
STEPS TO GETTING INVOLVED...

**DIVERSITY FORUMS**
Getting involved with our diversity forums or panels gives you access to a free and comfortable space to discuss pressing issues in Nacogdoches. Let your voice be heard.

**MLK SITE LEADER**
Being a site leader on this day of service allows you to be both a volunteer and a leader. You will be the liaison between the community and the volunteers.

**SPONSOR**
Sponsoring an event through the OMA is another way to make an impact and allows us to extend our reach throughout the city. Make a difference in your community.

**EVENTS**
Come out to any and all OMA events! We are here to serve both the university and community, and we would love to interact. Have an event idea? Email us and we will get back to you.

**VOLUNTEER**
Volunteering at OMA events is a great opportunity to give back to the students and community. There are multiple chances throughout the semester, so be on the lookout.
