POLICY

A faculty member shall be assigned the responsibility for coordinating the educational progress of students in the RN-BSN track.

PROCEDURE

1. The school director shall assign a faculty member to coordinate the educational progress of students in the RN-BSN track.

2. The coordinator shall serve as the academic advisor for all RN-BSN track students.

3. The coordinator shall work with office of Academic Advising in the College of Sciences and Mathematics as students develop their individualized degree plans.

4. The coordinator shall communicate with all students in the RN-BSN track as necessary.
