STANDARD POLICY

POLICY

Students should maintain a professional appearance, with name tags, when they are officially representing the School of Nursing (SON), either in a clinical setting or at a professional meeting. When not required to wear a uniform, professional dress is required. Students shall be required to purchase a collared purple shirt through the SON and may be required to wear this shirt to clinical experiences and meetings.

If, in the judgment of the instructor the student does not meet professional expectations, the instructor may remove the student from the clinical area and a clinical “F” day may be given.

PROCEDURE

In clinical areas where a clinical uniform is required, the following criteria will apply:

Uniforms: The approved clinical dress is a wrinkle-free white top, with an approved SFA embroidered logo, and purple pants/skirt, of a style typically available from uniform stores or catalogs. Skirts must be between mid-knee length and ankle length. Pants/skirts must cover all undergarments completely and must cover the student’s midriff or waist area by extending under the top or allowing the top to be tucked in. All uniforms must fit in an appropriate, conservative and modest nature. Full coverage undergarments are required. Patterned underwear or tee shirt logos should not be visible under the uniform. Tee shirts worn under the uniform must be white.

1. **Shoes and Hose:** Professional, white, closed-toe uniform shoes or athletic type shoes of a white color are to be worn. White hosiery with dress uniforms and white socks or plain hosiery with pantsuits is required. White shoes are appropriate and must be clean, and worn with white, clean shoestrings. Do not wear shoes that are open-toed, backless, platform, or high-heeled.

2. **Hair:** Hair must be clean, neatly groomed, and contained. Shoulder length or longer hair must be tied back and contained so that it does not interfere with the performance of clinical duties. No ornate hair ornaments or bows. Hairbands should match the
natural hair color or be neutral in color, and cannot be wider than (one) 1-inch. Beards or mustaches, should be short and neatly groomed.

3. **Name Tags:** The approved SFASU name tag will be worn in all clinical sites and home visits. The approved name tag is a badge with student’s picture and name that is obtained from Student Services Office in the University Center. The format for the name tag will be:

   Mary, SFASU Nursing Student.

4. **Watches:** Watches must have the capability of counting seconds, be conservative in appearance, and not be distracting in color or embellishment. No smart watches (i.e., Apple Watch).

5. **Nails:** Nails should be short and neatly groomed, not to exceed one-fourth of an inch beyond the fingertip. No nail polish is allowed. No artificial nails are allowed.

6. **Jewelry:** When in the clinical area, because of the potential for spread of infection and injury to client and/or student, it is recommended that jewelry be kept to a minimum.
   a. Earrings should be small, matching stud earrings worn in the earlobe. Only one stud per ear will be worn. Types of body piercing worn on the anatomy that can be viewed are not allowed.
   b. Rings should be only wedding sets or plain bands and limited to a wedding set or one ring per hand.
   c. Necklaces, wrist, or ankle bracelets shall not be worn in clinical areas. A medical alert bracelet or necklace will be allowed.

7. **Scents:** Due to close contact with others, deodorant/anti-perspirant is to be worn. No perfumes, colognes, scented oils, or aftershave lotions should be applied.

8. **Cosmetics:** All make-up should be conservative and in moderation.

9. **Tattoos:** Tattoos shall be covered by clothing and shall not be visible. As per faculty discretion, a long-sleeved black shirt may be worn if a white shirt does not satisfactorily cover the tattoos.

10. **Professional Meetings:** When representing the SON at any time, the student will dress professionally and wear name tags. For meetings or any in-facility activity, women will wear dresses or nice pants and be neatly groomed. Men will wear nice slacks and shirts, and be neatly groomed. No jeans, short pants, or caps.
