**STANDARD POLICY**

**POLICY**

All declared nursing majors will be advised through the DeWitt School of Nursing (SON) unless they are on probation. Those on probation will be advised through the College of Sciences and Mathematics. The advising will be coordinated by the SON Academic Advisor.

Although each student is responsible to ensure that the courses selected will meet degree requirements, the SON will help students choose courses with special attention to prerequisites, petitions, and advancing sequences.

**PROCEDURE**

1. The SON Academic Advisor will be available for advising at designated times each semester.
2. Additional assignments for advising will be made through the office of the Director of the School of Nursing.
