

NCLEX-RN Pass Rates (1st time test takers)

Fall 2012/Spring 2013 Academic Year: 87.29%

Fall 2013/Spring 2014 Academic Year: 88.14%

Fall 2014/Spring 2015 Academic Year: 86.36%

Fall 2015/Spring 2016 Academic Year: 92.42%

Nursing Program Completion Rates:

This data is by semester. We admit twice a year.

The Nursing Program is 4 semesters long. We look at 100% of time (on time graduation) and 150% of time (persistence).

Year	SON Two Year Completion Rate (100% time frame)	SON Completion Rate within 150% time frame	Texas Average Graduation Rate (2 year programs)
2012	63.78%	82.68	70
2013	77%	91	76
2014	76%	91	70
2015	73.4%	81	73
2016	81%	89	68

Graduates obtaining a Job:

The majority of students have secured positions by graduation. Of those who have not, some are in the process of deciding which position (of multiple offeres) to take, others are moving to states that require passing NCLEX-RN before hiring, and others decide to not even apply until after the exam!

This data is based on information obtained a few weeks prior to graduation:

December 2013: 81% had accepted a position

May 2014: 77% had accepted a position

December 2014: 83% had accepted a position

May 2015: 77% had accepted a position

December 2015: 90% had accepted a position

May 2016: 83% had accepted a position

December 2016: 82% had accepted a position
