1. All students will wear approved uniforms and name identification tags while in the Simulation Lab. If a student is not dressed appropriately, he or she will be asked to leave.
2. All students will bring necessary clinical equipment to the Simulation Lab such as stethoscope, penlight, paper, and pencil.
3. No pens are allowed in the Simulation Lab. Any pens found in the lab will be removed by the faculty or staff immediately.
4. Students may not have open food containers or beverages in the Simulation Center.
5. All student cell phones should be turned off when entering the Simulation Center unless otherwise directed by the instructor.
6. Students must wait on their instructor to enter the Simulation Center. The only exception is students practicing skills that are scheduled through the Acuity Scheduling System. These students may enter the Simulation Center independent of the instructor at their scheduled time.
7. All students are to remain quiet and respectful in the Simulation Center. Any student who is noisy, disruptive, or disrespectful will be asked to leave the Simulation Center.
8. Do NOT use povidone iodine, activated Chloraprep, or ink (label dressings with pencil prior to placing on the manikin) on the manikins.
9. After simulation or skills practice, clean up the room and leave the room as you found it.
10. Place all trash in the appropriate containers. Sharps containers are only for needles, syringes, lancets, broken glass, or other sharp objects contaminated with blood. Red biohazard boxes are only for items that are saturated with medical waste and saturated non-sharps objects. All other items may be disposed in the trash can.
11. The Simulation Lab is considered a clinical site. As such, students should follow all instructions given by course faculty in the event of a late or missed day.
12. Treat all simulations and skills activities as real situations. If you do not take the simulation seriously, the instructor reserves the right to remove the student from the simulation. Any student removed from the lab will be subject to a clinical F day as per policy.
13. The Simulation Center is a safe environment. Here, it is okay to make a mistake. You will not be stopped if you make a mistake, but it will be discussed in debriefing. There will be no discussion of the simulation until such time that all students in the class have completed the simulation.
14. All students are required to sign the Simulation Confidentiality Agreement and Video/ Audio/Photography Recording Consent prior to the first day in the Simulation Lab.
15. Any student may request a copy of the signed forms by emailing the course coordinator.

I have read and understand all Simulation Lab Student Rules.
