State of Texas SB 62
Bacterial Meningitis Required Vaccination Prior to Enrollment
Stephen F. Austin State University

All new students and re-entry students must provide either:

1. Evidence the student has received the vaccination or booster dose during the five years preceding and at least 10 days prior to enrollment. This evidence must be submitted in one of the following three formats:
   - A document bearing the signature or stamp of the physician or his/her designee, or public health personnel (must include the month, day, and year the vaccination was administered). **OR**
   - An official immunization record generated from a state or local health authority (must include the month, day, and year the vaccination was administered). **OR**
   - An official record received from school officials, including a record from another state (must include the month, day, and year the vaccination was administered).
   **OR**

2. Evidence the student is declining the vaccination must be submitted in one of the following two formats:
   - An affidavit or a certificate signed by a physician who is duly registered and licensed to practice medicine in the United States, in which it is stated that, in the physician's opinion, the vaccination required would be injurious to the health and well-being of the student. **OR**
   - An affidavit signed by the student stating that the student declines the vaccination for bacterial meningitis for reasons of conscience, including a religious belief. A conscientious exemption form from the Texas Department of State Health Services must be used. (This may take up to 30 days.) [https://webds.dshs.state.tx.us/immco/default.aspx](https://webds.dshs.state.tx.us/immco/default.aspx)

3. A student is not required to submit evidence of receiving the vaccination against bacterial meningitis or evidence of receiving a booster dose:
   - If the student is 30 years of age or older by the start of the Fall 2013 semester and desires to attend that semester.
   - If the student is 22 years of age or older by the start of the Spring 2014 semester and desires to attend any subsequent semester **OR**
   - If the student is enrolled in on-line or other distance education courses only.

Vaccinations may be available at a discounted price at the following locations:
