The OIP/SFA International Scholarship is to be awarded to any student that will contribute to the increased diversity for international representation at Stephen F. Austin State University. Evaluation and awarding of this scholarship will be determined by the Office of International Programs. Preference will be given to degree seeking and full time students. In general, students cannot hold graduate assistantships and OIP Scholarship awards simultaneously.

The amount of the scholarship is $1,000.00 per year. All students that are awarded the scholarship will have funds applied after registering for classes.

Students who are awarded the OIP Scholarship will be eligible for Texas resident tuition rates.

YOU MUST RE-APPLY EACH YEAR – THIS SCHOLARSHIP IS ONLY FOR ONE YEAR!

IMPORTANT! Scholarship recipients must contribute to cultural diversity at SFA. Each student decides how to fulfill this requirement during the scholarship year (this must be more than just attending events and is not limited to OIP-sponsored events). If a student re-applies for the scholarship, he or she must give adequate proof in the essay about how they fulfilled this requirement (e.g., through a form signed by activity sponsor, a photograph, a description in the scholarship application, or other documentation).

Below are examples of potential activities, but each student is responsible for documenting their own participation.
