The Physical Plant Department conducts a survey once a year in order to get feedback on the performance of the Department. The survey was conducted by Jeff Ghiringhelli and this year the Custodial Department was kind enough to staff three different stations around campus to collect surveys from students. If a survey was completed and returned, they were included in a raffle. 1st place receiving a $200 gift card, 2nd place $100, 3rd place $50 and 4th place $25.

Winners were:
1. DeShala Roney
2. Elsie Tovar
3. Elizabeth Rowland
4. Cori Jones

Richard & Lucille DeWitt Nursing School Parking Lot Project

The parking lot at the Nursing School was expanded and a connection between the back loop driveway was completed. This enabled additional parking for students and staff.

A new irrigation system was added in addition to the expanded parking lot.
Custodial Staff Receive Gifts from ECRC

The Custodial staff at the ECRC was given gift baskets and thank you cards. Ms. Harkness and Ms. Hagan got together with the teachers and purchased for each custodian: gift cards, candies, and "thank you" cards signed and/or written by the students. The faculty and administration on the second floor of the ECRC also gave the staff gifts of appreciation.

The custodial staff decided to take a group picture with the words "THANK YOU" printed on the picture to show how grateful they were for their kindness.
A sincere employee “THANK YOU” to PPD Management for the employee appreciation luncheon provided for the Physical Plant Employees. The food was delicious!
