

Concurrent and Dual Credit Enrollment Programs

Original Implementation: July 27, 1999

Last Revision: October 23, 2017

Students may enroll in concurrent and dual credit enrollment programs provided they meet the eligibility requirements as stated in the Texas Higher Education Coordinating Board rules and receive a recommendation by the student's high school principal or high school counselor.

The dual credit enrollment program requires that the grade from the SFA course be used for completion of high school graduation requirements and college credit. The cost of the dual credit enrollment program will be established by the SFA Board of Regents. The concurrent enrollment program requires that the grade from the SFA course be used for college credit only. High school credit is not earned through this program. The cost of the concurrent enrollment program is full price for tuition and fees. Any application fee for concurrent and dual credit enrollment programs is waived.
