

Academic Appointments and Titles

Original Implementation: September 6, 1979

Last Revision: January 31, 2017

The provost and vice president for academic affairs is responsible for the allocation of positions and appointments based on recommendations from colleges and academic units.

All conditions of appointment will be in writing at the time of appointment.

The rank of initial appointment is based upon the qualifications of the appointee. In order to be appointed to a tenure-track position, individuals are expected to have completed the terminal degree in the discipline of the appointment. All appointees should meet the qualifications as prescribed by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC).

The titles of instructor, assistant, associate and full professor, or librarian I, II, III and IV are used for full-time, tenure-track appointments. These positions are subject to the terms and conditions of the policy on Tenure and Continued Employment (7.29). All other appointments are not on tenure-track. Generally, service in non-tenure track ranks is not applicable toward tenure and not subject to the terms and conditions of the tenure policy.
