Original Implementation: October 17, 1978
Last Revision: April 18, 2020

Introduction

It is the responsibility of each academic unit of the university to maintain current curricula and engage in continuous review of its curricula. The provost and vice president for academic affairs and appropriate dean will set timelines for the modification and approval process.

Curricular Modification Procedures

Curricular modifications include:

- new courses;
- core curriculum courses;
- modified courses (e.g., course title, credit hours);
- new programs (e.g., degrees, endorsements, certificates, minors, concentrations);
- modified programs (e.g., degrees, endorsements, certificates, minors, concentrations);
- deletion of courses and/or programs (e.g., degrees, endorsements, certificates, minors, concentrations); and
- changes in mode of delivery such as off-campus face to face, online instruction, and other distance delivery methods.

Curricular modifications will be developed and submitted at the program level, and recommended for approval by:

- the academic unit;
- the academic unit head;
- the appropriate councils or committees in the college;
- the college dean;
- the university Undergraduate Council or Graduate Council;
- as appropriate, the Core Curriculum Advisory Committee;
- the Deans Council; and
- the provost and vice president for academic affairs.

In addition to the above steps, new courses and new, modified or deleted undergraduate and graduate programs and changes in mode of delivery will then be considered for approval by:

- the university president or president’s designee; and
- the Board of Regents.
Where appropriate, approval will then be sought from (and/or notification will be made to) the Texas Higher Education Coordinating Board (THECB), the Texas Education Agency, the Southern Association of Colleges and Schools, or other outside agencies and organizations.

Changes will be reflected in the General Bulletin and/or Graduate Bulletin after approval.
