

Out-of-State Electronic Fee

Original Implementation: April 20, 2004

Last Revision: April 24, 2018

The Texas Administrative Code allows institutions to submit for formula funding academic credit courses delivered by distance education to any student located in Texas or to Texas residents located out-of-state or out-of-country. For courses not submitted for formula funding, institutions will charge fees that are equal to or greater than Texas resident tuition and applicable fees that are sufficient to cover the total cost of instruction and overhead, including administrative costs, benefits, computers and equipment, and other related costs.

Stephen F. Austin State University (SFA) Board of Regents sets an Out-of-State Electronic Fee for non-resident students who reside out of Texas while taking SFA distance education coursework. The Board of Regents-approved Out-of-State Electronic Fee replaces lost formula funding. Students paying these fees are eligible to pay in-state tuition rates plus an out-of-state electronic fee in lieu of non-resident out-of-state tuition.
