

STEPHEN F. AUSTIN STATE UNIVERSITY CHARTER BUS CONTRACT

1. INTRODUCTION

This contract is entered into on the 25th day of April, 2006 by and between Stephen F. Austin State University, hereinafter referred to as SFA, and Lone Star Bus Lines, hereinafter referred to as Contractor, for the purpose of being a vendor to provide charter bus service to Stephen F. Austin State University.

1.1 CONTRACT PERIOD

The term of this contract will be effective from the date above in Paragraph 1.1 through 08-31-2006, for a period of up to one year, with automatic termination on August 31st of the year entered into, with an option to renew for four (4) additional one (1) year periods.

1.2 SPECIFIC TRIP ARRANGEMENTS

*OK
6/8/06*

This contract is a base agreement with the University to avoid re-execution of complete contract documents each time a charter bus trip needs to be scheduled. Companies with contracts on file will have provided appropriate assurances and liability insurance certificates to be maintained by the University for the period noted in this agreement. When a need for charter services arises within the University, solicitations will be taken as necessary to determine the contractor who will receive the specific business for that trip/activity. Companies with executed base agreements on file will only be required to provide a trip addendum to consummate the final charter bus purchase. The trip addendum will include specific information about the trip, times, places, cost, etc. and shall be agreed to by the SFA purchasing official and the requesting department. Additional signature by the contracting official at the University of the trip addendum will not be required as long as this agreement is on file and the term has not expired.

1.3 VOLUME

SFA does not guarantee the Contractor any minimum or maximum amount of business during the term of this contract.

2. TRIP CANCELLATION

In such cases where cancellation of a trip is necessary, due to unforeseen circumstances, SFA personnel will strive to notify the Contractor as soon as possible. In cases where cancellation of a trip occurs at least two (2) hours before embarkation or before the driver has been dispatched, there will be no trip and/or penalty charges assessed. For less than two (2) hour notification any penalty charges assessed will not equal the full cost of the planned trip. Such charge should be no larger than is needed to defray the Contractor's expenses.

3. TARDINESS

Should the Contractor arrive more than one (1) hour behind schedule, all charges connected with alternate arrangements, either made by SFA personnel or the Contractor, will be the responsibility of the Contractor.

4. PAYMENT BONDS

- 4.1 Payment bonds are required on contracts greater than \$25,000. The cost of all required bonds shall be added to any individual purchase order for which it is required. The Contractor must execute and return the required Payment Bond prior to providing the charter service.
- 4.2. The Payment Bond shall be executed in the full amount of the Purchase Order as a guarantee that the scope of work will be performed faithfully and that SFASU and the State of Texas will be saved harmless from all costs and damages which SFASU and the State of Texas may suffer by reason of the Contractor's default or failure to perform the work.
- 4.3. Each Bond shall be accompanied by a valid Power-of Attorney (issued by the Surety company and attached, signed and sealed, with the corporate embossed seal, to the bond) authorizing the agent who signs the bond to commit the company to the terms of the bond, and stating (on the face of the Power-of-Attorney) the limit, if any, in the total amount for which he is empowered to issue a single bond.
- 4.4. The only forms of surety acceptable as Payment Bonds are: cashier's check, certified check, irrevocable letter of credit issued by a financial institution subject to the laws of Texas, a United States Treasury Bond, or a surety or blanket bond from a company chartered or authorized to do business in the State of Texas.
