RE: Sales and Use Tax Exemption Number E-50866

To document that your agency or organization is exempt from North Dakota sales and use tax, the Office of State Tax Commissioner has assigned the enclosed exemption number. A copy of this exemption certificate should be presented to the retailer at the time of each purchase to verify your exempt status. The retailer is required to keep a copy of this certificate on file. The certificate number should be listed on each sales document together with the signature of the person making the purchase.

Please note that purchases made by employees and later reimbursed by your organization are subject to state and local sales taxes. Only purchases paid for by a check, warrant, or a centrally billed procurement card issued directly by your organization qualify for a sales tax exemption. This exemption number is important and every effort should be made to limit knowledge of the number to those individuals authorized to make purchases on behalf of your organization.

Sincerely,
