These are the preliminary scores calculated as of 07/10/2019. The scores reflect the ranking of firms based solely on the proposals submitted in response to the RFQ and will be used to determine which companies will be recommended to the SFA Board of Regents. For those firms selected, these scores are provided to the SFA Board of Regents for their consideration. The scores do not reflect additional information considered by the SFA Board of Regents, or the final award decision.
