ADDITIONAL QUESTION
Q: I found Ghostshield #880 to be a countertop sealer. Is this the product that you want us to use for the tile/grout sealer?

A: SFASU spoke with a representative from Ghostshield. The representative recommends Ghostshield Siloxa-Tek 8510 and stated that 10 gallons should be adequate to do all six restrooms. Please note representative that the product does not penetrate or adhere to the ceramic tile as it is rolled on. For further questions regarding this particular product you can contact the representative at lou@ghostshield.com
