<td>OUTDOOR POOL RENOVATION BUDGET INCREASE</td>
<td>Vice President for University Affairs</td>
</tr>
</tbody>
</table>

**Explanation:**

The renovation of the outdoor pool at the SFA Recreation Center was included in the 2014-15 capital plan at a cost not to exceed $45,000. The pricing for this project had been developed using information from a firm that is no longer available. In order to meet the necessary timeline and have the pool ready for summer 2015 use, the university contracted with another firm to perform the renovation.

Prior to the start of the renovation it was determined that additional repairs needed in the near future could be completed in a more cost-efficient and timely manner if bundled into the current project.

**Recommendation:**

The administration recommends ratification of a $38,000 budget increase for renovation of the outdoor pool at a cost not to exceed $83,000. The source of funds for the increase is designated fund balance.
Presentation and Committee Action on Agenda Item 15:

WILLIAM R. JOHNSON COLISEUM FLOOR REPLACEMENT

Explanation:

The current floor of the William R. Johnson Coliseum was installed approximately twenty-five years ago. The floor has been sanded and refinished numerous times since the installation. Flooring expansion has caused wood to buckle and crack in certain areas.

The coliseum is a multi-use facility. In addition to Lumberjack and Ladyjack basketball games, the facility is used for the freshman student convocation, commencement exercises, and high school basketball play-off games. Due to its age, usage and condition, the coliseum floor needs to be replaced.

Recommendation:

The administration recommends replacement of the William R. Johnson Coliseum floor at a cost not to exceed $400,000. The fund sources are donations and designated fund balance. The administration further recommends the regents authorize the president to sign associated contract(s) and purchase orders.
Presentation and Committee Action on Agenda Item 16:

APPROVAL OF BUILDING AND GROUNDS POLICY REVISIONS:

Explanation:

The Board Rules and Regulations state that the Building and Grounds Committee will consider: use and occupancy of university property; and planning of, locating of, receiving bids for, awarding contracts for, construction of, and maintenance of buildings, utilities and other physical facilities of the campus.

The following policies are necessary to incorporate organizational, job title and regulatory changes and to improve the flow of information in the above areas of responsibility. The general counsel has reviewed the proposed revisions.

Recommendation:

The administration recommends that the Board of Regents adopt the following policy revisions as presented in Appendix 5:

Rental of University Vehicles (16.23)  
Security Systems (14.10)  
Smoking and Use of Tobacco Products (13.21)

**Explanation:**

The *Board Rules and Regulations* state that the director of audit services shall assist the board in carrying out its oversight responsibilities as they relate to the university’s a) financial and other reporting practices, b) internal control, and c) compliance with laws, regulations and ethics. The director of audit services reports to the Board of Regents on the status of the annual audit plan, internal external reports, risk assessment and audit/compliance issues.

The audit services report as presented includes a Department of Athletics audit, a School of Nursing audit, a property inventory audit, and an update on the annual audit plan.

**Recommendation:**

Pending consideration of the Finance and Audit Committee.
Presentation and Committee Action on Agenda Item 18:

DESIGNATED TUITION AND STUDENT SERVICE FEE INCREASES FOR 2015-16

Explanation:

To sustain the current level of operations and service delivery, the university must increase designated tuition. In addition, to provide additional student services, the university must increase the student service fee.

Recommendation:

The administration recommends that designated tuition be increased from $171 to $185.50 per semester credit hour and the student service fee be increased from $12 to $12.50 per semester credit hour, effective fall 2015.

Danny Gallant
Vice President for Finance and Administration
Presentation and Committee Action on Agenda Item 19:

COURSE AND LAB FEES FY 2015-16

Explanation:

Course and lab fees provide instructional departments with funds to support the actual cost of consumable supplies, service and travel related to specific courses. Course and lab fees are allocated to instructional departments for expenditures that are necessary for course delivery.

Recommendation:

The administration recommends the adoption of the selection of course fees for the 2015-16 fiscal year shown in Appendix 2. The course fees for the summer forestry courses will become effective for summer 2015; all others for fall 2015.
Presentation and Committee Action on Agenda Item 20:

DESIGNATED TUITION FIXED-RATE FOR 2015-16 ENTERING STUDENTS

Explanation:

Pursuant to Texas Education Code 54.017, the university will offer undergraduate students the opportunity to participate in a fixed-rate tuition plan for those who enter the university during the 2015-16 fiscal year. The following fixed designated tuition rates apply for up to 12 semesters (four years) from the point of initial enrollment at a public or private institution, regardless of whether the student enrolls at any institution during those semesters. (For purpose of this plan, summer is treated as one semester.) Therefore, the 2015-2016 Fixed Rate Plan is based on the semester an undergraduate student initially enrolled at any university.

- Fiscal Year 2013 cohort - $192
- Fiscal Year 2014 cohort - $196
- Fiscal Year 2015 cohort - $204
- Fiscal Year 2016 cohort - $213

Recommendation

The administration recommends the adoption of the fixed-rate tuition amounts associated with the respective fiscal year cohorts presented above for undergraduate students who enter the university during the 2015-16 fiscal year. The administration further recommends the fixed rates apply from the point of initial enrollment at a public or private institution for up to 12 semesters, with summer enrollment counting as one semester.
Presentation and Committee Action on Agenda Item 21:

APPROVAL OF FISCAL YEAR 2014-15 SUMMER BUDGET

Explanation:

The fiscal year 2014-15 summer budget contains two regular summer semesters and a mini-semester. The 2014-15 annual budget includes $2,543,265 that is available to support summer school salaries and benefits. In addition $1,199,992 of E&G salary savings and designated contingent funds are used to fund summer school salaries. Additional summer salaries of $89,291 are supported by designated funds.

Recommendation:

The administration recommends approval of the 2014-15 summer budget that totals $3,832,548.
Presentation and Committee Action on Agenda Item 22:

**GRANT AWARDS**

Explanation:

To date, the university has received multi-year grant awards applicable to fiscal year 2015 totaling $19,748,634, an increase of $483,662 since the last report. Of this total, grant awards allocable to fiscal year 2015 are currently $7,329,305, an increase of $423,297 since the last report.

The grant awards result from extensive faculty research and service engagement across many academic disciplines. The grants include direct federal, federal pass through, state and private awards.

Recommendation:

The administration recommends approval and ratification of the additional grant awards allocable to fiscal year 2015 that total $423,297. The grant awards are detailed in Appendix 3.
FY2016 ROOM AND BOARD RATES

Explanation:
Projected student housing and food service operating costs support the need for revised room and board rates for the 2016 fiscal year.

Pursuant to the relevant provisions of our food service contract, the administration and Aramark annually negotiate necessary rate increases for the upcoming fiscal year. Our contract uses the percentage increase in the Food and Beverage element of the Consumer Price Index (CPI) published by the Bureau of Labor Statistics, U. S. Department of Labor, for urban consumers (“CPI-U”) in the south as a benchmark for any rate increase considered.

The proposed room and board rates for FY2016 are presented in Appendix 4 and reflect a 2.9% increase in the board plans (excluding dining dollars) and a 2.0% increase in the room rate.

These revised rates will become effective for fall 2015.

Recommendation:

The administration recommends approval of a 2.9% increase for Aramark and the proposed room and board rates for FY2016 as presented in Appendix 4.
Presentation and Committee Action on Agenda Item 24:

**ADDITIONAL SERVICES UNDER THE EDUCATION ADVISORY BOARD STUDENT SUCCESS COLLABORATIVE AGREEMENT**

Explanation:

The university has been a member of the Education Advisory Board (EAB) Academic Affairs Forum for a number of years and for the past three years has been a part of the organization’s Student Success Collaborative. EAB recently purchased GradesFirst, an advisor’s tool, and is folding its capabilities into the Student Success Collaborative under the name Care Coordination Platform. The administration wishes to add the Care Coordination Platform to our services.

The platform may be added for an additional $41,000 per year and a one-time project fee of $16,000. The total commitment from March 31, 2015 through December 30, 2020 will be no greater than $250,000.

Recommendation:

The administration recommends approval of the extension of the university’s participation in the Student Success Collaborative and the Care Coordination Platform through the Education Advisory Board, effective through December 30, 2020, at a cost not to exceed $250,000. The administration also recommends that the board authorize to the president to sign the necessary contracts associated with this project.

The following policies are necessary to incorporate organizational, job title, and regulatory changes and to improve the flow of information in the above areas of responsibility. The general counsel has reviewed the proposed revisions.

AUTHORITY TO REFINANCE BONDS WITH A PRIVATE PLACEMENT/DIRECT PURCHASE AGREEMENT

Explanation:

At the October 27, 2014 meeting, the Board of Regents approved a bond redemption, refinancing, and issuance resolution in the event market conditions became favorable to refinance eligible outstanding bonds in a public bond offering. The university has examined refinancing options and wishes to include an additional bond refinancing option described as a private placement or direct purchase. A private placement through a “sophisticated creditor” (typically a bank) eliminates the additional costs of ratings and preparation of an official statement. The resolution presented in Appendix 6 authorizes the university to refinance eligible bonds through a private placement.

Recommendation:

The administration recommends the Board of Regents approve the bond resolution presented in Appendix 6 that authorizes the refinancing of eligible bonds through a private placement offering. Further, the administration recommends the regents delegate authority to the vice president for finance and administration to finalize the terms of any private placement and execute all necessary documents.
Presentation and Committee Action on Agenda Item 27:

AUTHORITY TO SPEND BALANCE OF TUITION REVENUE BOND PROCEEDS

Explanation:

The university may fund Education and General (E&G) renovation projects with the Higher Education Fund (HEF), unspent tuition revenue bond proceeds, or designated funds. Major E&G renovation projects in the current capital plan were funded with HEF. Texas Education Code Sections 55.1758 and 55.1768 authorize the use of tuition revenue bond proceeds for a campus deferred maintenance reduction plan and renovation of existing structures and facilities. To leverage funds, the university would like to utilize remaining tuition revenue bond proceeds to expend on eligible E&G renovation projects that were initially funded with HEF or designated funds. Currently, the university has approximately $460,000 in unspent tuition revenue bond proceeds.

Recommendation:

The administration recommends that the board authorize the use of unspent tuition bond proceeds to expend on eligible renovation projects that were funded with HEF or designated funds.

Explanation:

The university filed for patent protection and has taken the plant to market. The university’s intellectual property policy states, “Agreements which grant a third party the right to make, use, or sell a patented invention, invention know-how, or trade secret that has been disclosed and assigned to, or is otherwise owned by the university shall require approval by the Board of Regents.” The SFA Mast Arboretum desires to license to additional nurseries.

OUTDOOR POOL RENOVATION BUDGET INCREASE

Explanation:

The renovation of the outdoor pool at the SFA Recreation Center was included in the 2014-15 capital plan at a cost not to exceed $45,000. The pricing for this project had been developed using information from a firm that is no longer available. In order to meet the necessary timeline and have the pool ready for summer 2015 use, the university contracted with another firm to perform the renovation.

Prior to the start of the renovation it was determined that additional repairs needed in the near future could be completed in a more cost-efficient and timely manner if bundled into the current project.

Recommendation:

The administration recommends ratification of a $38,000 budget increase for renovation of the outdoor pool at a cost not to exceed $83,000. The source of funds for the increase is designated fund balance.
Report and Board Action on Agenda Item 15:

WILLIAM R. JOHNSON COLISEUM FLOOR REPLACEMENT

Explanation:

The current floor of the William R. Johnson Coliseum was installed approximately twenty-five years ago. The floor has been sanded and refinished numerous times since the installation. Flooring expansion has caused wood to buckle and crack in certain areas.

The coliseum is a multi-use facility. In addition to Lumberjack and Ladyjack basketball games, the facility is used for the freshman student convocation, commencement exercises, and high school basketball play-off games. Due to its age, usage and condition, the coliseum floor needs to be replaced.

Recommendation:

The administration recommends replacement of the William R. Johnson Coliseum floor at a cost not to exceed $400,000. The fund sources are donations and designated fund balance. The administration further recommends the regents authorize the president to sign associated contract(s) and purchase orders.

Explanation:

The *Board Rules and Regulations* state that the director of audit services shall assist the board in carrying out its oversight responsibilities as they relate to the university’s a) financial and other reporting practices, b) internal control, and c) compliance with laws, regulations and ethics. The director of audit services reports to the Board of Regents on the status of the annual audit plan, internal external reports, risk assessment and audit/compliance issues.

The audit services report as presented includes a Department of Athletics audit, a School of Nursing audit, a property inventory audit, and an update on the annual audit plan.

Recommendation:

The Finance and Audit Committee recommends that the Board of Regents acknowledge receipt of the audit services report as presented.
Report and Board Action on Agenda Item 18:

**DESIGNATED TUITION AND STUDENT SERVICE FEE INCREASES FOR 2015-16**

Explanation:

To sustain the current level of operations and service delivery, the university must increase designated tuition. In addition, to provide additional student services, the university must increase the student service fee.

The administration recommends that designated tuition be increased from $171 to $185.50 per semester credit hour and the student service fee be increased from $12 to $12.50 per semester credit hour, effective fall 2015.
Report and Board Action on Agenda Item 19:

**COURSE AND LAB FEES FY 2015-16**

Explanation:

Course and lab fees provide instructional departments with funds to support the actual cost of consumable supplies, service and travel related to specific courses. Course and lab fees are allocated to instructional departments for expenditures that are necessary for course delivery.

Recommendation:

The administration recommends the adoption of the selection of course fees for the 2015-16 fiscal year shown in Appendix 2. The course fees for the summer forestry courses will become effective for summer 2015; all others for fall 2015.
Report and Board Action on Agenda Item 20:

DESIGNATED TUITION FIXED-RATE FOR 2015-16 ENTERING STUDENTS

Explanation:

Pursuant to Texas Education Code 54.017, the university will offer undergraduate students the opportunity to participate in a fixed-rate tuition plan for those who enter the university during the 2015-16 fiscal year. The following fixed designated tuition rates apply for up to 12 semesters (four years) from the point of initial enrollment at a public or private institution, regardless of whether the student enrolls at any institution during those semesters. (For purpose of this plan, summer is treated as one semester.) Therefore, the 2015-2016 Fixed Rate Plan is based on the semester an undergraduate student initially enrolled at any university.

- Fiscal Year 2013 cohort - $192
- Fiscal Year 2014 cohort - $196
- Fiscal Year 2015 cohort - $204
- Fiscal Year 2016 cohort - $213

The 2014-15 annual budget includes $2,543,265 that is available to support summer school salaries and benefits. In addition $1,199,992 of E&G salary savings and designated contingent funds are used to fund summer school salaries. Additional summer salaries of $89,291 are supported by designated funds.

Recommendation:

The administration recommends approval of the 2014-15 summer budget that totals $3,832,548.
Report and Board Action on Agenda Item 22:

The grant awards result from extensive faculty research and service engagement across many academic disciplines. The grants include direct federal, federal pass through, state and private awards.

Recommendation:

The administration recommends approval and ratification of the additional grant awards allocable to fiscal year 2015 that total $423,297. The grant awards are detailed in Appendix 3.
Report and Board Action on Agenda Item 23:

**FY2016 ROOM AND BOARD RATES**

Explanation:

Projected student housing and food service operating costs support the need for revised room and board rates for the 2016 fiscal year.

Pursuant to the relevant provisions of our food service contract, the administration and Aramark annually negotiate necessary rate increases for the upcoming fiscal year. Our contract uses the percentage increase in the Food and Beverage element of the Consumer Price Index (CPI) published by the Bureau of Labor Statistics, U. S. Department of Labor, for urban consumers (“CPI-U”) in the south as a benchmark for any rate increase considered.

The proposed room and board rates for FY2016 are presented in Appendix 4 and reflect a 2.9% increase in the board plans (excluding dining dollars) and a 2.0% increase in the room rate.

These revised rates will become effective for the fall semester of 2015.

Recommendation:

The administration recommends approval of a 2.9% increase for Aramark and the proposed room and board rates for FY2016 as presented in Appendix 4.
Presentation and Board Action on Agenda Item 24:

ADDITIONAL SERVICES UNDER THE EDUCATION ADVISORY BOARD STUDENT SUCCESS COLLABORATIVE AGREEMENT

Explanation:

The university has been a member of the Education Advisory Board (EAB) Academic Affairs Forum for a number of years and for the past three years has been a part of the organization’s Student Success Collaborative. EAB recently purchased GradesFirst, an advisor’s tool, and is folding its capabilities into the Student Success Collaborative under the name Care Coordination Platform. The administration wishes to add the Care Coordination Platform to our services.

The platform may be added for an additional $41,000 per year and a one-time project fee of $16,000. The total commitment from March 31, 2015 through December 30, 2020 will be no greater than $250,000.

Recommendation:

The administration recommends approval of the extension of the university’s participation in the Student Success Collaborative and the Care Coordination Platform through the Education Advisory Board, effective through December 30, 2020, at a cost not to exceed $250,000. The administration also recommends that the board authorize to the president to sign the necessary contracts associated with this project.

Student Accounts Receivable (3.28)
Report and Board Action on Agenda Item 26:

**AUTHORITY TO REFINANCE BONDS WITH A PRIVATE PLACEMENT/DIRECT PURCHASE AGREEMENT**

Explanation:

At the October 27, 2014 meeting, the Board of Regents approved a bond redemption, refinancing, and issuance resolution in the event market conditions became favorable to refinance eligible outstanding bonds in a public bond offering. The university has examined refinancing options and wishes to include an additional bond refinancing option described as a private placement or direct purchase. A private placement through a “sophisticated creditor” (typically a bank) eliminates the additional costs of ratings and preparation of an official statement. The resolution presented in Appendix 6 authorizes the university to refinance eligible bonds through a private placement.

Recommendation:

The administration recommends the Board of Regents approve the bond resolution presented in Appendix 6 that authorizes the refinancing of eligible bonds through a private placement offering. Further, the administration recommends the regents delegate authority to the vice president for finance and administration to finalize the terms of any private placement and execute all necessary documents.
Report and Board Action on Agenda Item 27:

AUTHORITY TO SPEND BALANCE OF TUITION REVENUE BOND PROCEEDS

Explanation:

The university may fund Education and General (E&G) renovation projects with the Higher Education Fund (HEF), unspent tuition revenue bond proceeds, or designated funds. Major E&G renovation projects in the current capital plan were funded with HEF. Texas Education Code Sections 55.1758 and 55.1768 authorize the use of tuition revenue bond proceeds for a campus deferred maintenance reduction plan and renovation of existing structures and facilities. To leverage funds, the university would like to utilize remaining tuition revenue bond proceeds to expend on eligible E&G renovation projects that were initially funded with HEF or designated funds. Currently, the university has approximately $460,000 in unspent tuition revenue bond proceeds.

Recommendation:

The administration recommends that the board authorize the use of unspent tuition bond proceeds to expend on eligible renovation projects that were funded with HEF or designated funds.
Report and Board Action on Agenda Item 28:

APPROVAL OF THE 2015-2016 MARKETING CAMPAIGN CONCEPT

Explanation:

Richards Carlberg has presented the proposed 2015-2016 marketing campaign concept and budget for the board’s approval.

Recommendation:

The administration recommends approval of the 2015-2016 marketing campaign as presented by Richards Carlberg at a cost not to exceed $1.6 million and including the following elements:
- Fall branding/enrollment campaign
- Spring branding/enrollment campaign
- Website redesign
- High profile media/airports
- Campus signage and collateral
- Opportunity fund

REVOKE TENURE AND TERMINATE EMPLOYMENT OF DR. JEFF GERGLEY

WHEREAS, the board members considered the following: Under university policy 7.29, Tenure, a faculty member’s tenure may be revoked and employment terminated upon a showing of good cause, which may include a “substantial neglect of professional responsibilities.” On October 20, 2014, Dr. Judy Abbott, dean of the James I. Perkins College of Education, issued a report to the provost on the investigation of an alleged substantial neglect of professional responsibilities by Dr. Jeff Gergley, associate professor of kinesiology and health science. Dean Abbott concluded that Dr. Jeff Gergley had demonstrated substantial neglect of his professional responsibilities and recommended his tenure be revoked and employment terminated. Provost Richard Berry concurred. In accordance with university policy, preliminary discussions were held to try and resolve the matter but were ultimately unsuccessful. On November 10, 2014, the president issued the university’s charge of substantial neglect of professional responsibilities arising from Dr. Gergley’s failure to report to work for a period of time, violations of university policies, and failure to complete core tasks associated with being a faculty member. A hearing committee of the grievance panel was assembled consisting of seven members. The hearing occurred on December 2, 2014. Dr. Gergley and the university, acting through Dean Abbott, presented evidence to the hearing committee. After deliberating and taking into account the university’s burden of proof, the hearing committee recommended to the president that Dr. Gergley’s tenure be revoked and his employment terminated effective immediately due to his substantial neglect of professional responsibilities, based on the following: “1. Dr. Gergley’s failure to report to work as assigned during the Fall 2014 semester; and 2. Dr. Gergley’s failure to complete his duties of his reassignment for the Fall 2014 semester.” The president agrees with the hearing committee’s assessment of the evidence, findings, and recommendation. At the core of any employees’ responsibilities is to be available and actively engaging in one’s employment. Dr. Gergley’s failure to meet these responsibilities for twenty-one days at the start of the Fall 2014 semester and subsequent failure to meet the terms of his alternate assignment upon his return, which the president agrees were reasonable, represents substantial neglect.

THEREFORE, it was ordered that Dr. Jeff Gergley, associate professor of kinesiology and health science, have his tenure revoked and that the administration be authorized to terminate his employment effectively immediately.

Academic Accommodation for Students with Disabilities

Original Implementation: July 14, 1998  
Last Revision: April 17, 2012, April 14, 2015

The Law:

It is the policy of Stephen F. Austin State University to comply with the fundamental principles of nondiscrimination and accommodation in academic programs set forth in the implementing regulations for Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act of 1990 (ADA), as amended by the Americans with Disabilities Act Amendments Act of 2008 (ADAAA). The implementing regulations to Section 504 provide that:

No qualified handicapped student student with a disability shall, on the basis of handicap disability, be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination under any academic, research, occupational training, housing, health insurance, counseling, financial aid, physical education, athletics, recreation, transportation, other extracurricular, or other postsecondary education aid, benefits, or services. [34 C.F.R. § 104.43(a)]

An institution shall make such modifications to its academic requirements as are necessary to ensure that such requirements do not discriminate or have the effect of discriminating, on the basis of handicap disability, against a qualified handicapped applicant or student with a disability. Academic requirements that the institution can demonstrate are essential to the instruction being pursued by such student or to any directly related licensing requirement will not be regarded as discriminatory. Modifications may include changes in the length of time permitted for the completion of degree requirements, substitution of specific courses required for the completion of degree requirements, and adaptation of the manner in which specific courses are conducted. [34 C.F.R. § 104.44(a)]

Neither Section 504 nor the ADA requires universities to lower their academic standards or substantially alter the essential elements of their courses or programs to accommodate students with disabilities. The requirement to provide reasonable accommodations is designed to afford an equal opportunity for students with disabilities. Achieving reasonable accommodations for a student with a disability involves shared responsibility among students, faculty and staff.

Should the university deny a requested accommodation it must be prepared to show that complying with the request would constitute a fundamental alteration; the unsubstantiated opinion of a faculty member or administrator may not be sufficient for that purpose. Moreover, the cost of the proposed modification is not usually sufficient reason for denying a requested
The following accommodations are very widely accepted in higher education:

- Providing services such as readers, interpreters, and note-takers.
- Allowing extra time for examinations, assignments, and projects.
- Permitting exams to be individually proctored, read orally, dictated, or typed.
- Recording lectures.
- Using computer software for assistance in studying and on tests.
- Using alternative testing formats to demonstrate course mastery.
- Changing classrooms as needed for accessibility.

Who must be accommodated?

Students who are requesting support services from SFA are required to submit documentation through the Office of Disability Services to verify eligibility for reasonable accommodations. Students are not required to assume the responsibility for securing a necessary accommodation. The university shall review and evaluate that documentation and when required under law provide reasonable accommodations for a student’s known disability so that the student has an equal opportunity to participate in the courses, activities, or programs.

When additional expertise beyond that of the staff of the Office of Disability Services is needed to assess a student's documentation, the Academic Assessment Committee, consisting of members of the faculty who are knowledgeable about disabilities, and staff members, including the ADA coordinator, shall evaluate the documentation, request additional information if required, and make a recommendation to the Office of Disability Services.

Documentation must validate the need for services based on the individual’s current level of functioning in an educational setting. If the documentation is found to be insufficient the university is not obliged to provide accommodations. If the documentation is found to be sufficient, appropriate accommodations are recommended.

What accommodations must be provided?

Students with disabilities may be accorded two types of accommodations: they may be permitted to substitute particular courses for some of those required under their degree requirements, or they may be afforded approved accommodations within the courses they take.

If a course substitution is requested, the request must be received by the academic department that teaches the course to be deleted from the student's requirements no later than the semester prior to one in which the student proposes to take one or more of the substitute courses. Ordinarily the request should arrive at the department office before the 12th day of classes of a long semester, or the 4th day of classes of a summer session.
Once received by the department, the course substitution request is considered by the department chair, who consults with the Office of Disability Services before making a recommendation. The chair's recommendation regarding substitution is forwarded to the student’s academic dean. Employing the college’s usual procedures for decisions about curricula, and consulting with other colleges as necessary, the dean makes the final determination about whether the requested substitution may be allowed, or does, in fact, represent a fundamental modification of the program in question. Before a course substitution is considered there should be evidence that even with reasonable accommodation the student cannot succeed in the required course.

Requests for accommodation within a particular course should, when possible, be received by the Office of Disability Services before the beginning of the semester in which the student with a disability is to enroll in the course. Once received, the accommodation request is considered by disability services and, if required, by the Academic Assessment Committee. If the decision is to recommend against providing the requested accommodation, the student is informed. If it is decided that accommodation is to be provided, a record of that recommendation, together with a recommendation of the general type of accommodation to be provided is sent to the instructor of the subject course, with a notification to the department chair of the academic unit. The instructor then meets with the disabled student to work out precisely how the recommended accommodations are to be implemented in the context of the particular course and may consult with the department chair if needed. To make provision of appropriate accommodations as effective as possible, students with disabilities are to meet with instructors from whom accommodations are requested as early in the semester as possible.

The student, the Office of Disability Services, the Academic Assessment Committee, the department chair, and the course instructor will cooperate to identify accommodations that meet the student’s documented need without fundamentally altering the course.

Who must provide approved accommodations in a particular course?

Accommodations most commonly requested may include providing services such as readers, interpreters, and note-takers; allowing extra time for examinations; using alternate forms of examinations; recording lectures; using computer software for assistance in studying and on tests; and, on rare occasions, relocating the classroom. It is the responsibility of the Office of Disability Services to provide readers, interpreters, and note-takers when needed. The instructor shall cooperate with disability services in accommodating these service providers in the classroom.

It is the responsibility of the instructor to organize examinations so students with disabilities may be accorded extra time and special testing conditions when needed as an accommodation. When possible, special testing will be done within the offices of the academic department. When testing cannot be done in the department, disability services will provide secure facilities and
supervision.

When special materials (e.g., Braille transcripts or audio recordings of course materials) are required, it is the joint responsibility of the Office of Disability Services and the instructor to arrange to make these materials available to the student. Such materials must be made available to students with disabilities at the same time that their equivalents are given to other students.

It is the responsibility of the department chair, in cooperation with the instructor and the dean, to relocate courses when required.

**How are disagreements to be resolved?**

Disagreements will be resolved according to the provisions of Policy 6.6, Appeal Procedure Relating to the Provision of Accommodations for Students with Disabilities.

At-Will Employment

Original Implementation: July 15, 2003
Last Revision: April 17, 2012

The following exempt, academic, and non-academic employees serve at the discretion of the university and are considered at-will employees, whose employment may be terminated with or without cause at any time by the university or the employee.

- All positions reporting to the Board of Regents including but not limited to the president, general counsel, director of audit services, and coordinator of board affairs.
- All vice presidents/provost
- All associate vice presidents/associate provost
- All deans including associate deans
- All directors, associate directors, and assistant directors
- All department heads and chairs
- All coaches
- All charter school teachers
- All attorneys and auditors
- All grant funded positions
- All temporary staff employees

Any appointment included in this list which is filled by a tenured employee will not affect the employee's tenure status. Tenured employees removed from administrative assignments under this policy may be reassigned to a faculty position.

The university may choose to reassign an at-will employee under this policy, but such reassignment is not guaranteed. Additionally, the university will endeavor to give a terminated employee under this policy a 30-day notice, although notice is not required.

Any decision to terminate an at-will employee must be reviewed by the general counsel and/or director of human resources for legal considerations. Termination of at-will employees below the vice president level must be approved by the appropriate vice president and reported to the president and Board of Regents (unless the termination is by the president or Board of Regents). The Board of Regents must approve termination of at-will employees at the vice president level or above. All such employees will be given an opportunity to resign in lieu of at-will termination, unless the termination is clearly for cause. The terms of resignation must be approved by the same process outlined for termination above, including legal review by the general counsel and/or director of human resources.
In regards to this policy, and the employee's completion of the 180-day probationary period, there is no contradiction. The 180-day probationary period is the designated time frame for the new employee to demonstrate their capability to perform their job tasks in a satisfactory manner. The completion of this evaluation period does not convey a permanent status to employees listed in this policy, and it does not negate the at-will status for either employee or employer.

Any agreements that in any way modify this policy must be made in writing and must contain the signature of the president, appropriate vice president, and the university Board of Regents.

Cellular Telephones and Wireless Communication Devices

Original Implementation: October 30, 2007
Last Revision: January 31, 2012 April 14, 2015

OVERVIEW

The university recognizes that certain positions require the use of a cellular telephone (cell phone) or other wireless communication devices, including personal digital assistants (PDAs) or smartphones, to conduct official business. This policy provides specific guidelines regarding the use of cell phones and/or wireless communication devices.

DEFINITIONS

Wireless Communications Device – cellular telephones, telephone/PDA combinations, and smartphones. For purposes of this policy, laptops, tablets, and personal computers are not considered wireless communications devices.

ELIGIBILITY

Each department is responsible for establishing whether a specific employee needs a cell phone or wireless communication device service. Criteria for establishing this need include:

1. Requirement to travel frequently on university business.
2. Large amounts of time spent away from the office.
3. A need to contact the individual after normal business hours on a frequent basis.
4. A need for others to be in constant communication with the individual.
5. Safety considerations.

If an employee meets one or more of these criteria, a department head/director may approve a request to provide either a university cell phone or wireless communication device or a communication allowance through one of the following options.

1. University provided cell phones or wireless communication device:
The Telecommunications Department will determine two preferred vendors from which the university will contract cellular services. All university provided cell phones and plans will be acquired from one of the preferred vendors.

Departments electing this option must submit a Cellular Telephone Request and Justification Form to the assistant director of telecommunications and networking for each employee, as required in policy 16.28, Communications Services.
2. **Communication Allowance:**
   The department may elect to provide a communication allowance to reimburse the employee for the projected cost of business related charges. The dollar amount of the cell phone allowance should cover the estimated business-related calls and a pro-rata portion of the monthly cost of the phone plan. Determination of the dollar amount of the allowance is made at the departmental level, but will be within guidelines and dollar limits established by the assistant director of telecommunications and networking. These levels are defined on the Communication Allowance Request Form. The communication allowance will be paid through payroll and will not be considered taxable income. The allowance does not constitute an increase to base pay and will not be included for percentage based pay increases or for retirement (TRS or ORP) calculations.

   The communication allowance is established by submitting a completed Communication Allowance Request Form to the payroll office. Departments should also keep a copy of the form on file for each approved allowance.

   The employee is responsible for communicating the telephone number to the department. The employee may, at his or her own expense, add extra services or equipment features as desired.

3. **Intermittent Use of Cell Phones for Business Purposes:**
   Some departments may provide cell phones on an intermittent basis to their employees. Intermittent basis is defined as more than one employee assigned use of the phone during the month.

4. **Infrequent Use of Cell Phones for Business Purposes:**
   If infrequent business calls are made by an employee who does not receive a communication allowance or university-provided phone, departmental approval can be given to reimburse the employee for business calls that exceed personal wireless plan minutes.

   Reimbursement of these calls will be made through accounts payable through normal procedures for reimbursement of business related expenses. Appropriate documentation, such as a copy of the wireless plan billing statement and the stated business purpose of the call, should be submitted to support the reimbursement. Any reimbursement of business related calls will not be taxable to the employee.

Commencement

Original Implementation: February, 1984
Last Revision: October 27, 2014, April 14, 2015

Stephen F. Austin State University will hold commencement ceremonies at the end of the fall, spring, and summer terms. Arrangements for the ceremonies are the responsibility of the registrar. Selection of and arrangements for a speaker are the responsibility of the president in consultation with the commencement committee.

Commencement is an important symbol of the university's core function. In order to have adequate faculty representation at commencement, full-time faculty members are obligated to attend at least one commencement each academic year. For faculty teaching in the second summer term, attendance at the August ceremony is required. Academic unit heads are responsible for informing faculty members of the provisions of this policy and encouraging them to comply.

Faculty, staff, students and guests are expected to maintain decorum that is reasonable and befitting of a public event of special significance. As a formal ceremony all attendees are expected to abide by any protocol or guidelines issued by the university which will, at a minimum, include the following:

- All attendees must follow all written and verbal instructions.
- All attendees must remain seated during the ceremony and remain for the entire ceremony.
- All graduates are required to wear formal academic attire.
- All cell phones or other electronic devices must be silenced.
- The possession or use of alcohol or illegal substances, air horns and any other artificial noisemaker, fireworks, balloons, flags, or banners is prohibited.

Any attendee who is excessively disruptive during the ceremony or fails to follow written or verbal instructions may be excused from the venue.

Prior to commencement, the Office of the Registrar will provide students with the foregoing requirements as well as information regarding expected decorum and attire as approved by the provost and vice president for academic affairs. Students will additionally be provided with similar information to provide to their guests.

The Office of the Registrar will post signage at commencement reminding attendees of the prohibition of air horns and other artificial noisemakers and any other information deemed prudent by the provost and vice president for academic affairs.
The student regent, or other individual selected by the provost and vice president for academic affairs, will give an announcement regarding decorum at the start of the commencement ceremony.

Digital Millennium Copyright

Original Implementation: July 27, 1999
Last Revision: April 19, 2014
April 14, 2015

Summary
The Digital Millennium Copyright Act (DMCA) creates a liability limitation for Internet service providers (ISP) for certain copyright infringements created on-line. The university serves as an ISP for faculty, staff, and students. The DMCA establishes procedures whereby, upon receipt of proper complaints, the university will block access to or take down allegedly infringing material and notify the Web page owner of the complaint. The alleged infringer may issue a properly executed counter-notice, upon receipt of which, the university shall re-post the material in 10-14 days (unless there is court action), and immediately forward such counter notice to the original complainant. Repeat infringers will be subject to termination of Internet service by the university. It is the policy of the university to comply with these safe haven procedures created by the DMCA.

1. Registered Agent

A. Registered Agent
The university general counsel shall be designated as the registered agent for receipt of DMCA complaints.

B. Complaint Resolution Team

The complaint resolution team may include the following positions: manager of systems, assistant systems manager, library director, associate library director for information service, university webmaster, director of student rights and responsibilities, director of student activities, and general counsel. Upon receipt of a DMCA complaint, relevant team members shall be responsible for assessing the complaint and determining the exact location of the alleged infringing material. Assessing the complaint would include a determination of whether the complaint contains all necessary elements, and whether the complaint involves the university in its role as an ISP or the university (and its employees) acting as a content provider. If the complaint is deficient, a notice of deficiency shall be returned to the complainant with a courtesy copy forwarded to the alleged infringer. No complaint will be deemed official, requiring take down procedures, unless all elements of a proper complaint are included.

C. Official Complaints

The following elements are required for DMCA complaints. An Official Complaint consists of the following:

1. Must be signed or contain a digital signature by the owner of the copyright or the authorized agent;
2. Description of works claimed to be infringed;
3. Description of location for alleged infringing works;
4. Sufficient information to contact the complainant;
5. Statement of good faith belief that the use is not authorized by the owner/agent; and
6. Statement that the information in the notice is accurate and, under penalty of perjury, the complainant is authorized to act on behalf of the owner.

Initial Review of an Official Complaint

Upon receipt of a DMCA complaint, complaint resolution team members shall be responsible for assessing the complaint and determining the exact location of the alleged infringing material. Assessing the complaint would include a determination of whether the complaint contains all necessary elements, and whether the complaint involves the university in its role as an ISP or the university (and its employees) acting as a content provider. If the complaint is deficient, a notice of deficiency shall be returned to the complainant with a courtesy copy forwarded to the alleged infringer. No complaint will be deemed official, requiring take down procedures, unless all elements of a proper complaint are included.

4. University as Content Provider

If a determination is made that the DMCA complaint involves the university as a content provider, and not an ISP, then careful consideration will be given to fair use exemptions under the Copyright Act. Appropriate university officials will be notified to handle the matter in a way similar to the way any claim of copyright infringement is handled.

5. Faculty/Graduate Students

The DMCA specifically defines when faculty or graduate students alleged infringement on-line is or is not attributable to the institution as a content provider. Infringing activities shall not be attributed to the institution if:

1. Such faculty members’ or graduate students’ infringing activities do not involve the provision of on-line access to instructional materials that are or were required or recommended, within the preceding three-year period, for a course taught at the institution by such faculty member or graduate student;
2. The institution has not, within the preceding three-year period, received more than two official DMCA complaints about the alleged infringer; and
3. The institution provides to all users of its system or network informational or network informational materials that accurately describe, and promote compliance with, the laws of the U.S. relating to copyright. See university policy, Copyrighted Works Reproduction (9.2).
6. **Take Down Procedures**

If the university is acting as an ISP, take down procedures will be automatically initiated once an official complaint is received. The complaint resolution team will notify the person responsible for the server to specifically locate the alleged infringing materials and identify the individual who may be responsible for the infringing material.

*Faculty/Staff:* The person responsible for the server will forward the complaint and identity of the faculty/staff member to the general counsel. The general counsel will notify the dean or director for the area involved will also be immediately notified of the official complaint to whom the faculty/staff member reports. The dean or director shall immediately confer with the alleged infringer and attempt to secure a voluntary take down or deletion of the alleged infringing material. Such voluntary take down must be confirmed by the dean or director. If these procedures cannot be completed within a reasonably quick time or voluntary take down cannot be secured, then the dean or director shall immediately coordinate with the person responsible for the server to take down the alleged infringing materials. The dean or director will notify the general counsel when the alleged infringing materials have been removed, and may impose disciplinary action in accordance with Faculty Code of Conduct (7.11), Discipline and Discharge (11.4), or other applicable university policy.

*Students:* The person responsible for the server will forward the complaint and identity of the student who may be responsible for the infringing material to the Office of Student Rights and Responsibilities. The Office of Student Rights and Responsibilities will attempt to secure the voluntary take down or deletion of the alleged infringing material and may impose disciplinary action pursuant to the Student Code of Conduct (10.4).

7. **Counter-Notices**

If the alleged infringer believes the official complaint is in error or that the complainant is not the official copyright holder or agent, he or she can submit a counter-notice containing the following elements:

1. **A.** Must contain a physical or electronic signature of the alleged infringer;
2. **B.** Identification of the removed material and the location at which it appeared;
3. **C.** A statement under penalty of perjury that the alleged infringer has a good faith belief that the material was removed because of mistake or misidentification; and
4. **D.** The alleged infringer’s name, address, telephone number, consent to the jurisdiction of the federal court in which their address is located, and that they will accept service of process from the official complainant.
Upon receipt of the counter-notice, the university shall immediately forward it to the official complainant with an explanation that the university shall restore access to the materials at issue within 10-14 days, unless notice is received that court action is pending.

8. Repeat Infringers

*In addition to any other discipline that may be imposed,* the university may terminate Internet service to repeat infringers who receive more than two complaints in a three-year period. Repeat infringement shall constitute misuse of university computers and network systems under university policy, Computer and Network Security (14.2). Sanctions procedures under that policy will be followed.

Establishing a New Departmental Account: Fund--Organization--Program (FOP)

Original Implementation: Unpublished
Last Revision: January 31, 2012 April 14, 2015

The university’s financial reporting system, Banner, allows departments and administrative staff to track revenues and expenditures by source of funding (fund), by individual departments (organization), and by function (i.e. instruction, research, etc.) (program). In Banner, these accounts are referred to as FOP (fund – organization – program). Requests to establish a new account are used to track the intent of why and when an account was established. For this reason, the controller’s office will require completion of a form to process requests to establish an account. This form along with any supporting documentation, are to be used by the controller’s office, the office of research and sponsored programs and the development office to determine if revenues and expenditures are made in compliance with the intent to establish the account.

These forms and procedures for submitting these forms are available on the controller’s office website and the office of research and sponsored programs website. Departmental account, Fund—Organization—Program (FOP), must be submitted on the "Establishing a New Departmental Account FOP" form for non-grant accounts or the “Establishing a New Banner Fund—External Awards and Contracts” form for grant accounts. These forms originate in the requesting department and are submitted through appropriate division channels for approval. The form for external awards and contracts is also routed to the office of the research and sponsored programs for approval.

After division approval, the request is submitted to the controller’s office. The controller’s office will approve the request and establish the new account (FOP) or notify the department why an account will not be established. Requests for departmental accounts must include a detailed budget. No account will be established until funding for the account is available. No funds will be obligated or expended until the account is established.

The Establishing a New Departmental Account form can be used to establish a new Banner fund or a new Banner organization (org) as appropriate. The controller’s office will notify the account manager or the originating department of new FOP when the account is ready for use.

Last Revision: April 17, 2012, April 14, 2015

The Stephen F. Austin State University Board of Regents authorizes the president of the university to designate individuals to approve payments on banks and financial institutions and expenditures paid through the Uniform State Accounting System (USAS). Only individuals who are properly designated by the president are allowed to approve payments of the university's expenditures. Only university employees may be designated to approve the university's expenditures.

For the purpose of this policy, this designation will apply to those persons who have the authority to sign checks, authorize electronic payments, authorize wire transfers, authorize the issuance of certified checks by a bank, authorize and Automated Clearing House (ACH) transactions; and release ACH transactions, and release expenditures.

Extra-institutional Learning Experiences in the BAAS Degree

Original Implementation: October 26, 1999
Last Revision: April 17, 2012

Role and Scope

The purpose of this policy is to define a procedure to award credit for extra-institutional learning experiences in the Bachelor of Applied Arts and Sciences (BAAS) degree. This policy provides a rationale for the credit awarded and definitions of the significant elements of the process, establishes guidelines for the occupational portfolio, and provides a means for monitoring the policy.

Review

The dean of the College of Liberal and Applied Arts shall review and implement this policy.

Rationale

Awarding degree credit for extra-institutional learning experience is based on the higher education practice of granting academic credit for educational attainment comparable to the college level. The granting of credit is carried out in a variety of ways including, but not limited to, credit by examination, Advanced Placement (AP) credit, College Level Examination Program (CLEP) credit, occupational portfolio review, and Stephen F. Austin State University (SFA) departmental examination. The credit awarded must be appropriate to an individual’s BAAS degree program.

Authority and Oversight

The authority granted to SFA by the Texas Higher Education Coordinating Board (THECB) (July 16, 1974) to offer the BAAS degree contains the following statements: "Semester hour credit for experience and/or exhibited competency is permissible in both Academic Foundations (up to 12 hours) and Academic Specialization (up to 24 hours). An expanded innovative program of advising and counseling will be necessary to administer the program."

The College of Liberal and Applied Arts shall maintain oversight of the BAAS degree and administer the extra-institutional learning credit program. The dean of the college shall develop procedures to implement all aspects of the BAAS degree.

Definitions
BAAS Degree - The Bachelor of Applied Arts and Sciences degree is designed to offer students an opportunity to receive college credit for extra-institutional learning experiences and to apply these credits toward a baccalaureate degree. The degree is designed to provide both academic and professional depth to individuals who have recognized competency in occupational or technical fields.

Extra-institutional Learning - Documented learning experience that accrues to the student outside the sponsorship of an accredited institution of higher education. Such experience may include learning sponsored by non-accredited associations, business, industry, or military units to develop knowledge, skills, and values. If the learning experience occurred outside of a training program related to professional licensure or certification, the student must submit an occupational portfolio.

Occupational Portfolio - A compilation of pertinent documents and third party verification that develops a history and basis for the levels of competency submitted for evaluation. Documentation shall verify that skill levels and occupational competencies are equivalent to college work.

Procedure for Credit Awards

The evaluation of extra-institutional learning experience depends on an examination process. The measure of equivalency is determined by three factors:

1. The Curriculum of the Learning Experience - The learning experience must meet the standard of currency and relevance of contemporary institutions of higher education.
2. The Qualifications of the Instructor/Supervisor - Instruction and supervision must be provided by an individual or individuals whose credentials have been reviewed and accepted by authorized peers, an appropriate sponsoring professional organization or corporation, or an institution of higher education.
3. Evaluation of Student Achievement - The validation process must use a means of evaluating the learning process that is appropriate to the subject matter and the manner of transmission.

All requests for credit for extra-institutional learning experiences must be submitted by the student at the time of application to the BAAS degree program. Requests must be accompanied by documentation of the learning experiences, including the occupational portfolio (if required). The BAAS program director, or a designee, shall review the documentation, including credit recommendations, and make a final determination on the amount of credit to be awarded. Credit awarded shall be submitted to the Office of the Registrar. Credit awarded for extra-institutional experiences is only applicable to the Bachelor of Applied Arts and Sciences Degree.
Appeals

Appeals of credit awards must be in writing to the dean of the College of Liberal and Applied Arts for resolution. The dean may either affirm the decision of the BAAS program director or make a different credit recommendation.

This Code of Conduct is promulgated under the Higher Education Act § 487(a)(25), as reauthorized and amended by the Higher Education Opportunity Act, and is not intended to conflict with any Texas law involving conflict of interest and/or ethics, specifically Texas Government Code § 572.051. This Code of Conduct helps to ensure that such laws are not violated; the Code is consistent with Stephen F. Austin State University Ethics policy (2.6). To help ensure public confidence in the financial aid system and to promote high ethical standards, provisions in this Code of Conduct may exceed the minimum limits required by law. Any employee or agent of the university with responsibilities involving the financial aid process will be provided with a copy of this policy annually.

I. Definitions

A. “Lending institution” or “lender” shall mean: (i) any entity that itself, or through an affiliate, engages in the business of making loans to students, parents or others for purposes of financing higher education expenses, or that securitizes such loans; or (ii) any entity, or association of entities, that guarantees education loans. “Lending institution” or “lender” shall not include the university or the state or federal government. The Texas Guaranteed Student Loan Corporation is exempt from this definition.

B. “University” shall mean Stephen F. Austin State University and those entities that subscribe to their policies and this Code of Conduct.

C. “Compensation” shall mean anything of value, including but not limited to money, credits, loans, discounts, payments, fees, forgiveness of principal or interest, reimbursement of expenses, charitable contributions, stock options, consulting fees, educational grants, vacations, prizes, gifts, gratuities, favors, discounts, entertainment, hospitality, or other items of value, whether given directly or indirectly. The term additionally includes a gift of services, transportation, lodging or meals, whether provided in kind, by purchase of a ticket, payment in advance, or reimbursement after the expense has been incurred.

E. “Outside director” shall mean a member of a lender’s board of directors or board of trustees who receives compensation from such lender in connection with his or her service on the board of directors or board of trustees and who receives no other compensation from the lender as an officer, employee, or agent of the lender or otherwise.
“Agent” shall mean a person acting as a representative of and at the direction of or under the control of a university, where such person’s responsibilities with respect to the university relate primarily to the university’s activities involving financial aid or the business of higher education loans.

II. Code of Conduct

A. Prohibition of Certain Compensation to University Employees

1. No university trustee, director, officer, or agent, or any employee who is employed in the financial aid office of the university or who otherwise has responsibilities with respect to higher educational loans or other financial aid at the university, and no spouse or dependent children of any such persons (“family member”), shall accept any compensation of more than nominal value (not to exceed $20), directly or indirectly, during any 12-month period, from or on behalf of a lending institution or trade association, except that this provision shall not be construed to prohibit any officer, trustee, director, agent or employee of the university, or any of their family members, from receiving compensation for the conduct of non-university business with any lending institution or trade association or from accepting compensation that is offered to the general public. No compensation will be accepted by an employee (or employee’s family member) in the financial aid office from any financial aid applicant or his/her family.

2. Notwithstanding the prohibitions in subsection II.A.1 or any other provision of this Code of Conduct: (a) the university may hold membership in any nonprofit professional association; and (b) a university trustee, director, officer, or employee who is not employed in the financial aid office of the university and does not have responsibilities with respect to higher education loans or financial aid, may serve as an outside director of a lending institution or trade association and receive compensation at the lending institution’s or trade association’s established compensation rates for outside directors, provided that any university trustee, director, officer or employee serving on the board of the lending institution or trade association is precluded from participating in such board’s discussions or decisions that might affect the interests of the university and provided further that such university trustee, director, officer or employee complies with the university’s policy on Ethics (2.6), and receives annual written notice of the requirements of both this Code of Conduct and the university’s conflict of interest policy. Further, notwithstanding the prohibitions in subsection II.A.1, a trustee, director, officer or employee of a lending institution or trade association who does not have responsibilities with respect to higher education loans or financial aid shall not be prevented from serving on the board of directors of a university solely by virtue of his or her position with the lending institution or trade association, provided that any such person serving on the board of the university is precluded from participating in such board’s discussions or decisions that might affect the interests...
of such lender or trade association or that relate to financial aid or higher education loans.

3. The prohibitions set forth in this subsection shall include, but are not limited to, a ban on any payment or reimbursement by a lending institution or trade association to a university employee or family member for lodging, meals, or travel to conferences or training seminars unless such payment or reimbursement is related solely to non-university business. University employees whose duties relate to financial aid may accept food or refreshments of nominal value provided or paid for by a lender or trade association at a meeting, conference or seminar related to their professional development or training. University employees are not precluded from attending any educational or training program related to financial aid or higher education loans where no registration fee is charged to any attendee because of a lender’s or trade association’s sponsorship or support of the program, and provided that the registration fee is limited to covering the costs associated solely with the education or training component of the program.

4. No action will be taken by an employee in the financial aid office that is for their personal benefit or could be perceived to be a conflict of interest. Employees within the financial aid office will not award aid to themselves or to a relative as defined in policy 11.16, Nepotism. Staff will reserve this task to an institutionally designated person to avoid the appearance of a conflict of interest.

B. Limitations on University Employees Participating on Lender Advisory Boards

Any person who is employed in the financial aid office of a covered educational institution, or who otherwise has responsibilities with respect to private education loans or other financial aid of the institution, and who serves on a lender advisory board, commission, or group established by a private educational lender or group of such lenders shall be prohibited from receiving anything of value from the private educational lender or group of lenders except reimbursement for reasonable expenses. An annual report will be provided to the Secretary of Education of any reasonable expenses paid. Each report shall include: the amount for each specific instance of reasonable expenses paid or provided; the name of the financial aid official, other employee, or agent to whom the expenses were paid or provided; the dates of the activity for which the expenses were paid or provided; and a brief description of the activity for which the expenses were paid or provided. Lenders can obtain advice and opinions of financial aid officials on financial aid products and services through trade associations, industry surveys, or other mechanisms that do not require service on lender advisory boards, and provided that any reimbursement for expenses is limited to reasonable expenses as defined for service on advisory boards. This provision does not apply to participation on advisory boards that are unrelated in any way to financial aid or higher education loans. This paragraph does not apply to serving in the Texas Guaranteed Student Loan Corporation.

C. Prohibition of Certain Compensation to the University
1. Neither the university, nor any alumni association, booster club, foundation, athletic organization, social organization, academic organization, professional organization or any other organization affiliated with the university (“affiliated organizations”), may accept any compensation from any lending institution or trade association in exchange for any advantage or consideration provided to the lending institution or trade association related to the lending institution’s or trade association’s financial aid or education loan activity. This prohibition shall include, but is not limited to: (i) revenue sharing by a lending institution or trade association with the university or affiliated organizations; (ii) the receipt by the university or affiliated organizations from any lending institution or trade association of any equipment or supplies, including without limitation, computer hardware and software, for which the university pays below-market prices; and (iii) printing costs or services, provided that a university or affiliated organizations shall is not prohibited from accepting a lender’s or trade association’s own standard printed brochures or informational material that does not contain the university’s logo or otherwise identify the university.

2. Notwithstanding anything else in this subsection, the university may accept assistance comparable to the kinds of assistance provided by the Secretary of the U.S. Department of Education to schools under or in furtherance of the Federal Direct Loan Program.

3. Nothing in this subsection shall prohibits the university from accepting endowment gifts, capital contributions, scholarship funding, or other financial support from a lender or trade association, as long as the university gives no competitive advantage or preferential treatment to the lender or trade association related to its education loan activity in exchange for such support.

D. Preferred Lender Lists

In the event that the university promulgates a list of preferred or recommended lenders or similar ranking or designation (“preferred lender list”), the following restrictions and provisions apply:-:

1. Every brochure, web page, or other document that sets forth a preferred lender list must clearly disclose, textually or by clearly designated hyperlink, the process and criteria by which the university-selected lenders for said preferred lender list, including but not limited to the payment of origination fees, competitive interest rates or other terms, high-quality servicing, and additional benefits beyond the standard terms. The list will be compiled without prejudice and for the sole benefit of the students attending the institution.

2. Every brochure, web page, or other document that sets forth a preferred lender list or identifies any lender as being on said preferred lender list shall must state in the same font and same manner as the predominant text on the document that students and
their parents have the right and ability to select the education loan provider of their choice, are not required to use any of the lenders on said preferred lender list, and will suffer no penalty from the university for choosing a lender that is not on said preferred lender list. **Borrowers will not be auto-assigned to any particular lender.**

3. Every brochure, web page, or other document that sets forth a preferred lender list or identifies any lender as being on said preferred lender list shall state in the same font and same manner as the predominant text any affiliations between the lenders on the preferred lender list.

4. The university’s selection of preferred lenders and the university’s decision as to where or how prominently on the list the lending institution’s name appears shall be based solely on the best interests of student and parent borrowers, using stated criteria that are limited to benefits provided to borrowers (such as competitive interest rates and repayment terms, quality of loan servicing, and whether loans will be sold), and the ability to work efficiently and effectively with the university to process loans, without regard to the pecuniary interest of the university or to any benefits provided by lending institutions to the university or any of the university’s officers, trustees, directors, agents or employees or their family members. The university’s selection of any preferred lender shall be limited to the types of loans for which that lender has been selected, based on the benefits to the borrower for those types of loans, and the university’s preferred lender list shall indicate the types of loans for which each lender has been selected as a preferred lender. Nothing in this provision is intended to restrict the university’s ability to exercise its discretion in making its own final judgment about which lenders best meet the university’s criteria and the needs of its student and parent borrowers.

5. The university shall review its preferred lender list at least annually.

6. The university shall require that all preferred lenders commit in writing to disclose to the borrower at the time a loan is issued: (a) whether the loan may be sold to another lender; (b) that the loan terms and benefits will not change if the loan is sold to another lender; and (c) that the loan benefits may change if the borrower chooses to consolidate his or her loans.

7. The university shall ensure that any preferred lender list that it publishes to students contains no less than three (3) unaffiliated lending institutions for Federal Family Educational Loans (FFEL) and two (2) unaffiliated lending institutions for private loans.

E. Prohibition of Lending Institutions’ Staffing of University Financial Aid Offices

1. No employee or other agent of a lending institution may staff the university financial aid offices at any time, either directly or through call center staffing. The university shall ensure that no employee or other representative of a lending institution is ever identified to students or prospective students of the university or
their parents as an employee or agent of the university. The foregoing prohibitions notwithstanding, if the university believes that it would benefit students, the university may allow representatives of lenders to conduct informational sessions, such as exit interviews and presentations on loan payment and loan consolidation options, as long as: (a) student attendance is voluntary; (b) a university representative explains that other lenders may provide similar services; (c) the affiliation of the lender representative is disclosed at the start of the presentation; (d) the lender representative does not promote the products or services of any lender; and (e) the university takes reasonable steps to ensure compliance with the requirements of this paragraph.

2. In the event that the university permits a lender to conduct information sessions or exit interviews as set forth in subsection E.1., the university must retain control of any interview or presentation offered by lenders. Control may be evidenced by: (a) a university employee attending such interview or presentation; (b) the university recording or videotaping the interview or presentation; or (c) with respect to an exit interview conducted electronically via the internet, the university creating or approving in advance the content of such electronic exit interview.

F. Proper Execution of Master Promissory Notes

The university shall not link or otherwise direct potential borrowers to any electronic master promissory note or other loan agreement unless the master promissory note or agreement allows borrowers to enter the lender code or name for any lender offering the relevant loan, or the university’s link to the electronic master promissory note or agreement informs borrowers of alternative means of entering into a master promissory note or agreement with any lender of the borrower’s choice. Any information the university provides to borrowers about completing a master promissory note or agreement with a preferred lender must provide the information required in subsections II.D.1 and II.D.2. This paragraph shall not apply to telephone conversations in which a student merely seeks assistance in completing the master promissory note and has already selected a lender.

G. Revolving Door Prohibition

1. In the event a university hires an employee who will be employed in the financial aid office of the university, or who otherwise will have responsibilities with respect to higher education loans or other financial aid and such employee was employed by a lender during the 12-month period prior to the date of hire by the university, such employee shall be prohibited from having any dealings or interactions with such lender on behalf of the university for a period of 12 months from the date such employee’s employment with the lender was terminated.

2. In the event a lender hires an employee who was employed by the university during the 12-month period prior to the date of such employee’s hire by the lender, the university shall be prohibited from having any dealings or interactions with such
employee that relate to financial aid or higher education loans for a period of 12 months from the date such employee’s employment with the university was terminated.

H. **Information Provided by Financial Aid Offices**

1. Information provided by the financial aid office must be accurate, unbiased, and not reflect preference arising from actual or potential personal gain.

2. Institutional award notifications and/or other institutionally provided materials will include the following: (a) a breakdown of individual components of the institution’s cost of attendance, designating all potential billable charges; (b) clear identification of each award, indicating type of aid, i.e. gift aid (grants, scholarships), work, or loans; (c) standard terminology and definitions; and (d) renewal requirements of each award.

3. All required consumer information is displayed in a prominent location on the institutional website(s) and in any printed materials, easily identified and found and labeled as “consumer information.”

4. All employees of the financial aid office will disclose to the institution any involvement, interest in, or potential conflict of interest with any entity with which the institution has a business relationship.

Termination of an appointment with tenure, or of a probationary or special appointment before the end of the specified term, may occur under extraordinary circumstances because of bona fide financial exigency (i.e., an imminent financial crisis that threatens the continuation of a strong academic program and that cannot be alleviated by less stringent means). The responsibility for demonstrating the existence and extent of the financial exigency rests with the administration.

Before terminating an appointment because of financial exigency, the appropriate university administrator, with faculty participation, shall make every reasonable effort to place the faculty member concerned in another position within the university for which the individual is professionally qualified.

If the university, because of financial exigency, terminates appointments with tenure, or probationary or special appointments before the end of the specified term, it will not at the same time make new appointments in the same academic unit except in circumstances where a serious distortion of the academic program would otherwise result. Employment of a faculty member with tenure will not be terminated in favor of retaining a faculty member without tenure within the same academic unit, except in circumstances where a serious distortion of the academic program would otherwise result.

In each case of termination of an appointment with tenure because of financial exigency, the vacancy will not be filled by a replacement within a period of two calendar years, unless the released faculty member has been offered reinstatement and at least sixty (60) days in which to accept or decline.

A probationary faculty member whose appointment is terminated because of financial exigency shall be given appropriate notice as prescribed in policy 7.29, Tenure. A tenured faculty member shall be given notice at least twelve months prior to termination of appointment.

A faculty member whose appointment is terminated because of financial exigency, and who alleges abridgement of constitutional guarantees or academic freedom, shall be afforded due process.

Leaves available for faculty only:
The university may grant a leave of absence to faculty, when departmental needs allow, for the following reasons:

1. To pursue additional education or training for the faculty member in order to strengthen their performance in their position at SFA.
2. To engage in research and writing directly related to responsibilities at SFA.
3. To accept a similar position in a visiting capacity at another institution.
4. To accept a position outside higher education that is directly related to the employee's professional field and has potential for enhancing their future contributions to the university.

Leaves available for both faculty and staff:

Individuals for whom a leave of absence has been approved are responsible for making an appointment with the university benefits manager to resolve all questions regarding employee benefits.

Individuals on leave due to a personal serious health condition or to care for a covered relation must contact their supervisor at least once each week, or as often as requested by the supervisor, regarding the status of the condition and the intention to return to work. The supervisor is responsible for reporting this information to Human Resources as the university is responsible for notifying employees of their rights under the Family and Medical Leave Act (FMLA). Additionally, the individual is required to call Human Resources on the 1st and 3rd Monday of each month during their leave to report their leave and/or return to work status.

Employees on leave due to a worker's compensation claim must contact their supervisor at least once each week, or as often as requested by their supervisor, regarding the status of the condition and the intention to return to work. Additionally, the individual is required to provide a work status report to the university Environmental Health, Safety, and Risk Management Office from the treating physician after each appointment. The Environmental Health, Safety, and Risk Management Office will provide a form to the physician upon request. The employee is responsible for insuring the information is provided as requested.

Employees, who are recovering from a worker's compensation injury, are concurrently on FMLA leave, and who have exhausted all accrued paid leave are in leave without pay status (LWOP). These employees must make a written request from the university president for a leave of absence (LOA) not to exceed a 12 month period from the beginning of their leave without pay status. Except as provided for in the following leave provisions, any extended leaves of absence without pay for a period of four and one-half (4-1/2) months or more for faculty or exempt staff must be approved by the Board of Regents upon the recommendation of the president.
Family Medical Leave - The Family and Medical Leave Act (FMLA) will, in many
circumstances, entitle university employees with more than one year of service and who have
worked at least 1,250 hours in the last year, to request up to twelve weeks of medical leave per
year. Employees entitled to FMLA leave are required to use all sick leave accrued while taking
the FMLA leave. (See the Family and Medical Leave policy 12.9 for more information.)

Parental Leave - Employees who do not qualify for family and medical leave are entitled to
parental leave for the birth of a child or the adoption or foster care placement of a child under the
age of three. Parental leave cannot exceed 12 weeks. The employee must first use all available
and applicable sick leave while taking the parental leave and the remainder of the leave is
unpaid. Such parental leave may only be taken for the birth of a natural child or the adoption or
foster care placement with the employee of a child under 3 years of age. The leave period begins
with the date of birth or the adoption or foster care placement. (See the Family and Medical
Leave policy 12.9 for more information.)

Foster Parent Leave - An employee, who is a foster parent to a child under the protection of the
Department of Family and Protective Services (DFPS), is entitled to a leave of absence with full
pay for the purpose of attending meetings held by the DFPS regarding the employee's foster
child. In addition, the employee may attend, with a paid leave of absence, the
Admission, Review, and Dismissal (ARD) meetings held by a school
district regarding the foster child under the foster care of the employee.

Emergency Leave

1. Bereavement Leave: Regular employees will be granted bereavement leave without a loss
   in pay when a death occurs in their family. For the purposes of bereavement leave, family is
defined as the employee's spouse, or the employee's and spouse's parents, children, brothers,
sisters, grandparents and grandchildren.

   The amount of time granted for bereavement leave shall not exceed three days. A full three
days is not automatically granted since it is intended that such leave be limited to the
reasonable amount of time necessary for travel, funeral arrangements, and funeral services.
If additional days are needed, the faculty member will be required to use sick leave. Staff
employees will be required to use vacation or compensatory time if additional days are
needed. Faculty members who have exhausted all sick leave accruals
will be required to take leave without pay if extended leave is approved.

   Requests for bereavement leave should be submitted to the department official who has the
authority to approve leave. Requests for bereavement leave for family members, not
mentioned above, or for leaves greater than three days are subject to the approval of the
director of human resources, the divisional vice president, and the university president.
Employees requesting bereavement leave may be required to provide documentary
evidence of the relative's death to qualify for paid leave and attach it to the Bereavement Leave Request form.

2. Administrative Leave: Administrative leave will be granted in only the rarest of circumstances. While employees hold no entitlement to additional leave, they may be granted paid emergency/administrative leave when it is determined that there is good cause for such leave. Such leaves will not normally exceed three workdays per fiscal year.

For the purposes of this leave, an emergency is defined as an unforeseen event or combination of circumstances calling for immediate action which if not responded to immediately would present imminent danger to human life or substantial damage to property. Except for extraordinary circumstances, employees accruing sick leave would not be eligible for emergency/administrative leave for their own, or a family member's medical illness.

Administrative leave may be requested by an employee and approved by the department head for the employee to attend the funeral of a co-worker or other university employee with whom they regularly worked. Department heads, however, must ensure minimum staff levels are maintained in the department.

Inclement weather conditions will not constitute just cause for an emergency leave unless approved by the president for the institution as a whole.

Requests for emergency/administrative leave will not be approved unless authorized by the employee's immediate supervisor and department head, the director of human resources, the divisional vice president, and the university president. All requests for emergency/administrative leave should be routed to the employee's supervisor on the Administrative Leave Request form.

**Parent-Teacher Conference Leave** - An employee may use up to 8 hours of sick leave each fiscal year to attend parent-teacher conference sessions for the employee's children who are in pre-kindergarten through 12th grade. Educational activities are school-sponsored activities, including parent-teacher conferences, tutoring, volunteer programs, field trips, classroom programs, school committee meetings, academic competitions, and athletic, music, or theater programs. Employees must give reasonable notice of intention to use sick leave to attend such activities.

**Jury Duty** - No deduction shall be made from the salary or wages of any employee who is called for jury service.

**Military Leave** – Employees are eligible for 15 workdays in each federal fiscal year.
(October 1 through September 30) without loss of pay or benefits to accommodate authorized training or duty for the state’s military forces, a reserve branch of the U.S. Armed Forces, or a state or federally authorized urban search and rescue team. The 15 days of paid leave do not have to be consecutive. If the employee does not use the 15 days of military leave in a federal fiscal year, the employee is entitled to carry the balance forward to the next federal fiscal year, not to exceed 45 workdays.

The university will adjust the work schedule of a member of the Texas National Guard or United States Armed Forces Reserve so that two of the employee's days off each month coincide with two days of military duty.

An employee called to active duty during an emergency to serve in reserve component of the U.S. Armed Forces under Title 10 or Title 32 of the U.S. Code is entitled to an unpaid leave of absence. The employee may choose, but is not required, to use all or some portion of another form of paid leave before they choose to go on leave without pay while on military leave.

An employee called to state active duty as a member of the state military forces by the governor because of an emergency is entitled to receive emergency leave without loss of military leave or vacation leave. This leave will be proved without a deduction in salary. This time is not limited and does not count against the 15 days maximum military leave per federal fiscal year.

An employee called to federal active duty for the purpose of providing assistance to civil authorities in a declared emergency or for training for that purpose is entitled to receive paid emergency leave for not more than 22 workdays without loss of military leave or vacation leave per calendar year.

A member of the state military forces who is ordered to active state duty by the governor or by other proper authority under the law of this state is entitled to the same benefits and protections provided:

- To persons performing service in the uniformed services by in accordance with Title 38 U.S.C. Sections 4301-4313 and 4316-4319, as that law existed on April 1, 2003; and

Military Paid Leave and State Service - Employees called to active duty during national emergency to serve in a reserve component of the U.S. Armed Forces under Title 10 or 32 of the U.S. Code are entitled to state service for longevity purposes, vacation leave accruals, and sick leave accruals while on an unpaid leave of absence. This leave will be accrued but not posted until the employee returns to state employment. In addition, the
employee retains their leave balances unless the employee chooses to use any accrued leave (vacation or compensatory time) to maintain benefits for the employee or the employee’s dependents while on military duty. Additionally, the employee may continue to accrue service credit with ERS by receiving at least one hour of state pay during each month of active military service. The employee may use sick leave and any combination of paid leave to qualify for state pay.

**Military Differential Pay:** The university shall grant sufficient emergency leave to provide a pay differential if the employee's military gross pay is less than the employee's state gross pay. The combination of gross military pay and emergency leave may not exceed the employee's actual state gross pay. Pay received while assigned to a combat zone, hardship duty pay, and family separation pay is excluded when computing military differential pay. The employee should be notified of the university’s intent to use emergency leave to supplement their military pay to raise it to a rate comparable to the state pay received prior to activation. Only state employees called to active duty in support of a national emergency or Homeland Security mission (under U.S.C. Title 10 or 32) and who’s military pay is less than their gross state pay are eligible for differential pay. Service members involved in routine military training or who are attending military schools are not entitled to this differential pay. If emergency leave is granted to employees activated for military duty, those employees will accrue sick leave and vacation leave, as appropriate, each month they receive pay from the university. The sick and vacation hours will be accrued but not posted until the employee returns to full employment with the university. To determine eligibility, the employee must provide a copy of their Military Leave and Earnings Statement each month that emergency leave is going to be granted to look at the total entitlement of military pay received by the service member. The service member’s pay may change during the period of active duty because of a promotion or change in entitlements; any increase in pay may reduce or cease the need for state military differential pay.

**Military Restoration of Employment:** To be eligible for restoration of employment at the conclusion of military service, the employee must be honorably discharged no later than five years after induction, enlistment, or call to duty and must be physically and mentally qualified to perform the duties of the job. If an employee is unable to perform the duties of the previous job due to a service-related disability, the veteran is entitled to be restored to a position that he or she can perform with similar or the nearest possible seniority, status, and pay. Veterans whose employment has been restored may not be dismissed without cause within a year of their reinstatement. Eligible veterans must apply for reinstatement within 90 days after discharge or release from service. The application must be made in writing to the president of the university and must include evidence of discharge under honorable conditions. An individual reemployed is considered to have been on furlough or leave of absence during the time that they were in military service. As such, the employee may participate in retirement or other benefits to which a state employee is or may be entitled.
Certified Red Cross Activities Leave - Employees who are certified disaster service volunteers of the American Red Cross or are in training to become such a volunteer may be granted a paid leave of absence not to exceed 10 days each fiscal year. The employee must have the approval of his or her supervisor and a formal request from the Red Cross. In addition, the approval of the governor's office is required. An employee on such leave will not lose pay, vacation time, sick leave, earned overtime, and/or compensatory time during this leave. The pool of certified disaster volunteers must not exceed 350 participants at any one time.

Amateur Radio Operator Leave - An employee with an amateur radio station license issued by the Federal Communications Commission will be granted a paid leave of absence not to exceed 10 working days each fiscal year to participate in specialized disaster relief services. An employee on such leave will not lose pay, vacation time, sick leave, overtime leave, or compensatory time. The amateur radio operator leave must be authorized by the employee’s supervisor and must have the approval of the governor. The number of amateur radio operators eligible for this leave may not exceed 350 state employees at any one time.

Volunteer Firefighters/Emergency Medical Services Training Leave - Volunteer firefighters and emergency medical services volunteers will be granted a paid leave of absence not to exceed five working days each fiscal year for attending training schools conducted by state agencies.

Assistance Dog Training - An employee with a disability as defined by Texas Human Resources Code, Section 121.002 shall be granted a paid leave up to 10 working days in a fiscal year for the purpose of attending a training program to acquaint the employee with an assistance dog to be utilized by the employee. This leave is in addition to other leave entitlements.

Organ or Bone Marrow Donors - An employee is entitled to a leave of absence without a deduction in salary for the time necessary to permit the employee to serve as a bone marrow or organ donor. The leave of absence may not exceed five working days in a fiscal year to serve as a bone marrow donor or 30 working days in a fiscal year to serve as an organ donor.

Donation of Blood - An employee shall be allowed sufficient time off, without a deduction in salary or accrued leave, to donate blood. An employee must obtain approval from his/her supervisor prior to taking off. On returning to work, an employee shall provide his/her supervisor with proof that the employee donated blood during the time off. An employee may receive time off not to exceed more than four times in a fiscal year.

All requests for leave without pay must be submitted to Human Resources on the “Leave
Compliance with a Subpoena – An employee may not be discharged, disciplined, or penalized for complying with a subpoena to appear in a civil, criminal, legislative, or administrative proceeding. It will be up to the university’s discretion in instances of unofficial testimony to decide whether such an absence is considered good cause for emergency leave.

Time Off to Vote – Employees will be allowed sufficient time off, without a deduction in pay or accrued leave, to vote in each national, state, or local election if there is not sufficient time to vote outside regular working hours.

All requests for leave without pay must be submitted to human resources on the Leave without Pay form.

Leave of Absence (Non-Academic) Policy to be deleted

Original Implementation: September 1, 1981
Last Revision: April 17, 2012

The president may grant a leave of absence without pay to non-academic employees after receiving input from the supervising department regarding departmental needs and subject to the following provisions:

1. All accumulated paid leave entitlements must be exhausted before granting such leaves, with the additional provision that sick leave must be exhausted only in those cases where the employee is eligible to take sick leave. Employees off due to a worker's compensation injury will not be required to exhaust their accrued vacation and comp time, but their accrued sick leave must be exhausted before leave of absence may be granted.

2. Such leaves will be limited in duration to twelve (12) months.

3. Except in instances of disciplinary suspension, workers' compensation, or military situations:
   • Annual leave must be exhausted.
   • Sick leave, if appropriate, must be exhausted.

4. The return to work date shall be specified when the leave is requested; or, in the event that the return date is not known, the employee must make arrangements to contact the supervisor at least once each week or as often as requested by the supervisor. The employee is required to call Human Resources on the 1st and 3rd Monday of each month during the leave to report their leave and/or return to work status.

Individuals on leave due to a worker's compensation claim must contact their supervisor at least once each week, or as often as requested by their supervisor, regarding the status of the condition and the intention to return to work. Additionally, the employee is required to provide a work status report to the university Environmental Health, Safety and Risk Management Office from the treating physician after each appointment. The Environmental Health, Safety and Risk Management Office will provide a form to the physician upon request. The employee is responsible for insuring the information is provided as requested.

5. The employee must report to the supervisor and the Human Resources Department if he/she will be unable to return to work at the end of the leave period and must provide an acceptable reason for the delay. Failure to return to work from an approved leave of absence by the intended date and to provide an acceptable reason will be considered job abandonment.
Employees who are recovering from a worker’s compensation injury, are concurrently on FMLA leave, and who have exhausted all accrued sick leave are in leave without pay status (LWOP). Those employees must make a written request for a leave of absence (LOA) from the university president not to exceed a 12-month period from the beginning of their leave without pay status. Except as provided for in the following leave provisions, any extended leaves of absence without pay for a period of four and one-half (4 1/2) months or more for exempt, non-academic employees must be approved by the Board of Regents upon the recommendation of the president.

The president designates the department head to permit an employee a leave of absence without pay for 1-3 days for appropriate reasons. The department head can approve a leave of absence without pay only one (1) time per fiscal year per employee. An individual who chronically exhausts all paid leave and has utilized one department-approved leave of absence without pay will be required to request a leave of absence without pay in advance from the president for future leave needs unless entitled to other benefits under university policy or law. All leaves for a semester or less, except as stated above, must be approved by the president. The Board of Regents must approve leaves of more than a semester for exempt, non-academic employees.

**Family Medical Leave**—The Family Medical Leave Act (FMLA) will, in many circumstances, entitle university employees with more than one year of service and who have worked at least 1,250 hours in the last year, to request up to twelve weeks of medical leave per year. Employees entitled to FMLA leave are required to use all of their paid vacation and sick leave while taking the FMLA leave. (See the Family and Medical Leave policy 12.9 for more information.)

**Parental Leave**—Employees who do not qualify for family and medical leave are entitled to parental leave for the birth of a child or the adoption or foster care placement of a child under the age of three. Parental leave cannot exceed 12 weeks. The employee must first use all available and applicable paid vacation and sick leave while taking the parental leave and the remainder of the leave is unpaid. Such parental leave may only be taken for the birth of a natural child or the adoption or foster care placement with the employee of a child under 3 years of age. The leave period begins with the date of birth or the adoption or foster care placement. (See the Family and Medical Leave policy 12.9 for more information.)

**Foster Parent Leave**—An employee, who is a foster parent to a child under the protection of the Department of Family and Protective Services (DFPS), is entitled to a leave of absence with full pay for the purpose of attending meetings held by the DFPS regarding the employee’s foster child. In addition, the employee may attend, with a paid leave of absence, the Admission, Review, and Dismissal (ARD) meeting held by a school district regarding
the child under the foster care of the employee.

Employees requesting bereavement leave may be required to provide documentary evidence of the relative's death to qualify for paid leave and attach it to the Bereavement Leave Request form.

2. **Administrative Leave:** Administrative leave will be granted in only the rarest of circumstances. Mobile Device Applications

Overview

Mobile devices are increasingly used to access information and to provide information about Stephen F. Austin State University (SFA). This trend is likely to continue. It is important that established standards and procedures be established for developing mobile device applications (commonly called “apps”) will be regularly reviewed to ensure consistent, effective, and efficient user experiences.

A working group with representatives from the Web Development Office (WDO), Steen Library, Office of Instructional Technology (OIT), Center for Teaching and Learning (CTL), Information Technology Services (ITS), and the Office of Student Affairs (OSA) is responsible for delivery platform(s) selection, content collection, and technical development.

The WDO maintains oversight and provides documentation that explains guidelines and procedures for developing mobile applications at SFA. These guidelines and procedures will be updated by the working group as necessary and are available on the WDO website (www.sfasu.edu/web-dev/).

Definitions

SFA-related standalone app: a mobile device application that represents SFA or one of its colleges, departments, offices or other units. These applications are subject to guidelines established in the official university Identity Standards Manual.

Procedures

1. The official SFA mobile application (“SFA app”) is the primary mobile application that represents the university. It is designed for use by a wide range of audiences, including prospective students, alumni, and friends of the university. Adding new features to the SFA app is preferred over the creation of new, standalone mobile applications.

   a. Updates and new features to the SFA app that are proposed by students are coordinated through the Office of Student Affairs with input from the Student Government Association (SGA). Updates and new features to the SFA app that are proposed by SFA faculty and staff members are coordinated through the CTL.
Faculty and staff members may propose a new feature by submitting a request through OIT.

2. Requests for new apps must be submitted using the Standalone Mobile Application Request form. Requests for SFA-related standalone apps must be approved by the appropriate vice president. The WDO will review the proposal, determine whether a standalone app is appropriate, and contact the requesting unit. Requests for SFA-related standalone apps must be approved by the appropriate vice president.

3. To ensure consistency, SFA-related standalone apps must be distributed under SFA's official developer account in the appropriate mobile application delivery platform, e.g., iOS App Store, or Android Market. No other accounts may be created to develop or distribute SFA-related standalone apps.

SECTION I: GENERAL PROVISIONS

1. **General:** Pursuant to the authority granted by the Texas Education Code and as approved by the Board of Regents of Stephen F. Austin State University (SFA), these *Parking and Traffic Regulations* are promulgated to regulate and control parking and traffic and the use of parking facilities, to provide for the issuance of parking permits, and to provide for jurisdiction over offenses. These rules and regulations are supplementary to applicable ordinances of the city of Nacogdoches and the statutes of the state of Texas that govern pedestrians and the use of motor vehicles and bicycles.

   A. The operation of a motor vehicle or bicycle on university property is a **PRIVILEGE** granted by the university and is not an inherent right of any faculty/staff member, student or visitor. All faculty, staff, students and visitors who park on university property must have a university parking permit or park in a short-term paid parking space. A parking permit signifies that an individual has been granted the privilege of parking a vehicle on university property and does not guarantee a parking place on campus.

   B. The university assumes no liability or responsibility for damage to or theft of any vehicle parked or driven on campus. The university assumes no responsibility or any duty to protect any vehicle or its contents at any time the vehicle is operated or parked on the campus. No bailment is created by granting any parking or operating privileges regarding a vehicle on any property owned, leased or otherwise controlled by the university.

   C. Each person operating a motor vehicle on university property is responsible for obeying all university parking and traffic regulations as well as all city and state parking and traffic regulations. All vehicles operated on the university property must display a valid parking permit 24 hours a day, 365 days a year.

   D. These regulations are in effect at all times on university property.

   - Expected attendance
   - Costs that may be incurred by department sponsoring event

   - Logistical ability of P&T to manage event
   - Whether or not the event is university or non-university sponsored

### SECTION VII: ENFORCEMENT

1. **Parking and Traffic Citations**:

   A. Issuance: Any person violating these regulations may receive a citation.

   B. P&T Authority: University parking enforcement assistants are authorized to write university parking citations.

   C. UPD Authority: UPD officers are authorized to issue university citations and court appearance citations for violation of these regulations. It is the general policy of the university to issue court appearance citations only for moving violations and for any violation when the individual's driving or parking privileges have been suspended, although UPD may issue a court appearance for any appropriate violation. All vehicles driven on Stephen F. Austin State University property are subject to all university traffic regulations, state of Texas motor vehicle codes and city of Nacogdoches motor vehicle laws. Moving violations may be issued on a city of Nacogdoches traffic citation or filed in the office of the appropriate justice of the peace or with the city of Nacogdoches Municipal Court.

   D. Fees for parking violations may be paid in person at the university business office between 8 a.m. and 4:30 p.m. Monday through Friday, online through an eBill, or mailed to:

   Stephen F. Austin State University  
c/o Business Office  
P.O. Box 13053, SFA Station  
Nacogdoches, TX 75962-3053
2. **Failure to Discharge Court Appearance Citations:** Failure to discharge a court appearance citation may result in the issuance of an arrest warrant.

3. **University Citations:** University citations are issued for offenses listed in Section VIII: Driving and Parking Offenses. Any person receiving a university citation must remit the amount of the charge or submit an appeal to P&T within ten (10) days after issuance of the citation. Any towing, booting and/or storage fees for removal of an impounded or immobilized vehicle or bicycle must be paid regardless of whether an appeal has been submitted.

4. **Appeals of University Citations:** Any person issued a university citation may appeal the citation within ten (10) days of the citation's issuance by completing the appropriate P&T form. Any citation that is not a warning must be appealed as described in these regulations.

5. **Failure to Pay Citation Charges:** Unpaid citations can result in student financial holds preventing students from receiving grades, refunds, official transcripts or graduating. Additional collection efforts may also be utilized as specified in these regulations. Ten (10) or more violations within one academic year may result in suspension of driving and parking privileges on campus and/or disciplinary action.

6. **Vehicle Immobilization or Impoundment:** P&T or UPD may immobilize (boot) or impound (tow/relocate to a storage area) a person’s vehicle for the following reasons:

   A. the person and/or vehicle has accumulated three (3) or more past due parking citations

   All citations issued will contain a notice informing the violator that a consequence of three (3) or more outstanding citations is the potential that their vehicle may be booted or impounded.

   If the vehicle cited can be connected to a current SFA student or employee a notice of the citation will be sent to the SFA email account of the violator, otherwise a notice will be sent to the DMV address of the registered owner. Such notices will inform the violator that a citation has been issued to them and will contain information about any other outstanding citation(s) they may have.

   If a violator has two or more outstanding citations when a third is issued, a notice will be sent to the violator’s SFA e-mail account or to the DMV address of the registered owner of the vehicle notifying them that ten (10) days following the issuance of the third citation their vehicle will be eligible to be booted or impounded unless all of the outstanding citations are addressed by payment or by appeal if allowed within the time limits outlined in this policy.

   Each notice, both physical and e-mail, will include information about how to pay or appeal
the citation(s).

Violators who believe the P&T records are incorrect, or have any questions regarding any of the citations, should contact P&T within 10 days of the date of the notification at (936) 468-PARK (7275) Monday through Friday between the hours of 7:00 AM and 5:00 PM or by email to sfaparking@sfasu.edu.

B. the person and/or vehicle is parked in violation of the terms of a conditional release

C. the vehicle is parked in an ADA space without displaying a state ADA placard or license plate

D. the driver is illegally using an ADA permit assigned to another individual

E. the driver is in possession of a lost, stolen, altered or unauthorized permit

Once a vehicle is immobilized, all outstanding citations and the immobilization or impound fee must be paid in full and an appropriate permit must be purchased prior to the release of the vehicle.

The university is not responsible for any damage to the vehicle during booting, towing, relocation, or storage. After notice has been posted on the vehicle, vehicles booted for longer than three (3) days may be impounded (towed to a storage area). The owner and operator are severally responsible for any booting, towing or storage fees.

No vehicle may be towed without the express approval of the executive director of public safety/university chief of police, the director of P&T or their designee.

Section 2.C. of these regulations outlines the appeal process for citations, boots and impoundments.

7. Suspension of Parking Privileges:

Notices of parking violations may constitute a suspension of parking privileges, and any fee assessed is for reinstatement of parking privileges for operators of vehicles registered with the university.

All violations involving registration of vehicles operated on the properties of the university are violations of the law and SFA Parking and Traffic Regulations. Disposition of these citations at the university is a privilege extended by the university, which may be withdrawn at the university’s option.

Violation of suspension of parking privileges may result in removal of the vehicle by tow away.
Driving and parking privileges may be suspended by P&T, DPS, or the Office of Student Rights and Responsibilities if the violator has displayed a lost, stolen or altered permit or other flagrant violations of these regulations. The loss of the privilege of driving or parking a vehicle on campus shall commence immediately following notification of suspension. Such notification shall state the term of the suspension and consequences for violation of the stated terms. The violations of the suspension shall be reported to the Office of Student Rights and Responsibilities if the person is a student or to the appropriate dean, director or administrative official for possible disciplinary action if the person is a faculty or staff member.

If a person whose privilege of driving or parking on campus has been suspended receives a university citation by reason of having a vehicle on campus during the period of their suspension, the period of suspension may be extended and a referral to the appropriate university office may be made for further university disciplinary action.

A. A person receiving notice that their privilege of driving or parking on university property has been suspended shall return, without refund, the remnants of the permit issued (or the entire hanging permit) to the P&T office immediately.

8. **No Excuse:**
   The absence of sufficient parking spaces on the university campus is not justification for violation of these regulations. Failure to enforce any regulation shall not constitute a waiver of the university’s authority to enforce these regulations. Other improperly parked vehicles do not constitute an excuse for improper parking.

Post Bond Issuance Federal Tax Compliance (NEW POLICY)

Original Implementation: April 14, 2015
Last Revision: None

The Board of Regents, Stephen F. Austin State University (the "board") has issued and will issue from time to time bonds, notes or other tax-exempt obligations (collectively, the "bonds") on behalf of Stephen F. Austin State University (the "university"). The board is required by the terms of Section 103 and 141 through 150 of the Internal Revenue Code of 1986, as amended ("code"), and the U.S. Treasury Regulations promulgated thereunder ("regulations"), to preserve the tax-exempt status of its bonds subsequent to their issuance. Further, the code and the regulations impose record retention requirements on the board with respect to its bonds.

The purpose of this policy is to describe action to be taken in order to comply with bond covenants including applicable code provisions and regulations and also to specify who is responsible for such action.

ARBITRAGE

With respect to the investment and expenditure of the proceeds of bonds, the vice president for finance and administration will instruct the appropriate staff, consultant(s) or other appropriate person(s) to:

(a) require that the construction, renovation or acquisition of any facilities to be financed with the proceeds of bonds proceed with due diligence and that binding contracts for the expenditure of at least five per cent (5%) of the proceeds of the bonds be entered into within six (6) months of the date of delivery of the bonds ("issue date");

(b) monitor to ensure that at least eighty-five percent (85%) of the proceeds of the bonds to be used for the construction, renovation or acquisition of any facilities are expended within three (3) years of the issue date;

(c) ensure that the yield on the investments of any proceeds of the bonds be restricted to the yield on the bonds for any period beyond three (3) years of the issue date;

(d) monitor all amounts deposited into a sinking fund or fund (e.g., a debt service fund or interest and sinking fund) to assure that the maximum amount invested at a yield higher than the yield on the bonds does not exceed an amount equal to the debt service on the bonds in the succeeding twelve (12) month period plus a carryover amount equal to one-twelfth (1/12) of the principal and interest payable on the bonds for the immediately preceding twelve (12) month period;

(e) ensure that no more than fifty percent (50%) of the proceeds of the bonds are invested in an investment with a guaranteed yield for four (4) years or more;
(f) assure that the maximum amount of any reserve fund for the bonds invested at a yield higher than the yield on the bonds will not exceed the lesser of (i) ten percent (10%) of the principal amount of the bonds, (ii) one hundred twenty-five percent (125%) of the average annual debt service on the bonds measured as of the issue date, or (iii) one hundred percent (100%) of the maximum annual debt service on the bonds as of the issue date;

(g) monitor the actions of the escrow agent holding any escrow funded with bond proceeds to ensure compliance with the applicable provisions of the escrow agreement, including with respect to reinvestment of cash balances;

(h) document by official action of the board, such as a reimbursement resolution, any intent of the board to reimburse with the proceeds of the bonds any amount expended prior to the issue date for the acquisition, renovation or construction of the facilities;

(i) ensure that the applicable information return (e.g., IRS Form 8038-G, or any successor form) is timely filed with the Internal Revenue Service ("IRS"); and

(j) assure that, unless excepted from rebate and yield restriction under Section 148(f) of the Internal Revenue Code of 1986, excess investment earnings are computed and paid to the U.S. government at such time and in such manner as directed by the IRS (i) at least every five (5) years after the issue date and (ii) within thirty (30) days after the date the bonds are retired.

PRIVATE BUSINESS USE

With respect to the use of any facilities financed or refinanced with the proceeds of the bonds, the vice president for finance and administration will instruct the appropriate university staff, consultant(s) or other appropriate person(s) to:

(a) monitor the date on which the facilities are substantially complete and available to be used for their intended purpose;

(b) monitor whether, at any time during which the bonds are outstanding, any person, other than the university, its employees and agents or members of the general public, has any contractual right (such as a lease, purchase, management or other service agreement) with respect to any portion of the facilities;

(c) monitor whether, at any time the bonds are outstanding, any person, other than the university, its employees and agents or members of the general public, has a right to use the output of the facilities (e.g., water, gas or electricity);

Restrictions on Contracting with and Paying Certain Vendors

Original Implementation: January 25, 2000
Last Revision: July 17, 2012, April 14, 2015

The university is required by Tex. Gov’t Code § 2252.903 and the United States President’s Exec. Order No. 13,224, 66 Fed. Reg. 49079 (Sept. 23, 2001) to determine the eligibility of vendors for to receive contracts and/or payments from SFA. The university may contract with any vendor on state warrant hold and follow established procedures for notifying the vendor and holding payment. The university is strictly prohibited from contracting with any vendor listed on the federal government specially designated nationals list (SDN).

DEFINITIONS

Warrant Hold – status identifying vendors who are delinquent in payments to the state of Texas and prohibiting the state comptroller and state agencies from issuing payment to the vendor. Warrant hold information is maintained in the state comptroller’s TINS (Texas Identification Number System).

SDN – federal government specially designated nationals list identifying vendors with whom the United States President’s Executive Order 13,224 prohibits any government entity from doing business.

SAM – federal system for award management that encompasses all federal restrictions related to doing business with excluded vendors.

RESPONSIBILITY FOR DETERMINATION

It is the responsibility of the department placing the order to ensure that the selected vendor is NOT on warrant hold or the SDN listed with an active exclusion on the federal system for award management (SAM) up to 7 days before the contract date, but no later than the contract start date. Refer to Delegated Purchasing Authority (17.5) to determine departmental responsibility. It is the responsibility of the SFA controller’s accounts payable office to ensure that the selected vendor is NOT on warrant hold prior to processing a university payment. Refer to Delegated Purchasing Authority (17.5) to determine responsibility.

HOW TO MAKE A DETERMINATION

State Comptroller Warrant Hold Status Determination

The university’s financial system will terminate and prevent the use of any vendor in the
financial system that is on warrant hold. For vendors not in the university’s financial system, vendor warrant hold status must be searched on the state comptroller’s Vendor Hold Search website. Contact accounts payable or the procurement office for assistance. If a vendor is found to be on warrant hold, the following applies:

a. Purchase orders under delegated purchasing authority – the purchase order or contract may be issued but must include a clause on the purchase order or contract relating to the warrant hold status.

b. P-Card – expenditures over $500 are not allowed from a vendor on warrant hold.

c. Accounts Payable – accounts payable may make a payment to an entity on warrant hold using local funds if the hold source agency or agencies consent to the payment. Such payment can only be made after securing documentation of the consent. Otherwise payment must be made to the hold source agency or agencies.

Federal Government Specially Designated Nationals List (SDN) Determination

The verification process involves searching for the vendor by vendor name at the federal government’s Office of Foreign Assets Control (OFAC) SDN on the SAM website created specifically for this determination. Contact the procurement office for assistance. If a match is found, contact the director of procurement. Purchase Orders and Contracts may not be issued to any vendor with an active exclusion on the SDN/SAM website list.

Risk Management

**Original Implementation:** August 2, 1994
**Last Revision:** October 22, 2012, April 14, 2015

**POLICY STATEMENT**

The administration of Stephen F. Austin State University recognizes the significance of providing a safe working and teaching environment for both employees and students. Fulfilling educational philosophies and protecting facility assets are important priorities.

Institutional planning, with an emphasis placed on practical approaches to problem solving and risk control, are standards commonly adhered to in a university environment. Policies and procedures address controlling the total cost of risk while meeting the goals of conserving the physical and financial resources of the institution. The ultimate benefit is a reduction in the total cost of risk. Additionally, the university is a safer place for employees, students and the public to work, study and congregate.

It is the responsibility of the university administration to communicate the Risk Management policy to university personnel. In so doing, university personnel are educated on the concepts of safety and risk management. By demonstrating the ability to analyze exposure to loss and by implementing measures to control these losses, the image of the university is improved in the market-place and in the community.

The function of risk management is to minimize the adverse effects of events, be they physical or financial, through the implementation of three basic tools:

**Avoidance.** Risk is avoided by refusing to assume it. This is not always wise or possible as it may mean an end to an operation in a specific area.

**Loss Prevention and Reduction.** When a risk cannot be avoided, it can often be reduced and the severity of losses lessened through the proper training of staff, maintenance of equipment, updating of policies and procedures, and the proper implementation of adequate emergency procedures.

**Transfer.** If a risk cannot be avoided, it can be transferred to others. In negotiating contracts, the risk manager may recommend an insurance clause be included requiring evidence of the other party's insurance coverage. This type of document is a "certificate of insurance" and where appropriate, the institution may need to be named as an additional insured under the contractor's policy.
RISK MANAGEMENT PLAN

Loss or claim reporting procedures

I. Personnel

Faculty, staff or student assistant injuries that occur during the scope of employment may be covered by worker’s compensation. The employee must inform his/her supervisor and contact the university claims coordinator (safety officer) as soon as possible. Refer to university policy Workers' Compensation Coverage (12.23).

II. Property

Whenever a property loss occurs from fire, theft, explosion, flood, earthquake, vandalism or any other such cause, a loss report is submitted to the University Police Department (UPD) and the Environmental Health, Safety, and Risk Management Department (EHS&RM) by the department supervisor. EHS&RM will file the necessary paperwork for insurance claims.

III. Students and Visitors

A. Occurrence: Whenever there is an accident or injury on university premises, a loss or injury to a student, visitor or company, or any other unplanned event, the UPD and EHS&RM is notified. UPD will submit incident or accident reports to the Environmental Health, Safety, and Risk Management Department.

B. Procedure: The appropriate vice president is notified of all incidents that involve a contractor, vendor, student, or visitor.
   1. Once all of the facts have been documented, the general counsel is notified.
   2. Employees are advised to discuss the case with no one until consulting with the general counsel.
   3. No statements are made admitting liability or authorizing medical treatment unless cleared through the general counsel.
   4. If any machine, product, or object is involved in the accident, it is preserved, as is, in a safe place until it can be examined.

SAFETY AND LOSS PREVENTION

I. Safety Communication Network

The University Environmental Health, Safety and Risk Management Department (EHS&RM) is charged with the general oversight of the university safety program.
Communication channels that connect each area of the university with the EHS&RM Department are necessary for an effective safety program. Each division of the university shall designate a safety representative or representatives who will act as the liaison(s) between the division and the EHS&RM Department. The purpose of the safety communication network is not to relieve the division members of the general responsibility but to recognize hazards in their areas of activity and take positive action to reduce or eliminate those hazards, nor is it to relieve the faculty and staff members of their responsibility to educate their students and employees about proper job procedures and recognized hazards before making task assignments. The safety communication network serves to create procedures are maintained on the Environmental Health, Safety, and Risk Management website.

A. Communication Pathway: The procedure for channeling safety information to the EHS&RM Department is as follows:

1. Any individual who discovers a safety problem shall notify his/her supervisor. The supervisor shall notify the appropriate division safety representative.

2. The division safety representative shall coordinate with the appropriate individuals, and the safety problem will be resolved at that level if possible.

3. If further action is necessary or if help is needed to clarify the problem and recommend a solution, the division safety representative will refer the problem to the EHS&RM Department. The EHS&RM Department will assess the safety issue and assist with the resolution.

4. Should the scope of the problem be such that it is one of university-wide concern, or that resolution of the problem cannot be achieved at the department or division level, the EHS&RM Department will recommend a course of action through appropriate administrative channels to the president.

B. Alternate Communication Pathway: The plan as outlined does not preclude a person from directly contacting the Environmental Health, Safety and Risk Management Department; however, the problem should be presented to the appropriate division safety representative for resolution at that level if possible.

C. Other functions of the safety communication network:

1. The network will serve as a means of communicating safety concerns from the EHS&RM Department through the division safety representative to faculty, supervisors, and employees.

2. A division or department that operates in an environment that presents high-risk shall review its working conditions and the hazards associated with them to establish a safety liaison between the department and EHS&RM.

3. In order to maintain continuity of the safety communications network, the term of the division safety representative will be indefinite, but subject to review by the respective department or division head.
Departments that engage in high risk activities shall set aside bulletin board space to be designated "SAFETY NOTICES," and it shall be maintained exclusively for safety information. The bulletin board will be the responsibility of the division safety representative. The division safety representative's name, office number and phone number shall be posted on the bulletin board.

D. Safety Suggestion Program

The Safety Suggestion Program allows employees to voice their safety concerns and have a direct input into the safety program. Safety suggestions are to be directed to the director of EHS&RM. Suggestions may be anonymous; however, satisfactory resolution of the safety problem may depend upon discussions with the person.

II. Safety Management

There are varying risks associated with activities and occupations at a university. The Environmental Health, Safety and Risk Management Department serves the university community by identifying the areas of greatest risk and by making recommendations regarding elimination, substitution or reduction of those risks. Recommendations are based on the numerous federal, state, and local regulations, codes, and standards that have been developed to assure public health and safety. Employees are encouraged to play an active role in the university safety program by identifying and reporting hazardous conditions.

Refer to the university Health and Safety Manual.

III. Instructional Program

Structured safety training such as new employee, defensive driving, specialized, high interest areas, or specific subject matter, and information concerning the Hazardous Communication Act will be offered to employees when appropriate or required by law.

IV. Monitoring

The EHS&RM Department will update or modify the Health and Safety Manual as needed. EHS&RM will be charged with the responsibility of reviewing problem areas such as recurring injuries, accidents or safety violations.

V. Travel and Vehicle Use Policy

The university provides several choices for vehicle transportation necessary for operations
that include travel for university business. For procedures, requirements, policies, worker’s compensation and general insurance information, reference the Rental and Use of Vehicles in an Official Capacity procedures located on the Environmental Health, Safety and Risk Management website.

Refer to Rental of University Vehicles (16.23).

VI. Insurance

A. The purchase and renewal of insurance are the responsibility of the vice president for finance and administration.

B. The vice president of finance and administration and the campus risk manager will evaluate campus risks of loss and insurance needs.

C. Insurance shall be purchased if:
   1. Required by law,
   2. The cost of insurance is judged to be preferable to leaving the risk uninsured, or
   3. Required by contractual agreement.

Insurance will not be purchased if state or federal law prohibits the purchase of insurance. Insurance coverage is limited to what is allowed by state law.

The State Office of Risk Management must approve all insurance prior to purchasing. The appropriate approval forms must be initiated through the EHS&RM Department.

D. Insurance Claims:
   1. Any incident that may be covered by insurance must be reported to the Environmental Health, Safety and Risk Management Department so that the incident may be evaluated and reported to the appropriate insurance carrier; and
   2. The Office of the General Counsel will be notified of all claims and consulted for guidance.

VII. Employee Indemnification

Employees are indemnified within the course and scope of employment to the extent provided by state law. Refer to Chapter 104, Civil Practice and Remedies, Vernon's Texas Codes Annotated.

4. Compensation in excess of base salary is a temporary adjustment of total compensation, which must be specified and approved in writing prior to work commencing by the appropriate administrative channels, and is expressly conditioned on availability of funds.

5. Without exception, all payments to university employees will be made through payroll services. Salary supplement, stipend, and additional compensation payment requests must be submitted and paid before the close of the fiscal year in which the services were performed. Payments for additional compensation...
using grant funds must be requested and approved within the appropriate grant funding period.

6. The activities listed below are considered additional responsibilities for which an employee may receive extra compensation:

   a. special projects assigned by approved university administrators that are in addition to an employee's normal responsibilities;

   b. intra-university consulting or other special services conducted for a university department or area other than the employee's department;

   c. services beyond normal duties of the position held which cannot be reimbursed by compensatory (comp) time, including incidental work activities on research and sponsored programs [see Compensation from Grants, Contracts and Other Sponsored Agreements (12.1)];

   d. increases in teaching load (overload) approved by the provost/vice president for academic affairs; and

   e. duties performed by an employee not under contract at the time the duties must be performed (except for start dates that are outside of the academic year), or those that are not considered in the base salary.

7. The base salary period for a full-time faculty appointment is the academic year (normally September 1 through the following May 31). Summer months and periods of time during the academic year when the university is not in session, e.g., weekends, holidays, semester breaks, are not included in the base salary period.

8. On occasion, regular university activities for which faculty are responsible are scheduled outside the base period; and are assumed to be included in the institutional base pay, and therefore are not eligible for extra compensation (examples include Showcase Saturday and Freshman Orientation.)

9. Additionally, the university may employ faculty members during the summer months for specific teaching, research, or grants sponsored agreement assignments for which they are paid a salary.

10. Any individual who is dually employed (rather than sponsored project funded) with the university and with another state or federal agency must obtain prior written approval from the president and Board of Regents before entering into any activity for which compensation in excess of base salary/IBS is to be
III. Types of Extra Compensation

There are three types of compensation in excess of base salary: (1) salary supplements; (2) stipends; and (3) additional compensation.

1. Salary Supplements:

"Salary supplement" means a payment that temporarily augments the base appointment salary. When the special assignment ends, the salary reverts to the base appointment salary. A salary supplement increases the base appointment salary for the purpose of calculating the maximum amount an employee may receive in additional compensation. See section 3, below.

   a. Payment of salary supplements for interim appointments and endowed positions are approved either directly by the Board of Regents or indirectly through board policy and must be reviewed and approved annually. Salary supplements for overload assignments do not require board approval.

   b. Salary supplements appear on the regular monthly payroll check and are included in all benefit calculations except health insurance and longevity.

   c. Salary supplements are requested on the Electronic Personnel Action Form (EPAF) or the EPAF Origination Request Form.

   d. Salary supplements cannot be paid from grant, contract, or sponsored agreement accounts.

   e. Examples of salary supplements may include compensation for: (1) interim appointments; (2) faculty course overloads; and (3) endowed positions.

2. Stipends:

"Stipend" means a lump-sum payment in addition to the base appointment salary that provides recognition or incentives to employees as established in university policy. A stipend does not increase the base appointment salary for the purpose of calculating the maximum amount an employee may receive in additional compensation (see section 3, below) and is not counted as additional compensation.
a. Payment of stipends may be approved by any of the following methods:
either:
  • directly by the Board of Regents; or
  • indirectly through board policy; or
  • Stipends must be approved unless otherwise provided by other policy, by the appropriate vice president or president.

b. Stipends are requested on the Stipend Authorization form and are paid on the monthly payroll, but are not included in benefits calculations.

c. Stipends can be paid from designated, auxiliary, and gift accounts.

d. Stipends cannot be paid from state appropriated fund accounts or grant, contract, or sponsored agreement funds.

e. Examples of stipends may include: (1) the Regents Professors Award [Regents Professor (7.24)]; (2) the President’s Staff Award; (3) teaching excellence awards; (4) compensation for online courses not paid for by sponsored agreements [Distance Education Faculty Competencies and Compensation (7.9)]; (5) payments for off-campus teaching assignments [Off-Campus Credit Courses (5.13)]; (6) incentive payments; and (7) musical or theatrical performances at university-sponsored events.

3. Additional Compensation:

"Additional compensation" means a payment in addition to the base appointment salary for work that is clearly in addition to regularly assigned duties and that must be performed outside of normal working hours or during vacation or compensatory time, as appropriate. Additional compensation does not affect the base appointment salary.

Additional compensation is subject to a cap equal to 25 percent of the 9- or 12-month base appointment salary. The cap applies to all sources of funds. (See subsection h below.)

Additional compensation is included in all benefit calculations except health insurance and longevity.

a. Requests for additional compensation (1) must be submitted in writing; (2) must be submitted in advance, before work is started, on the Authorization for Additional Compensation Services form, and (3) must be approved for payment after services are rendered on the Authorization for Additional
Compensation Payment form. Consequences for late submission of forms may result in a delayed payment to the employee. Additionally, the appropriate vice president will be notified of the individual(s) failure to follow university policies and procedures.

b. Departments that want to have a non-exempt employee perform additional compensation work for them must complete the authorization request form and include a time report with the payment request form.

c. A description of the extra work and documentation of the additional compensation shall be maintained by the department chair, division director or other primary administrator who initiated the request for additional compensation.

d. Department chairs, division directors, and all deans shall analyze carefully the total professional commitments, including outside consulting, of the employee requesting additional compensation. Additional compensation should be approved only if the employee's and the department's general functions will not be adversely affected.

e. If allowed by a sponsor, additional compensation may be paid from grant, contract, or other sponsored agreement funds. The Authorization for Additional Compensation Services form; however, all such requests for additional compensation must be approved and routed with by the employee's dean or primary administrator with the ORSP Additional Compensation Verification form to the Office of Research and Sponsored Programs for verification of sponsor approval [see Compensation from Grants, Contracts, and Other Sponsored Agreements (12.1)].

f. Examples of additional compensation may include: (1) interdepartmental consulting or short-term, incidental work activities on grants, contracts, or other sponsored agreements; (2) casual, seasonal work; and (3) teaching SFA 101.

g. At no time can the rate of pay for additional compensation exceed the employee's normal rate of pay.

h. Additional compensation is subject to the maximum salary limits described below.

i. Maximum Salary for 12-month Employees:

Employees on 12-month fiscal year (FY) appointments may receive up
to 25 percent of their current base appointment salary in additional compensation (see example below).

12-month Employee Example: A 12-month employee with an annual base salary of $60,000 may earn additional compensation up to $15,000 for a maximum salary of $75,000 in a fiscal year.

$60,000 \times 0.25 = $15,000 maximum additional compensation
$60,000 + $15,000 = $75,000 maximum 12 month compensation

ii. Minimum Salary for 9-month Faculty Members:

Faculty members on 9-month academic year (AY) appointments may receive up to 25 percent of their current base appointment salary in additional compensation (plus summer salary, see (3) below).

9-month faculty example: A faculty member with a 9-month AY base salary of $45,000 may earn additional compensation during the nine-month appointment of up to $11,250, for a maximum nine-month salary of $56,250.

$45,000 \times 0.25 = $11,250 maximum in additional compensation
$45,000 + $11,250 = $56,250 maximum 9 month compensation

iii. Maximum Summer Salary for Faculty Members:

Summer Teaching Assignments - The maximum summer salary for teaching assignments is summarized in university policy, Faculty Compensation Plan (12.6). See also Summer Teaching Appointments (7.28).

Summer Faculty Example: A faculty member with a 9-month AY base salary of $45,000 that earns $15,000 in summer salary (equal to 3/9th) may earn additional compensation during the 3-month summer of up to $3,750, for a maximum salary of $18,750 in a summer, provided that the additional compensation is earned for work that is clearly in addition to regularly assigned duties and is performed outside of normal working hours or during vacation or compensatory time, as appropriate.

$45,000/9 mo \times 3 = $15,000 maximum summer salary (3/9th).
$15,000 \times 0.25 = $3,750\text{ maximum in additional compensation}

$15,000 + $3,750 = $18,750\text{ maximum summer compensation}

The maximum summer salary paid from grants, contracts, or other sponsored agreements may be further limited based on the source of funds (for example, the National Science Foundation). See Compensation from Grants, Contracts and Other Sponsored Agreements (12.1).

Security Systems

Original Implementation: July 20, 2010  
Last Revision: April 17, 2012, April 14, 2015

Stephen F. Austin State University has a commitment to the security and safety of our students, employees and visitors. This policy contributes to the fulfillment of that commitment and outlines how security systems are requested and maintained with the goal of standardizing security system components and processes as much as possible.

DEFINITIONS

Access Controls

Access control systems enable the monitoring and control of access to facilities and resources. In the context of physical security these systems record the request for and subsequently allow or deny access to the requested area or resources. These systems may include but are not limited to: access card, numeric code, biometric identification or proximity device for access.

Hold-up and Panic Alarms

These systems are devices that signal the Department of Public Safety (DPS) and University Police Department (UPD) of an event in which the personal safety of a member of the university community is in jeopardy. No on-site audible or visual signal is present in such applications. Locations where such systems could be installed include but are not limited to locations an armed robbery could be a threat or where staff may be subject to personal jeopardy.

Intrusion Detection Systems

These are systems commonly referred to as “burglar alarms” and generally consist of door contacts, motion detectors, and glass breakage sensors. When these devices are triggered they signal a control panel to activate both an on-site audible alarm as well as register an alarm at the UPD-DPS central monitoring station.

Security Camera Systems

These systems are devices designed to transmit video and/or audio signals to a monitoring station or recording device. The use of security cameras is generally for purposes of monitoring property subject to theft and supervising sensitive access points or offices/areas subject to disruptive behavior. No department is permitted to install any type of covert security cameras with the exception of UPD-DPS. These systems must be configured to be continuously monitored or...
recorded. "Dummy" security cameras are not permitted.

Security Systems

The term “security systems” as used in this policy is defined as any singular system or any combination of the systems defined above.

APPROVAL AUTHORITY

All security systems must be approved by the executive director of public safety/chief of University Police, or his/her designee and the appropriate vice president, or president’s designee, prior to purchase and installation. Necessary approvals must be provided to Procurement and Property Services prior to orders being placed.

In facility construction and/or renovation planning, all included security systems must be approved by the executive director of public safety/chief of University Police or his/her designee prior to approval of final plans.

PROCEDURE FOR REQUESTING NEW INSTALLATION

Departments desiring to install a new security system should make a request using the “Work Request Eform” available on the DPSUPD website. This form requires a detailed proposal, including a description of the site in question and the purpose of the system.

The departmental contact person listed on the request will be contacted by the executive director of public safety/chief of University Police, or his/her designee, for a consultation to determine the most effective system to accomplish the requesting department’s objectives.

Within ten (10) business days of receiving a security system installation request, the executive director of public safety/chief of University Police, or his/her designee shall approve, disapprove, or recommend modifications or alternatives to the request.

Upon final approval, the purchasing and installation cost of the new security system is the responsibility of the department making the request.

Departments faced with a unique situation pertaining to purchase and installation of security systems may request an exception to this section of the policy, in writing, from the executive director of public safety/chief of University Police, or his/her designee and the appropriate vice president or president’s designee.
SYSTEM MONITORING

Upon installation of a security system, DPS University Police will monitor the system for functionality at no cost to the installing department. Stand-alone security systems (those not monitored by DPS UPD) are prohibited.

SYSTEM MAINTENANCE

- Requesting Maintenance

When possible, the department covered by the system in need of repair should initiate the repair by using the “Work Request Form” available on the DPS UPD website. Repairs may also be initiated without a work order should DPS UPD become aware of a nonfunctioning or malfunctioning system that is deemed critical.

- Cost of Maintenance

  - For Security Camera Systems, Intrusion Detection Systems, and Hold-up and Panic Alarms

    Any single repair expense of $200 or less will be covered by DPS UPD, while the portion of any single repair expense in excess of $200 will be billed to the requesting/covered department.

  - For Access Control Systems

    Equipment, parts and materials, as well as any after hour labor charges will be billed to the requesting/covered department.

PROCEDURE FOR REMOVAL OR MODIFICATION OF A SYSTEM

Security systems are installed for the protection of our students, employees and visitors. Therefore, security systems may not be removed, relocated, or modified without approval of the executive director of public safety/Chief of Police, or his/her designee chief of University Police, or his/her designee. Removal or modification should be requested using the “Work Request Form” available on the DPS UPD website.

PROTECTION OF RECORDINGS

For the purposes of security and potential evidence gathering, it is important that any audio or video recorded from security systems be protected.
Any department that has video and/or audio surveillance equipment installed shall provide the University Police Department of Public Safety with the appropriate authorization to view, download, capture, monitor, and control this equipment. This enables the DPS University Police Department to maintain a chain of custody regarding evidence recovered from the recording device.

While the DPS University Police Department will be responsible for the administration of all security system equipment, departmental directors and/or other authorized employees within each department with video and/or audio surveillance equipment installed may have authorization to view footage, capture, download and copy for non-security purposes.

The administration of the equipment will include, but is not limited to, focusing, pan-tilt-zoom (PTZ) controls, software updates, software configuration, download/capture capabilities, and DVR maintenance. Departments may be provided administrative control in coordination with the executive director of public safety/chief of police or his/her designee chief of police. An individual that accesses suspected criminal or suspicious activity should contact the University Police Department of Public Safety immediately.

The University Police Department of Public Safety will, on a regular basis, review any and all video and/or audio surveillance equipment to ensure proper recording, viewing capabilities, and determine the need for repair or replacement. When needed, the DPS University Police Department will coordinate with the appropriate repair/replacement company to have the equipment brought back to proper working order.

RETENTION OF SECURITY CAMERA RECORDINGS

Security camera recordings should be retained for a period of no less than 14 days. If existing systems do not provide for a storage period of that length, the maximum storage period possible should be utilized.

Student Accounts Receivable

Original Implementation: July 15, 2008
Last Revision: April 17, 2012 April 14, 2015

PURPOSE

This document establishes guidelines for the prudent collection of student accounts receivable in the best interest of Stephen F. Austin State University and the state of Texas. Although this policy primarily applies to student accounts receivable, including certain university issued short term loans, procedures stated herein may be used to process other delinquent receivables from vendors and non-student accounts. This policy does not apply to the write-off of any federal loans. Policy procedures will be maintained by the controller's office, for at least the following:

POLICY STATEMENT

Stephen F. Austin State University is responsible for determining whether the extension of credit in specific cases to students is appropriate and in the best interest of the university to do so. It is the responsibility of the controller's office to establish the following:

- a process to ensure that the requested extension of credit is not a prohibited transaction;
- a procedure to ensure that any extension of credit (installment plan contract, short term loan request, or repayment agreement) is done so in a prudent manner, including the use of standardized credit applications and legal authority required for approval of the requested credit;
- a procedure whereby credit is not extended to students who are in default on other obligations or for whom previous obligations have been written off as uncollectible. If a student account is in default, a transcript and registration hold will be placed on the account;
- procedures for managing and monitoring the billing and collection activities on student accounts;
- procedures for recording and monitoring credit extended and subsequent payments received on student accounts; and
- procedures to ensure that amounts reported as receivables on the financial statement are recorded in accordance with generally accepted accounting principles.
CRITERIA FOR RECOGNIZING AN ACCOUNT RECEIVABLE

A student account receivable will be recognized (recorded in the university’s financial records) when:

- a student has enrolled for classes at the university or has been registered for classes by the university;
- a student has incurred charges for costs associated with attendance (tuition, fees, housing and meal charges, post office charges, book purchases, parking permits and fines, etc.) from which a benefit to the student is derived;
- payment is due to the university from the student or a third party;
- the revenue from the transaction has been recognized in the university’s books and records;
- payment has not been received (collected) by the university from the student or third party;
- the accounts receivable does not represent an extension of credit that is prohibited by law; and,
- the recording is deemed to be appropriate by the university's fiscal officers.

RECORDING AN ACCOUNT RECEIVABLE IN THE FINANCIAL RECORDS

An account receivable is recorded in the financial records automatically by the registration and billing process. These entries credit the appropriate revenue accounts and debit the appropriate account receivable accounts in the university’s accounting system.

In the event that a student withdraws during the semester, the accounts receivable outstanding balance is reduced by the appropriate percentage refund rate relevant at the time of withdrawal.

RECONCILING ACCOUNTS RECEIVABLE

The controller’s office maintains adequate records of student accounts receivable and prepares a reconciliation of the student receivable records and the financial accounting records on a timely basis.

AGING ACCOUNTS RECEIVABLE

The controller’s office also maintains an aging schedule for all student accounts receivable with the total of the aging schedule balanced to the total recorded accounts receivable. The following aging brackets are to be used:
- Greater than 30 days old
- Greater than 90 days old
- Greater than 180 days old
- Greater than 1 year old
- Greater than 5 years old

At year end, other ranges may be analyzed to aid in the process of the calculation of the allowance for doubtful accounts.

COLLECTING ACCOUNTS RECEIVABLE

The size of the account receivable may influence the collection efforts. The expenditure of time, effort, and money to collect large accounts receivable is appropriate; however, the same efforts expended on very small accounts receivable may not be economical. Guidelines as to the level of attention and the efforts expended on accounts receivable will be set by the university based on recommendations from collection agencies and management.

The following steps are conducted in collecting accounts receivable which are delinquent or in default.

An account will be considered delinquent or in default if the following apply:

- the account balance is at least 181-30 days old (approximate time semester concludes);
- the debtor has not exhibited concern regarding the delinquent account (i.e., requested a repayment agreement); and,
- the debtor is not an active student.

Aging Bracket in Days with Approximate Billing and Collection Activity on Delinquent Accounts

Active Students:

Active Students are billed throughout the term with due dates set by the business office. Students may be assessed penalties for late payments, but will not be turned over for collection in the term they are actively enrolled.

- 0 - 30 Payment in full is due unless student is approved for installment plan, repayment agreement, institutional short term loans, or has other pending financial aid.
1 - 120 Business office emails students with balances due.

1 - 180 Transcript and registration holds are placed on student accounts that are past due.

Inactive Students:

- 0 - 30 Business office mails first demand letter to students with outstanding balances.
- 30 - 60 Business office mails second demand letter to students with balances of $100 or more, giving students 30 days to pay any outstanding balance prior to turning over account to collection agency.
- 60 - 90 Business office applies outstanding general deposit to delinquent student accounts and compiles list to send to collection agency.

- 60 - 120 Student has 30 days to make payment without penalty.
- 90 - 150 Collection agency actively pursues collection. Collection agency fees added. Payments in this time period to either the university or the collection agency will be subject to the collection agency fees.
- 90 - 150 Business office notifies Texas Comptroller of Public Accounts to initiate warrant hold process, ensuring that no treasury warrant is issued to the indebted student (Texas Government Code, § 403.055).
- 576 - 1500 Accounts returned from collection agency. Business office may refer account to alternate collection agencies for second or third referral (at business office discretion).
- 576 - 1825 Accounts turned over to Texas attorney general’s office (at business office discretion).

Delinquent accounts will be analyzed and processed on a regular basis. Any general deposits will be applied to students’ outstanding balances to defray the amounts due to the university. After this analysis, accounts on inactive students will be subject to collection activity. Attempts will be made to contact students before delinquent accounts are turned over to collections. Students will not be assessed any collection agency fees or collection costs if they make a payment or request to set up a repayment fee during the communication and contact period(s). After communication and contract periods expire, accounts will be placed with a collection agency or an attorney. collection agency fees are subject to the following: The collection agency may give the student an additional 30-day period prior to assessing fees. Collection fees will be calculated and added to the student’s account either immediately when turned over for collection or after the last 30-day warning letter period has expired. These fees assessed to the student will be negotiated in advance with the collection agencies and are subject to approval from the
Texas attorney. Attorney general’s office. Additionally, accounts may be reported to the Texas Comptroller of Public Accounts as authorized by Texas Government Code § 403.055 to ensure that no treasury warrants are issued or payments are paid to the debtor until the debt is paid.

If a debtor with a delinquent account establishes a repayment agreement and makes monthly scheduled payments towards the balance or begins making monthly payments within one of the warning periods, 30-day windows after the collection agency warning letter has been the debtor will be treated as an “active” student and will not be turned over to a collection agency unless monthly payments cease before the account balance is paid in full. If the account is turned over for collection, collection costs, collection agency fees and/or attorney fees will apply. Regardless, there will be transcript and registration holds placed on the student’s account until the balance has been paid in full.

If a debtor has received a 30-day warning letter and begins making monthly regular payments but then stops making monthly regular payments, the debtor will be sent to an outside collection agency or attorney without further notice to the debtor.

All demand letters should be mailed in compliance with applicable collection laws. If an address correction is provided by the United States Postal Service, the demand letter should be mailed to the corrected address prior to the referral procedures described above. Demand should be made upon every debtor prior to referral of the account to an outside collection agency and the attorney general.

WRITE-OFF OF AN UNCOLLECTIBLE ACCOUNT

The following accounts may be subject to write-off:

- Accounts receivable up to $10 may be written off by the controller if all collection efforts have been completed and the account has been outstanding for 5 years.
- Accounts receivable between $10 and $1,000 may be written off by the controller if returned as uncollectible by more than two outside collection agencies (first and second referrals) and the account has been outstanding for 5 years.
- Accounts receivable over $1,000 returned as uncollectible by at least three outside collection agencies (first, second and third referrals) and has been outstanding for 5 years must may be referred to the vice president for finance and administration for write-off approval. Requests for write-off should include name, amount, school term, and a statement as to why that accounts receivable has been determined to be uncollectible.

A list of all accounts written off will be filed in the controller’s office and all student accounts that have been written off will be flagged in the student system. Additionally, a transcript and
registration hold will be placed on these student accounts to prevent these persons from receiving future university services until their balances have been paid in full. Warrant holds placed on the student’s account will not be removed until the balance is paid in full.

The following accounts will be forgiven and permanently written off, and the student’s account will be marked as paid in full:

- Deceased debtors. If the debtor is deceased, the delinquent obligation should be classified as uncollectible and permanently written off after the business office receives a copy of the death certificate or other proof of death. Attempts to collect against the estate have been unsuccessful.
- Residual amounts as deemed appropriate by the vice president for finance and administration after application of any property deposit, and within guidelines set by state and federal regulations.

FORGIVENESS OF DEBT VERSUS WRITE-OFF OF UNCOLLECTED ACCOUNTS

The write-off of an uncollected account is a bookkeeping entry only and does not relieve the debtor from his financial responsibility to the university. Although the uncollected account has been removed from the financial books and records (i.e., written-off as uncollectible), the university may still have a claim against the debtor and may still seek legal remedy (i.e., file suit for collection in a court of law). Therefore, it is the responsibility of the controller’s office to maintain adequate records regarding legal financial obligations (i.e., debts) owed to the university.

Student accounts receivable that are forgiven because of the student’s death or because the account balance is considered residual will be treated as paid in full, and records will be treated consistent with other student accounts that have been paid in full.

ALLOWANCE FOR DOUBTFUL ACCOUNTS

The university records an allowance for doubtful accounts on past due accounts for all accounts that have not been written off or forgiven. Prior to closing each fiscal year’s books, the controller’s office will analyze and adjust the allowance for doubtful accounts, with offsets to the appropriate revenue accounts or bad debt expense, in accordance with accounting guidelines. An allowance for doubtful accounts will be set up as a contra-receivable in each appropriate general ledger.

Student Employment

Original Implementation: June 18, 1987
Last Revision: January 27, 2015, April 14, 2015

This policy pertains to students employed in student assistant positions and/or college work-study student assistant positions.

1. Students seeking on-campus employment may view on-line jobs at https://careers.sfasu.edu. Students must apply on-line and the hiring department will arrange an interview.

2. All students employed by the university are required to complete an orientation process provided by human resources before their first day of employment. It is the employing department's responsibility to ensure that all new student assistants report to human resources for paperwork processing before they begin work. If students have not worked on campus previously, they should attend training provided by career services in the Rusk Building. It is the responsibility of the department to make sure the student workers attend this training. Once the necessary employment forms and trainings have been completed, the student may be authorized to work on campus. Students working in college work-study positions must obtain authorization from the financial aid office each semester they intend to work.

   The hiring department will complete an electronic personnel action form (EPAF) to set up the student’s job assignments. Rate changes and new account assignments must also be completed on an EPAF. Terminations from employment with the university and the ending of a job assignment are also documented through completion of the proper EPAF.

3. Student employees may not exceed 115 total working hours per month (approximately 26.5 hours per week). This limitation applies to all semesters, for the dates between the semesters, including summers and holidays. Exceptions must be reviewed and approved by human resources. Total working hours are any hours worked and owed compensation as defined by the Fair Labor Standards Act (FLSA). Total working hours may not exceed forty (40) hours in one week.

4. To be eligible for on-campus employment during the fall or spring semesters as a student assistant, a student must carry six (6) or more semester hours. It is the employing department’s responsibility to ensure that student assistants are enrolled for the required number of semester hours. SFA student assistants enrolled for 1-5 academic hours must be approved by the dean of student affairs, as indicated on the Departmental Approval to Work While Enrolled for Fewer Than 6 Hours form. This form may be found on the student employment page of the human resources website. During the summer, student assistants must be enrolled for three (3) or more hours of
coursework or be registered for courses in the upcoming fall semester to be eligible for student assistant summer employment.

5. Departments should contact human resources if they have questions concerning an appropriate pay rate. Students should be paid no less than minimum wage and no more than $15.00 per hour. If a department wants to set up an internal pay structure for their department, they may contact human resources for assistance.

6. Job vacancies requiring services of SFA students should be posted at https://careers.sfasu.edu for at least three days before the employing department recommends appointment of a candidate to fill the opening. In order to be considered an applicant for a student position, students must apply online. It is the employing department’s responsibility to notify human resources immediately when the job is filled. A department may request to waive the requirement of posting a student position in unique circumstances by contacting the director of human resources in writing. Approval of such exception is authorized by the director of human resources or their designee.

7. College work-study (CWS) is a federal or state funded program designed to provide financial aid to those students choosing to earn a portion of their educational expenses. The financial aid office determines the student's eligibility for CWS employment in accordance with established federal guidelines. Departments allocated CWS funds should be aware of the following procedures:

A. The college work-study program is a form of student employment and is subject to the conditions outlined above.

B. To be eligible for the CWS program, the student must first complete the financial aid application for need-based aid by the established deadline. If the results of the need analysis indicate the student is eligible for CWS, and the student expresses an interest in the program, the financial aid office will make the award accordingly.

C. The student must reapply for CWS each academic year. If the student wishes to be employed through the CWS program in the summer, he/she must request that the financial aid office review his/her file for eligibility in the preceding spring semester.

D. Before beginning employment, each student must present to the employing department a copy of their current year award notification from their MySFA account. This notification will indicate the maximum amount of money the student may earn during a given semester(s) of employment by the university on a college work-study account. It is important to note that this amount is the maximum amount that can be paid from a CWS budget. It is the employing department's responsibility to control the hours worked by the
CWS personnel to be absolutely certain that the student does not earn more than the amount of money allowed from CWS funds. The student must accept the work-study award before he/she can accept a work-study position.

Federal regulation specifies that work-study students cannot work during their regularly scheduled class hours. It is the responsibility of the employing department to ensure that working hours do not conflict with a student’s class time. This can be determined by comparing the time clock entries with the student’s class schedule. If after review by the financial aid office it is determined that a student has worked during regularly scheduled class hours, wages for those hours cannot be paid from college work-study funds but will have to be paid by the employing department.

Once the student has earned the total amount of his/her CWS award, the department must prohibit the student from being paid from their CWS account. At that time the department may choose to -either pay the student worker out of their departmental account as a “student assistant” or -terminate the student employee and must complete an EPAF to make this change.

It is recommended that departments do not employ CWS students on their CWS and department accounts simultaneously. They should first exhaust their CWS allotment funds and then appoint the student to their departmental account.

A fall award notification allows the student to work from August through December. A spring award notification allows the student to work from January through May. A summer award notification allows the student to work from May through August. The division between the summer sessions is determined by the university's summer calendar. Exact dates vary from year to year and are determined by the financial aid office.

If questions arise concerning the college work-study program, call the financial aid office.

8. Student assistants may not hold any other position such as a graduate assistantship or temporary casual employment at the same time they are employed as a student assistant or work study assistant.

International Student Employees:

International students working on campus must provide sufficient documentation validating work authorization. Federal regulations limit international student employees to 20 hours per week while classes are in session (fall and spring semesters). International students will not be allowed to work until they have a social security number. Questions about documentation and identification requirements may be answered by human resources.
Graduate Assistantships:

Employment authorization and processing of graduate assistants goes through the human resources office and the graduate office.

Nepotism:

University policy regarding nepotism applies to student employment. See Nepotism (11.16).

Terminal Degrees

**Original Implementation:** July 21, 2009

**Last Revision:** April 14, 2015

Stephen F. Austin State University is committed to maintaining a high quality faculty. Toward that end, the university aspires to recruit and retain faculty members with terminal degrees in their disciplines. A terminal degree is defined as the generally accepted highest degree in a field of study.

As a general rule, possession of an earned doctorate or other recognized terminal degree from an accredited institution in an area appropriate to the individual’s discipline will be required for appointment to a tenure-track or tenured faculty position.

Exceptions to the requirement of a terminal degree may be made by the provost and vice president for academic affairs, but only upon recommendation by the academic unit chair/director/head and dean of the college. The following circumstances may justify approval of an exception to the requirement of an earned doctorate or other recognized terminal degree in a discipline-related field: (a) well-documented preparation and experience appropriate to the discipline that meets accreditation standards; or (b) exceptional preparation and experience for instruction in a discipline when the faculty member has a doctorate or other recognized terminal degree in another area.

Terminal degree requirements for appointment to a tenure-track position will be clearly stated in position announcements.

Where appropriate, an offer of employment will provide the time period in which the terminal degree must be completed.

Verification of a completed terminal degree will require an official transcript sent directly to the Office of Academic Affairs by the degree-granting institution.

USA Patriot Act

**Original Implementation:** October 17, 2002  
**Last Revision:** April 17, 2012/April 14, 2015

The USA Patriot Act, otherwise known as Uniting and Strengthening America by Providing Appropriate Tools Required to Intercept and Obstruct Terrorism Act of 2001 (USA PATRIOT ACT) makes it unlawful for certain individuals to work with specific biological agents, toxins and delivery systems.

SFA has a small number of faculty, staff and graduate assistant positions that are affected by compliance with this act. For those hired prior to the act and affected by this compliance, the hazardous materials officer will identify and document compliance. Employees with access to the select agents are to be investigated by the federal government. The hazardous materials officer shall submit the employee's names to the US Department of Health and Human Services and the attorney general for investigation. Upon completion of the investigation, the attorney general will promptly notify the secretary and the secretary shall promptly inform SFA whether the employee is granted or denied access.

In order to respond to the requirement with respect to future job vacancies, the Human Resources selection procedure shall include a statement concerning the USA Patriot Act for restricted positions and instructions for compliance. When Human Resources receives a request to advertise a restricted position, additional screening questions will be required of applicants to determine if they meet minimum qualifications before they can be referred for the final hiring decision. The selected candidate will be required to complete a "Statement of Eligibility to Handle Select Biological Agents or Toxins" form. This form should satisfy and address the minimum qualifications and compliance for a final hiring decision or for a person already occupying a position prior to the act's inception.

WHEREAS, in order to reduce costs, increase borrowing capacity, provide additional security to the credit markets, and provide the Board of Regents (the "Board") of Stephen F. Austin State University (the "University") with greater financial flexibility, the Board deemed it necessary and desirable to establish a revenue financing program for revenue supported indebtedness to provide funds to acquire, purchase, construct, improve, renovate, enlarge or equip property, buildings, structures, facilities, roads, or related infrastructure at the University, as well as any institution, branch or entity hereafter placed under the control and governance of the Board, to the extent permitted by Chapter 55, Texas Education Code, including specifically, but not by way of limitation, Section 55.02 thereof; and

WHEREAS, pursuant to the terms of resolutions adopted by the Board (the "Prior Resolutions"), the Board has outstanding certain Previously Issued Parity Obligations (as defined herein) that are secured by a lien on and pledge of the "Pledged Revenues" (as defined herein), which lien and pledge is subject to the lien on and pledge of the "Prior Encumbered Revenues" (as defined herein); and

WHEREAS, the Prior Resolutions established and confirmed the Stephen F. Austin State University Revenue Financing System for the purpose of providing a financing structure for revenue supported indebtedness at the University; and

WHEREAS, the Prior Resolutions permit the Board, to issue "Parity Obligations" secured by a lien on and pledge of the Pledged Revenues on a parity with the Previously Issued Parity Obligations; and

WHEREAS, the Board has determined that it is in the best interest of the University to authorize the issuance of bonds in one or more series to refinance all or a portion of the Potential Refunded Bonds (as defined herein) and to finance the costs of facilities and improvements for the University; and

WHEREAS, the Board finds it necessary and advisable to adopt this Resolution, and further acknowledges that by adopting this Resolution it will be bound by and agrees to follow the covenants set forth in this Resolution; and
WHEREAS, the terms used in this Resolution and not otherwise defined shall have the meaning given in Exhibit "A" to this Resolution attached hereto and made a part hereof;

NOW THEREFORE, BE IT RESOLVED BY THE BOARD OF REGENTS OF STEPHEN F. AUSTIN STATE UNIVERSITY:

Section 1. REVENUE FINANCING SYSTEM AND ISSUANCE OF PARITY OBLIGATIONS. In the Prior Resolutions, the Stephen F. Austin State University Revenue Financing System (the "Financing System") has been established and confirmed, for the purpose of providing a financing structure for revenue supported indebtedness to provide funds to acquire, purchase, construct, improve, renovate, enlarge or equip property, buildings, structures, facilities, roads or related infrastructure at the University, as well as at any institution, branch or entity hereafter placed under the control and governance of the Board, under authority of the pertinent provisions of the Texas Education Code.

Section 2. SECURITY AND PLEDGE. (a) Pledge. Subject to the provisions of the resolutions authorizing Prior Encumbered Obligations, Parity Obligations shall be secured by and payable from a lien on the Pledged Revenues, and the Board hereby assigns and pledges the Pledged Revenues to the payment of the principal of, premium, if any, and interest on Parity Obligations, and the Pledged Revenues are further pledged to the establishment and maintenance of any funds which may be provided to secure the repayment of Parity Obligations in accordance with this Resolution. The Board may execute and deliver one or more Credit Agreements to additionally secure Parity Obligations. Credit Agreements may also be secured by a pledge of Pledged Revenues on a parity with or subordinate to Parity Obligations.

(b) Additional Participants. As provided in Section 7 of this Resolution, institutions which may hereafter come under the control and governance of the Board may become Participants in the Financing System and such institutions may, at such time, have outstanding obligations secured by the Prior Encumbered Revenues and that, therefore, the lien on and pledge of the Pledged Revenues established pursuant to this Resolution and effective when such institutions become Participants in the Financing System will be subject and subordinate only to such institutions' outstanding Prior Encumbered Obligations.

(c) Restriction on Issuance of Additional Debt on a Parity with Prior Encumbered Obligations. Except as provided in Section 4(g) and for so long as any Parity Obligations are Outstanding, no additional bonds, notes, or other obligations may be issued or incurred by the Board on a parity with any Prior Encumbered Obligations.

(d) Parity Obligations are Special Obligations. All Parity Obligations and the premium, if any, and the interest thereon shall constitute special obligations of the Board payable from the Pledged Revenues, and the owners thereof shall never have the right to demand payment out of funds raised or to be raised by taxation, or from any source other than the source specified in this Resolution. The obligation of the Board to pay or cause to be paid the amounts payable under this Resolution out of the Pledged Revenues shall be absolute, irrevocable, complete, and unconditional, and the amount, manner, and time of payment of such amounts
shall not be decreased, abated, rebated, set-off, reduced, abrogated, waived, diminished, or otherwise modified in any manner or to any extent whatsoever, regardless of any right of setoff, recoupment, or counterclaim that the Board might otherwise have against any owner or any other party and regardless of any contingency, *force majeure*, event, or cause whatsoever and notwithstanding any circumstance or occurrence that may arise or take place before, during, or after the issuance of Parity Obligations while any Parity Obligations are Outstanding.

Section 3. COVENANTS RELATING TO PLEDGED REVENUES. (a) Rate Covenant. In each Fiscal Year, the Board shall establish, charge, and use its reasonable efforts to collect at each Participant the Pledged Revenues which, if collected, would be sufficient to meet all financial obligations of the Board for such Fiscal Year relating to the Financing System including all deposits or payments due on or with respect to (i) the Prior Encumbered Obligations and (ii) all Outstanding Parity Obligations.

(b) Tuition. Subject to the provisions of the resolutions authorizing Prior Encumbered Obligations and to the other provisions of this Resolution, the Board covenants and agrees to fix, levy, charge and collect at each Participant student tuition charges required or authorized by law to be imposed on students enrolled at each Participant (excepting, with respect to each series or issue of Parity Obligations, any student in a category which, at the time of adoption of a resolution relating to such Parity Obligations, is exempt by law or by the Board from paying such tuition charges). Each student (excluding those exempt from payment as provided above), enrolled at each Participant, respectively, at each regular fall and spring semester and at each term of each summer session, shall pay tuition charges in such amounts, without any limitation whatsoever, as will be sufficient at all times, together with other legally available funds, including other Pledged Revenues, to provide the money to make or pay the principal of, interest on, and other payments or deposits with respect to Outstanding Parity Obligations when and as required. All changes in the tuition charged students at each Participant shall be made by resolution of the Board, but such procedure shall not constitute or be regarded as an amendment of this Resolution, but merely the carrying out of the provisions and requirements hereof.

(c) Student Center Fees. Subject to the provisions of the resolution authorizing the Series 2004 Bonds, the Board covenants and agrees to fix, levy, charge and collect student center fees required or authorized by law to be imposed on students pursuant to Section 54.520 of the Texas Education Code for the purpose of paying debt service on the Series 2004 Bonds; provided however, that such student center fees shall be used only for the purpose of acquiring, constructing, renovating, operating, maintaining, improving, equipping and financing a university center or additions to the center. All references to Series 2004 Bonds in this subsection shall include any applicable Parity Obligations issued to refund such Series 2004 Bonds.

(d) Student Recreational Sport Fees. Subject to the provisions of the resolution authorizing the Series 2005A Bonds, the Board covenants and agrees to fix, levy, charge and collect student recreational sport fees required or authorized by law to be imposed on students pursuant to Section 54.5201 of the Texas Education Code for the purpose of paying debt service on the Series 2005A Bonds; provided however, that such student recreational sport fees shall be
used only to purchase equipment for and to construct, operate and maintain recreational sports facilities and programs. All references to Series 2005A Bonds in this subsection shall include any applicable Parity Obligations issued to refund such Series 2005A Bonds.

(e) **Anticipated Deficit.** If the Board determines, for any reason whatsoever, that there are not anticipated to be legally available funds, including Pledged Revenues, sufficient to meet all financial obligations of the Board relating to the Financing System including the deposits and payments due on or with respect to Outstanding Parity Obligations as the same mature or come due, or that any Participant in the Financing System will be unable to pay its Annual Direct Obligation in full, then the Board shall fix, levy, charge, and collect such rentals, rates, fees, tuition, or other charges at each Participant in the Financing System with enrolled students, effective at the next succeeding regular semester or semesters or summer term or terms, in such amounts, without any limitation whatsoever (other than as provided in subsection (f) below), as will be at least sufficient to provide, together with other legally available funds, including Pledged Revenues, the money for making when due all financial obligations of the Board relating to the Financing System including all payments and deposits due on or with respect to Outstanding Parity Obligations when and as required by this Resolution.

(f) **Economic Effect of Adjustments.** Any adjustments in the rate or manner of charging for any rentals, rates, fees, tuition, or other charges included in Pledged Revenues at any Participant in the Financing System resulting from an event described in subsection (e) above will be based upon a certificate and recommendation of the Designated Financial Officer, delivered to the Board, as to the rates and anticipated collection of the Pledged Revenues at each Participant in the Financing System (after taking into account the anticipated effect the proposed adjustments in such rentals, rates, fees, tuition, or other charges would have on enrollment and the receipt of Pledged Revenues and other funds at each Participant in the Financing System) which will be anticipated to result in (i) Pledged Revenues attributable to each Participant being sufficient (to the extent possible) to satisfy the Annual Obligation of such Participant and (ii) Pledged Revenues being sufficient, together with other legally available funds, to meet all financial obligations of the Board relating to the Financing System including all deposits and payments due on or with respect to (A) the Prior Encumbered Obligations and (B) all Outstanding Parity Obligations, when and as required by this Resolution.

(g) **Annual Obligation.** If, in the judgment of the Board, any Participant in the Financing System has been or will be unable to satisfy its Annual Obligation, the Board shall fix, levy, charge, and collect rentals, rates, fees, and charges for goods and services furnished by such Participant and, with respect to Participants with enrolled students, tuition, effective at the next succeeding regular semester or semesters or summer term or terms, in amounts sufficient, without limit (subject to the provisions of (c) and (d) above, respectively), together with other legally available funds, including other Pledged Revenues attributable thereto, to enable it to make its Annual Obligation payments.

(h) **Additional Participants.** The Board hereby agrees to apply the covenants hereinabove made to any institution, branch or entity hereinafter placed under the control and
governance of the Board and added as a Participant in the Financing System in accordance with
the provisions of Section 7 hereof.

Section 4. GENERAL COVENANTS. The Board further represents, covenants,
and agrees that while any Parity Obligations or interest thereon is Outstanding:

(a) Payment of Parity Obligations. On or before each payment date it shall make
available to the Paying Agent for such Parity Obligations or to such other party as required by
the resolution authorizing the sale of such Parity Obligations, money sufficient to pay the interest
on, principal of, and premium, if any, on the Parity Obligations as will accrue or otherwise come
due or mature, or be subject to mandatory redemption prior to maturity, on such date and the fees
and expenses related to the Parity Obligations, including the fees and expenses of the Paying
Agent and any Registrar, trustee, remarketing agent, tender agent, or Credit Provider.

(b) Performance. It will faithfully perform at all times any and all covenants,
undertakings, stipulations, and provisions contained in this Resolution, and in each and every
Parity Obligation or evidence thereof.

(c) Redemption. It will duly cause to be called for redemption prior to maturity, and
will cause to be redeemed prior to maturity, all Parity Obligations which by their terms are
mandatorily required to be redeemed prior to maturity, when and as so required.

(d) Lawful Title. It lawfully owns, has title to, or is lawfully possessed of the lands,
buildings, and facilities now constituting the University, and it will defend said title and title to
any lands, buildings, and facilities which may hereafter become part of the Financing System, for
the benefit of the owners of Parity Obligations against the claims and demands of all persons
whomsoever.

(e) Lawful Authority. It is lawfully qualified to pledge the Pledged Revenues herein
pledged in the manner prescribed herein and has lawfully exercised such right.

(f) Preservation of Lien. Subject to the conditions set forth in Sections 5, 6, and 7 of
this Resolution, it will not do or suffer any act or thing whereby the Financing System might or
could be impaired, and that it will at all times maintain, preserve, and keep the real and tangible
property of the Financing System and every part thereof in good condition, repair, and working
order and operate, maintain, preserve, and keep the facilities, buildings, structures, and
equipment pertaining thereto in good condition, repair, and working order.

(g) No Additional Encumbrance. It shall not incur additional Debt secured by the
Pledged Revenues in any manner, except as permitted by this Resolution in connection with
Parity Obligations, unless said Debt is made junior and subordinate in all respects to the liens,
pledges, covenants, and agreements of this Resolution. Notwithstanding anything to the contrary
contained herein, and in addition to the right hereunder to refund the Prior Encumbered
Obligations with Parity Obligations, the Board reserves the right to issue obligations to refund
any Prior Encumbered Obligations and to secure the refunding obligations with the same source
or sources securing the Prior Encumbered Obligations being refunded. Upon the defeasance of the refunded Prior Encumbered Obligations, the refunding obligations will be Prior Encumbered Obligations (unless the refunding obligations are made Parity Obligations in accordance with the terms of this Resolution and the resolution authorizing their issuance) under this Resolution for all purposes.

(h) **Investments and Security.** It will invest and secure money in all accounts and funds established pursuant to this Resolution in the manner prescribed by law for such funds, including, but not by way of limitation, the Public Funds Investment Act (Chapter 2256, Texas Government Code), Chapter 163, Texas Property Code, and Section 51.0031, Texas Education Code, and in accordance with written policies adopted by the Board.

(i) **Records.** It will keep proper books of record and account in which full, true, and correct entries will be made of all dealings, activities, and transactions relating to the University. Each year while Parity Obligations are Outstanding, the Board will cause to be prepared from such books of record and account an annual financial report of the University and shall furnish such report to the principal municipal bond rating agencies and to any owner of Parity Obligations who shall request same. In addition, the Board shall submit such financial report and other information required by law for examination in connection with financial compliance and other audits required to be conducted by the office of the Auditor of the State of Texas.

(j) **Inspection of Books.** It will permit any owner or owners of twenty-five percent (25%) or more of the then Outstanding Principal Amount at all reasonable times to inspect all records, accounts, and data of the Board relating to the University and the Financing System.

(k) **Annual and Direct Obligations.** In establishing the annual budget for each Participant in the Financing System, it shall provide for the satisfaction by each Participant in the Financing System of its Annual Obligation. The Direct Obligation shall represent the financial responsibility of each Participant in the Financing System with respect to Outstanding Parity Obligations. Each such Participant's Direct Obligation and Annual Obligation shall be evidenced by a financing agreement between the Board and each Participant.

(l) **Determination of Outstanding Parity Obligations.** For all purposes of this Resolution, the judgment of the chief financial officer of the University, presently the Vice President for Finance and Administration, shall be deemed final in the determination of which obligations of the Board constitute Parity Obligations; provided, however, such judgment is subject to confirmation by the Auditor of the State of Texas in connection with the annual audit of the records of the University.

(m) **Execution of Credit Agreements.** (i) Should the Board determine that it is in the best interests of the University to obtain a Credit Agreement to enhance the security for or provide for the payment, redemption or remarketing of Parity Obligations, the Board, upon approval of the Attorney General, may from time to time and at any time execute and deliver a Credit Agreement to which the Pledged Revenues are to be pledged. Prior to the Board adopting any resolution authorizing the execution and delivery of any such Credit Agreement, it shall
receive from the University an Officer's Certificate to the effect that (i) the Board has determined that the Participant for whom the Credit Agreement is to be executed and delivered possesses the financial capability to satisfy its Direct Obligation after taking into account the payment obligations under the proposed Credit Agreement, and (ii) to the best of his or her knowledge, the Board is in compliance with all covenants contained in this Resolution and any resolution adopted authorizing the issuance of Parity Obligations, and is not in default in the performance and observance of any of the terms, provisions, and conditions hereof or thereof.

(ii) The lien on and pledge of Pledged Revenues to pay the cost of any such credit agreement may be on a parity with, but not superior to, the lien on and pledge of the Pledged Revenues securing the Parity Obligations.

Section 5. ISSUANCE OF ADDITIONAL OBLIGATIONS. (a) Parity Obligations. The Board reserves and shall have the right and power to issue or incur, Parity Obligations for any purpose authorized by law pursuant to the provisions of this Resolution and the applicable laws of the State of Texas governing the issuance of bonds for the benefit of each Participant (currently the University) in the Financing System. The Board may incur, assume, guarantee, or otherwise become liable in respect of any Parity Obligations if the Board shall have determined that it will have sufficient funds to meet the financial obligations of each Participant (currently the University) in the Financing System, including sufficient Pledged Revenues to satisfy the Annual Debt Service Requirements of the Financing System and to meet all financial obligations of the Board relating to the Financing System. In addition, the Board shall not issue or incur Parity Obligations unless (i) the Board shall determine that the Participant for whom the Parity Obligations are being issued or incurred possesses the financial capability to satisfy its Direct Obligation after taking into account the then proposed Parity Obligations, and (ii) a Designated Financial Officer shall deliver to the Board a certificate stating that, to the best of his or her knowledge, the Board is in compliance with all covenants contained in this Resolution and any resolution adopted authorizing the issuance of Parity Obligations, and is not in default in the performance and observance of any of the terms, provisions, and conditions hereof or thereof.

(b) Non-Recourse Debt and Subordinated Debt. Non-Recourse Debt and Subordinated Debt may be incurred by the Board without limitation, subject to the applicable laws of the State of Texas.

Section 6. DISPOSITION OF ASSETS ATTRIBUTABLE TO FINANCING SYSTEM PARTICIPANTS. The Board may convey, sell, or otherwise dispose of any properties of each Participant (currently the University) in the Financing System provided:

(a) Ordinary Course. Such conveyance, sale, or disposition shall be in the ordinary course of business of such Participant which uses, operates, owns, or is otherwise responsible for such properties; or

(b) Disposition Upon Board Determination. The Board shall determine that after the conveyance, sale, or other disposition of such properties, the Board shall have sufficient funds during each Fiscal Year during which Parity Obligations are to be Outstanding to meet the
financial obligations of each Participant in the Financing System, including sufficient Pledged Revenues to satisfy the Annual Debt Service Requirements of the Financing System and to meet all financial obligations of the Board relating to the Financing System.

Section 7. COMBINATION, DIVISION, RELEASE AND ADMISSION OF NEW INSTITUTIONS UNDER THE FINANCING SYSTEM. (a) Combination and Division. Notwithstanding anything to the contrary contained herein, it is recognized that certain institutions which may become Participants in the Financing System may be combined or divided and that so long as such combined or divided institutions continue to be governed by the Board such action shall not be in violation of the provisions of this Resolution or require any amendments of the provisions hereof.

(b) Release. Subject to the conditions set forth below, any Participant in the Financing System or portion thereof may be closed and abandoned by law or may be removed from the Financing System (thus deleting the revenues, income, funds and balances attributable to said Participant or portion thereof from Pledged Revenues) without violating the terms of this Resolution provided:

1. the Board approves and delivers an Officers' Certificate to the effect that, to the knowledge thereof, after the release of such Participant or portion thereof, the Board will have sufficient funds during each Fiscal Year in which Parity Obligations shall thereafter be Outstanding to meet the financial obligations of the Board, including sufficient Pledged Revenues to satisfy the Annual Debt Service Requirements of the Financing System and to meet all financial obligations of the Board relating to the Financing System; and

2. the Board receives an Opinion of Counsel which shall state that such release will not affect the status for federal income tax purposes of interest on any Outstanding Parity Obligations and that all conditions precedent provided in this Resolution or any resolution hereafter adopted governing the issuance of Parity Obligations relating to such release have been complied with; and

3. (A) if the Participant or portion thereof to be released from the Financing System is to remain under the governance and control of the Board, the Board must either (i) provide, from lawfully available funds, including Pledged Revenues attributable to said withdrawing Participant, for the payment or discharge of said Participant's Direct Obligation or (ii) pledge to the payment of Parity Obligation, additional resources not then pledged in an amount sufficient to satisfy such withdrawing Participant's Direct Obligation; or

(B) if the Participant or portion thereof to be released from the Financing System is to no longer be under the governance and control of the Board and remains in operation independent of the Board, the Board must enter into a binding obligation with the new governing body of the withdrawing institution or the portion thereof being withdrawn, obligating said governing body to make payments to the Board at the times

SFA RebRelg/2015: Resolution
and in the amounts equal to said Participant's Annual Obligation or to pay or discharge said Participant's Direct Obligation, or, in the case of a portion of a Participant being withdrawn, the proportion of the Participant's Annual Obligation or Direct Obligation, as the case may be, attributable to the withdrawing portion of the Participant.

(c) If, after the date of the adoption of this Resolution, the Board desires for an institution or agency governed by the Board to become a Participant of the Financing System, or if the Board is required by law to assume the governance of an institution or agency, it may include said institution or agency in the Financing System with the effect set forth in this Resolution by the adoption of a resolution amending this Resolution.

Section 8. WAIVER OF CERTAIN COVENANTS. The Board may omit in any particular instance to comply with any covenant or condition set forth in Sections 3 through 7 hereof if before or after the time for such compliance the Owners of the same percentage in principal amount of all Parity Obligations then Outstanding, the consent of which would be required to amend the provisions hereof to permit such noncompliance, shall either waive such compliance in such instance or generally waive compliance with such covenant or condition, but no such waiver shall extend to or affect such covenant or condition except to the extent so expressly waived and, until such waiver shall become effective, the obligations of the Board and the duties of the Board in respect to any such covenant or condition shall remain in full force and effect. For purposes of this Section, if a municipal bond insurance policy has been issued insuring the payment of any Outstanding Parity Obligations, the term Owner shall mean the company that has issued any such insurance policy or policies.

Section 9. AMOUNT, PURPOSE, AND DESIGNATION OF THE BONDS. (a) Amount and Designation. The Board's bonds each entitled "BOARD OF REGENTS OF STEPHEN F. AUSTIN STATE UNIVERSITY REVENUE FINANCING SYSTEM REVENUE REFUNDING BOND, SERIES 2015" are hereby authorized to be issued and delivered in an aggregate maximum principal amount (determined without regard to premium or discount affecting the sale price) of $49,000,000. The authority of the Designated Financial Officer to execute and deliver the Award Certificate for the Bonds shall expire at 5:00 p.m. on October 13, 2015, such date being one year from the date of adoption of this Resolution. Bonds priced on or before October 13, 2015 may close after such date.

(b) Purpose. The Bonds are to be issued for: (i) REFUNDING ALL OR A PORTION OF THE POTENTIAL REFUNDED BONDS AND (ii) PAYING THE COSTS OF ISSUANCE OF THE BONDS.

Section 10. DATE, DENOMINATIONS, NUMBERS, MATURITIES AND TERMS OF BONDS. (a) Terms of the Bonds. The Bonds shall initially be issued, sold, and delivered hereunder as fully registered bonds, without interest coupons, numbered consecutively from R-1 upward (except the initial Bond delivered to the Attorney General of the State of Texas which shall be numbered T-1), payable to the respective initial registered owners thereof, or to the registered assignee or assignees of said bonds or any portion or portions thereof (in each case, the "Registered Owner"), in the denomination of $5,000 or any integral multiple thereof (an

In establishing the aggregate principal amount of the Bonds to be issued to refund Refunded Bonds, the Designated Financial Officer shall establish an amount, not to exceed the amount authorized in Section 9, sufficient to provide for the refunding of the Refunded Bonds that will result in a reduction in the Annual Debt Service Requirements that otherwise would be payable from the Pledged Revenues with respect to the Refunded Bonds, on a present value basis of at least 3%. The amount of savings to be realized from the refunding shall be shown in each Award Certificate. The Award Certificate shall also identify the Refunded Bonds being refunded. The Award Certificate is hereby incorporated in and made a part of this Resolution.

(c) **Sale of Bonds.** To achieve advantageous borrowing costs for each Participant (currently the University) in the Financing System, the Bond or Bonds shall be sold pursuant to a private placement with a "sophisticated investor" as defined pursuant to federal securities laws (the "Purchaser").

(d) **In General.** The Bond or Bonds (i) may and shall be redeemed prior to the respective scheduled maturity dates, (ii) may be assigned and transferred, (iii) may be exchanged for other Bonds, (iv) shall have the characteristics, (v) shall be Tax-Exempt Bonds or Taxable Bonds and (vi) shall be signed and sealed, and the principal of and interest on the Bonds shall be

Section 11. INTEREST. The Bonds shall bear interest, calculated on the basis of a 360-day year composed of twelve 30-day months, from their date, until maturity or redemption, at the rates set forth in the Award Certificate. The Bonds shall be designated as Tax-Exempt Bonds or Taxable Bonds as set forth in the Award Certificate. Interest shall be payable to the registered owner of any such Bond in the manner provided and on the dates stated in the FORM OF BOND set forth in this Resolution and the Award Certificate.

Section 12. REGISTRATION, TRANSFER, AND EXCHANGE; AUTHENTICATION; BOOK-ENTRY-ONLY SYSTEM. (a) Paying Agent/Registrar. The Designated Financial Officer is authorized to select a Paying Agent/Registrar for the Bonds. The Designated Financial Officer is also authorized to enter into and carry out a Paying Agent/Registrar Agreement with the Paying Agent/Registrar with respect to the Bonds in substantially the form previously approved by the Board in connection with the authorization of Previously Issued Parity Obligations with such changes as are acceptable to the Designated Financial Officer.

(b) Registration Books. The Board shall keep or cause to be kept at the corporate trust office of the Paying Agent/Registrar designated in the Paying Agent/Registrar Agreement (the "Designated Trust Office") books or records for the registration of the transfer, exchange, and replacement of the Bonds (the "Registration Books"), and the Paying Agent/Registrar is hereby appointed to serve as registrar and transfer agent to keep such books or records and make such registrations of transfers, exchanges, and replacements under such reasonable regulations as the Board and Paying Agent/Registrar may prescribe; and the Paying Agent/Registrar shall make such registrations, transfers, exchanges, and replacements as herein provided. The Paying Agent/Registrar shall obtain and record in the Registration Books the address of the registered owner of each Bond to which payments with respect to the Bonds shall be mailed, as herein provided; but it shall be the duty of each registered owner to notify the Paying Agent/Registrar in writing of the address to which payments shall be mailed, and such interest payments shall not be mailed unless such notice has been given. The Board shall have the right to inspect the Registration Books at the Designated Trust Office of the Paying Agent/Registrar during regular business hours, but otherwise the Paying Agent/Registrar shall keep the Registration Books confidential and, unless otherwise required by law, shall not permit their inspection by any other entity.

(c) Ownership of Bonds. The entity in whose name any Bond shall be registered in the Registration Books at any time shall be deemed and treated as the absolute owner thereof for all purposes of this Resolution, whether such Bond shall be overdue, and, to the extent permitted by law, the Board and the Paying Agent/Registrar shall not be affected by any notice to the contrary; and payment of, or on account of, the principal of, premium, if any, and interest on any such Bond shall be made only to such registered owner. All such payments shall be valid and
effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid.

(d) **Payment of Bonds and Interest.** The Paying Agent/Registrar shall further act as the paying agent for paying the principal of, premium, if any, and interest on the Bonds, all as provided in this Resolution. The Paying Agent/Registrar shall keep proper records of all payments made by the University and the Paying Agent/Registrar with respect to the Bonds.

(e) **Authentication.** The Bonds initially issued and delivered pursuant to this Resolution shall be authenticated by the Paying Agent/Registrar by execution of the Paying Agent/Registrar's Authentication Certificate unless they have been approved by the Attorney General of the State of Texas and registered by the Comptroller of Public Accounts of the State of Texas, and on each substitute Bond issued in exchange for any Bond or Bonds issued under this Resolution the Paying Agent/Registrar shall execute the PAYING AGENT/REGISTRAR'S AUTHENTICATION CERTIFICATE (the "Authentication Certificate"). The Authentication Certificate shall be in the form set forth in the FORM OF BONDS.

(f) **Transfer, Exchange, or Replacement.** Each Bond issued and delivered pursuant to this Resolution, to the extent of the unpaid or unredeemed principal amount thereof, may, upon surrender of such Bond at the Designated Trust Office of the Paying Agent/Registrar, together with a written request therefor duly executed by the registered owner or the assignee or assignees thereof, or its or their duly authorized attorneys or representatives, with guarantee of signatures satisfactory to the Paying Agent/Registrar, may, at the option of the registered owner or such assignee or assignees, as appropriate, be exchanged for fully registered bonds, without interest coupons, in the appropriate form prescribed in the FORM OF BONDS set forth in this Resolution, in any Authorized Denomination (subject to the requirement hereinafter stated that each substitute Bond shall be of the same series and have a single stated maturity date), as requested in writing by such registered owner or such assignee or assignees, in an aggregate principal amount equal to the unpaid or unredeemed principal amount of any Bond or Bonds so surrendered, and payable to the appropriate registered owner, assignee, or assignees, as the case may be. If a portion of any Bond shall be redeemed prior to its scheduled maturity as provided herein, a substitute Bond or Bonds having the same series designation and maturity date, bearing interest at the same rate, and payable in the same manner, in Authorized Denominations at the request of the registered owner, and in an aggregate principal amount equal to the unredeemed portion thereof, will be issued to the registered owner upon surrender thereof for cancellation. If any Bond or portion thereof is assigned and transferred, each Bond issued in exchange therefor shall have the same series designation and maturity date and bear interest at the same rate and payable in the same manner as the Bond for which it is being exchanged. Each substitute Bond shall bear a letter and/or number to distinguish it from each other Bond. The Paying Agent/Registrar shall exchange or replace Bonds as provided herein, and each fully registered bond delivered in exchange for or replacement of any Bond or portion thereof as permitted or required by any provision of this Resolution shall constitute one of the Bonds for all purposes of this Resolution, and may again be exchanged or replaced. On each substitute Bond issued in exchange for or replacement of any Bond or Bonds issued under this Resolution there shall be printed an Authentication Certificate, in the form set forth in the FORM OF BONDS set forth in
Exhibit "B" to this Resolution. An authorized representative of the Paying Agent/Registrar shall, before the delivery of any such Bond, date and manually sign the Authentication Certificate, and, except as provided in subsection (e) above, no such Bond shall be deemed to be issued or outstanding unless the Authentication Certificate is so executed. The Paying Agent/Registrar promptly shall cancel all Bonds surrendered for transfer, exchange, or replacement. No additional orders or resolutions need be passed or adopted by the Board or any other body or person so as to accomplish the foregoing transfer, exchange, or replacement of any Bond or portion thereof, and the Paying Agent/Registrar shall provide for the printing, execution, and delivery of the substitute Bonds in the manner prescribed herein, and said Bonds shall be in typed or printed form as determined by the Designated Financial Officer. Pursuant to Chapter 1206, Texas Government Code, the duty of transfer, exchange, or replacement of Bonds as aforesaid is hereby imposed upon the Paying Agent/Registrar, and, upon the execution of the Authentication Certificate, the exchanged or replaced Bond shall be valid, incontestable, and enforceable in the same manner and with the same effect as the Bonds which were originally issued pursuant to this Resolution. The Board shall pay the Paying Agent/Registrar's standard or customary fees and charges, if any, for transferring, and exchanging any Bond or any portion thereof, but the one requesting any such transfer and exchange shall pay any taxes or governmental charges required to be paid with respect thereto as a condition precedent to the exercise of such privilege. The Paying Agent/Registrar shall not be required to make any such transfer, exchange, or replacement of Bonds or any portion thereof (i) during the period commencing with the close of business on any Record Date and ending with the opening of business on the next following interest payment date, or, (ii) with respect to any Bond or portion thereof called for redemption prior to maturity, within 45 days prior to its redemption date. To the extent possible, any new Bond issued in an exchange, replacement, or transfer of a Bond will be delivered to the registered owner or assignee of the registered owner not more than three business days after the receipt of the Bonds to be cancelled and the written request as described above.

(g) **Substitute Paying Agent/Registrar.** The Board covenants with the registered owners of the Bonds that at all times while the Bonds are outstanding the Board will provide a competent and legally qualified bank, trust company, financial institution, or other agency to act as and perform the services of Paying Agent/Registrar for the Bonds under this Resolution, and that the Paying Agent/Registrar will be one entity. The Board reserves the right to, and may, at its option, change the Paying Agent/Registrar upon not less than 120 days written notice to the Paying Agent/Registrar, to be effective not later than 60 days prior to the next principal or interest payment date after such notice. In the event that the entity at any time acting as Paying Agent/Registrar (or its successor by merger, acquisition, or other method) should resign or otherwise cease to act as such, the Board covenants that promptly it will appoint a competent and legally qualified bank, trust company, financial institution, or other agency to act as Paying Agent/Registrar under this Resolution. Upon any change in the Paying Agent/Registrar, the previous Paying Agent/Registrar promptly shall transfer and deliver the Registration Books (or a copy thereof), along with all other pertinent books and records relating to the Bonds, to the new Paying Agent/Registrar designated and appointed by the Board. Upon any change in the Paying Agent/Registrar, the Board promptly will cause a written notice thereof to be sent by the new Paying Agent/Registrar to each registered owner of the Bonds, by United States mail, first-class
postage prepaid, which notice also shall give the address of the new Paying Agent/Registrar. By accepting the position and performing as such, each Paying Agent/Registrar shall be deemed to have agreed to the provisions of this Resolution, and a certified copy of this Resolution shall be delivered to each Paying Agent/Registrar.

(h) **Book-Entry-Only System.** The Bonds shall not be issued in book-entry-only form.

Section 13. **FORM OF BONDS.** The forms of the Bonds, including the form of the Authentication Certificate, the form of Assignment, the form of any statement of insurance with respect to the Bonds provided by a Bond Insurer, and the form of Registration Certificate of the Comptroller of Public Accounts of the State of Texas, with respect to the Bonds initially issued and delivered to the Purchaser pursuant to this Resolution, shall be, respectively, substantially as set forth in Exhibit "B", with such appropriate variations, omissions, or insertions as are permitted or required by this Resolution.

Section 14. **INDIVIDUALS NOT LIABLE.** All covenants, stipulations, obligations, and agreements of the Board contained in this Resolution shall be deemed to be covenants, stipulations, obligations, and agreements of the Financing System and the Board to the full extent authorized or permitted by the Constitution and laws of the State of Texas. No covenant, stipulation, obligation, or agreement herein contained shall be deemed to be a covenant, stipulation, obligation, or agreement of any member of the Board or agent or employee of the Board in the individual capacity thereof and neither the respective members of the Board, nor any officer thereof or of any participant shall be liable personally on Parity Obligations when issued, or be subject to any personal liability or accountability by reason of the issuance thereof.

Section 15. **SECURITY FOR THE BONDS.** The Bonds are special obligations of the Board payable from and secured solely by the Pledged Revenues pursuant to this Resolution. The Pledged Revenues are hereby pledged, subject to the liens securing the Prior Encumbered Obligations, to the payment of the principal of, premium, if any, and interest on the Bonds as the same shall become due and payable. The Board agrees to pay the principal of, premium, if any, and the interest on the Bonds when due, whether by reason of maturity or redemption.

Section 16. **PAYMENTS.** (a) **Accrued Interest.** Immediately after the delivery of the Bonds, the Board shall deposit any accrued interest received from the sale and delivery of the Bonds to the credit of a special account to be held to pay interest on such Bonds on the first interest payment date.

(b) **Debt Service Payments.** Semiannually on or before each principal or interest payment date while any of the Bonds are outstanding and unpaid, commencing on the first interest payment date for the Bonds as specified in the Award Certificate, the Board shall make available to the Paying Agent/Registrar, money sufficient to pay such interest on and such principal of the Bonds as will accrue or mature, or be subject to mandatory redemption prior to maturity, on such principal, redemption, or interest payment date. The Paying Agent/Registrar shall cancel all paid Bonds and shall furnish the Board with an appropriate certificate of cancellation.
Section 17. DAMAGED, MUTILATED, LOST, STOLEN, OR DESTROYED BONDS. (a) Replacement Bonds. In the event any outstanding Bond is damaged, mutilated, lost, stolen, or destroyed, the Paying Agent/Registrar shall cause to be printed, executed, and delivered, a new bond of the same Series, principal amount, maturity, and interest rate, and in the same form, as the damaged, mutilated, lost, stolen, or destroyed Bond, in replacement for such Bond in the manner hereinafter provided.

(b) Application for Replacement Bonds. Application for replacement of damaged, mutilated, lost, stolen, or destroyed Bonds shall be made to the Paying Agent/Registrar. In every case of loss, theft, or destruction of a Bond, the applicant for a replacement bond shall furnish to the Board and the Paying Agent/Registrar such security or indemnity as may be required by them to save each of them harmless from any loss or damage with respect thereto. Also, in every case of loss, theft, or destruction of a Bond, the applicant shall furnish to the Board and the Paying Agent/Registrar evidence to their satisfaction of the loss, theft, or destruction of such Bond, as the case may be. In every case of damage or mutilation of a Bond, the applicant shall surrender to the Paying Agent/Registrar for cancellation the Bond so damaged or mutilated.

(c) Payment in Lieu of Replacement. Notwithstanding the foregoing provisions of this Section, in the event any such Bond shall have matured, and no default has occurred which is then continuing in the payment of the principal of, redemption premium, if any, or interest on the Bond, the Board, may authorize the payment of the same (without surrender thereof except in the case of a damaged or mutilated Bond) instead of issuing a replacement Bond, provided security or indemnity is furnished as above provided in this Section.

(d) Charge for Issuing Replacement Bonds. Prior to the issuance of any replacement bond, the Paying Agent/Registrar shall charge the owner of such Bond with all legal, printing, and other expenses in connection therewith. Every replacement bond issued pursuant to the provisions of this Section by virtue of the fact that any Bond is lost, stolen, or destroyed shall constitute a contractual obligation of the Board whether or not the lost, stolen, or destroyed Bond shall be found at any time, or be enforceable by anyone, and shall be entitled to all the benefits of this Resolution equally and proportionately with any and all other Bonds duly issued under this Resolution.

(e) Authority for Issuing Replacement Bonds. In accordance with Chapter 1206, Texas Government Code, this Section shall constitute authority for the issuance of any such replacement bond without the necessity of further action by the Board or any other body or person, and the duty of the replacement of such Bonds is hereby authorized and imposed upon the Paying Agent/Registrar, and the Paying Agent/Registrar shall authenticate and deliver such Bonds in the form and manner and with the effect, as provided in Section 12(f) of this Resolution for Bonds issued in exchange and replacement for other Bonds.

Section 18. REMEDIES. Any owner of Parity Obligations in the event of default in connection with any covenant contained herein or in any resolution adopted hereafter authorizing the issuance of Parity Obligations, or default in the payment of said obligations, or of any interest

SFA RevRelifBonds/2015: Resolution
due thereon, or other costs and expenses related thereto, may require the Board, their respective officials and employees, and any appropriate official of the State of Texas, to carry out, respect, or enforce the covenants and obligations of this Resolution by all legal and equitable means, including specifically, but without limitation, the use and filing of mandamus proceedings in any court of competent jurisdiction against the Board, their respective officials and employees, or any appropriate official of the State of Texas.

Section 19. DEFEASANCE OF OBLIGATIONS. (a) Any Bond and the interest thereon shall be deemed to be paid, retired and no longer Outstanding (a "Defeased Bond") within the meaning of this Resolution, except to the extent provided in subsections (c) and (e) of this Section, when payment of the principal of such Bond, plus interest thereon to the due date or dates (whether such due date or dates be by reason of maturity, upon redemption, or otherwise) either (i) shall have been made or caused to be made in accordance with the terms thereof (including the giving of any required notice of redemption) or (ii) shall have been provided for on or before such due date by irrevocably depositing with or making available to the Paying Agent/Registrar or any other eligible bank or trust company then authorized by State law for such payment (1) lawful money of the United States of America sufficient to make such payment, (2) Defeasance Securities, certified by an independent public accounting firm of national reputation to mature as to principal and interest in such amounts and at such times as will ensure the availability, without reinvestment, of sufficient money to provide for such payment and when proper arrangements have been made by the Board with the Paying Agent/Registrar for the payment of its services until all Defeased Bonds shall have become due and payable or (3) any combination of (1) and (2). At such time as a Bond shall be deemed to be a Defeased Bond hereunder, as aforesaid, such Bond and the interest thereon shall no longer be secured by, payable from, or entitled to the benefits of, the revenues herein pledged as provided in this Resolution, and such principal and interest shall be payable solely from such money or Defeasance Securities.

(b) The deposit under clause (ii) of subsection (a) shall be deemed a payment of a Bond as aforesaid when proper notice of redemption of such Bonds shall have been given, in accordance with this Resolution. Any money so deposited with the Paying Agent/Registrar or other eligible institution as provided in this Section may at the written discretion of the Board also be invested in Defeasance Securities, maturing in the amounts and at the times as hereinbefore set forth, and all income from all Defeasance Securities in possession of the Paying Agent/Registrar or other eligible institution pursuant to this Section which is not required for the payment of such Bond and premium, if any, and interest thereon with respect to which such money has been so deposited, shall be turned over to the Board.

(c) Notwithstanding any provision of any other Section of this Resolution which may be contrary to the provisions of this Section, all money or Defeasance Securities set aside and held in trust pursuant to the provisions of this Section for the payment of principal of the Bonds and premium, if any, and interest thereon, shall be applied to and used solely for the payment of the particular Bonds and premium, if any, and interest thereon, with respect to which such money or Defeasance Securities have been so set aside in trust. Until all Defeased Bonds shall have become due and payable, the Paying Agent/Registrar shall perform the services of Paying
Agent/Registrar for such Defeased Bonds the same as if they had not been defeased, and the Board shall make proper arrangements to provide and pay for such services as required by this Resolution.

(d) Notwithstanding anything elsewhere in this Resolution, if money or Defeasance Securities have been deposited or set aside with the Paying Agent/Registrar or other eligible institution pursuant to this Section for the payment of Bonds and such Bonds shall not have in fact been actually paid in full, no amendment of the provisions of this Section shall be made without the consent of the registered owner of each Bond affected thereby.

(e) Notwithstanding the provisions of subsection (a) immediately above, to the extent that, upon the defeasance of any Defeased Bond to be paid at its maturity, the Board retains the right under Texas law to later call that Defeased Bond for redemption in accordance with the provisions of this Resolution, the Board may call such Defeased Bond for redemption upon complying with the provisions of Texas law and upon the satisfaction of the provisions of subsection (a) immediately above with respect to such Defeased Bond as though it was being defeased at the time of the exercise of the option to redeem the Defeased Bond and the effect of the redemption is taken into account in determining the sufficiency of the provisions made for the payment of the Defeased Bond.

(f) In the event that the Board elects to defease less than all of the principal amount of Bonds of a maturity, the Paying Agent/Registrar shall select, or cause to be selected, such amount of Bonds by such random method as it deems fair and appropriate.

Section 20. AMENDMENT OF RESOLUTION. (a) Amendment Without Consent. This Resolution and the rights and obligations of the Board and of the owners of the Outstanding Parity Obligations may be modified or amended at any time without notice to or the consent of any owner of the Outstanding Parity Obligations, solely for any one or more of the following purposes:

(i) To add to the covenants and agreements of the Board contained in this Resolution, other covenants and agreements thereafter to be observed, or to surrender any right or power reserved to or conferred upon the Board in this Resolution;

(ii) To cure any ambiguity or inconsistency, or to cure or correct any defective provisions contained in this Resolution, upon receipt by the Board of an opinion of Bond Counsel, that the same is needed for such purpose, and will more clearly express the intent of this Resolution;

(iii) To supplement the security for the Parity Obligations, including, but not by way of limitation, to provide for the addition of new institutions and agencies to the Financing System or to clarify the provisions regarding the University as a Participant in the Financing System; provided, however, if the definition of Pledged Revenues is amended in any manner which results in the pledge of additional resources, the terms of
such amendment may limit the amount of such additional pledge and the manner, extent, and duration of such additional pledge all as set forth in such amendment;

(iv) To make any changes or amendments requested by any bond rating agency then rating or requested to rate Parity Obligations, as a condition to the issuance or maintenance of a rating, which changes or amendments do not, in the judgment of the Board, materially adversely affect the interests of the owners of the Outstanding Parity Obligations;

(v) To make such changes, modifications or amendments as may be necessary or desirable, which shall not adversely affect the interests of the owners of the Outstanding Parity Obligations, in order, to the extent permitted by law, to facilitate the economic and practical utilization of Credit Agreements with respect to the Parity Obligations;

(vi) To make such other changes in the provisions hereof as the Board may deem necessary or desirable and which shall not, in the judgment of the Board, materially adversely affect the interests of the owners of Outstanding Parity Obligations; or

(vii) To make such changes or amendments as contemplated by Section 24(c) of this Resolution in order to comply with the Rule.

Notice of any such amendment may be published by the Board in the manner described in subsection (c) of this Section; provided, however, that the publication of such notice shall not constitute a condition precedent to the adoption of such amendatory resolution and the failure to publish such notice shall not adversely affect the implementation of such amendment as adopted pursuant to such amendatory resolution.

(b) Amendments With Consent. Subject to the other provisions of this Resolution, the owners of Outstanding Parity Obligations aggregating a majority in Outstanding Principal Amount shall have the right from time to time to approve any amendment to this Resolution, other than amendments described in subsection (a) of this Section, which may be deemed necessary or desirable by the Board; provided, however, that nothing herein contained shall permit or be construed to permit, without the approval of the owners of all of the Outstanding Parity Obligations, the amendment of the terms and conditions in this Resolution so as to:

(1) Grant to the owners of any Outstanding Parity Obligations a priority over the owners of any other Outstanding Parity Obligations;

(2) Materially adversely affect the rights of the owners of less than all Parity Obligations then Outstanding;

(3) Change the minimum percentage of the Outstanding Principal Amount necessary for consent to such amendment;
(4) Make any change in the maturity of the Outstanding Bonds;

(5) Reduce the rate of interest borne by Outstanding Bonds;

(6) Reduce the amount of the principal payable on Outstanding Bonds; or

(7) Modify the terms of payment of principal of or interest on the Outstanding Bonds, or impose any conditions with respect to such payment; or

(8) Adversely affect the tax exempt status of the interest on the Outstanding Bonds to the owners thereof.

(c) **Notice.** If at any time this Resolution is to be amended pursuant to the provisions of subsection (b) of this Section, the Board shall cause notice of the proposed amendment to be published in a financial newspaper or journal of general circulation in The City of New York, New York, once during each calendar week for at least two successive calendar weeks. Such notice shall briefly set forth the nature of the proposed amendment and shall state that a copy thereof is on file at the principal office of each Registrar for the Parity Obligations for inspection by all owners of Parity Obligations. Such publication is not required, however, if the Board gives or causes to be given such notice in writing, by certified mail, to each owner of Parity Obligations. Such publication is not required with respect to amendments to this Resolution effected pursuant to the provisions of subsection (a) of this Section.

(d) **Receipt of Consents.** Whenever at any time not less than thirty (30) days, and within one year, from the date of the first publication of said notice or other service of written notice of the proposed amendment the Board shall receive an instrument or instruments executed by all of the owners or the owners of at least a majority in Outstanding Principal Amount, as appropriate, which instrument or instruments shall refer to the proposed amendment described in said notice and which specifically consent to and approve such amendment in substantially the form of the copy thereof on file as aforesaid, the Board may adopt the amendatory resolution in substantially the same form.

(e) **Effect of Amendments.** Upon the adoption of any resolution to amend this Resolution pursuant to the provisions of this Section, this Resolution shall be deemed to be amended in accordance with the amendatory resolution, and the respective rights, duties, and obligations of the Board and all the owners of then Outstanding Parity Obligations and all future Parity Obligations shall thereafter be determined, exercised, and enforced under this Resolution, as amended.

(f) **Consent Irrevocable.** Any consent given by any owner of Parity Obligations pursuant to the provisions of this Section shall be irrevocable for a period of six months from the date of the first publication or other service of the notice provided for in this Section, and shall be conclusive and binding upon all future owners of the same Parity Obligations during such period. Such consent may be revoked at any time after six months from the date of the first publication of such notice by the owner who gave such consent, or by a successor in title, by
filing notice thereof with the Registrar for such Parity Obligations and the Board, but such revocation shall not be effective if the owners of a majority in Outstanding Principal Amount, prior to the attempted revocation, consented to and approved the amendment.

(g) Ownership. For the purpose of this Section, the ownership and other matters relating to all Parity Obligations shall be determined by the Registration Books maintained by the Registrar.

Section 21. COVENANTS REGARDING TAX-EXEMPTION. (a) Covenants. The Board covenants to take any action necessary to assure, or refrain from any action which would adversely affect, the treatment of the Tax–Exempt Bonds as obligations described in section 103 of the Internal Revenue Code of 1986, as amended (the "IRS Code"), the interest on which is not includable in the "gross income" of the holder for purposes of federal income taxation. In furtherance thereof, the Board covenants as follows:

1. to take any action to assure that no more than 10 percent of the proceeds of the Tax–Exempt Bonds or the projects financed or refinanced therewith (less amounts deposited to a reserve fund, if any) are used for any "private business use," as defined in section 141(b)(6) of the IRS Code or, if more than 10 percent of the proceeds of the Tax–Exempt Bonds or the projects financed or refinanced therewith are so used, such amounts, whether or not received by the Board, with respect to such private business use, do not, under the terms of this Resolution or any underlying arrangement, directly or indirectly, secure or provide for the payment of more than 10 percent of the debt service on the Tax–Exempt Bonds, in contravention of section 141(b)(2) of the IRS Code;

2. to take any action to assure that in the event that the "private business use" described in subsection (1) hereof exceeds 5 percent of the proceeds of the Tax–Exempt Bonds or the projects financed or refinanced therewith (less amounts deposited into a reserve fund, if any) then the amount in excess of 5 percent is used for a "private business use" which is "related" and not "disproportionate," within the meaning of section 141(b)(3) of the IRS Code, to the governmental use;

3. to take any action to assure that no amount which is greater than the lesser of $5,000,000, or 5 percent of the proceeds of the Tax–Exempt Bonds (less amounts deposited into a reserve fund, if any) is directly or indirectly used to finance loans to persons, other than state or local governmental units, in contravention of section 141(c) of the IRS Code;

4. to refrain from taking any action which would otherwise result in the Tax–Exempt Bonds being treated as "private activity bonds" within the meaning of section 141(b) of the IRS Code;
(5) to refrain from taking any action that would result in the Tax-Exempt Bonds being "federally guaranteed" within the meaning of section 149(b) of the IRS Code;

(6) to refrain from using any portion of the proceeds of the Tax-Exempt Bonds, directly or indirectly, to acquire or to replace funds which were used, directly or indirectly, to acquire investment property (as defined in section 148(b)(2) of the IRS Code) which produces a materially higher yield over the term of the Tax-Exempt Bonds, other than investment property acquired with:

(A) proceeds of the Tax-Exempt Bonds invested for a reasonable temporary period of 3 years or less or, in the case of a refunding bond, for a period of 30 days or less until such proceeds are needed for the purpose for which the Tax-Exempt Bonds are issued,

(B) amounts invested in a bona fide debt service fund, within the meaning of section 1.148 1(b) of the Treasury Regulations, and

(C) amounts deposited in any reasonably required reserve or replacement fund to the extent such amounts do not exceed 10 percent of the proceeds of the Tax-Exempt Bonds;

(7) to otherwise restrict the use of the proceeds of the Tax-Exempt Bonds or amounts treated as proceeds of the Tax-Exempt Bonds, as may be necessary, so that the Tax-Exempt Bonds do not otherwise contravene the requirements of section 148 of the IRS Code (relating to arbitrage) and, to the extent applicable, section 149(d) of the IRS Code (relating to advance refundings); and

(8) to pay to the United States of America at least once during each five-year period (beginning on the date of delivery of the Bonds) an amount that is at least equal to 90 percent of the "Excess Earnings," within the meaning of section 148(f) of the IRS Code and to pay to the United States of America, not later than 60 days after the Tax-Exempt Bonds have been paid in full, 100 percent of the amount then required to be paid as a result of Excess Earnings under section 148(f) of the IRS Code.

(b) **Rebate Fund.** With respect to the Tax-Exempt Bonds, in order to facilitate compliance with the above covenant (8), a "Rebate Fund" is hereby established by the Board for the sole benefit of the United States of America, and such fund shall not be subject to the claim of any other person, including without limitation the bondholders. The Rebate Fund is established for the additional purpose of compliance with section 148 of the IRS Code.

(c) **Proceeds.** With respect to the Tax-Exempt Bonds, the Board understands that the term "proceeds" includes "disposition proceeds" as defined in the Treasury Regulations and, in
the case of refunding bonds, transferred proceeds (if any) and proceeds of the refunded bonds not expended prior to the date of issuance of the Tax-Exempt Bonds. It is the understanding of the Board that the covenants contained herein are intended to assure compliance with the IRS Code and any regulations or rulings promulgated by the U.S. Department of the Treasury pursuant thereto. In the event that regulations or rulings are hereafter promulgated which modify or expand provisions of the IRS Code, as applicable to the Tax-Exempt Bonds, the Board will not be required to comply with any covenant contained herein to the extent that such failure to comply, in the opinion of nationally recognized bond counsel, will not adversely affect the exemption from federal income taxation of interest on the Tax-Exempt Bonds under section 103 of the IRS Code. In the event that regulations or rulings are hereafter promulgated which impose additional requirements which are applicable to the Tax-Exempt Bonds, the Board agrees to comply with the additional requirements to the extent necessary, in the opinion of nationally recognized bond counsel, to preserve the exemption from federal income taxation of interest on the Tax-Exempt Bonds under section 103 of the IRS Code. In furtherance of such intention, the Board hereby authorizes and directs the Designated Financial Officer to execute any documents, certificates or reports required by the IRS Code and to make such elections, on behalf of the Board, which may be permitted by the IRS Code as are consistent with the purpose for the issuance of the Tax-Exempt Bonds.

(d) **Disposition of Refunded Bonds Projects.** If the Bonds are issued as Tax-Exempt Bonds, the Board covenants that the projects financed by any Refunded Bonds will not be sold or otherwise disposed in a transaction resulting in the receipt by the Board of cash or other compensation, unless the Board obtains an opinion of nationally–recognized bond counsel that such sale or other disposition will not adversely affect the tax–exempt status of the Tax–Exempt Bonds. For purposes of this subsection, the portion of the property comprising personal property and disposed of in the ordinary course shall not be treated as a transaction resulting in the receipt of cash or other compensation. For purposes of this subsection, the Board shall not be obligated to comply with this covenant if it obtains an opinion of nationally–recognized bond counsel to the effect that such failure to comply will not adversely affect the excludability for federal income tax purposes from gross income of the interest.

**Section 22. REPORTING COVENANTS.** The Board shall provide the following items to the Purchaser in an electronic format acceptable to the Purchase:

1. Receipt of Combined Annual Financial Report within 180 days of the fiscal year end;

2. Annual Statistics: Annual enrollment statistics, including number of FTE students (undergraduate and graduate), undergraduate applications and admissions, average SAT/ACT scores, freshman retention rate, graduation rate (5 years) and faculty data (% full-time and tenured); and

3. Additional information as reasonably requested by the Purchaser.
Section 23. APPLICATION OF BOND PROCEEDS. (a) Proceeds. Proceeds from the sale of the Bonds shall, promptly upon receipt thereof, be applied by the Designated Financial Officer as follows:

(i) accrued interest, if any, for the Bonds shall be deposited as provided in Section 16;

(ii) an amount sufficient to accomplish the purposes of Section 9 shall be so applied; and

(iii) any proceeds from the sale of the Bonds remaining after the deposits provided for in clauses (i) and (ii) above, shall be applied to pay expenses arising in connection with the issuance of the Bonds.

Any sale proceeds of the Bonds remaining after making all deposits and payments provided for above shall be applied to the payment of interest on the Bonds.

(b) Funds. The Designated Financial Officer is hereby authorized to establish such funds, accounts and/or sub-accounts as necessary to administer any remaining proceeds of the Bonds after applying proceeds to the refunding of the refunded bonds, including for accrued interest and costs of issuance. Proceeds deposited into any such funds, accounts and/or sub-accounts shall remain therein until from time to time expended for the purposes described in this Resolution, and shall not be used for any other purposes whatsoever, except as otherwise provided below, and pending such expenditure, such moneys may be invested at the direction of the Designated Financial Officer or the designee thereof in eligible investments in accordance with the provisions of Section 4(h) of this Resolution. Interest earnings shall accrue to the respective funds, accounts and/or sub-accounts in which moneys are held and invested. The Board agrees that it shall pay costs of issuance incurred in connection with the issuance and delivery of the Bonds as are consistent with the approval of the issuance of the Bonds by the Texas Bond Review Board. The Board shall cause moneys on deposit in any such funds, accounts and/or sub-accounts representing accrued interest to be used to pay debt service on the Bonds as the same shall become due and payable.

Section 24. REFUNDING OF REFUNDED BONDS: ESCROW AGREEMENT; REDEMPTION OF REFUNDED BONDS. Concurrently with the delivery of the Bonds issued to refund the Refunded Bonds, the Designated Financial Officer shall cause to be deposited with the Escrow Agent an amount, from the proceeds from the sale of the Bonds, sufficient, together with other legally available funds of the Board, to provide for the payment and retirement of the Refunded Bonds. In the event that it is deemed necessary, the Designated Financial Officer is authorized to enter into one or more escrow agreements in the form and substance previously approved by the Board in connection with the refunding of Debt with such changes as are acceptable to the Designated Financial Officer. In such event, the Designated Financial Officer is authorized hereby to take such steps as may be necessary to purchase Escrowed Securities, if any, as defined in the Escrow Agreement, on behalf of the Board, and is authorized to create and fund the Escrow Fund contemplated by the Escrow Agreement through the use of the proceeds.
of the Bonds, the monies and investments held in the fund securing the Refunded Bonds and other lawfully available monies of the Board.

Subject to the execution of an Award Certificate by the Designated Financial Officer designating such Refunded Bonds, the Refunded Bonds are hereby called for redemption on the first optional redemption date following the delivery of the Bonds for which all of the notice requirements for redemption can be reasonably met, at a redemption price of par plus accrued interest, if any, to the date of redemption. The Designated Financial Officer shall take such actions as are necessary to cause the required notice of such redemption to be given. The Designated Financial Officer is authorized to select an escrow agent with respect to the Bonds issued to refund the Refunded Bonds.

Section. 25. DEFEASANCE AND REDEMPTION OF OUTSTANDING DEBT. The Board desires to authorize the use of certain lawfully available funds of the Board, as determined by the Designated Financial Officer, to defease and/or redeem, from time to time, certain outstanding Previously Issued Parity Obligations in accordance with the applicable defeasance and redemption provisions in the respective Prior Resolutions authorizing such debt. The Designated Financial Officer is hereby authorized to determine and retire, from time to time, the various portions of such outstanding Previously Issued Parity Obligations which are economically advantageous for Board to retire by the defeasance and/or redemption of such debt. The Designated Financial Officer is authorized to enter into one or more Escrow Agreements in substantially the standard form previously approved by the Board to accomplish such defeasances. In the event of such a defeasance, the Designated Financial Officer is authorized hereby to take such steps as may be necessary to purchase the escrowed securities identified in such Escrow Agreements on behalf of the Board and is authorized to create and fund the escrow funds contemplated by the Escrow Agreements through the use of the lawfully available funds of the Board. The Designated Financial Officer is authorized to call for redemption such Prior Encumbered Obligations and Previously Issued Parity Obligations to be redeemed pursuant to this section and is hereby authorized to provide and complete an appropriate Notice of Redemption to the paying agent(s) for such Previously Issued Parity Obligations upon the deposit with the Escrow Agent of such available funds and compliance with the conditions set forth in the Escrow Agreements.

Except as provided in the following sentence, the Board hereby (i) expressly reserves the right to call for redemption any Previously Issued Parity Obligations defeased pursuant to this section in accordance with the applicable redemption provisions contained in the resolution authorizing such debt, (ii) requires that the Designated Financial Officer give notice of the reservation of such right to the owners of such debt immediately following the making of the firm banking and financial arrangements for such defeasance and (iii) directs that notice of such reservation also be included in any Notice of Redemption authorized pursuant to this section. Notwithstanding the foregoing sentence, the Designated Financial Officer, upon determining that doing so is in the best interest of the Board, may elect on behalf of the Board not to retain the right to call such Previously Issued Parity Obligations for redemption by choosing not to give the notices required in (ii) and (iii) of the foregoing sentence.
Section 26. **RESOLUTION TO CONSTITUTE A CONTRACT; EQUAL SECURITY.** In consideration of the acceptance of the Bonds, the issuance of which is authorized hereunder, by those who shall hold the same from time to time, this Resolution shall be deemed to be and shall constitute a contract between the Board and the Owners from time to time of the Bonds and the pledge made in this Resolution by the Board and the covenants and agreements set forth in this Resolution to be performed by the Board shall be for the equal and proportionate benefit, security, and protection of all Owners, without preference, priority, or distinction as to security or otherwise of any of the Bonds authorized hereunder over any of the others by reason of time of issuance, sale, or maturity thereof or otherwise for any cause whatsoever, except as expressly provided in or permitted by this Resolution.

Section 27. **SEVERABILITY OF INVALID PROVISIONS.** If any one or more of the covenants, agreements, or provisions herein contained shall be held contrary to any express provisions of law or contrary to the policy of express law, though not expressly prohibited, or against public policy, or shall for any reason whatsoever be held invalid, then such covenants, agreements, or provisions shall be null and void and shall be deemed separable from the remaining covenants, agreements, or provisions and shall in no way affect the validity of any of the other provisions hereof or of the Bonds issued hereunder.

Section 28. **PAYMENT AND PERFORMANCE ON BUSINESS DAYS.** Except as provided to the contrary in the FORM OF BONDS, whenever under the terms of this Resolution or the Bonds, the performance date of any provision hereof or thereof, including the payment of principal of or interest on the Bonds, shall occur on a day other than a Business Day, then the performance thereof, including the payment of principal of and interest on the Bonds, need not be made on such day but may be performed or paid, as the case may be, on the next succeeding Business Day with the same force and effect as if made on the date of performance or payment.

Section 29. **LIMITATION OF BENEFITS WITH RESPECT TO THE RESOLUTION.** With the exception of the rights or benefits herein expressly conferred, nothing expressed or contained herein or implied from the provisions of this Resolution or the Bonds is intended or should be construed to confer upon or give to any person other than the Board, the Owners, and the Paying Agent/Registrar, any legal or equitable right, remedy, or claim under or by reason of or in respect to this Resolution or any covenant, condition, stipulation, promise, agreement, or provision herein contained. This Resolution and all of the covenants, conditions, stipulations, promises, agreements, and provisions hereof are intended to be and shall be for and inure to the sole and exclusive benefit of the Board, the Owners, and the Paying Agent/Registrar as herein and therein provided.

Section 30. **CUSTODY, APPROVAL, BOND COUNSEL'S OPINION, CUSIP NUMBERS, PREAMBLE AND INSURANCE.** The Designated Financial Officer is hereby authorized to have control of the Bonds issued hereunder and all necessary records and proceedings pertaining to the Bonds pending their delivery and approval by the Attorney General of the State of Texas. The Designated Financial Officer is hereby authorized, to the extent deemed necessary or advisable thereby, in the discretion thereof, to request that the Attorney General approve the Bonds as permitted by Chapter 1202, in which case the Designated
Financial Officer also is authorized to request the Comptroller of Public Accounts register the Bonds, and to cause an appropriate legend reflecting such approval and registration to appear on the Bonds and the substitute Bonds. The approving legal opinion of Bond Counsel and the assigned CUSIP numbers may be printed on the Bonds and on any Bonds issued and delivered in exchange or replacement of any Bond, but neither shall have any legal effect, and shall be solely for the convenience and information of the registered owners of the Bonds. The preamble to this Resolution is hereby adopted and made a part of this Resolution for all purposes. If insurance is obtained on any of the Bonds, the Bonds shall bear, as appropriate and applicable, a legend concerning insurance as provided by the municipal bond insurance company issuing any such insurance.

Section 31. PURCHASE AGREEMENT. The Designated Financial Officer is authorized to execute a Purchase Agreement in substantially the form provided to the Board with such changes as approved by the Designated Financial Officer.

Section 32. RESERVE FUNDS. The Board may establish a reserve fund, and/or any other fund or funds pursuant to any resolution authorizing the issuance of Parity Obligations, including with respect to the Bonds in the Award Certificate, for the purpose of paying or securing a particular issue or series of Parity Obligations or any specific group of issues or series of Parity Obligations and the amounts once deposited in said funds shall no longer constitute Pledged Revenues but shall be held solely for the benefit of the owners of the particular issue or series or group of issues or series of Parity Obligations for which such fund was established. Each such fund shall be designated in such manner as is necessary to identify the Parity Obligations it secures and to distinguish such fund from any other funds created for the benefit of any other Parity Obligations.

Section 33. FURTHER PROCEDURES. The Chair of the Board, the Designated Financial Officer, and all other officers, employees, and agents of the University, and each of them, shall be and they are hereby expressly authorized, empowered, and directed from time to time and at any time to do and perform all such acts and things and to execute, acknowledge, and deliver in the name and under the corporate seal and on behalf of the Board, all such instruments, whether or not herein mentioned, as may be necessary or desirable in order to carry out the terms and provisions of this Resolution, the Bonds, the sale and delivery of the Bonds and fixing all details in connection therewith, and to approve any Official Statement, or supplements thereto, in connection with the Bonds including any necessary filings with the Attorney General of Texas, the Texas Bond Review Board and any other necessary parties.

Section 34. PAYMENT OF ATTORNEY GENERAL FEE. The Board hereby authorizes the disbursement of a fee equal to the lesser of (i) one-tenth of one percent of the principal amount of each Series of the Bonds or (ii) $9,500 per Series, provided that such fee shall not be less than $750, to the Attorney General of Texas Public Finance Division for payment of the examination fee charged by the State of Texas for the Attorney General's review and approval of public securities and credit agreements, as required by Section 1202.004 of the Texas Government Code. The Designated Financial Officer is hereby instructed to take the
necessary measures to make this payment. The Board is also authorized to reimburse the appropriate funds for such payment from proceeds of the Bonds.

**Section 35. REPEAL OF CONFLICTING RESOLUTIONS.** All resolutions and all parts of any resolutions which are in conflict or inconsistent with this Resolution are hereby repealed and shall be of no further force or effect to the extent of such conflict or inconsistency.

**Section 36. PERFECTION OF PLEDGE.** Chapter 1208, Government Code, applies to the issuance of the Bonds and the pledge of the Pledged Revenues granted under Section 2 of this Resolution, and such pledge is therefore valid, effective and perfected. If Texas law is amended at any time while the Bonds are outstanding and unpaid such that the pledge of the Pledged Revenues under Section 2 of this Resolution is to be subject to the filing requirements of Chapter 9, Business & Commerce Code, then in order to preserve to the registered owners of the Bonds the perfection of the security interest in said pledge, the Board agrees to take such measures as it determines are reasonable and necessary under Texas law to comply with the applicable provisions of Chapter 9, Business & Commerce Code and enable a filing to perfect the security interest in said pledge to occur.

**Section 37. BOND INSURANCE.** In connection with the sale of the Bonds, the Board may obtain municipal bond insurance policies from a municipal bond insurer (each a "Bond Insurer") to guarantee the full and complete payment required to be made by or on behalf of the Board on some or all of the Bonds as determined by the Designated Financial Officer. The Designated Financial Officer is hereby authorized to sign a commitment letter with the Insurer and to pay the premium for the bond insurance policies at the time of the delivery of the Bonds out of the proceeds of sale of the Bonds or from other available funds and to execute such other documents and certificates as necessary in connection with the bond insurance policies as he or she may deem appropriate. Printing on Bonds covered by the bond insurance policies a statement describing such insurance, in form and substance satisfactory to the Bond Insurer and the Designated Financial Officer, is hereby approved and authorized. The Award Certificate may contain provisions related to the bond insurance policies, including payment provisions thereunder, and the rights of the Bond Insurer(s), and any such provisions shall be read and interpreted as an integral part of this Resolution.

**Section 38. PUBLIC NOTICE.** It is hereby found and determined that each of the officers and members of the Board was duly and sufficiently notified officially and personally, in advance, of the time, place, and purpose of their respective meetings at which this Resolution was adopted, and that this Resolution would be introduced and considered for adoption at said meetings; and that said meetings were open to the public, and public notice of the time, place, and purpose of said meetings was given, all as required by Chapter 551, Texas Government Code.

Secretary, Board of Regents
EXHIBIT A

DEFINITIONS

As used in this Resolution the following terms and expressions shall have the meanings set forth below, unless the text hereof specifically indicates otherwise:

"Annual Debt Service Requirements" means, for any Fiscal Year, the principal of and interest on all Parity Obligations coming due at Maturity or Stated Maturity (or that could come due on demand of the owner thereof other than by acceleration or other demand conditioned upon default by the Board on such Debt, or be payable in respect of any required purchase of such Debt by the Board) in such Fiscal Year, and, for such purposes, any one or more of the following rules shall apply at the election of the Board:

(1) **Committed Take Out.** If the Board has entered into a Credit Agreement constituting a binding commitment within normal commercial practice to discharge any of its Funded Debt at its Stated Maturity (or, if due on demand, at any date on which demand may be made) or to purchase any of its Funded Debt at any date on which such Debt is subject to required purchase, all under arrangements whereby the obligation to repay the amounts advanced for such discharge or purchase constitutes Funded Debt, then the portion of the Funded Debt committed to be discharged or purchased shall be excluded from such calculation and the principal of and interest on the Funded Debt incurred for such discharging or purchase that would be due in the Fiscal Year for which the calculation is being made, if incurred at the Stated Maturity or purchase date of the Funded Debt to be discharged or purchased, shall be added;

(2) **Balloon Debt.** If the principal (including the accretion of interest resulting from original issue discount or compounding of interest) of any series or issue of Funded Debt due (or payable in respect of any required purchase of such Funded Debt by the Board) in any Fiscal Year either is equal to at least 25% of the total principal (including the accretion of interest resulting from original issue discount or compounding of interest) of such Funded Debt or exceeds by more than 50% the greatest amount of principal of such series or issue of Funded Debt due in any preceding or succeeding Fiscal Year (such principal due in such Fiscal Year for such series or issue of Funded Debt being referred to herein as "Balloon Debt"), the amount of principal of such Balloon Debt taken into account during any Fiscal Year shall be equal to the debt service calculated using the original principal amount of such Balloon Debt amortized over the Term of Issue on a level debt service basis at an assumed interest rate equal to the rate borne by such Balloon Debt on the date of calculation;

(3) **Consent Sinking Fund.** In the case of Balloon Debt (as defined in clause (2) above), if a Designated Financial Officer shall deliver to the Board an Officer's Certificate providing for the retirement of (and the instrument creating such Balloon Debt shall permit the retirement of), or for the accumulation of a sinking fund for (and the instrument creating such Balloon Debt shall permit the accumulation of a sinking fund
for), such Balloon Debt according to a fixed schedule stated in such Officer's Certificate
ending on or before the Fiscal Year in which such principal (and premium, if any) is due,
then the principal of (and, in the case of retirement, or to the extent provided for by the
sinking fund accumulation, the premium, if any, and interest and other debt service
charges on) such Balloon Debt shall be computed as if the same were due in accordance
with such schedule, provided that this clause (3) shall apply only to Balloon Debt for
which the installments previously scheduled have been paid or deposited to the sinking
fund established with respect to such Debt on or before the times required by such
schedule; and provided further that this clause (3) shall not apply where the Board has
elected to apply the rule set forth in clause (2) above;

(4) **Prepaid Debt.** Principal of and interest on Parity Obligations, or portions
thereof, shall not be included in the computation of the Annual Debt Service
Requirements for any Fiscal Year for which such principal or interest are payable from
funds on deposit or set aside in trust for the payment thereof at the time of such
calculations (including without limitation capitalized interest and accrued interest so
deposited or set aside in trust) with a financial institution acting as fiduciary with respect
to the payment of such Debt;

(5) **Variable Rate.** As to any Parity Obligation that bears interest at a variable
interest rate which cannot be ascertained at the time of calculation of the Annual Debt
Service Requirement then, at the option of the Board, either (1) an interest rate equal to
the average rate borne by such Parity Obligations (or by comparable debt in the event that
such Parity Obligations has not been outstanding during the preceding 24 months) for any
24 month period ending within 30 days prior to the date of calculation, or (2) an interest
rate equal to the 30−year Tax−Exempt Revenue Bond Index (as most recently published
in The Bond Buyer), shall be presumed to apply for all future dates, unless such index is
no longer published in The Bond Buyer, in which case an index of tax−exempt revenue
bonds with maturities of at least 20 years which is published in a newspaper or journal
with national circulation may be used for this purpose. If two Series of Parity
Obligations which bear interest at variable interest rates, or one or more maturities within
a Series, of equal par amounts, are issued simultaneously with inverse floating interest
rates providing a composite fixed interest rate for such Parity Obligations taken as a
whole, such composite fixed rate shall be used in determining the Annual Debt Service
Requirement with respect to such Parity Obligations;

(6) **Guarantee.** In the case of any guarantee, as described in clause (2) of the
definition of Debt, no obligation will be counted if the Board does not anticipate in its
annual budget that it will make any payments on the guarantee. If, however, the Board is
making payments on a guarantee or anticipates doing so in its annual budget, such
obligation shall be treated as Parity Obligations and calculations of Annual Debt Service
Requirements with respect to such guarantee shall be made assuming that the Board will
make all additional payments due under the guaranteed obligation. If the entity whose
obligation is guaranteed cures all defaults and the Board no longer anticipates making
payments under the guarantee, the guaranteed obligations shall not be included in the
calculation of Annual Debt Service Requirements;

(7) **Commercial Paper.** With respect to any Parity Obligations issued in the
form of commercial paper with maturities not exceeding 270 days, the interest on such
Parity Obligations shall be calculated in the manner provided in clause (5) of this
definition and the maturity schedule shall be calculated in the manner provided in
clause (2) of this definition; and

(8) **Credit Agreement Payments.** If the Board has entered into a Credit
Agreement in connection with an issue of Debt, payments due under the Credit
Agreement (other than payments for fees and expenses), for either the Board or the Credit
Provider, shall be included in such calculation, except to the extent that the payments are
already taken into account under (1) through (7) above and any payments otherwise
included above under (1) through (7) which are to be replaced by payments under a
Credit Agreement, from either the Board or the Credit Provider, shall be excluded from
such calculation.

With respect to any calculation of historic data, only those payments actually made in the subject
period shall be taken into account in making such calculation and, with respect to prospective
calculations, only those payments reasonably expected to be made in the subject period shall be
taken into account in making the calculation.

"**Annual Direct Obligation**" means the amount budgeted each Fiscal Year by the Board
with respect to each Participant in the Financing System to satisfy said Participant's proportion of
debt service (calculated based on said Participant's Direct Obligation) due by the Board in such
Fiscal Year on Outstanding Parity Obligations.

"**Annual Obligation**" means, with respect to each Participant in the Financing System and
for each Fiscal Year, said Participant's Annual Direct Obligation plus the amount budgeted by
the Board for such Fiscal Year to allow said Participant to retire its obligation for advances made
to it by the Board in the management of the Financing System to satisfy part or all of a previous
Annual Direct Obligation payment.

"**Authorized Denomination**" shall have the meaning ascribed to said term in Section 10 of
this Resolution.

"**Award Certificate**" means the certificate executed by the Designated Financial Officer in
connection with the Bonds that establishes the terms of the Bonds issued pursuant to Section 10
of this Resolution.

"**Board**" means the Board of Regents of Stephen F. Austin State University, acting as the
governing body of the University, or any successor thereto.

Bonds or portions thereof which are to be so redeemed thereby automatically shall be treated as redeemed prior to their scheduled maturities, and they shall not bear interest after the date fixed for redemption, and they shall not be regarded as being outstanding except for the right of the registered owner to receive the redemption price from the Paying Agent/Registrar out of the funds provided for such payment. WITH RESPECT TO any optional redemption of the Bonds, unless certain prerequisites to such redemption required by the Bond Resolution have been met and moneys sufficient to pay the principal of and premium, if any, and interest on the Bonds to be redeemed shall have been received by the Paying Agent/Registrar prior to the giving of such notice of redemption, such notice shall state that said redemption may, at the option of the Board, be conditional upon the satisfaction of such prerequisites and receipt of such moneys by the Paying Agent/Registrar on or prior to the date fixed for such redemption, or upon any prerequisite set forth in such notice of redemption. If a conditional notice of redemption is given and such prerequisites to the redemption and sufficient moneys are not received, such notice shall be of no force and effect, the Board shall not redeem such Bonds and the Paying Agent/Registrar shall give notice, in the manner in which the notice of redemption was given, to the effect that the Bonds have not been redeemed.

The form of Assignment printed or endorsed on this Bond shall be executed by the registered owner or its duly authorized attorney or representative, to evidence the assignment hereof. A new Bond or Bonds payable to such assignee or assignees (which then will be the new registered owner or owners of such new Bond or Bonds), or to the previous

AS PROVIDED IN THE BOND RESOLUTION, this Bond, or any unredeemed portion hereof, may, at the request of the registered owner or the assignee or assignees hereof, be exchanged for a like aggregate principal amount of fully registered bonds, without interest coupons, payable to the appropriate registered owner, assignee, or assignees, as the case may be, having the same maturity date, in the same form, and bearing interest at the same rate, in any Authorized Denomination as requested in writing by the appropriate registered owner, assignee, or assignees, as the case may be, upon surrender of this Bond to the Paying Agent/Registrar for cancellation, all in accordance with the form and procedures set forth in the Bond Resolution.

WHENEVER the beneficial ownership of this Bond is determined by a book entry at a securities depository for the Bonds, the foregoing requirements of holding, delivering, or transferring this Bond shall be modified to require the appropriate person or entity to meet the requirements of the securities depository as to registering or transferring the book entry to produce the same effect.

IN THE EVENT any Paying Agent/Registrar for the Bonds is changed by the Board, resigns, or otherwise ceases to act as such, the Board has covenanted in the Bond Resolution that it promptly will appoint a competent and legally qualified substitute therefor, and promptly will cause written notice thereof to be mailed to the registered owners of the Bonds.

Neither the faith and credit nor the taxing power of the State of Texas, nor any agency, political corporation or political subdivision of the State of Texas is pledged to the payment of the principal of or interest on the Bonds.
