### Application Process

Students who have applied for university admission may apply to live on campus. You do not have to be admitted to apply for housing. Applications are accepted up to one year in advance of the semester you plan to attend SFA. The application and deposit may be submitted by logging in to mySFA, accessing "Campus Life," and selecting "Residence Life Services." Please visit [sfasu.edu/reslife](http://sfasu.edu/reslife) to review detailed instructions. Acceptance of the deposit does not guarantee your assignment or placement.

### Special Accommodations

If you require special accommodations, you may complete the special accommodation request form on our website. To be eligible for special accommodations, you must provide documentation of your permanent disability. The Residence Life Department will consult with Disability Services and/or the Residence Life Accommodation Assessment Committee regarding documentation and provision of accommodations.

### Roommate Preference

If you have a roommate preference, you should use the roommate assignment request form located on the Residence Life application. Roommate preferences are not guaranteed, but they are accommodated whenever possible. Students must request each other and list the same residence hall preference(s).

### Meal Plans

An on-campus student living in the residence halls (except those who have full kitchens) is required to purchase a residential meal plan. You will automatically be assigned the 7-day flex plan. To change a meal plan, log in to mySFA, click on "Campus Life," and select "Meal Plans." Your meal plan transactions should be handled through mySFA or the Card Services office located in Room 2.05 of the Baker Pattilo Student Center. Visit [sfasu.catering](http://sfasu.catering) for more information.

### Deposit Refunds

If you cancel your housing or receive a refund of your residence hall deposit by completing the online cancellation form through Residence Life. Service requests located on mySFA. Visit our website for cancellation deadlines and updated information.

### Bacterial Meningitis Shot Requirement:

State law requires that you have a bacterial meningitis shot at least 10 days prior to attending classes or moving into an on-campus residence hall. To view detailed instructions, acceptance of the deposit does not guarantee your assignment or placement.

### First-Year Commons Program

Designed by university administrators and the Residence Life Department, our First-Year Commons Program helps incoming students during their first year of college.

You benefit from the program through inclusion in a variety of activities and an ongoing academic support system led by highly trained and professional student mentors.

The program supports first-year students as they transition from high school to their first-year student and have access to assigned Gunnell Academic and Cultural Orientation Editors.

First-year halls have programs focused on enhancing time management, note taking, and study skills, as well as community building. The Student Success Center located in Lumberjack Landing hosts study areas, a business area, and a computer lab.

### Residential Learning Communities

Offered across all residence halls, professional staff members, and student leadership opportunities.

### Residence Life

- The opportunity to find your place on campus exists. You must be present, but you will not be alone. Each community has staff members to support and assist you as you find your place in the community. The staff is well-trained, energetic, and dedicated to making your on-campus living experience educational and positive.

### Get Involved

The Residence Hall Association is a student-led organization for all students living on campus. Through elected representatives, the RHA speaks for students on issues pertaining to on-campus living. Students participate in programs and activities that reinforce academic, social, recreational, and personal growth, as well as diversity awareness and community service. Each resident living on campus is automatically a member of RHA.

### Campus Living Requirements
