Instructions: To evaluate your Course, please select one of the options on the Likert Scale to each of the following questions.

Disagree Neutral Agree

Course:

1. The course objectives were clear and concise.
2. The course content was reflected in the objectives.
3. The course content was built on previous knowledge.
4. The course content addressed ethical and legal issues in nursing, when applicable.
5. The course content addressed responsibilities under the nurse practice act, when applicable.
6. The textbook and/or content in the Learning Management System (e.g., D2L) was applicable to the course content.
7. The grading procedure was outlined at the beginning of the course.
8. The syllabus was followed during the course.
9. The course content was presented in an organized and informed manner.
10. Class usually began on time.
11. Class was seldom dismissed early or cancelled.
12. Overall, I would rate this course as facilitating my learning.

Instructions: Please select one of the options on the Likert Scale to each of the following questions.

Agree Neutral Disagree Non-applicable

1. If applicable, the library resources were available for meeting course objectives.
2. If applicable, the technology orientation that was provided facilitated the learning process (e.g., Center for Teaching & Learning (CTL), testing software, 3-G mannequins).
3. If applicable, I know where to go to obtain technology support (e.g., CTL web page, CTL main campus, & faculty).
