

## **PSYCHOLOGY MINOR**

A minor in psychology consists of 18-23 hours in psychology, including the following courses:

- PSY 133
- 15-20 hours of psychology electives, including at least nine hours of 300- or 400-level courses
- You are free to choose any Psychology course you want to take to compliment your major given you meet the course prerequisites.
- Please note that PSY 200, 330, 341, 420, and 497 are for Psychology Majors only.
