<p>Presentation and Board Action on Agenda Item:</p> <p><u>ACTING AUTHORITY DURING PRESIDENT’S ABSENCE</u></p> <p>Explanation:</p> <p>President Baker Pattillo is presently unable to fill the duties of president. University policy 2.4, Authority to Act in the Absence of the President, provides authority to act in the president’s place; however, that policy is for situations where the president is temporarily off-campus and still acting within a presidential capacity. It is necessary for the Board of Regents to name, by official action, an individual to serve as acting president to allow for the continued, standard operation of the university.</p> <p>Recommendation:</p> <p>It is recommended that Dr. Steve Westbrook, vice president for university affairs, serve as acting president until the president is able to return to his duties.</p>	<p>Brigettee Henderson Board Chair</p>
