The provost and vice president for academic affairs, dean of research and graduate studies, establishes and makes available procedures for the programmatic administration of grants, contracts and other sponsored agreements. These procedures are outlined in the **Grants and Contracts Procedures Manual** published by the Office of Research and Sponsored Programs (ORSP), Graduate Studies (ORGS). The controller establishes internal controls for the fiscal administration and reporting of grants, contracts and other sponsored agreements and is responsible for the negotiation of facilities and administrative (indirect) cost rate agreements with the federal cognizant agency.

These controls and procedures are designed to ensure that sponsored activities are conducted in accordance with university policies and procedures, with laws and regulations, and with the provisions of the grants, contracts and sponsored agreements themselves.
