Purpose

Stephen F. Austin State University has a large dynamic campus that is constantly in a state of change to meet the various needs of the diverse departments that make up the university as a whole. There are limitations on where and how markers and monuments, and artwork may be added to or removed from the campus so as not to encumber future university needs. The rules articulated in this policy apply to all students, faculty, staff, and their approved organizations, as well as all other persons and groups.

Definitions

Markers and monuments, or artwork include all types of permanent applications that are placed anywhere on campus including signs of a permanent nature, features that are erected, affixed, or otherwise installed on any institutional building or land for a time period extending beyond 14 days.

Non-permanent markers, or monuments, or artwork would be those meeting the criteria described in Policy 16.24, Section IV concerning signs displayed for 14 days or less.

General

Markers, monuments, or artwork including historical markers or signs, may be placed on or removed from campus when it is in the best interest of the university. A committee will review all such requests. Nominations for a new marker, monument, or artwork and applications for removal of an existing marker, monument, or artwork may be found on the Physical Plant Department (PPD) website.

Markers, monuments, or artwork placed on campus without prior written permission will be removed by the PPD. Removed items will be held for sixty (60) days prior to disposal. Notification will be provided if possible.

Committee

The vice president of finance and administration will appoint a markers, monuments, and artwork committee that includes one representative from each of the following: development, alumni, faculty, physical plant, university marketing and communications, and a student representative. Each faculty and staff member will serve on the markers, monuments, and artwork committee for a term of two (2) years, with the possibility of reappointment. The SFA student representative will
serve a term of one (1) year with the possibility of reappointment. The markers, monuments, and artwork committee will review all nominations for markers, monuments, and artwork as well as applications for deaccession of markers, monuments, and artwork. Upon review of the nominations and applications by the markers, monuments, and artwork committee, recommendations will be made to the vice president of finance and administration for final approval.

- Funding for costs including installation, maintenance, and insurance.

Please note that each marker, monument, or artwork nomination will be considered individually based on the SFA campus master plan and SFA policy and procedure as well as current and future costs. The markers, monuments, and artwork committee and/or the vice president of finance and administration reserves the right to refuse nominations for markers, monuments, and artwork after review of the nomination.

General Exceptions to Committee Review

Markers or monuments honoring or in memory of an individual are limited to students, faculty, or staff who have passed away while in a student, faculty, or staff status. Such monuments are limited to the memorial walk area on the south side of the Ag Pond. Markers or monuments may not be placed at any other location on campus.

Monuments will be purchased by the individual or group desiring to place the monument on the walk. Installation will be by the PPD Physical Plant Department. The PPD Physical Plant Department will provide maintenance at the same level as the existing walk. Markers that are broken or otherwise damaged or lost will not be the responsibility of the PPD Physical Plant Department. Requests to place a marker should be directed to the director of the physical plant.

Markers or monuments, including historical markers or signs, may be located at other locations on campus when it is in the best interest of the university. Such markers, monuments or signs are subject to removal or relocation when, and if, space is needed for further campus improvements.

Markers placed on campus without prior written permission will be removed by the Physical Plant Department. Markers will be held for sixty (60) days prior to disposal. Notification will be provided if possible.

Requests to place a marker should be directed to the director of the physical plant. The director of the physical plant will compare requests to the campus Long Range Plan and overall campus design. Requests may be denied or recommended for an alternate location.

The Walk of Recognition (located at SFA fountain plaza) includes markers and bricks as coordinated through the SFA Alumni Association. Requests and guidelines for placement of markers and bricks at the Walk of Recognition are established by the SFA Alumni Association separate from this policy.
