Campus Programs for Minors on University Property

Texas Education Code, Section 51.976, and SFA Policy D-59 requires certain employees and volunteers of programs deemed to be a “campus program for minors” (CPM) to receive sexual abuse and child molestation awareness training.

A program is defined as a university sponsored CPM if it:

1. includes participants who are minors;
2. is operated by the university;
3. offers recreational, athletic, religious, or educational activities to participants for all or part of at least two (2) days.
