New Rules will take effect immediately along with strong enforcement of old rules. Please be prepared mentally and physically for these changes and understand that no one is above or beyond these rules!

1. Please list below any and all tattoos that you may have anywhere on your body at this time.

Please understand that no existing tattoo will be allowed to be seen during game day or other performances in uniform. Further understand that getting a tattoo from this date onward that is not able to be easily covered for said performances, or that will hinder either practice or performance in any way will be grounds for immediate dismissal from the team (in such case that you are chosen as a team member).

2. Please list below any and all piercings that you have anywhere on your body at this time.

Please understand that you will not be allowed to wear any piercings during practices, game day, or other performances in uniform. Further understand that getting a new piercing from this date onward that is not able to be easily removed for said performances, or that will hinder either practice or performance in any way will be grounds for immediate dismissal from the team (in such case that you are chosen as a team member).

3. Please list any and all Social Network Accounts you have. List your screen name, log in name, or contact information so you can be found. Understand that any inappropriate material found on these networks will need to be removed prior to being a part of the SFA Cheer Program.
