1. **Policies** Judy Abbott
Faculty Merit Pay (7.6)
Tenure and Continuing Employment (7.29)
Performance Evaluation of Faculty

These policies were discussed in detail, there will need to be much feedback from faculty and therefore we do not plan to take them to the Board until July.

2. **First Year Experience** Mary Nelle Brunson
Dr. Brunson gave an update on the First Year Experience and the committee's recommendations.

3. **"Change Leadership in Higher Education" Book** Steve Bullard
Dr. Bullard has purchased copies of this book for each of the deans and they will meet every other week to go over each chapter and give feedback. The meetings will be held in a different college/building every two weeks.
