1. **Policies**

Tim Bisping

Records Management 2.9

Policy committee worked with Will Honea from the Library on this policy and combined 2.14 (State Publications) into this policy, therefore deleting 2.14.

Dr. Bisping moved to approve the policy, Dr. Abbott seconded the motion and all deans agreed unanimously to approve. This will be viewed by the Board at the July meeting.

Faculty Workload 7.13

There was some discussion on this policy as it has been back and forth several times, including being viewed by faculty senate. After some discussion a motion was made for this policy to be tabled for further discussion in the fall and would not be approved at this time.

Dr. Abbott moved to table this policy, Dr. Childs seconded the motion and all deans agreed unanimously.
