

## TRANSFER/RETURNING - SUMMER PROVISIONAL PROGRAM

### **Summer Provisional Students are not eligible for financial aid.**

Although transfer students with less than a 2.0 grade point average are not eligible for admission into the fall or spring semesters, those who are not currently on academic suspension at another institution are eligible for provisional admission to a summer term. Summer provisional students may be eligible to enroll for subsequent semesters if they complete nine semester hours of non-developmental coursework as approved by their academic dean and earn at least a 2.0 grade point average on all work attempted.

Advising will be through the Advising Center of the Academic College.

Students who are unsuccessful and do not return with new academic credits will only be allowed to attend the Summer Provisional Program again.

Transfer students who do not successfully complete the Summer Provisional Program as specified by their academic dean may only be re-admitted to SFA upon presentation of academic credits transferred from one or more institutions for which the **cumulative GPA is 2.0 or higher**. Calculation of this GPA is based on **all** non-SFA academic credits earned; it will include credit earned both before and after participation in the SFA Transfer Provisional Program.

Returning students who do not successfully complete the Summer Provisional Program as specified by their academic dean may only be re-admitted to SFA upon presentation of academic credits transferred from one or more institutions for which the **cumulative GPA is 2.0 or higher**. Calculation of this GPA is based on **all** non-SFA academic credits earned; it will only include credit earned after participation in the SFA Transfer Provisional Program.
